Between

BRANCH COUNTY BOARD OF COMMISSIONERS
AND THE SHERIFF OF BRANCH COUNTY

and

THE POLICE OFFICERS ASSOCIATION
OF MICHIGAN

Branch County

Effective January 1, 1996 through December 31, 1999

AGREEMENT

THIS AGREEMENT, made and entered into this _____ day of _____, 1996 by and between the BRANCH COUNTY BOARD OF COMMISSIONERS and the SHERIFF OF BRANCH COUNTY, together hereinafter referred to as the "EMPLOYER", and the POLICE OFFICERS ASSOCIATION OF MICHIGAN, hereinafter referred to as the "UNION".

ARTICLE I
PURPOSE AND INTENT

1.1: The general purpose of this Agreement is to set forth the terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the County, the Sheriff and the employees in the bargaining unit covered by this Agreement.

1.2: The parties recognize that the interest of the County and the job security of the employees depend upon the County and the Sheriff's success in establishing proper services to the County.

1.3: To these ends, the County, the Sheriff, and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE II
RECOGNITION

2.1: Collective Bargaining Unit. The Employer hereby agrees to recognize the Union as the exclusive bargaining representative, as defined in Act No. 379, State of Michigan Public Acts of 1965, as amended, for all employees employed by the Employer in the following described unit:

All full time and regular part time employees of the Branch County Sheriffs' Department classified as Deputies, Corporals, Dispatchers and Correctional Officers, BUT EXCLUDING the Sheriff, Undersheriff, Sergeants, Marine Officers, Reserve Officers, Sheriff's Posse, clerical employees, Animal Control Officers, Court Officers, supervisors, and all other employees.

2.2: Definitions. The term "employee" and "employees" when used in this Agreement shall refer to and include only those full time and regular part time employees who are employed by the Employer in the collective bargaining unit described in Section 2.1 of this Agreement. For purposes of this Agreement, the following definitions shall be applicable:

- A. Full Time Employee. A full time employee is an employee who is working the official workweek on a regular schedule.
- B. Regular Part Time Employee. A regular part time employee is an employee who is working sixteen (16) hours or more in a two (2) week pay period but less than the official workweek. Such employees shall not receive any fringe benefits except, when applicable, overtime pay. Regular part time employees may be disciplined, laid off, recalled, terminated, or discharged at the Employer's discretion without regard to the provisions of this Agreement and without recourse to the Grievance and Arbitration Procedures set forth in this Agreement.
- C. Irregular Employee. An irregular employee is an employee who is working on any other basis other than the above definitions of full time and regular part time employees.

2.3: New Classifications. Whenever the Employer establishes a new classification within the bargaining unit set forth in Section 2.1, the Union shall have fifteen (15) calendar days from receipt of such notification to object to the assigned rate. Thereafter, the parties shall meet within thirty (30) calendar days to negotiate any changes which might be required. If the parties are unable to reach agreement, the rate of pay shall be subject to the Grievance and Arbitration Procedures set forth in this Agreement and shall be processed initially at Step 4 of the grievance procedure.

ARTICLE III
REPRESENTATION

3.1: Collective Bargaining Committee. The Employer agrees to recognize a collective bargaining committee of the Union comprised of not more than three (3) employee representatives, including the President of the Local Union. Members of the collective bargaining committee shall act in a representative capacity for the purpose of processing grievances for members of the collective bargaining unit as provided in the Grievance Procedure. Members of the committee shall also meet with County officials and the Sheriff for the purpose of negotiating modifications to this Agreement. The Union shall also have a representative of the Police Officers Association of Michigan present. The Union shall furnish the Employer in writing the names of its collective bargaining committee members before they shall be recognized. There shall be one (1) collective bargaining committee member on each shift. The Employer agrees to allow reasonable time during regularly scheduled working hours,

without loss of pay, for members of the committee to process grievances in accordance with the Grievance Procedure.

3.2: Reporting. When it is necessary for a collective bargaining committee member to leave his work to handle a grievance in accordance with the Grievance Procedure established in this Agreement, he shall first obtain permission from the Sheriff or his designated representative. The collective bargaining committee member shall return to his job as promptly as possible and upon his return shall immediately report to the Sheriff or his designated representative. A collective bargaining committee member who is assigned to road patrol or other duties which require service outside the Sheriff's Department facilities shall perform his function in a manner which would not require his return to the Sheriff's Department facilities for the sole purpose of performing representation functions except for scheduled meetings under the Grievance Procedure.

ARTICLE IV
UNION SECURITY

4.1: Agency Shop. As a condition of continued employment, all employees included in the collective bargaining unit set forth in Section 2.1, no later than thirty-one (31) days after the start of their employment with the Employer or the effective date of this Agreement, whichever is later, shall either become members of the Union and pay to the Union the dues and initiation fees uniformly required of all Union members or pay to the Union a service fee equivalent to the periodic monthly dues uniformly required of Union members.

