What life will mean to you

Beauty, comfort and infinite opportunities for happiness are the foundations of life at San Diego, California.

Ocean, mountains and bay, Nature's complete panorama, unite here to make an ideal setting for your permanent home. Soft breezes from the warm Pacific are fragrant the year 'round with the perfume of millions of flowers, and lawns and foliage are always green.

Throughout the year there's every sport of land and sea for residents of this active, modern city of eighty-five thousand inhabitants—motor trips, golfing, launch parties, swimming, games, etc.

The sun shines more than 350 days in the year, and every day is an adventure in happiness at

San Diego California

Through Pullman service on the San Diego and Arizona Railway, in connection with the Rock Island and Southern Pacific, commenced December 1, 1919. A delightful trip in winter months through mild climate and new and interesting country.

The United States Government is spending more than twenty million dollars in San Diego in permanent stations for its air, land and sea forces, because official tests proved the advantages, in comfort and efficiency, of its equable climate and continuous sunshine.

This booklet tells why. Sign the coupon and get it free by return mail.
