*The DISTINGUISHED Set
among cigars*

Most cigars taste good under certain conditions—after a heavy dinner—over a fine cup of coffee. But Van Dyck tastes good under all conditions. Its choice, fragrant tobaccos are a delight from eight in the morning until midnight—your 16 waking hours—mild enough for after breakfast—with enough character to hold your palate's interest until the last puff at night. Switch to Van Dyck and enjoy cigar smoking 16 hours a day.
