

Shot with Sunshine...

Every bit of liquid is shot thru and thru with ultra-violet rays to insure water of the utmost purity. No expense is ever spared to make Canada Dry as pure and delicious as can be. Just another good reason why it pays to serve the ginger ale you know is wholesome...

...of course it's "CANADA DRY"

THE CHAMPAGNE OF GINGER ALES

In a short span of years, the fame of Canada Dry has spread over the world. Everywhere, this fine, dry ginger ale is unquestioningly chosen as the finest mixer a man could want and as the purest, most wholesome ginger ale for the children.

And Canada Dry's Sparkling Water and Canada Dry's Lime Rickey, too, make welcome additions to your stock of beverages for hot weather drinking. Like "Canada Dry" they are unequalled for flavor and "mix"-ability.