4.2: Union Membership. Membership in the Union is not compulsory and is a matter separate, distinct, and apart from an employee's obligation to share equally the costs of administering and negotiating this Agreement. All employees have the right to ~~join~~, not join, maintain, or drop their membership in the Union as they see fit. The Union recognizes, however, that it is required under this Agreement and the Public Employment Relations Act to represent all employees included within the collective bargaining unit set forth in this Agreement without regard to whether or not the employee is a member of the Union.

4.3: Payroll Deduction for Union Dues.

- A. During the life of this Agreement, the Employer agrees to deduct Union membership dues and initiation fees or a service fee equivalent to the periodic monthly dues uniformly required of Union members and uniformly levied in accordance with the Constitution and By-Laws of the Union from each employee covered by this Agreement who executes and

files with the Employer a proper checkoff authorization form.

- B. Individual authorization forms shall be furnished or approved by the Union and, when executed, filed by it with the County Clerk's office.

- G. The Union shall notify the County Clerk in writing of the proper amount of Union membership dues and initiation fees or service fee equivalent and any subsequent changes in such amounts. The Employer agrees to furnish the Union a monthly record of those employees for whom deductions have been made, together with the amount deducted.
- H. If a dispute arises as to whether or not an employee has properly executed or properly revoked a written checkoff authorization form, no further deductions for said employee will be made until the matter is resolved.
- I. The Employer shall not be responsible for dues or service fees after an employee's employment relationship with the Employer has been terminated.
- J. The Employer shall not be liable to the Union or its members for any dues or service fees once such sums have been remitted to the Union and, further, shall not be liable if such sums are lost when remitted by United States mail.
- K. The Employer's sole obligation under this section is limited to the deduction of dues and, where applicable, service fees. If the Employer fails to deduct such amounts as required by this section, its failure to do so will not result in any financial obligation whatsoever.

4.4: Hold Harmless. The Union agrees to defend, indemnify, and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of the deduction of dues or service fees provided herein or by reason of action taken by the Employer pursuant to Section 4.1.

ARTICLE V
RIGHTS OF THE EMPLOYER

5.1: Rights. It is understood and hereby agreed that the County and the Sheriff reserve and retain, solely and exclusively, all of their inherent and customary rights, powers, and functions, and their judgement in these respects shall not be subject to challenge. These rights vested in the County and the Sheriff include, but are not limited to, those provided by statute or law, along with the right to direct, hire, promote, transfer, lay off, assign, and retain employees in positions within the County consistent with the employee's ability to perform the assigned work and, further, to suspend, demote, discharge for just cause, or take other such disciplinary action which is necessary to maintain the efficient administration of the Employer. It is also agreed that the Employer has the right to adopt, modify, or alter its budget, to determine the method, means, and personnel, employees or otherwise, by which the business of the Employer shall be conducted; to determine the nature and number of facilities and departments, and their locations; to establish classifications of work and the number of personnel required; to study and use improved methods and equipment and outside assistance if necessary; to establish and change work schedules; to reduce or increase the size of the working force; and to take whatever other action is necessary to carry out the duty and obligation of the Employer to the taxpayers thereof. The Employer shall also have the power to make rules and regulations relating to personnel policies, procedures, and working conditions not inconsistent with the express terms of this Agreement, and said rules and regulations shall be reasonable.

ARTICLE VI
GRIEVANCE PROCEDURE

6.1: Definition of Grievance. A grievance means a complaint by an employee covered by this Agreement or the Union concerning the application and/or interpretation of a specific provision or provisions of this Agreement as written.

6.2: Grievance Procedure. All grievances shall be handled in the following manner:

Step 1. Verbal Procedure. An employee with a grievance shall, with his committee member, within ten (10)

calendar days of the occurrence of the incident giving rise to the grievance or within ten (10) calendar days of the date the employee first reasonably should have known the events giving to the grievance, discuss the grievance with his immediate supervisor. On the last day during which a grievance must be presented, the employee and his committee member may present the grievance to any supervisor if the employee's immediate supervisor is not then available. A meeting shall be scheduled by the supervisor within five (5) calendar days to discuss the grievance. The employee, his committee member, and the supervisor shall attempt to resolve the grievance. The supervisor shall give his oral decision within three (3) calendar days following such meeting.

Step 2. Written Procedure. If the grievance is not satisfactorily resolved at Step 1, it shall be reduced to writing and presented to the immediate supervisor within three (3) calendar days following receipt of the supervisor's decision in Step 1. The grievance shall set forth the facts and the specific provisions of the Agreement which are alleged to have been violated and it shall be signed by the grievant and the committee member. The immediate supervisor shall place his written disposition on the grievance form and return it to the committee member within three (3) calendar days.

