CUT JOBS, NOT PAY.

This is not the year to talk about pay cuts, when work is getting scarce and when we must do our best work to keep the country going until the end of the current emergency. I have urged that the country see the need for making sacrifices. 

HALF OF OUR GOLD IS NOW IN OUR TOWNS.

Next week will mark the one-year anniversary of the Federal Reserve Act. This was a time when the nation was using its gold and silver currency to buy great quantities of goods for the foreign trade. So much of our gold was lost in the process, and it is at the expense of our gold that the great depression is coming to an end. 

THE DICTATED BUT NOT INJURED.

I read somewhere that there was a man who would not permit his horse to be ridden because it was too fat. The horse was not injured, and the man was not a great horse lover. 

WHY ARE COPPER MINES SHUT? IN PRAISE OF HOOVER.

We have seen that the introduction of the Federal Reserve Act has caused a great depression in the United States. The change in the country's currency has been great, and we must consider the interests of all concerned. 

THE TRIBUNE'S PLATFORM

CUT JOBS, NOT PAY.

This is not the year to talk about pay cuts, when work is getting scarce and when we must do our best work to keep the country going until the end of the current emergency. I have urged that the country see the need for making sacrifices.
