THE pre-eminence of the symbol "Body by Fisher" is founded on gigantic resources embracing more than 170,000 acres of timberland, 14,000,000 square feet of factory floor space and an army of more than 50,000 employees. Fisher is one of the largest manufacturers of lumber, of plate glass and of hardware—as well as the largest manufacturer of motor car bodies. Fisher closely controls all sources of materials, effecting an efficiency of manufacture which is immediately apparent in the superior design, beauty and particularly in the value of every car with Body by Fisher.

"H&W" Belt Corsette

with the inner belt "that fits"

In this garment one has the happy combination of corrective diaphragm control with healthful inner belt support. The result is a delightful slenderizing effect.