Step 3. If the grievance is not satisfactorily resolved at Step 2, it may be appealed by submitting the written grievance to the Undersheriff within five (5) calendar days following receipt of the written answer in Step 2. The Undersheriff shall schedule a meeting with the President of the Local and the employee to discuss the grievance within ten (10) calendar days after receipt of the grievance. The Undersheriff or his designee shall place his answer on the grievance within five (5) calendar days following such meeting and return the grievance to the President of the Local.

Step 4. If the grievance is not satisfactorily resolved at Step 3, it may be appealed by resubmitting the written grievance to the County Personnel Committee through the office of the County Administrator within ten (10) calendar days following receipt of the Undersheriff's written answer in Step 3. Upon receipt of the appeal, the County Administrator shall schedule a meeting to discuss the grievance at the next regularly scheduled meeting of the Personnel Committee or at a time mutually agreeable to the parties. The Employer shall be represented by members of the Personnel and Finance Committee of the Board of Commissioners and the Sheriff. The Union shall be represented by the President of the

local and the grievant involved. The Union and the Employer may have non-employee representatives in attendance. The Employer shall place its written disposition on the grievance and return it to the President of the Local within fifteen (15) calendar days following such meeting.

6.3: Grievance Resolution. All grievance resolutions at Step 1 and 2 must be approved in writing by the Sheriff before they shall be deemed final. If, within ten (10) calendar days following the immediate supervisor's answer in Step 1 or 2 the Sheriff gives written notification of his disallowance of the grievance resolution, together with his reasons therefore, to a committee member, step 3 of the Grievance Procedure shall be bypassed and the grievance shall be taken directly to Step 4, provided, however, the grievance be reduced to writing and resubmitted to the Sheriff within ten (10) calendar days following receipt of his notice of disallowance. Thereafter, the provisions of Step 4 shall apply. All grievance resolutions at either Steps 1, 2, or 3 which have economic implications must be approved by the Chairperson of the County Board of Commissioners in writing before they shall be deemed final. If, within ten (10) calendar days following receipt by the Sheriff's written approval of the grievance resolution the County Board Chairperson gives written notification of his disallowance of the resolution to a committee member, together with his reasons therefore, the grievance shall be taken directly to Step 4, provided, however, the grievance shall be reduced to writing and resubmitted to the County Board Chairperson within ten (10) calendar days following receipt by the committee member of the notice of disallowance. Thereafter, the provisions of Step 4 shall apply.

6.4: Time Limitations. The time limits established in the Grievance Procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union, the grievance shall be considered settled in accordance with the last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, but excluding arbitration. The time limits established in the grievance procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified.

6.5: Grievances involving a discharge may be processed starting at Step 3 within five (5) calendar days of the discharge.

ARTICLE VII
ARBITRATION

7.1: Arbitration Request. If the grievance is not satisfactorily resolved in Step 4 of the Grievance Procedure, the

6.1.2
Union may submit the grievance to arbitration by notifying the Employer in writing within forty-five (45) days after receipt of the Employer's answer to Step 4. If the Employer fails to answer a grievance within the time limits set forth in Step 4 of Section 5.1 the Union, if it desires to seek arbitration, must notify the Employer in writing no later than forty-five (45) calendar days following the date that the Employer's Step 4 answer was due. If the Union does not submit the grievance to arbitration in the time limits herein provided, the grievance shall be deemed to be settled on the basis of the Employer's last disposition.

7.2: Selection of Arbitration. Upon giving the Employer notice of its intention to arbitrate, the Union shall forward a copy of the arbitration clause of this Agreement to the Federal Mediation and Conciliation Service requesting the Service to forward a list of seven (7) arbitrators to the parties. One (1) arbitrator shall be selected by the parties alternately striking a name from the panel, and the name remaining shall serve as the arbitrator. The compensation and expenses of the arbitrator shall be shared equally by the Employer and the Union, but each party shall bear the cost of its own expenses, witnesses, representatives, and legal counsel.

7.3: Arbitrator's Powers. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall be at all times governed wholly by the terms of this Agreement, and he shall have no power or authority to amend, alter, or modify this Agreement in any respect. If the issue of arbitrability is raised, the arbitrator shall only determine the merits of the grievance if arbitrability is affirmatively decided. By accepting a case from the parties, the arbitrator acknowledges his limitation of authority and agrees not to decide an issue which is outside of his jurisdiction under this Agreement. The arbitrator recognizes that the Employer is governed by certain laws and exist for the sole purpose of serving the public, and the arbitrator agrees that this Agreement shall be interpreted and construed consistently with such laws. Any award of the arbitrator shall not be retroactive any earlier than eight (8) days prior to the time the grievance was first submitted in writing. Further, no claim for back wages under this Agreement shall exceed the amount of earnings which the employee would have otherwise earned by working for the Employer, less any and all unemployment compensation, the employee received from any interim earnings. The decision of the arbitrator shall be final and binding on the Employer, the Union, and its members.

