*There is no wave like the Eugene wave*

Don't think that all permanents are alike. They're not. Don't think that any permanent wave will do. It won't. It's well worth your while to select a shop that does genuine Eugene permanent waving—with genuine Eugene Sachets.

**EMINENTLY VICTORIAN**

*...a wave in her hair and curls, curls, curls*

Miss 1933 wears a hat that's up in the back in a manner pre-eminently Victorian. Her hair shows. Therefore the great need of permanent waves, and curls, by Eugene. For the Eugene Method gently imparts the required natural, yet lasting, undulations . . . and easily handles your shortest hair to produce the flattering face-and-neck curls of the mode.

New and patented 1933 improvements, exclusively used by shops that do genuine Eugene Waving, assure you of the correct wave, the way you want it—with curls that are as permanent as the wave itself.

Insist on getting the genuine Eugene Wave and Curls. Look for the Eugene Trade Mark figure on each sachet or waving wrapper that is applied to your hair.
