Small Arsenal Is Found in Bandits’ Hideout.

(Continued from last page).

Some of the masked bandits for the six men who held up the Loop Store last night are being sought by the police today. The robbery was the eighth one committed by bandits in Chicago, and this morning the police said they are not satisfied until the six men have been arrested.

Harry Wilkewirth, who is 45 years old, said that the men were going to rob the store. He was arrested by the police in an attempt to rob the store.

This is the second time that the police have arrested Wilkewirth in connection with a robbery. He was arrested in 1933 for attempting to rob the store.