ARTICLE VIII
NO STRIKE - NO LOCKOUT

8.1: Work Stoppages. The Union agrees that there will be no strike or work stoppages during the term of this Agreement, and the

Employer agrees that there will be no lockouts during the term of this Agreement. Any employee who engages in any activity prohibited by this section shall be subject to such disciplinary action as the Employer deems appropriate, up to and including discharge. The Union acknowledges that discharge is an appropriate penalty for violation of this Section. Any appeal to the Grievance Procedure shall be limited to the question of whether the employee or employees did, in fact, engage in any activity prohibited by this Section.

ARTICLE IX
SENIORITY

9.1: Seniority Definition.

- A. Departmental seniority shall be defined as the length of an employee's full time continuous service with the Branch County Sheriff's Department commencing with his last date of hire.
- B. An employee's "last date of hire" shall be the most recent date upon which he commenced work.
- C. The application of seniority shall be limited to the preferences specifically recited in this Agreement.

9.2: Probationary Period. All new full time employees shall be considered probationary employees for a period of twelve (12) months, after which time their seniority shall relate back to their last date of hire. Until an employee has completed the probationary period, he may be disciplined, laid off, recalled, terminated, or discharged at the Employer's discretion without regard or recourse to the provisions of this Agreement. There shall be no seniority among probationary employees.

9.3: Seniority List. The Employer shall maintain a roster of employees, arranged according to seniority, showing name, classification, and seniority date, and shall furnish a copy to the Union during the first (1st) month of each year, or as soon as practical. Employees who are employed on the same dates shall be placed on the seniority list in alphabetical order of surnames.

9.4: Loss of Seniority. An employee's seniority with the Employer in the Sheriff's Department shall terminate for the following reasons:

- A. He resigns or quits;
- B. He is discharged or terminated;

- C. He retires;
- D. He has been on layoff for a period of time equal to his Departmental seniority at the time of his layoff or one (1) year, whichever is less;
- E. He is absent from work, including the failure to return to work at the expiration of a leave of absence, vacation, layoff, or disciplinary layoff, for three (3) consecutive working days unless otherwise excused;
- F. He is declared mentally incompetent by a Probate Court of competent jurisdiction;
- G. He has been on sick leave, including a worker's compensation leave, for a period of time equal to his Departmental seniority at the commencement of such leave or eighteen (18) months, whichever is less.
- H. He is convicted of a felony;
- I. He fails to notify the Employer for three (3) consecutive working days that he will not be reporting to work, unless other excused;
- J. He knowingly makes a false statement on an application for leave of absence or official police report.

9.5: Seniority and Benefit Accumulation. An employee shall retain and continue to accumulate Departmental seniority while on all approved leaves of absence unless otherwise specifically provided in one of the leave of absence Sections in this Agreement. Employees shall not continue to accumulate Departmental seniority for any purpose under this Agreement on any layoff lasting in excess of thirty (30) calendar days. Upon return from a layoff lasting longer than thirty (30) calendar days, an employee's seniority dates will be adjusted forward to take into account the length of the employee's layoff, provided, however, the employee will be given credit on his seniority dates for the first (1st) thirty (30) days of his layoff. Benefits such as insurance, vacation, and sick leave shall not accrue, continue, or be paid during any leave of absence in excess of thirty (30) calendar days unless otherwise specifically provided for in this Agreement.

9.6: Transfer to Non-Bargaining Unit Position. If an employee is transferred or promoted to a non-bargaining unit position, his Departmental seniority shall be frozen on the date of such transfer or promotion and he shall no longer accumulate seniority while in the non-bargaining unit position. If the employee is returned to

a bargaining unit position, his frozen seniority shall be reinstated on the date of his return, and he shall thereafter begin to accumulate seniority. The Employer reserves the right to determine all conditions of employment for non-bargaining unit employees, including the right to determine whether or not the employee returns to the bargaining unit. After an employee has been outside the bargaining unit in excess of one (1) year, his Departmental seniority shall be canceled and he shall no longer be permitted to return to the bargaining unit with seniority.

