

LITA CHEVRETE is seen as the oriental sweetheart in "Pearl of Old Japan," the under-seas ballet in the Fox Movietone Follies. Clad in pearls, seaweed, and sea shells, with seafoam for her gauze skirt, she seeks her lover in the depths of the briny blue.

DIXIE LEE was a Senn High school girl in Chicago before she started doing "Blues" song and dance numbers in New York. Fox Movietone grabbed her for its "Follies," and there you will see and hear her.

SUE CAROL, also from Chicago, has a leading role in the Fox Movietone Follies. She's the smiling maiden in the center. Mae Addison leads the line and Muriel Gardner ends it. These three put over the "Breakaway" song and dance number.

MELVE CORNELL and Henry Millenden are here seen as the fisherman and the mermaid in the "Pearl of Old Japan" under-seas ballet in the Fox Movietone Follies. The mermaid lures the man from his home to the deep caverns of the sea.

## Mercolized Wax Keeps Skin Young

Your skin will always be clear, smooth and healthy, if you care for it with pure Mercolized Wax.

Mercolized Wax retains and even brings back the youthful beauty of your skin. It actually removes the thin veil of faded or discolored outer skin. The Wax cleanses the pores thoroughly and clears away all such blemishes as freckles, pimples, sallowness, or dry, parched skin. The fresh young skin beneath then comes to the surface. It is a clear transparent skin and makes your entire face look years younger.

In youth Nature renews the complexion by peeling off the outer layer of skin in tiny particles, but in time this skin renewing will slow up and your face will become faded and old-looking—unless you use pure Mercolized Wax. Millions of women now using Mercolized Wax would not be without it. You'll like it, too. Mercolized Wax brings out the hidden beauty.

To quickly remove wrinkles and other age-lines, use as a face lotion 1 ounce powdered saxolite and 1 half pint witch hazel. At all drug stores.
