

The DISTINGUISHED Set

Whether you are an all-day smoker who lights one cigar with another—or whether you merely indulge in an after-meal cigar—you'll get great pleasure from the distinguished Van Dyck. So mild it never tires you — so full-bodied it brings real satisfaction. Ask your dealer for "The Distinguished Set"—Van Dyck Banker, Invincible, Corona, and the new Selecto. You'll like Van Dyck — it's mild all through.
