MRS. WHITMAN'S DILEMMA

for once she takes
a man's advice

"My, I'm glad I discovered Glo-Coat! I'll never have an excuse again for dirty floors—this is so easy and so satisfactory."

"I was so ashamed of this floor when I had the girls in this afternoon. It looks so dingy!—but I haven't time to scrub it. I must meet John at his office in half an hour."

Superintendent: "Yes, we use Johnson's Glo-Coat. It's easy to apply, dries quickly to a lasting finish—without any rubbing or polishing."