ARTICLE X
LAYOFF AND RECALL

10.1: Layoffs. In the event that a reduction in the work force becomes necessary, the first (1st) employees to be reduced from the Department within each bargaining unit classification affected shall be in the order stated: irregular, part-time, and probationary. Thereafter, further reductions in the work force shall be on the basis of inverse Departmental seniority in the classifications affected, provided, however, that the senior employees retained have the necessary training, ability, and experience to perform the remaining available work. A non-probationary employee laid off from his classification may displace the employee with the least amount of Departmental seniority in a lower-rated classification provided he has the necessary training, ability, and experience to perform the work required and, provided further, the senior employee exercising this displacement right will be paid the salary of the lower-rated classification at the progression step which will result in the least reduction in pay in comparison to the salary rate the employee currently held.

10.2: Recall. In the event that the work force is increased, recall to work shall be in the inverse order of layoff from work from the classifications affected.

10.3⁴: Notification of Recall. Notification of recall from layoff shall be sent to employees by certified mail, return receipt requested. The notice shall set forth the date the recalled employee is expected to return to work. Employees who decline recall or who, in the absence of extenuating circumstances, fail to respond within three (3) days after receipt of the notice shall be presumed to have resigned and their names shall be removed from seniority and preferred eligibility lists.

ARTICLE XI
DISCIPLINE

11.1: Just Cause. The Employer shall not discharge or discipline a non-probationary full time employee except for just cause. Should an full time employee who has been discharged or

given a disciplinary suspension consider such discipline to be improper, he may protest the discipline imposed by, within five (5) calendar days after receipt of notice of the disciplinary action, filing a grievance at Step 3 of the Grievance Procedure.

11.2: Rules. The Employer reserves the right to establish reasonable rules and regulations governing the conduct of its employees. The Sheriff shall cause such rules, including any amendments or deletions, to be published in a departmental manual or posted. The employees shall receive a copy of the manual or have such rules posted in conspicuous place.

ARTICLE XII
PROMOTIONAL PROCEDURE

12.1: Purpose of Promotional Procedure. The purpose of this Procedure is to establish a promotional system for full time, non-probationary employees in the Branch County Sheriff's Department. The Employer shall determine the duties of all positions subject to this Procedure and, in its sole discretion, whether a vacancy does or does not exist.

12.2: Advancement Opportunities. Promotion means to advance from a given classification to a higher paid classification. Each employee seeking a promotional advancement must be a current member of the Department and meet all the eligibility rules of this Promotional Procedure.

12.3: Eligibility. To be eligible for a promotional advancement, the following requirements must be met:

- A. Promotion to Road Patrol Sergeant, Detective-Sergeant and Corporal: The employee must have three (3) years of law enforcement experience, be fully empowered to enforce the criminal laws of the State of Michigan, and have been continuously employed by the Branch County Sheriff's Department for at least two (2) years as a Deputy.
- B. Promotion to Corrections Sergeant: The employee must have three (3) years of law enforcement experience and have been continuously employed by the Branch County Sheriff's Department for at least two (2) years as Deputy or Correctional Officer.
- C. Promotion to the Deputy, Corrections Officer, and Dispatcher Classifications: An employee must be in a lower-rated classification from the position sought as a promotional advancement and, further, must have been continuously employed by the Branch

County Sheriff's Department for a period of at least two (2) years.

- D. Examination Prerequisites: Whenever a promotional opportunity also requires specialized schooling or training, employees must first satisfy, at their own expense, all physical and educational conditions necessary for entrance into the training or schooling program. This must be accomplished prior to the time when a written examination is given under this Procedure. Failure to do so will disqualify the employee from participation in the written examination and consideration for the promotional vacancy involved.

12.4: Oral Board. The Oral Board shall consist of three (3) members selected by the Sheriff. One (1) member of the Board shall be a law enforcement officer from outside the Department whose rank is equal to or higher than the position being sought. The remaining two (2) positions on the Oral Board shall be filled by a member of the Branch County Board of Commissioners and a resident of the County other than the Sheriff. The results of the written examination shall not be made available to the Oral Board. An employee, however, may submit to the Oral Board a resume outlining his law enforcement experience and such education as he deems relevant. The oral board examination shall be the only requirement for the classification of corporal.

12.5: Program Weight. Scores shall be based upon a written examination, performance evaluations, an Oral Board examination, when applicable, and seniority within the Department. The weights assigned shall be as follows:

- A. Written Examination: Forty percent (40%). (An applicant must score seventy percent [70%] or above on the written examination to participate in the remaining portions of the Promotional Procedure).
- B. Performance Evaluation: Twenty percent (20%).
- C. Oral Board. Forty percent (40%). An Oral Board will be held only for the positions of Road Patrol Sergeant, Detective-Sergeant, and Corrections sergeant. All other vacancies will be determined on the basis of a written examination and performance evaluations, with both portions being given a weight of fifty percent (50%).
- D. Seniority. Individuals who attain seventy percent (70%) or above on their combined scores for the written examination, performance evaluation, and, when applicable, Oral Board examination will be

given a maximum of ten (10) "bonus points" based upon their Departmental seniority. Seniority "bonus points" will be computed on the basis of one (1) point per year beginning after an employee's first (1st) year in the Branch County Sheriff's Department and continuing thereafter at the rate of one (1) additional point for each year of continuous service with the Branch County Sheriff's Department, up to a maximum of ten (10) such "bonus points".

