Dr. Anna Shaw Tells Meeting All the World Is Calling to Women in the War.

ALTIMORE, Md., Nov. 25,-Dr. Anna Howard Shaw, chairman of the National Council of Defense, at a mass meeting of Maryland mothers today termed the war "a woman's war, man made in Germany." declared the greatest proof of patriotism in women was the fact that they gave their sons for war.

"We must send our boys away with a smile on our faces," she said. "The time for tears must be after they are gone. Let our children know that they live in the land where men are willing to die and where women are willing to give all for their country. All the

world is calling to the womanhood and the motherhood of America." Dr. Shaw urged a "smokeless Friday, for men at home, and that they send the tobacco so saved to the men in the field.

BOY IS KILLED STEALING RIDE TO HIS-WEDDING

Mother Claims Body of Runaway Youth from St. Louis.

A mother wept over the body of her runaway son at Buffum's undertaking establishment yesterday. The boy was William Trappe, 19 years old. His father, a building contractor, lives at 1734 Chouteau avenue, St. Louis. The boy left home, according to the story told the police, because his parents objected to his engagement to Miss Bessie Sauers, who, with her mother, lived next door to the Trappes.

Mrs. Sauers and her daughter moved to Chicago. Bessie and her sweetheart corresponded. One day young Trappe suggested to Clarence Johnson of 1427 Bremon avenue that they run away
