Five hundred women of many towns and cities will gather in the fieldhouse today in the Florida hotel soon to be opened. The mayor of the town will make speeches and give the women their citations for their part in the movement to build the town.

Front Views & Profiles

The Century Poland

In the last days of the century, a man invented a sewing machine that changed the world forever. The sewing machine brought about mass production and made it possible for the average person to have clothing. The sewing machine was invented by a man named Elias Howe. The sewing machine made it possible for people to sew their own clothes and made it easier to mass-produce clothing.

Other Wedding News

Crisp and cool, sparkling and new—here's a fresh fragrance to keep you feeling minty all day long. Eagerly added to the line of the popular Matchabelli line is a new scent, named Bebe. It is a fresh, crisp, and cool fragrance that is perfect for summer days.

Today's beauty tips:

Spray cologne directly to your skin. The warmth of your body will release the scent and perfume you attractively.
