#### PREFACE

The COUNTY OF INGHAM and the SHERIFF OF INGHAM COUNTY and the FRATERNAL ORDER OF POLICE, Capitol City Lodge No. 141, Ingham County Division, recognize their moral and legal responsibilities under federal, state, and local laws relating to fair employment practices.

The County, the Sheriff, and the Division recognize the moral principles involved in the area of civil rights and have reaffirmed in this Collective Bargaining Agreement their commitment not to discriminate because of race, religion, creed, color, national origin, age, sex or handicapped except for a BFOQ (bona fide occupational qualification).

#### AGREEMENT

THIS AGREEMENT is entered into this \_\_\_\_\_ day of \_\_\_\_\_\_, 1999, by and between the COUNTY OF INGHAM, (hereinafter referred to as the "COUNTY"), the SHERIFF OF INGHAM COUNTY, (hereinafter referred to as the "SHERIFF"), and the FRATERNAL ORDER OF POLICE, Capitol City Lodge No. 141, Ingham County Division, (hereinafter referred to as the "DIVISION").

It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the Parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein the basic agreement between the Parties concerning rates of pay, wages, hours of employment, and other conditions of employment as specified in this Agreement.

# **RECOGNITION OF THE LODGE**

Section 1. Definition of the Bargaining Unit. The bargaining unit shall consist of all positions of employment with the Ingham County Sheriff's Office covered by the titles listed below, and shall further cover all positions of employment subsequently created where the persons occupying said positions shall become deputized with general police powers to be employed in the Ingham County Sheriff's Office. The position of sergeant is a supervisory position and employees in those and other supervisory positions are not included in the bargaining unit covered by this Agreement. Employees in the positions specified below are covered by the provisions of this Agreement:

- A. Police Officer
- B. Corrections Officer
- C. Detective

.

#### MANAGEMENT RIGHTS

Section 1. The Division recognizes that the Sheriff reserves and retains, solely and exclusively, all rights to manage and direct his work force and to manage and operate the Sheriff's affairs.

<u>Section 2</u>. All rights, functions, powers and authority which the Sheriff has not specifically abridged, delegated or modified by this Agreement are recognized by the Division as being retained by the Sheriff.

Section 3. The Sheriff shall have the right to amend, supplement or add to his official departmental rules and regulations during the term of this Agreement. The Sheriff shall notify the Division of any such amendments, supplements or additions in advance of their effective date.

Section 4. Neither the constitutional nor the statutory rights, duties, and obligations of the Sheriff shall in any way be abridged by this Agreement, unless otherwise specifically provided hereunder.

<u>Section 5</u>. Discipline and discharge shall be for just cause, as provided in ARTICLE 29.

Section 6. Nothing in this Agreement shall be construed to limit the Employer's ability to comply with state or federal civil rights requirements, including compliance with any accommodations requirements under the Michigan Handicapper's Act or the American with Disabilities Act; and/or any state or federal judicial or administrative order directing compliance with an applicable state or federal civil rights law or regulation.

#### MANAGEMENT SECURITY

The Parties to this Agreement mutually recognize that the services performed by employees covered by this Agreement are services essential to the public health, safety, and welfare. The Division, therefore, agrees that there shall be no interruption of these services for any cause whatsoever by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful, and proper performance of the duties of their employment, or picket the County's and/or Sheriff's premises. The Division further agrees there shall be no strikes, sit-downs, slow-downs, stay-ins, stoppages of work, or any acts that interfere in any manner or to any degree with the services of or to the County and/or Sheriff. Any employee involved in any of the above-stated activities may be subject to discipline or discharge, at the discretion of the Sheriff.

### PAST PRACTICES

There are no agreements which are binding on any of the Parties other than the written provisions contained in this Agreement. No further agreements shall be binding on any of the Parties until it has been put in writing and signed by the Parties to be bound.

