# FIRST ACT!

The cue for getting a party under way is the serving of the long, tall drinks. And it's part of a clever hostess' role to be sure that they're made with The Champagne of Ginger Ales. • For Canada Dry comes very close to perfection. It doesn't merely mix . . . it blends! Take the flavor of apple or juniper . . . take a little lemon or lime . . . and fill the glass to the brim with Canada Dry. That's the way to stir things up! • It's a wide world, but there's only one Canada Dry in it. As a partner in a long, tall drink . . . or in a glass all by itself . . . there's a sheer delight in The Champagne of Ginger Ales never found in less royal beverages.
