The New Ball Room Steps—Graceful and Decent

**The Tango. Hesitation Waltz.
The One Step. The Massiche.**

(These are the four basical dances now in vogue. Each has probably a dozen variants.)

**Every Movement
Illustrated by
Wonderful Photographs**

*Miss Janis will tell how
she invents the dances
which are so modest, so
graceful, and, withal, so
simple.*

*She will tell you how to
learn them.*

*She will give these les-
sons, detail by detail.*

*Starting in next Sun-
day's Tribune, she will
begin at the beginning and
take her pupils—YOU and
YOUR PARTNER—les-
son by lesson—throughout
the course.*

*It will be made easy for
everybody to learn the
NEW but NOT VULGAR
dances.*