#### DIVISION SECURITY AND CHECK-OFF

<u>Section 1</u>. The County and Sheriff will not discriminate against any employee because of membership in the Division.

Section 2. Division Security. As a condition of continued employment, all employees in the bargaining unit shall either become and remain members in good standing of the Division or pay a representation fee to the Division which shall be less than one hundred percent (100%) of the regular monthly dues paid by Division members and which sum shall accurately represent the amount for said employees due the Division as their fair share of costs attributable to negotiating the terms of the Agreement, which sum shall not include, by way of example, but not by way of limitation, state, national or other dues and assessments or other amounts for Division activities.

The requirements set forth above shall become effective thirty (30) days after the effective date of this Agreement or thirty (30) days after an employee's date of employment, whichever is later.

Section 3. Dues Check-Off. The County agrees to deduct the monthly Division dues or the representation fee from the pay of employees subject to and contingent upon the following:

A. The Division shall obtain from the employee a completed check-off authorization form which shall conform to the respective state and federal laws concerning that subject or any interpretations made thereof. The check-off authorization form shall be filed with the County Human Resources

Director, who may return an incomplete or incorrectly completed form to the Division's Treasurer and no check-off shall be made until such deficiency is corrected.

- B. The County shall only deduct obligations which are due at the time of check-off and will make check-off deductions only if the employee has enough pay due to cover such obligation, and will not be responsible to the employee if he has duplicated a check-off deduction by direct payment to the Division.
- C. The County's remittance will be deemed correct if the Division does not give notice, in writing, to the County Human Resources Director within two (2) weeks after a remittance is sent, of its belief, with reasons stated therefor, that the remittance is incorrect.
- D. Any employee may terminate his check-off authorization by written notice to the County Human Resources Director.
- E. The Division shall provide at least thirty (30) days' prior written notice to the County Human Resources Director of the amount of Division dues or representation fee to be deducted from the wage of employees in accordance with this Article. Any changes in the amounts shall be provided to the County Human Resources Director at least thirty (30) days prior to the effective date.

Section 4. Indemnity Provision. The Division agrees to defend, indemnify, and save the County and/or the Sheriff harmless against any and all claims, lawsuits or other forms of liability arising out of its deduction from an employee's pay of Division dues or

representation fees, or reliance on any list, notice, certification or authorization furnished under this Article. The Division assumes full responsibility for the disposition of the deductions so made once they have been sent to the Division.

The terminology within the dues authorization forms does not bind the County and/or the Sheriff to anything other than what is specified in ARTICLE 5 and that which is consistent with the law.

#### **DIVISION BARGAINING COMMITTEE**

Section 1. The bargaining committee of the Division will not include more than four (4) employees of the Ingham County Sheriff's Office and may include not more than one (1) non-employee representative and one (1) representative from the Fraternal Order of Police, Lodge #141. The Division will furnish the County Human Resources Director with a written list of the Division's bargaining committee prior to the first bargaining meeting and substitution changes thereto, if necessary.

Section 2. Employee members of the Division bargaining unit will be paid for time spent in negotiations with the County in the event they are scheduled to work during a bargaining meeting. Said time shall be only for straight time hours they would otherwise have worked on their regularly scheduled shift. An employee scheduled to work on the day of a regularly scheduled bargaining session may also be credited with one-half hour for travel to and one-half hour from the place of bargaining as time worked during his/her tour of duty of that day, if said time is needed for travel.

Section 3. Except for the following, no pay shall be received for time spent in accordance with this Article if the employee is not scheduled to work. An employee participating in contract bargaining in accordance with Section 1 above for at least four (4) hours on a given day and whose scheduled work shift begins less than four (4) hours after the negotiating session terminates, shall be allowed four (4) hours off with pay at the end of that shift.

