### Grievance Procedure

#### A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the conditions or circumstances under which a teacher works, allegedly caused by misinterpretation or inequitable application of established law, policy, or the terms of this agreement.
2. The term "teacher" may include any individual or group of teachers who are certificated and who are members of the bargaining unit.
3. A "party of interest" is the person or persons making the claim and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
4. The term "days" when used in this section shall, except where otherwise indicated, mean working school days.
5. In the event a grievance is filed on or after the first day of June, the term "days" in reference to the time limits set forth, shall mean calendar days.

#### B. Purpose

The primary purpose of the procedure set forth in this Section is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of such procedure. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration.

#### C. Structure

1. There shall be at least one but not more than three Association Representatives for each school building, to be selected in a manner determined by the Association, who will serve on the Association's Committee on Professional Rights and Responsibilities, hereinafter referred to as the P. R. and R. Committee.
2. In the event any member of the PR&R Committee is a party of interest to any grievance brought, he shall be disqualified to serve on the Committee and shall be replaced by the Association until adjudication of the grievance.
3. The building principal shall be the administrative representative when the particular grievance arises in one building.

D. Procedure

1. Level One

A teacher with a grievance shall first discuss it with his principal, either directly or through the Association's School Representative, with the objective of resolving the matter informally. The principal shall make his decision known within three days.

2. Level Two

- (a) If the aggrieved person is not satisfied with the disposition of his grievance at Level One, he may file the grievance in writing with any member of the Association's P. R. & R. Committee within five (5) school days after the decision at Level One. Within five (5) school days after receiving the written grievance, the Chairman or the member with whom the grievance was filed will refer it to the Superintendent of Schools.
- (b) The Superintendent or his designee will represent the administration at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance by the Superintendent, the Superintendent or his designee will meet with the aggrieved person in an effort to resolve it.
- (c) If a teacher does not file a grievance in writing with the Chairman of the PR&R Committee and the written grievance is not forwarded to the Superintendent within thirty (30) school days after the teacher knew or should have known of the act or condition on which the grievance is based, the grievance will be considered as waived.

3. Level Three

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after he has first met with the Superintendent, he may file the grievance in writing with the Chairman of the PR&R Committee within five (5) school days after a decision by the Superintendent, or fifteen (15) school days after he has first met with the Superintendent, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairman of the PR&R Committee will refer it to the Board. Within ten (10) school days after receiving the written grievance, a committee of the Board will meet with the aggrieved person for the purpose of resolving the grievance. The ultimate decision on the grievance at Level Three will, however, be rendered by the full Board.

4. Level Four

- (a) If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within ten (10) school days after he has first met with the Board Committee, he may, within five (5) school days after a decision by the Board or fifteen (15) school days after he has first met with the Board Committee, whichever is sooner, request in writing the Chairman of the PR&R Committee to submit his grievance to arbitration. If the PR&R Committee determines that the grievance is meritorious and that it arises from the language of this Agreement or an alleged breach thereof and that submitting it to arbitration is in the best interests of the Bessemer school system, it may by written notice to the Board submit the grievance to arbitration within fifteen (15) school days after receipt of a request by the aggrieved person. Grievances which do not arise from the language of this Agreement, or an alleged breach thereof, may be processed through Level Three, but will not be arbitrable.
- (b) Within ten (10) school days after such written notice of submission to arbitration, the Board Committee and the PR&R Committee will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- (c) The arbitrator so selected will confer with representatives of the Board and the PR&R Committee and hold hearings promptly and will issue his decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law or which is violative of the terms of this Agreement. Arbitration of grievances arising from the language of this Agreement or an alleged breach thereof will be final and binding.
- (d) The costs for the services of the arbitration, including per diem expenses if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Board and the Association.

#### E. Rights of Representation

Any party in interest may be represented at all meetings and hearings at all steps and stages of the grievance procedure by another teacher or another person. Provided, however; That any teacher may in no event be represented by an officer, agent or other representative of any organization other than the Association. Provided further: When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of grievance processing, except where the grievance involves only questions of fact peculiar to the individual grievant.

#### F. Miscellaneous

1. There shall be no reprisals of any kind by administrative personnel taken against any party in interest or his Association Representative, any member of the Grievance Committee, Appeal Committee, or Ad Hoc Committees, or any other participants in the procedure set forth herein by reason of such participation.
2. The following matters shall not be the basis of any grievance filed under the procedures outlined in this Article.
  - (a) The termination of services or failure to re-employ any probationary teacher.
  - (b) The placing of a non tenure teacher on a third year of probation.
  - (c) Any claim or complaint for which there is another remedial procedure or forum established by law or regulation having the force of law, including any matter subject to the procedures specified in the Tenure Act (Act 4 of the Public Acts, Extra Session, of 1937 of Michigan,) as amended.
3. If any teacher elects to pursue any legal or statutory remedy, such election will bar any further or subsequent proceedings for relief under this Article.
4. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
5. Forms for filing grievances, serving notices, taking appeals, making appeals, making reports and recommendations, and other necessary documents shall be given appropriate distribution by the Superintendent so as to facilitate operation of the procedures set forth herein.
6. Every effort will be made to avoid interruption of classroom activities and to avoid the involvement of students in any phase of the grievance procedure.
