ARTICLE II - ENTIRE AGREEMENT.  
WAIVER CLAUSE. SEVERABILITY

Section 1: This contract constitutes the sole and entire existing agreement between the parties in respect to rates of pay, wages, hours of employment or other conditions of employment which shall prevail during the term of the contract. It supersedes and cancels all prior practices, whether oral or written, and expresses all obligations of and restrictions imposed upon, the Board and the Association. The Board shall deal with all matters not expressly covered by this contract through the exercise of its management rights without prior negotiations during the life of this agreement.

Section 2: If any provision of this agreement or any application of this agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, and shall be subject to renegotiations, but all other provisions or applications shall continue in full force and effect.

ARTICLE III - MANAGEMENT RIGHTS

The District retains all rights, powers and authority vested in it by the laws and Constitution of Michigan and the United States. All policies of the Board of Education, on behalf of the District, as stated in Board of Education Policies, Board of Education Minutes, or as set forth in any manner whatsoever, or powers which heretofore have been properly exercised by it, shall remain unaffected by this Agreement and in full force and effect, unless and until changed by the Board. Not by way of limitation, but by way of addition, the Board reserves unto itself all rights, powers and privileges inherent in it or conferred upon it from any source whatsoever, provided, however, that all of the foregoing are manifestly recognized and intended to convey complete power in the Board shall nonetheless be limited, but only as specifically limited by expressed provisions of this Agreement and under Act 379 of the Michigan Public Acts of 1965. Rights reserved exclusively without prior negotiations with the Association either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement shall include by way of illustration and not by way of limitation, the right to:

- A. Manage and control the District's business, the equipment, the operations, and to direct the work force and affairs of the Employer.
- B. Continue its rights and past practices of assignment and direction of work of all its personnel, determine the number of shifts and starting times and scheduling of all the foregoing, but not in conflict with the specific provisions of this Agreement.
- C. Direct the work force, including the right to hire, promote, discipline, suspend and discharge, transfer, assign work, determine the size of the work force, and to lay off employees.
- D. Determine the services, supplies and equipment necessary to continue its operations and to determine the methods, schedules and standards of operation, the means, methods, and process of carrying on the work including automation thereof or changes therein, the institution of new and/or improved methods or changes therein.

- E. Adopt rules and regulations.
- F. Determine the qualifications of employees including physical conditions.

- H. Determine the placement of operations, production, services, maintenance or distribution of work, and the source of materials and supplies.
- I. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.
- J. Determine the size of the management organization, its functions, authority, amount of supervision, and table of organization, provided that the Employer shall not abridge any rights from employees as specifically provided for in this Agreement.
- K. Determine the policy affecting the selection of employees, providing such selection shall be based upon lawful criteria.

ARTICLE IV - UNION SECURITY, AGENCY SHOP, SAVE HARMLESS