#### SPECIAL MEETINGS

Section 1. The Parties agree to meet and confer upon any terms of this Agreement needing clarification upon the written request of either Party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to be discussed and the reasons for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing collective bargaining nor to in any way modify, add to, or detract from the provisions of this Agreement. Special meetings shall be held within ten (10) calendar days of the receipt of the written request and shall be held between 8:00 a.m. and 5:00 p.m. at a time and place which is mutually agreeable to the Parties. Each Party shall be represented by not more than three (3) persons, and the Division representatives shall be Division members, or one of those persons may be the Division Attorney or one of those persons may be a Lodge representative.

Section 2. Employee representatives of the Division at special meetings will be paid by the County for time spent in special meetings, but only for the straight time hours they would otherwise have worked on their regular work schedule.

#### CONTRACT GRIEVANCE PROCEDURE

Section 1. A grievance is defined as a reasonably and sensibly founded claim of a violation of any of the terms of this Agreement, except that discipline and discharge shall be pursuant to ARTICLE 29, Sections 1 and 2, and shall not be covered under this Article. Any grievance filed shall refer to the specific provision alleged to have been violated and it shall adequately set forth the facts pertaining to the alleged violation. Any claims not conforming to the provisions of this definition shall be automatically denied as not constituting a valid grievance.

Section 2. An employee having a grievance in connection with the terms of this Agreement shall present it as follows:

**STEP 1:** The Grievance shall be reduced to writing by the employee and presented to the Sheriff, or the person acting in said capacity, within ten (10) days after the grievant knew, or should have known, of the occurrence of the matter aggrieved in order to be a proper matter for the grievance procedure. The grievance shall be dated and signed by the aggrieved employee and shall set forth the facts, including dates and provisions of the Agreement that are alleged to have been violated, and the remedy desired. The grievance shall not be considered submitted until the Sheriff, or the person acting in his capacity, receives the written grievance. At the time it is received, it shall be dated and a copy returned to the aggrieved employee. A meeting will be arranged by the employee or his representative and the Sheriff to discuss the

grievance. The Sheriff, or the person acting in said capacity, will then answer the grievance in writing within seven (7) days from the date of the meeting at which the grievance was discussed.

- **STEP 2:** A. If the answer of the Sheriff is not satisfactory, the grievance may be referred to the Division president by the employee. The president shall submit said grievance to the Human Resources Director within ten (10) days after receipt of the answer of the Sheriff as provided in Step 1, indicating the reasons why the written answer of the Sheriff was unsatisfactory. A meeting between no more than three (3) representatives of the Division and the Sheriff, and/or a representative of the Corporation Counsel and the Human Resources Director shall be arranged to discuss the grievance submitted. Said meeting shall be held within ten (10) days from the date the Human Resources Director shall answer the grievance within ten (10) days of the date of the meeting at which the grievance was discussed.
  - B. The Division representatives may meet at a place designated by the Sheriff or Human Resources Director for one-half hour immediately preceding said grievance meeting.
- **STEP 3.** A. If the answer of the Human Resources Director is not satisfactory, the Division president may submit said grievance to the Administrative Services/Personnel Committee of the Ingham County Board of

Commissioners within ten (10) days after receipt of the answer as provided in Step 2, indicating the reasons why the written answer of the Human Resources Director was unsatisfactory. A meeting between no more than three (3) members of the Division and their legal counsel, and the Sheriff, and the Administrative Services/Personnel Committee, and a representative of the Corporation Counsel, and the Human Resources Director shall be arranged to discuss the grievance submitted. Said meeting shall be at the next regularly scheduled Administrative held Services/Personnel Committee meeting that follows receipt of the grievance by the Chairperson of the Administrative Services/Personnel Committee by at least seven (7) days. The Administrative Services/Personnel Committee shall answer the grievance within ten (10) days of the date of the meeting at which the grievance was discussed.

