

# Why she Failed to Pass the Test of Critical Eyes

*A dozen times a day some little unconscious movement of the hands betrays you*

**C**AREFULLY gowned, pretty, attractive—yet she failed to pass the test of the other woman's scrutiny.

In the one small index to good breeding that never escapes the eyes of a critical person, the girl was deficient. Her hands were not well groomed.

How often, without our knowledge, each one of us is judged by this test!

Whenever we shake hands, whenever we make a little nervous movement or gesture of any kind, eyes are attracted by the motion to our finger tips. They see and notice our finger nails. Most people, even when they do not consciously observe our hands, are none the less unconsciously influenced by their appearance.

Some people deliberately judge every new acquaintance by the finger nails. They consider this the most unflinching of all tests of character. A well-known social leader said, "I can overlook shabby clothes, but ragged looking nails and cuticle are something that I cannot forgive anyone. They prove a lack of personal fastidiousness which simply means vulgarity to me."

Yet most of us have learned from sad experience how impossible it is to keep our own nails well groomed

by the old-fashioned cuticle cutting method. The cuticle only seems to grow up faster, to get thicker and rougher.

For cuticle, like hair, is coarsened and thickened by constant cutting.

It is very easy, though, by the proper softening method, to keep always a lovely unbroken nail margin. The Cutex method for caring for the nails and cuticle—the most popular method in America—will keep your nails always charming. Regularly, once or twice a week, according to the rapidity with which your cuticle grows, give yourself a Cutex manicure.

You will never again be embarrassed when you feel eyes upon your hands. Your nails and cuticle will be always above reproach, always one of your chief charms.

Cutex, the cuticle remover, comes in 35c and 65c bottles. Cutex Nail White, Cold Cream and Nail Polish are each 35c.
