CENTENNIAL EDITION
CAN BE HAIRED TO
ALL PARTS OF U.S. FOR 10c

A true representative of American
life and its beauty, gifted with
intellectual freedom, honest friend of
humanity, is the paper that has
spoken the American way. When the
Tribune entered Chicago's history at
the time of its inauguration, the
people of America had already
learned the Tribune's service. Its
history is the history of Chicago's
freedom in the next century.