- B. The Division representatives may meet at a place designated by the Sheriff or Chairperson of the Administrative Services/Personnel Committee for one-half hour immediately preceding said grievance meeting.
- **STEP 4.** In the event the members of said Committee are unable to agree on a final decision on the grievance, or if the decision is unsatisfactory to the employee, said grievance may be submitted for arbitration within fifteen (15) days after the committee has answered said grievance in accordance with

the procedures and rules of the American Arbitration Association. The decision of the arbitrator shall be final. The fees and approved expenses of Step 4 shall be paid equally by the County and the employee.

Section 3. The employee or his/her representative may be present at all steps outlined above. If the Administrative Services/Personnel Committee requests that the aggrieved employee be present at any step or steps of the grievance procedure to participate in discussion, he/she will be required to do so.

Section 4. No person or body constituting one of the steps of the grievance procedure outlined above shall have the power to add to or subtract from, nor modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the County, the Sheriff, or the Division where such discretion has been retained by the County, the Sheriff, or the Division, nor shall he/she exercise any responsibility or function of the County, the Sheriff, or the Division. This limitation shall include the arbitrator as stated in Step 4.

Section 5. A grievance not appealed to the next higher step within the time limit shall be deemed permanently denied. Should the Employer or his/her representative fail to respond on time at any step, the relief requested by the aggrieved shall be deemed to have been granted.

<u>Section 6</u>. Saturdays, Sundays and holidays, as provided in this Agreement, shall not be counted in regard to time limitations and dates for submission of grievances, appeals, answers, etc.

Section 7. The Employer and employees will have the right to call witnesses to

<u>Section 2</u>. The Sheriff shall maintain a roster of bargaining unit employees, arranged according to seniority, showing name, position, class and seniority date, and shall furnish a copy to the Division at the first of each year, or as soon as practical each year.

<u>Section 3</u>. An employee originally hired into a regular County position and subsequently transferred to a grant funded position shall maintain his/her seniority from the original date of hire and shall be treated in all respects as a regular County employee for purposes of seniority.

Employees hired into the department under a state or federal grant shall be treated the same as regular funded County employees for the purposes of layoff and recall; excepting, however, if the state and/or federal grant requires different layoff and recall procedures.

Section 4. Notwithstanding any contrary provision contained in the Collective Bargaining Agreement, the former Delhi Charter Township Police Officers shall have their seniority, as between them, based upon the seniority which they had when employed by Delhi Charter Township. This seniority shall be for the purpose of shift and pass day selection and vacation day selection only.

#### PASS DAYS

Section 1. Because deputies are required to work regardless of calendar weekends, i.e., Saturdays and Sundays, the County grants days off in lieu thereof and refers to these as "pass days."

Section 2. Employees covered hereby earn pass days every twenty-eight (28) day scheduling period, the equivalent of two bi-weekly payroll periods, that they are actively employed by the County. During each twenty-eight (28) day scheduling period, an employee working on a ten (10) hour per day schedule works sixteen (16) days, for an annual total of two hundred eight (208), compensated at ten (10) hours each, will earn twelve (12) pass days, for a total of one hundred fifty-seven (157) pass days annually. An employee working on an eight (8) hour per day schedule works twenty (20) days during each scheduling period, for a total of 261 compensated annually, and earns eight (8) pass days, for a total of one hundred four (104) pass days annually. An employee working on a nine (9) hour per day schedule works eighteen (18) days, for an annual total of two hundred thirty-five (235), compensated at nine (9) hours each, will earn ten (10) pass days, for a total of one hundred thirty (130) pass days annually. An employee working on a twelve (12) hour per day schedule works fourteen (14) days, for an annual total of one hundred eighty-three (183) days, compensated at twelve (12) hours each, except for the one eight (8) hour day each fourteen (14) day period and will earn fourteen (14) pass days, for a total of one hundred eighty-two (182) pass days annually.

<u>Section 3</u>. Employees covered hereby may change a pass day after the schedule has been posted if they receive permission from the Sheriff.

