

Before You Invest ... INVESTIGATE!

HERE is the *engineered* home heating system—so far advanced, so far superior that you can't afford *not* to investigate its advantages! Especially engineered by National as a complete home heating system and installed as a unit, it delivers automatically controlled heat through the winter and domestic hot water all year 'round. Learn about its efficiency, its economy! See the beautiful, richly colored steel jacket. No extras to pay for. Burns lowest cost domestic fuel oil. Made with either steel or cast iron boiler. MODERATE MONTHLY TERMS. Special units engineered by National with Williams Oil-O-Matic Oil Burners. Investigate!

IT'S SUCH A COMFORT
AND SO VERY ECONOMICAL!

Far Better
Far Different
than any oil burner.
Your complete Heating
Equipment in this
one engineered
Unit

Every woman should make this "Armhole Odor" Test

If you deodorize only—because it is
easy and quick—you will always have
an unpleasant, stale "armhole odor"
—test yourself tonight by smelling
your dress at the armhole

Can it be
true that I really
smell that way to
others?

TONIGHT, as soon as you take off
your dress, smell the fabric under
the arm. No matter how careful you are
about deodorizing your *underarm*, you
may find that your dress carries the em-
barrassing odor of stale perspiration.

This is bound to happen if you merely
deodorize. You must keep the under-
arm completely dry, so that perspiration
will not collect and dry on the
fabric of your dress.

And each time you wear that dress,
the warmth of your body is sure to
bring out an unpleasant, stale "arm-
hole odor."

Only one way to be sure... Only a
liquid deodorant can give you com-
plete protection. Liquid Odorono gen-
tly closes the pores of the underarm, so
that not even a single drop of mois-

ture can collect on your dress.
Saves your lovely clothes, too... Liquid
Odorono does away forever with horrible
underarm stains that even the cleaner
cannot remove, that can ruin expensive
frocks and coat linings in one day's
wearing! And there is no grease to stick
to your clothes and make them messy.

Odorono is entirely safe. In two
strengths—Regular and Instant, at all
toilet-goods counters. Send today for
samples and leaflet.

RUTH MILLER, The Odorono Co., Inc. 8-30-36
Dept. CT, 191 Hudson St., New York City
(In Canada, address P. O. Box 2320, Montreal)
I enclose 8¢ for sample vials of both Instant Odorono
and Regular Odorono and leaflet on complete underarm
dryness.
