# CAMELS

There's an added pleasure in giving Camels at Christmas. You know your gift will be so genuinely welcome. More smokers prefer Camels than any other cigarette. And that preference holds for men in the Army, the Navy, the Marines, and the Coast Guard, too! So remember those lads in uniform...remember all the cigarette smokers on your list...with the cigarette of costlier tobaccos-Camels. Your choice of the package of four flat fifties or the popular Camel carton.

# PRINCE ALBERT

If he smokes a pipe, a big, long-lasting pound of cool-burning Prince Albert spells smoking pleasure 'way into the New Year...at camp, on ship, at home. Prince Albert is choice tobacco, "no-bite" treated for mildness and "crimp cut." It's the National Joy Smoke. There's no other tobacco like it. Your local dealer has two handsome Prince Albert "specials"... the pound tin (above) or the special glass humidor jar. (The humidor itself makes a handsome gift!) Get yours today.