<u>Section 4</u>. Pass days herein provided for may be postponed by the Sheriff for emergency purposes, but pass days so postponed may be taken at a later date, at a time mutually agreeable with the employee and the Sheriff, or paid at a rate of one and one-half the regular rate of pay of the employee, at the discretion of the Sheriff.

Section 5. Pass days pursuant to Section 2 and 3 above shall be posted twenty-eight (28) days in advance of the days to be taken. The employee shall request pass days at least three (3) weeks prior to posting the work schedule. Said request shall be granted if the Sheriff determines the same will not interfere with the normal operations of the Department.

Section 6. Pass days may, if the schedule permits, be coupled with vacation leave. Section 7. Records of pass days, days worked, and days not worked other than pass days shall be maintained in the department and shall be available during reasonable times for review by the employee. A copy of these records shall be provided to the Payroll Office at the end of each two (2) payroll periods.

#### HOURS AND RATES OF PAY

Section 1. The Sheriff has the right to assign either an eight (8), nine (9), ten (10), or twelve (12) hour shift for persons working as Correction Officers. The Sheriff has the right to assign an eight (8), nine (9), ten (10), or twelve (12) hour shift for deputies (Police Officers) assigned to law enforcement duties. The Sheriff shall provide a ninety (90) day notice of a change in shift durations corresponding with the shift selection. The notice requirement shall not apply to emergencies or to assignments, transfers or reassignments of individual employees.

Employees covered hereby are required to be on duty either a minimum of eight (8) hours, nine (9) hours, ten (10) hours, or twelve (12) hours during each scheduled working day, excepting as excused by the Sheriff. Such hours, as defined above, shall include a lunch break for officers required to carry a radio with them and be "on call" during lunch, and Correction Officers who are required to eat at their duty station. Other employees covered hereunder who receive a period for lunch shall not be compensated for said period. The County shall provide a refrigerator at the jail which can be used by Correction Officers.

Section 2. Employees covered hereunder shall be paid at an annual rate for their work according to the pay schedules incorporated within this contract. Employees assigned to the Metro Squad will work irregular hours and overtime will be paid only in excess of forty (40) hours worked per week.

Section 3. Employees shall be compensated at straight time for assigned hours worked. Any time in excess of eight (8) hours a day, nine (9) hours a day, ten (10) hours a day, or twelve (12) hours a day, depending upon the shift schedule, shall be considered overtime. All time in excess of the employee's shift schedule shall be compensated by payment at the rate of time and one-half the employee's straight time rate or accumulated as compensatory time as stated below.

In lieu of overtime payment as stated above, employees may accumulate said overtime as compensatory time to a maximum of forty-eight (48) hours. The hours will accumulate at time and one-half. This compensatory time may be taken when it is mutually agreed between the employee and the Sheriff or his/her representative.

Section 4. Work beyond an employee's regular shift shall be authorized by the employee's immediate supervisor at the time he/she is instructed to perform any assignment that extends beyond the end of that duty day, and shall be on a form furnished by the Sheriff and signed by the employee's immediate supervisor.

Section 5. When an off-duty officer is required to spend time in court, Licensed Appeal Board hearings, or Liquor Control Board hearings for a meeting arising out of his/her employment which does not involve the officer on a personal matter, he/she shall receive the witness fee, if one is payable, plus the difference between such witness fee and pay at time and one-half for the time actually spent on the assignment, with a minimum of two (2) hours of pay at time and one-half. If no witness fee is payable, he/she shall receive pay at time and one-half for the time spent on the assignment, with a minimum of two (2) hours of pay at time and one-half. This minimum does not apply under

circumstances where the employee attends proceedings beyond the end of the employee's normal shift. Mileage that may be paid by the court will be considered separate payment and will not be included in the above pay.

Employees are eligible for paid time during the lunch hour when directed to complete an assignment by the Prosecutor, and the Prosecutor substantiates same.

