All prices f. o. b. factory, Flint, Michigan
 Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Our dealers' delivered prices include only authorized charges for freight and delivery, and the charge for any additional accessories or financing desired.

No matter where you drive the Chevrolet Six—on city street, on boulevard or country road—its marvelous performance will delight you every mile of the way!

Its great six-cylinder valve-in-head motor, the result of more than four years' development and a million miles of testing, delivers its power with that smooth, even, velvety flow which characterizes the truly fine automobile. You ride in perfect comfort at every speed—no annoying vibration—no rumble in the body—no noise fatigue. And always you have the thrill of six-cylinder reserve power—instantly available for a burst of speed, a long, hard pull or quick acceleration at the traffic light.

And so easy to handle! The steering gear is equipped throughout with friction-free ball bearings. The big, non-

locking 4-wheel brakes respond to the slightest pressure. Gears shift quickly and quietly. And the smooth-acting dry-disc clutch engages swiftly and easily.

In any automobile, such sensational overall performance would win and hold your admiration. But combined with Chevrolet's outstanding economy, it is simply amazing. For not only does the Chevrolet Six deliver *better than 20 miles to the gallon of gasoline*, but its maintenance costs are extremely low—due to the fact that it is built to the highest standards in both materials and workmanship.

Visit your Chevrolet dealer today. Know the joy of driving this wonderful Six—*which actually sells in the price range of the four*. See for yourself why over a million, two-hundred and fifty thousand people have chosen the Chevrolet Six.