- E. Placement on Promotional List. To qualify for placement on a promotional list, all applicants must achieve a combined score on the written examination, performance evaluations, and, when applicable, Oral Board examinations of seventy (70%) percent or above, independent of the addition of any "seniority bonus points". Employees subject to this Procedure may participate in whatever number of promotional opportunities their eligibility permits and, accordingly, may be on more than one (1) promotional list if they have achieved the requisite minimum score.

12.6: Roster. For each classified position a promotion list will be established as needed and once established shall remain in effect for two (2) years. If a roster becomes depleted prior to the end of a two (2) year period and a roster is needed, a new test shall be administered and a new roster established consistent with this Section. The Employer will promote the employee with the highest composite score from any such roster/promotion list.

12.7: Written Examination. The content of any written examination will be scaled appropriately to the level of the position being considered. Written tests will be designated at a general knowledge level or standards designated where rank and position warrant specialization. The Employer will determine where general or specialized standard testing is warranted. All written examinations, when necessary, will be designed and drafted by professional agency. The Employer shall determine the professional agency best qualified for this testing composition.

12.8: Performance Evaluations. Performance evaluations will be conducted annually by the Sheriff or his designated representatives, with the last evaluation being used for this Promotional Procedure. In conducting this evaluation, the Sheriff or his designee may utilize an employee's attendance and disciplinary records for the preceding twenty-four (24) month period and/or any awards which the employee may be earned during that period of time.

12.9: Posting of Examination Notices. Examination notices for all competitive promotion classifications shall be posted on the bulletin boards for a minimum of twenty (20) calendar days prior to the written examination date. Subjects and a list of relevant study materials to be covered in the written examinations shall be posted fifteen (15) days prior to the examination date. Employees eligible to compete must submit a written letter of intent to participate to the Employer no later than seven (7) calendar days prior to the respective examination date. Alternative examination dates will be arranged by the Employer for employees who have submitted a timely request to participate in the promotional process but who will be on vacation or military reserve training leave at the time the examination will be given or who miss the examination because of illness supported by a physician's certificate and who submit such excuse to the Sheriff in writing no later than five (5) calendar days following the examination. All such alternative examinations will be scheduled within ten (10) calendar days following the employee's return from vacation or presentation of the written excuse to the Sheriff, whichever is appropriate.

12.10: Examination Procedure. Any employee has the right to examine the result of his own performance evaluation and written examination. The documents are confidential, and they cannot be removed from the files. However, the contents of promotional documents will be made known only to the Sheriff and his designated representatives, and the employee himself and his designated representative.

12.11: Probation. All employees promoted within the bargaining unit shall be deemed to be on probation for six (6) months from the date they are awarded the position or until six (6) months after they have completed any required training and schooling for the position, whichever is longer. The sheriff shall post the required schools when the position opening occurs. During such probationary period, the Employer may demote the employee to his former classification, and if so demoted all secondary transfers or promotions shall be returned to their classifications. During the period from the date he is awarded a promotion until ninety (90) days after he has successfully completed any required training or schooling, an employee may, on his own volition, request in writing to be relieved of his new classification and to be returned to his former classification. If an employee returns to his former classification at his own request, his name shall be removed from all promotion rosters until the next written examination is given, and all secondary transfers and promotions shall be returned to their former classifications.

12.12: Outside Appointment. The Sheriff may fill a vacancy subject to this Procedure from outside the bargaining unit if no employee has attained a passing score for promotion or the vacancy is unable to be filled because employees subject to this procedure

have failed to utilize the Procedure or declined advancement. If an employee declines a promotional advancement, his name shall be removed from the promotional roster involved.

12.13: Pay Rate on Promotions. Commencing the first (1st) full pay period following promotion, employees promoted within the bargaining unit pursuant to the provisions of this Agreement shall be initially paid at the first (1st) "Step" in the salary range for the new classification which would entitle them to an increase in pay and shall advance thereafter from "Step" to "Step" on the pay scale in accordance with their length of service in the new classification.