Section 6. If an employee is called back to work after completion of a regular work period, he/she shall be compensated for a minimum of one and one-half hours of overtime at the rate of time and one-half, and all hours after shall be paid at the rate of time and one-half.

Section 7. Provisions of this Article regarding overtime shall not apply when an officer makes an out-of-state trip to pick up or deliver a prisoner. Such assignments will be made to volunteers at the sole discretion of the Sheriff, and an officer on such a trip will be eligible for straight time pay on his/her regular shift basis.

Section 8. In the event that the Fair Labor Standards Act or other duly enacted legislation or court decision makes any provision of this Agreement illegal, the same shall become void without affecting the remaining provisions of this Agreement.

Section 9. Dog Handlers. Officers of the Ingham County Canine Squad who have been assigned a dog shall be compensated, while the dog is under the care of the handler, at fifteen (15) minutes overtime compensation per day at the rate of one and one-half (1 1/2) their hourly rate to a maximum of two and one-half (2 1/2) hours per pay period. This overtime shall be paid to the dog handler on a quarterly basis. <u>Section 10</u>. <u>Field and Corrections Training Officer Pay</u>. Effective upon ratification, officers who are assigned to work as field training or corrections training officers shall receive an additional fifteen (15) minutes of compensation at the rate of time and onehalf (1 1/2) their regular straight time rate for each day they are assigned to work with a trainee.

.

The approved vacation schedule will be issued by the Sheriff no later than March 15th of any year. Those employees failing to make a written request for vacation by February 15th will have their vacation scheduled as the remaining vacation time and department needs permit.

<u>Section 2</u>. As scheduled by the Sheriff, employees working at office sites may receive a day off with pay as compensation for each of the above holidays.

Section 3. Employees who do not receive a day off with pay due to the occurrence of one of the above holidays are eligible to receive (8) hours pay at their regular rate per each authorized holiday, whether such holiday be worked or not. This is applicable whether the employee is scheduled for an eight (8), nine (9), ten (10), or twelve (12) hour day. Hourly rate for purposes of holiday pay shall be determined by dividing the annual salary by two thousand eighty (2,080) hours. Payment shall be made for each holiday in 1996 and 1997 by December 10 each year for all eligible holidays since the previous December 10. After December 10, 1997, payment shall be made for each holiday in the paycheck covering the payroll period in which the designated holiday pay is earned. Effective December 23, 1996, in addition to the eight (8) hours holiday pay, employees who work on a designated holiday shall be paid at the rate of time and one-half (1 1/2) their regular straight time rate for all hours worked on the holiday.

Section 1. All regular full-time employees, having completed four (4) years of continuous permanent employment prior to December 1st of each calendar year, shall be eligible to receive a longevity bonus for service with the County. Payments to employees who become eligible by their anniversary date, prior to December 1st, of any year shall be due the first regular working day of December. An employee must have completed continuous full-time service equal to the service required for original eligibility, plus one additional year of continuous regular full-time employment for each additional annual payment. Employees whose service with the County terminates because of service or disability retirement, death or are laid off shall be paid a prorated bonus when they retire, based on the number of calendar months of full-time active service credited to them from the preceding December 1st to the date of cessation of their active employment. An employee whose employment with the County terminates for other reasons prior to December 1st shall not be eligible to receive a longevity bonus. An employee on an unpaid leave of absence due to illness during the twelve (12) month eligibility period for a longevity payment other than the initial payment shall receive a prorated payment based on the number of complete months he/she received full compensation. An employee on an unpaid leave of absence due to other than illness shall not be eligible to receive a longevity bonus.

Section 2. The longevity bonus payment schedule shall be as follows:

The longevity bonus shall be computed as a percentage of the employee's annual base salary or wage. Base salary or wage shall be that which an employee is being paid on the first regularly scheduled day of the fiscal year in which a longevity bonus is due, and shall not include overtime pay, premium pay, uniform allowance, per diem or travel allowance, or any other compensation. No longevity payment, as above scheduled, shall be made for that portion of an employee's base salary which is in excess of Eighteen Thousand Dollars (\$18,000.00).

