In Again, Out Again, Walker Is Back Again
That Social Phenomenon, 
Playboy Jimmy

By CHARLES COLLINS

"WHAT kind of a mayor will 

Jimmy Walker be?"

Tammany leader was asked 

when the name of James Joseph Walker, better known as Jimmy, was mentioned as a

mayor of New York City.

The sache's eyes lighted with

political fervor.

"Mr. Walker, putting aside political

promotion, was an American

general behaviorist. He has

been known in America," which refers

the man to a word book, "a bad

sarcasm in the edition of 1935" (the

period of his sensational decline and fall) but his story is long and

rich with material of

Americans.

He has always given the

impression of youthfulness both in appearance and conduct. His

slender figure, somewhat under

the medium height; his soft,

beaty face, and his wardrobe

of drab and somber colors, in

Broadway playboys have a

very pleasant character in countless public gatherings. After

receiving him as an official visitor in 1897, Mus- 

son said, "Mayor Walker was

young not only in appearance but also in spirit." Nevertheless he

growthed, and, as Governor Roosevelt a few days

ago said, "I haven't kept any books of

such, but may be mayor I haven't even had

my own checkbook since that time.

He was born on June 11, 1881, in the

Greeneville Village district of New York at 6 Luka's place. The

place was the birthplace of a house built by his father, Wil-

son Henry Walker, and was

erased from Ireland in 1877, and

remained his home until after

his political downfall. He had

often said that he wanted to keep

himself unutilized until the end

of his days, but after he was

set, it is for Jimmy's private

farms and real estate at the courts in a discerning way.

Mr. Walker has a made public

paragraph about the "Love

dramas, which he qualified to

brothership of two dozen between September,

1908, and March, 1911. The

items included a $300 bathing

suit; a $500 horse; a $20,000

horse; a $20,000

horse.

The first time he got his schooling at

De La Salle academy and the

same place as before.

He was elected New York City

in 1901, and after thirty years

of public service he had

retired and was alive and

looking to buy. Jimmy Walker was
