AMERICAN HEROES

A BOLD AND BRILLIANT SPIRIT OF THE REVOLUTION—Daniel Morgan, whose riflemen fought to deathless fame in the war for independence. In the main news section of today's Tribune, on the editorial page, Clifford Raymond tells the stirring story of Morgan's martial career.

MARRIED AND FIRED: THE GREAT CHRIS CAGLE, miracle man of the West Point eleven, with his bride of two years, formerly Miss Marion Haile. Revelation of their secret marriage resulted in Cagle's resignation from the academy by request; but Christian wanted to quit and go to coaching, anyway. (Pacific and Atlantic photo.)

**THIS SACHET**

Please note the patented perforated steam tab, on the Eugène Sachet shown above. This tab controls and directs the steam. . . . It has made permanent waving safe, gentle and certain.

Better still, with this tab, those few new inches of new straight hair, grown since your previous permanent wave, can be separately waved while protecting the rest of the hair. Thus, the Eugène Wave is worth its slightly higher price because it can be maintained at its lovely best throughout the year.

Send for "The Eugène Beauty Book", and a specimen of the Eugène Sachet, to help you understand and recognize it.

**"Eugène!"**  
is the World's Verdict

"Eugène!," answered Paris,  
"Eugène!," answered London,  
and now—"Eugène!," answers  
New York, Chicago, Los Angeles.

In all the great cities of the world, when you ask for the name of the preferred method of permanent waving, smart society has only one answer . . . "EUGÈNE!"