However, it is expressly understood and agreed to between the Parties that for the first guarter, this posting could be less than the twenty-eight (28) days. The employees shall submit a bid for shifts at least three (3) weeks prior to the twenty-eight (28) day posting of shift assignments for the guarter. Any employee who fails to submit a timely bid, shall forfeit his/her preference for that quarter and may be assigned any shift by the Command Officer. The employee shall also submit at this time for approval any vacation request for the guarter that the employee has not previously submitted under ARTICLE 12, Section 7. Employees will bid for shifts among other employees in the same job assignment. Job assignments include, but are not limited to Paramedics, Road Patrol, Receiving, Corrections Officers, Visitors Control, Detectives, Traffic and Matrons if Matrons are grouped separately by the Sheriff. The Employer determines shift schedules.

Employees may be permitted to trade days off as follows: In order to trade days off, twenty-four (24) hour prior written notice by both employees must be provided to the Captain or his/her designee. The Captain or his/her designee will then determine whether or not he/she will permit the trading of days off. In addition, employees may, with the approval of their Captain or his/her designee, trade a twenty-eight (28) day or portion of a twenty-eight (28) day shift period provided there is a twenty-eight (28) day written notice signed by both employees which is provided to the Captain or his/her designee and is subject to the Captain or his/her designee's approval. The trading of days off or the trading of twenty-eight (28) day shifts or portions thereof will not be permitted under any circumstances where it results in overtime compensation. A denial of the request of the employees by a Captain or his/her designee, may be appealed to the Sheriff whose decision regarding the matter shall be final and binding on all the Parties and shall not be subject to the grievance procedure and/or arbitration and/or any other appeal.

It is agreed to between the Parties that, in the event of emergencies or manpower shortages, the shift-preference article may be suspended and waived by the Sheriff and he may assign personnel irrespective of the shift-preference schedule for the length of the manpower shortage or emergency. In addition, shift-preference shall be waived and suspended for two (2) slots where two (2) employees may be permitted to attend paramedic school. Further, shift-preference shall be waived and suspended for two attend school which is directly related to the Departmental operation for the length of the school and not to exceed two (2) employees per shift. The Sheriff shall determine which individuals, if any, will be permitted to go to either paramedic school or other schools as noted above.

New employees will be assigned shifts by the Sheriff or his/her designee for the first three (3) quarters of his/her employment. After the initial three (3) quarters of employment, the employee is eligible to bid for shifts.

All Corrections, Law Enforcement, Detective, Paramedic and Traffic employees will be permitted to select their pass days from the schedule under the following provisions:

A. The Division Commander will place all approved vacation requests, special assignments, prior approved special pass days and scheduled mandatory

training on the schedule for the three (3) twenty-eight (28) day shifts (1 quarter) along with the names of the officers assigned to that shift.

- B. The Division Commander will place on the schedule the minimum number of employees required on any given day of the week within the areas of job assignment. (i.e., paramedic, traffic, jail, receiving, etc.).
- C. The number of employees assigned to specific areas and/or shifts will be divided into thirds by seniority. The first <u>third</u> of these officers will have their first choice of pass days the first shift (twenty-eight (28) days) of the quarter; the second <u>third</u>, first choice the second shift (twenty-eight (28) days) of the quarter; and the third <u>third</u>, first choice the third shift (twenty-eight (28) days) of the quarter.
- D. At no time will any employee be allowed to have more than two (2) weekends, or any portion thereof (Saturday and/or Sunday), (for the night shift weekends shall mean Friday and/or Saturday) as scheduled pass days each shift period (28 days), or a total of six (6) weekends per quarter unless at the completion of this process no other employee has requested a specific weekend.
- E. The Shift Supervisor will contact every employee assigned to his/her shift for their pass days request, bearing in mind Subsections B, C and D above.
   The statement of "contact" shall not apply to the Law Enforcement Division.
- F. If there is a conflict of pass days that create a violation of Subsection B above, the Shift Supervisor will attempt to resolve this conflict with the employees involved. If it cannot be resolved among the Shift Supervisor and the employees, the Division Commander will make the final decision.

