

CAROL LOMBARD looks like a bit of statuary here, doesn't she? Also, she appears to be on a pedestal. There was no reason for the pose that we know of, except to provide a pretty picture for fan albums.

DENNIS KING, girls, for your scrapbooks! He is, as they say, a broth of a lad, and the chances are that the screen version of "The Vagabond King," in which he is working, will be a gratifying success.

HELEN MORGAN, former night club queen, is seen here as Kitty Darling, which role she plays in "Applause."

### The way to complexion beauty

A beautiful skin deserves immaculate cleansing—and responds to it by becoming lovelier every day!

Plough's Cleansing Cream cleanses the quickest and most effective way. The light, pure oils in this dainty cream are not absorbed by the skin but slip easily into the pores and out again bringing all impurities which cause blackheads and other blemishes. It leaves the skin fresh and clean and keeps the texture fine, smooth and beautiful.

Plough's Cleansing Cream is available at all dealers in three sizes, popularly priced.

## The joys of BEER

ARE NOT FORBIDDEN  
They are at their best in this new-day brew

No beer of old was ever better than Atlas Special Brew. It is brewed by masters whose beer was always the leader in Chicago. It has the same age, same flavor, same quality and purity.

We go to extremes to give you something even better than the old. We cool the brew gradually, then filter it through white wool pulp. We treat the water, to give you the same mellow flavor as the famous beers of Europe. The brew is aged for months, then pasteurized after bottling.

Atlas Special Brew, in all you loved best, will bring the old days back.

### What About Alcohol?

Of course, we evaporate most of the alcohol, but you would not know it if someone told you this was old reserve.

Alcohol was always a small factor in beer. What you liked was the tang and sparkle, the flavor and zest. You liked it

as a help to digestion and an aid to sleep. All those helps and delights are at their best in Atlas Special Brew.

### Cease Your Regrets

No need to miss a malt-and-hop brew that you loved. No need to turn to unripe "near-beers" or to rank home brews. They only spoil the memories of good beer.

If you will only insist on Atlas Special Brew, you will find it equal to the best of old—as a joy drink, a tonic and an aid to sleep. It is supplied by over 15,000 grocers, delicatessen stores and drug stores in Chicago and surrounding states. It costs only 15c a bottle, much less by the case of 24 bottles, so order some now at your store. If you should have any trouble getting it, write or telephone us for the name of your nearest dealer.