ARTICLE XIII
LEAVES OF ABSENCE

13.1: Procedure for Requesting Leaves. Requests for a leave of absence must be submitted in writing by the employee to his immediate supervisor at least ten (10) days in advance of the date the leave is to commence, except in emergency situations. The request for the leave of absence shall state the reasons for the leave and the exact dates on which the leave is to begin and end. Longevity benefits shall be paid to eligible employees in a separate pay check on the Employer's first payroll period following the employee's anniversary date of hire each year. If an eligible employee terminates his employment, other than a discharge for just cause, and six (6) months or longer has passed since his last longevity payment, he shall be given his longevity payment on a pro-rata basis to the date of his termination.

21.3: Longevity Retention. Employees on leaves of absence or layoff, including disciplinary layoffs greater than thirty (30) workdays in duration, shall retain all time earned toward the payment of longevity benefits provided by this Agreement but shall not accrue any additional time or receive longevity payments during such leave of absence.

ARTICLE XXII
SHIFT PREMIUM

- 22.1: Bargaining unit members who work between the hours of:
- A. 3:00 p.m. and 11:00 p.m. shall receive a shift premium of fifteen (15¢) cents per hour; and
 - B. 11:00 p.m. and 7:00 a.m. shall receive a shift premium of twenty-five (25¢) cents per hour.

ARTICLE XXIII
MISCELLANEOUS

23.1: Bulletin Board. The Employer shall provide bulletin board space for the posting of Union notices, provided, however, the Employer shall have the right to police the bulletin board for offensive material.

23.2: Captions. The captions used in each Section of this Agreement are for purposes of identification only and are not a substantive part of this Agreement.

23.3: Gender. The masculine pronoun wherever used in this Agreement shall include the feminine pronoun, and the singular pronoun the plural, unless the context clearly requires otherwise.

23.4: Outside Employment. No employee shall engage in outside employment which will be a conflict of interest or impair his performance as a law enforcement officer. Employees shall not wear the Department uniform unless they are working for or under the direction of the Employer. Violation of the provisions of this Section shall constitute just cause for discipline, up to and including discharge. Subject to the restrictions set forth in first sentence of this Section and any restrictions imposed by State or Federal law, employees may engage in political activity while off duty and out of uniform.

23.5: Separability. In the event any sentence, clause, or phrase of this collective bargaining Agreement shall be held by a court of competent jurisdiction for any reason to be inoperative, void, or invalid, the remaining portions of this Agreement shall not be effected thereby.

23.6: Election of Remedies. It is the intent of the parties to this Agreement that its terms and provisions shall be applicable to all employees included within the bargaining unit. Accordingly, the parties hereby agree that any employee who may come within the provisions of any legislative enactment which the employee may challenge the Employer's determinations regarding the employee's employment will be required to elect in writing, no later than Step 4 of the Grievance Procedure, either the Grievance Procedure or his statutory remedy as his single means of challenging the Employer's determination. If the employee elects to pursue his statutory remedy or fails to make an election, any grievance concerning the Employer's employment determination shall not thereafter be subject to any arbitration proceeding.

23.7: Credit Union. Upon written authorization by an employee, payroll deductions shall be made for the credit union.

23.8: Protective Vests. Effective as soon as can be administratively arranged following execution of this Agreement,

the Employer shall purchase protective vests for all employees included within the bargaining unit who are required to carry a firearm in the ordinary course of their employment. All such employees shall be required to wear the protective vests while performing their work duties for the Employer.

23.9: Jury Duty. Employees summoned by a Court to serve as a juror, shall receive from the County the difference between the amount paid by the Court for jury service and the normal regular rate paid to the employee by the County for any regularly scheduled days of work missed as a result of jury duty.

ARTICLE XXIV
EFFECT OF AGREEMENT

24.1: Waiver Clause. It is the intent of the parties hereto that the provisions of this Agreement, which supersedes all prior agreements and understandings, whether collective or individual in nature oral or written, express or implied, between such parties, shall govern their entire relationship and shall be the sole source of any and all claims which may be asserted in arbitration or any action brought under this Agreement.

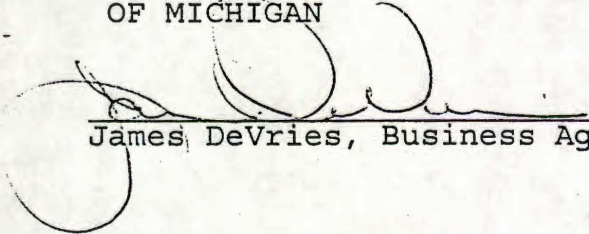

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

ARTICLE XXV
TERMINATION

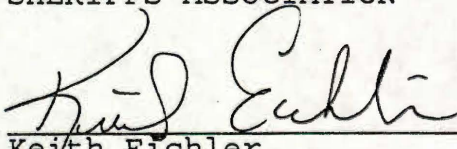

25.1: Duration. This Agreement shall cover the period from the date of its execution until December 31, 1999, at 11:59 p.m., and

thereafter for successive periods of sixty (60) days, unless either party shall, on or before the sixtieth (60th) day prior to expiration or subsequent sixty (60) day period, serve written notice on the other party of a desire to terminate, modify, alter, negotiate, change, or amend this Agreement. A notice of desire to modify, alter, amend, negotiate, or change, or any combination thereof, shall have the effect of terminating the entire Agreement on the expiration date or subsequent sixty (60) day period, whichever is the case, and in the same manner as a notice of desire to terminate, unless before that date all subjects of amendment proposed by either party have been disposed of by agreement or by withdrawal by the party proposing amendment, modification, alteration, negotiation, change, or any combination thereof.

