HERE are candies so noted for deliciousness that people all over the country write in for them; that actors, actresses, and other notables (including one president of the United States) have written unsolicited testimonials for them. Candies so pure that mothers buy them confidently for their children. Varieties so new and so enticingly different that men buy them for themselves. In short, candies so extra-good that, for 21 years, ever since Mrs. Snyder opened her first small shop they have made instant appeal to everyone who has ever tasted them. Step in to any one of Mrs. Snyder's eleven stores, listed here, and treat yourself to some.

What it does
 Absorbed rapidly by the skin, this new cream counteracts dryness, tight, drawn feeling, scalliness, tired look. Skillfully compounded of finest ingredients, it keeps skin soft, satin-smooth, dewy. A strict departure from ordinary nourishing or lubricating creams, Hinds Texture Cream not only softens and lubricates dry skins, but positively will not over-stimulate oily areas. Hence, it is used with remarkable success by the "Deceptive-

Type" skin, which shows both dry and oily symptoms.

How to use
 After cleansing face and neck, smooth Hinds Texture Cream well into skin, a little at a time, until it disappears. Wipe off any surplus moisture and skin is left satin-smooth, flexible and greaseless. Consider, too, that this exquisite new cream costs no more than ordinary "greasy" creams. You get it at all drug and department stores. Price 40¢ and 65¢. Buy Hinds Texture Cream today.

IF USED MORNINGS while working around house this new-type softening cream frees you from embarrassment of "greasy" face when answering doorbell . . . Protects skin from house-work's dirt and dust.
