NEW YORK: The Swiss government has announced that it will build a new railway from Milan to the Italian-French border, a project that has been discussed for many years.

SWISS SEE PERIL IN ITALIAN 'AIR RAILWAY' IN ALPS

Fear It Will Open Path for Invasion.

GENOA, Italy 7 July 10 — The Swiss have announced today that they will build a new railway from Milan to the French border, a project that has been discussed for many years.

The new railway will be a vital link in the Swiss defense system, as it will provide a direct route from the Italian-French border to the heart of Switzerland.

Fears have been expressed that the new railway will be used by the Italian army to reinforce its forces on the border, and that it will provide a route for invasion into Switzerland.

However, the Swiss government has denied these concerns, stating that the new railway will only be used for peaceful purposes.

AMERICAN EMBASSY IN CHINA PREPARES TO MOVE ONCE MORE

Washington, D.C., July 10—From today until the end of the month, the American embassy in Shanghai will move to a new location.

The move is being made in response to increasing tensions between China and the United States, and is part of efforts to maintain diplomatic relations.

CHURCHILL, July 10—Sir Winston Churchill has called for a stronger alliance between the United States and the United Kingdom, in order to counter the threat posed by Germany.

The British prime minister said that the alliance must be strengthened, as Germany is becoming a major threat to the stability of the world.

The statement was made in response to the recent news of German aggression, and follows a series of meetings between Churchill and President Roosevelt.

EXPLOSIONS ROCK SHANGHAI; FIRES RAGE IN SUBURB

SHANGHAI, July 10—Several explosions and fires have occurred in the suburbs of Shanghai today, causing panic among the local population.

The cause of the explosions is unknown, but it is believed that they may have been caused by bombing.

A total of twelve lives were lost, and many more were injured in the incidents.

The Chinese government has announced that it will investigate the cause of the explosions, and has called for the people to remain calm.
