COCKTAILS LATE—THEATRE—DINING CHEZ NOUS. The slick thing is Mallinson's Brookridge Crepe in Rayon by Du Pont—so suave in line. The new thing is long sleeves and necklace throats. Practical thought for theatre trains. Brookridge is Aqua-sec which means water-spot proof and perspiration-resistant. Above—the necklace is of nail heads. Right—with brilliants and deep velvet. Wear them in new high shades or black. Moderately Priced Frock Shop—4th Floor.