G. No employee will be able to select their pass days or have the particular day off which they desire if it results in overtime compensation obligations. Further, Command Officers reserve the right to make the final decision on selection of days off if no agreement is reached as provided above or if it results in overtime obligations.

It is agreed to between the Parties that seniority for the purposes of shift selection shall be pursuant to ARTICLE 9, including Section 4, except as otherwise provided herein.

The Parties will attempt to avoid having employees work back to back shifts as long as it does not result in overtime or operational problems.

It is expressly understood and agreed to between the Parties that the Sheriff and/or his designee shall have the authority to determine how many employees shall be working at any particular time, notwithstanding any contrary provisions contained herein.

It is expressly understood and agreed to between the Parties that employees cannot refuse overtime.

### LETTER OF UNDERSTANDING

WHEREAS, all parties recognize the need to eliminate all practices which result in a discriminatory effect and treat similarly situated employees differently, and

WHEREAS, all parties recognize the absolutely essential business/operational necessity of employing female corrections officers for certain duties, including strip searches of female inmates, and

WHEREAS, all parties desire to eliminate the use of the term "matron" from the collective bargaining agreement but not the job assignment to which the term referred.

THEREFORE, the parties agree as follows:

1. The Employer will, effective November schedule period beginning December 14, 1991, post assignments for each shift for female inmate housing which assignment shall require as a job qualification, female gender, which qualification shall be considered "absolutely essential" for operation purposes.

2. The above assignment shall be an assignment open to seniority bidding among qualified employees (female gender necessary for eligibility).

3. To the extent the voluntary bidding procedure for the female inmate assignment does not result in the filling of all required positions (two (2) per shift), the Employer will exercise its right of assignment by ordering the least senior otherwise eligible Corrections' employee(s) to report to the assignment in order to fill the vacancy(s).

4. In the event the above assignments result in two (2) employees working on duty on the same female inmate post at any given time, the Employer reserves its basic management right to assign either employee to any other assignment during that shift in order to avoid duplication of staff. The Employer will consider the most senior employee's preference in making such an assignment.

5. The Employer reserves the right to assign any employees on any given day or shift to job assignments the Employer determines are absolutely essential to be performed and for whatever reason are temporarily vacant, (i.e. as a result of sick time, disability, vacation time, pass days, funeral leave, jury duty, leaves of absence, etc.).

6. The above is intended by the parties to be a clarification of Article 38, Shift Preference; Article 12, §7, Vacation Requests; and Article 27, Lay-offs, of the collective bargaining agreement insofar as each may refer to "matron" as a job "assignment" or to job assignments and competing rights and interests therein.

7. The above shall be considered a temporary, trial arrangement and procedure to be reviewed by the Employer no later than six (6) months following its effective date. Additionally, the Employer reserves the right to terminate the above arrangement earlier than six (6) months in the event it is determined that the above minimum required assignments do not meet the operational and legal requirements of the Employer.

2

8. During the period of time the above Agreement may be in effect, the Union agrees there shall be no grievances filed which claim violations of Article 38, Article 12, §7, or Article 27, as a result of the operation and affect of the above Agreement.

9. Disclaimer. It is not the intent of either party to knowingly violate the spirit, intent, or letter of any applicable state or federal law or rule or regulation, and to the extent the operation of the provisions of this Agreement results in such a violation, that those provision(s) shall be rendered null and void.

WHEREFORE, the parties have executed this Agreement this day of Accember, 1997.
