A new way to prepare SWEET POTATOES

1 sweet potato
20 Brazil Nuts
3 apples
1/4 pound bacon

But the potatoes until soft, peel, place in greased baking dish. Core and slice apples and place between the potatoes. In each potato put one whole Brazil Nut. Slice the remaining Brazil Nuts and sprinkle over potatoes and apples and arrange bacon on top. Bake about twenty minutes in a moderate oven, 375 degrees F., basting occasionally with the sauce for the bacon.

Brazil Nuts bring delicious new flavor to your favorite dishes. The rich, nutty taste is potent enough to top salads, soups, stews, sauces, or add flavor to your favorite dishes. Try Brazil Nuts in your recipes and you will be impressed with the results.
