2 More normal is their activity during auction days in their Pennsylvania communities. Taught thrift for generations, the Amish are hard bargainers.

3 These women are typical. Founded in 1523 in Zurich, Switzerland, the Mennonite faith envisioned a life entirely apart from the world.

4 Beards are the mark of the Amish men. The Amish order has approximately 8,600 members in the United States. Members still sing hymns written in 1571, the music of which has never been recorded on paper.

Swim Girls

Ann Morriss poses in the inevitable role assigned all attractive young film actresses.

Hedy Lamarr, whose role as a bathing beauty really made her famous. She is the "Ecstasy Girl" who swam nude in the foreign film of that name.