LETTER OF UNDERSTANDING

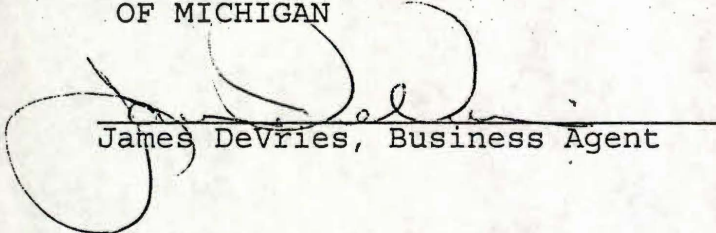

SHIFT PREFERENCE

- A. Shift Definitions. For purpose of this Section, the following definitions shall be applicable:
1. Day Shift. Any shift with a scheduled starting time of on or after 7:00 a.m. and before 3:00 p.m.;
 2. Afternoon Shift. Any shift with a scheduled starting time on or after 3:00 p.m. and before 11:00 p.m.;
 3. Night Shift. Any shift with a scheduled starting time on or after 11:00 p.m. and before 7:00 a.m.
- B. Participating Employees. No employee shall be eligible to apply for a shift preference until he has completed one (1) year of employment with the Employer and in addition has completed three (3) consecutive twenty-eight (28) day tour of duty on his current shift.
- C. Permitted Changes. Shift preferences will be granted by the Employer if there is an employee with less seniority working on the requested shift in the same classification.
- D. Non-Permitted Changes. Employees will not be permitted to displace probationary employees working on the requested shift or employees with less seniority on the requested shift who are undergoing specialized training or are a special assignment. Further, a shift preference request may be denied due to any requirements imposed by law upon the Employer. A shift preference request may also be denied if it would alter the manpower requirements established by the Employer or would otherwise be detrimental to the operation of the Department.
- E. Requests for Shift Preference. Three (3) consecutive twenty-eight (28) day tours of duty shall constitute a single shift preference block under this Section. Employees shall submit their bids for their preferred shifts in writing to the Undersheriff four (4) weeks prior to the commencement of the new shift preference block, indicating by number their preference for no more than two (2) shifts. Failure to submit a shift preference application may result in an employee being displaced from his current shift or assignment by the Department to a different shift. Thereafter, the Employer will post on the bulletin board the contemplated changes resulting from the submitted requests and such changes will go into effect on the date the new shift preference block commences. In placing shift preference requests into effect, the Employer will attempt to arrange such changes in a manner

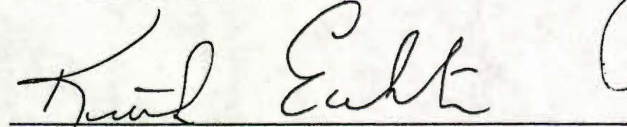

which will allow employees changing shifts to be off-duty from the end of their old shift to the start of the new shift. The parties recognize, however, that this goal cannot always be accomplished. Accordingly, if implementation of a shift preference would require an employee to work sixteen (16) hours consecutively, the employee requesting the shift change will be the individual selected to work the "back-to-back" shift. The Employer shall not be liable for overtime premium pay under Section 16.4 (a) of the Agreement as a result of its implementation of shift preference requests.

- F. It is expressly understood that an employee's work schedule and his shift may be changed on a daily basis whenever operating conditions warrant such a change. Employees may be denied a requested shift preference, forced to remain on a particular shift, or required to change shifts for closer supervision purposes for no more than one (1) shift preference block per calendar year.
- G. Notwithstanding the provisions herein, the Sheriff or his designee shall have the sole and exclusive right to assign employees for one (1) quarter (3 months) out of each calendar year, to the shift of his choice.
- H. The provisions of this letter of understanding shall remain in effect until December 31, 1999 unless the parties mutually agree to continue its terms for any duration the parties determine.
- I. An employee who returns to work from an approved leave of absence and did not participate in the "shift preference" selection pursuant to subparagraph "E" shall be placed on the shift having a vacancy until the next shift bid preference selection occurs.
