BY W. L. HUBBARD. | neat style of delivery that the role re-Rosaint's indestructible "Barber of Sevilis" was the bill at the Saturday matinee in the Auditorium and was

heard by a capacity audience. The lib-eral patronage was due probably not so much to the charm of the old Ital-ian ones as to Mars Gold Charling the "Calumny" aria with fine unian opera as to Mme. Galli-Cursi's pres. derstanding, although his voice has not In opera as to Mme. Gelli-Curvits pres-ence in the cast. The popular soprano was in better voice than she yet has been this season, and her singing be came the recipient of enthusiastic and liberal approval by many admirers. The performance in its entirety went the season was the Bartha, and, as is ever the case with her, wheily

with goodly amount of smoothness, but for some reason difficult to analyze or explain it lacked sparkle. And a "Bar-ed with Mme. Galli-Curd, Mr. Schipa, ber of Seville" that does not sparkle and Mr. Galefi. is destined to prove a rather tedious affair. The whole performance seemed MME. FRIEDA HEMPEL to be played at too deliberate and care-

ful tempo. Not that Mr. Marinuzzi and the singers took the music noticeabiy more slowly than is customary, but action, recitative, and ensembles lacked the spirit and dash that are so stage of the Grand Opera house for a vitally essential. Only Mr. Galeffi with song recital. his excellent Figaro, Mr. Trevisan as The eminent soprano has grown re-

conceived by the composer.

his inexcusable habit of hanging on to

Bartolo, and, in somewhat less meas-ure, Mr. Cotreuil as Basilio, caught the first came to the United States some romping, merry mood that the comedy dozen or more years ago. She then and the rippling melody demand. All was a coloratura singer pure and simand the rippling melody demand. An the ethers were heavy and lifeless. ple, possessed of high tones which she was inclined to use indiscriminately,

Mme. Galli-Curci was as playful as it seems possible for her to be, but she never ceases to be herself, which means and her musical taste was that of the that she sings and thinks of little else. purely German opera singer. The Her histrionic powers are even slighter years at the Metropolitan have brought than are those the average coloratura her improved vocal skill and finesse possesses, and for Rosina not to be playful and highly spirited is not to have Rosina at all. The soprano's voice was free from the suggestion of weari-ness and huskiness that heretofore has but is a song recitalist of genuine and hampered, and her florid work in the high worth.

Mme. Frieda Hempel was welcomed

"Una voce peco fa " was clearer and more exact than heretofore. But the voice is at present so light that in none her art, and in both was equally adof the ensembles on Saturday was the upper vocal melodic line audible to the and her technical proficiency is such stener, save for an occasional high that her trill, her runs, her staccati, note. It was a topless "Barber of Se and her ornamentations are clarity and ville" performance, and such was not precision themselves. Rarely do we hear such brilliant, finished work as **Crowe's 'Congrats'** Dots and dashes are such elusive things, and the telegraph operator in Chicago probably was chuckling over the funny 'paper when that message from "Pat" Crowe congratulating Ed-ward A. Cudahy Jr. on his engagement to Miss Margaret Carry came over the wire from New York. Mr. Schipa was Almaviva, but his other singers both native born and forhim," announced the young man's voice is not sufficiently schooled for him to sing the florid music satisface worth of our idion and its singabletorily. He slid around over the runs ness.

and ornamentations with a certain amount of effectiveness, but it was means the accompaniments were

never a technically clear or exact ren- ideal. Miss Carry and Mr. Cudahy, who will sustained music he does well, save for * *

NEW YORK SOCIETY

II. will entertain a party of fifty at the regular dinaer dance at the Casino for them; Friday night Columbus Healy will give a divergent to the some one with tan, and Harold F. McCormick. Erroneous announcement previously ad been made that the reception was be held Dec. 25. In the mater McCormick, will be held Dec. 25. In the mater McCormick, will In the mater McCormick, Mill In the McCormick, Mill In th be nostess at a large dinner dance for her brother and his fiancée at the Casino. be hostess at a large dinner dance for most inartistic in the whole bag of artist sense sufficiently developed as yet himself to feel the crudity and commonness of it and some one should therefore prevent him from indugience.

The Figaro of Mr. Galeff was the de-light of the afternoon. His fine bari-tone and his schooling fit him for ex-cellent rendition of the music of the part, and he acted it with the rollicking good humor, the suggestion of infinite er, will be among those who will serve the parts and he suggestion of infinite er, will be among those who will serve the parts and he suggestion of infinite er, will be among those who will serve good number, the suggestion of innuite er, will be among those who will serve resourcefulness, and the grace and lightness which it demands. It was a portrayal recalled with true pleasure, Mr. Trevisan was also excellent as Bar-tolo. He has the prattling manner, the number of the american central committee for Russian relief, of which the Princess pepperiness of temper, and the deft, Cantacuzene is the chairman.
