He shall raise any question he has as to the School District's right to give him the order or instruction only after he carried out the order or instruction, and his question must be based on a reasonable and sensible reading of a specific provision, or specific provisions, of this Agreement providing this section does not conflict with union rights under Public Act 379 and are applied in a reasonable manner.

If a terminated employee or laid off employee has been out of the employ of the school district for more than two (2) years, he shall, upon re-employment, begin a new probationary period.

The school district may discharge probationary employees for any reason whatsoever. Such discharged employee shall have no recourse to the grievance procedure in this Agreement and the school district shall not be required to honor or recognize any such grievance unless the reason for discharge is for participation in union activities.

C. Hours of Work and Staffing

It is expected that from time to time employees may, as a result of unforeseen circumstances, be required to spend extra time beyond the regular day on their job.

The application shall set forth the reason for transfer, the position sought and the applicant's qualifications. Such requests shall be reviewed once a year to assure active consideration by the Board.
- B. The Board declares its support of the policy of filling non-certified employee vacancies from its own staff whenever possible. If a non-certified employee vacancy occurs or is anticipated, the Superintendent shall post for a period of ten (10) days notice of such a vacancy. Vacancies shall be filled on the basis of experience, competency and qualifications of the applicant, length of service in the district, and other relevant factors. The employee who applied for and received the promotion shall receive a four (4) week trial period to determine:
 - 1. His desire to remain on the job
 - 2. His ability to perform the job

The party requesting a special conference shall do so in writing and shall accompany his request with a written agenda adequately identifying the matters to be taken up at the meeting. A special conference may be attended by such representatives of each party as each of them reasonably and sensibly deems useful to the discussion of the matters on the agenda. However, no more than three (3) representatives of either party shall participate in a special conference unless the parties mutually agree to the contrary.

The Union representatives may meet on the employers' property for at least one-half (1/2) hour immediately preceding the conference.

ARTICLE 16 - DISCIPLINE. Suspension and Discharge

- A. The school district, acting through any supervisor, may discipline an employee for just and proper cause. Disciplinary action may consist of an oral reprimand, disciplinary lay-off, or discharge. In determining appropriate disciplinary action, the seriousness of the offense, the circumstances surrounding it and the employee's record and work history will be considered.
- B. Should the discharged or suspended employee and/or the steward consider the discharge or suspension to be improper, it shall be submitted to the second step of the grievance procedure.
- C. In imposing any discipline or discharge on a current charge, the employer will not take into account any prior infractions which occurred more than two (2) years previously.

ARTICLE 17 - STRIKES AND WORK INTERRUPTIONS

The parties to this Agreement mutually recognize that the services performed by the employees covered by this Agreement are services essential to the operation of the School District and, therefore, to the public. The Union, therefore, agrees that there shall be no interruption of these services for any reason whatsoever by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment, or picket the School District's property, premises, or facilities. The Union further agrees that there shall be no strikes, sit-downs, stands, stoppage of work, or any acts that interfere in any way or to any degree with the services provided by the School District.

Any employee violating the provisions of this Article shall be subject to disciplinary action or discharge, in the discretion of the School District. Such disciplinary action or discharge shall not be subject to the grievance procedure.

When the Union receives notice that any strike, sit-down, work stoppage or any other act that constitutes a violation of this Article is occurring, or is threatened, the Union shall take immediate, positive action to stop or prevent the same. Among other things, the Union will immediately dispatch to the School District such officer or person with sufficient authority to terminate or prevent any violation of this Article. The Union will advise and confirm to all employees participating in the violation that they are subject to summary discharge without recourse to the grievance procedure. The Union will take any further or additional steps as may appear to be required to terminate or prevent any violation.

When it appears to the School District that the Union is unwilling or unable to terminate or prevent any violations of this Article, the School District may, at its option, terminate this Agreement and take such other action as is necessary to maintain normal school services for the community. Failure on the part of the Union to take good faith, immediate and positive action to terminate or prevent a violation of the provisions of this Article shall make the Union liable for any damages suffered by the School District resulting from such violation. The School District reserves all of the legal rights and remedies which may be available to it.

ARTICLE 18 - GRIEVANCE PROCEDURE

A. Definition of a Grievance

A grievance is defined as a claim, reasonably and sensibly founded on a violation of this Agreement. Any grievance filed shall specifically refer to the provisions alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation.

B. Steps of the Grievance Procedure

An employee having a grievance, as above defined, may present it to the School District as follows and in accordance with the following steps:

Step 1: An employee may present his grievance to his immediate supervisor or to his Union representative, or to each of them individually, or both of them together. At any discussion of the grievance between the employee and his supervisor, either or both of them may arrange for the employee's Union representative to be present. A grievance shall be presented within seven (7) days after the occurrence upon which it is based or the School District shall have no obligation to honor or consider the grievance.

If the grievance is presented to the supervisor, he shall give his verbal answer to it no later than the end of the second day following its presentation. If the grievance is verbally granted, the matter shall be considered settled. If the grievance is verbally denied, it shall be put into written form by the grievant and submitted to the supervisor concerned within two (2) days of the verbal denial. The grievance shall be signed by the aggrieved employee and shall specifically state which Article of the Agreement has been violated and the remedy desired. Any written grievance not signed by the employee or not submitted within two (2) days, shall be considered settled on the basis of the verbal answer given by the supervisor.

The School District shall answer, in writing, all written grievances submitted. If the grievance is granted in writing, the matter shall be considered settled. If the grievance is denied in writing, the grievance may proceed to Step 2.

Step 2: If written denial of the grievance in Step 1 is to be appealed to Step 2, the Union representative, within two (2) days following receipt of the written answer in Step 1, shall present the grievance to the Superintendent of the School District. The Superintendent shall answer the grievance in writing. If the Superintendent denies the grievance in writing, it may be appealed to Step 3.

Step 3: If written denial of a grievance in Step 2 is to be appealed to Step 3, the Union representative shall present the grievance to the Superintendent within two (2) days following receipt of the written answer in Step 2. The Superintendent shall then arrange for a meeting between himself and other representatives of the School District and the Union representative, the Union's business agent, and any other conferees who may have an interest in the grievance. Either of the parties may arrange to have present at this meeting the grievant and/or any representative who participated in an earlier Step of the grievance procedure or who could reasonably be expected to contribute to the discussion and possible settlement of the grievance. After such meeting has occurred, the Superintendent shall answer the grievance in writing. If the grievance is denied, it may be appealed to Step 4.

Step 4: If written denial of a grievance in Step 3 is to be appealed to Step 4, the Union representative shall, within five (5) days, present the written grievance to the Secretary of the School Board. The full School Board shall, within twenty (20) working days, or at its next regularly scheduled meeting, consider the grievance and hear any arguments or testimony which the grievant and/or the Union may wish to present to the Board. The Board shall, within twenty (20) working days after such hearing render its decision, to the Union and the aggrieved employee.

If the Union is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Board and the Union shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator.

THE ARBITRATOR'S DECISION SHALL BE RENDERED WITHIN THIRTY (30) DAYS OF THE FINAL ARBITRATION.

The fees and the expenses of the arbitrator shall be shared equally by the parties.

C. Rules of the Grievance Procedure

1. In no event, shall the School District be liable for back pay for any period prior to thirty (30) days preceding the day on which the grievance is submitted in writing. Back pay shall be the amount of wages the employee would have earned from the School District, less any amount he has received or is entitled to receive from other employment, self-employment, or (if applicable) Unemployment Compensation.
