PROPOSED EDUCATION ASSOCIATION AGREEMENT

This Agreement entered into this 27th day of Aug. , 1969 by and between the Board of Education of Birch Run Area Schools, hereinafter called the "Board", and the Birch Run Education Association, hereinafter called the "Association".

WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing a quality education for the children of Birch Run Area Schools is their mutual aim and that the character of such education depends predominantly upon the quality and morale of the teaching service, and

WHEREAS the members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve educational standards, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

WHEREAS the parties, following extended and deliberate professional negotiations, have reached certain understandings which they desire to memorialize,

In consideration of the following mutual covenants, it is hereby agreed as follows:

Article I

Recognition

A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all professional personnel; including personnel on tenure, probation, classroom teachers, guidance counselors, librarians, visiting teachers, advising or critic teachers, substitute teachers, employed or to be employed by the Board (whether or not assigned to a public school building), but excluding supervisory and executive personnel and office and clerical employees. The term "teacher", when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiation unit as above defined, and references to male teachers shall include female teachers.

B. The Board agrees not to negotiate with any teacher's organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance to the Board and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of the Agreement, provided that the Association has been given opportunity to be present at such adjustment.

C. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School Laws or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

Article II

Deductions for Professional Dues

A. Teachers may at any time sign and deliver to the Board an assignment authorizing deduction of membership dues of the Association (including the National Education Association and the Michigan Education Association). Such authorization shall continue in effect unless subsequent to June 1st and prior to September 15th of any year, such authorization is formally revoked by the teacher in writing and copies thereof are delivered to the Association and the Board.

B. The deduction of membership dues shall be made from each regular pay check for ten (10) months, beginning in September and ending in June of each year and the Board agrees promptly to remit to the respective Associations all moneys so deducted, accompanied by a list of teachers from who the deductions have been made.

C. An alternate choice shall also be allowed to each teacher which shall provide for the payment of membership dues directly to the Association Secretary by the end of the fourth pay period.

D. Consistent with the Code of Ethics of the Education profession, membership in the Association shall be open to all teachers regardless of race, creed, sex, marital status, or national origin.

E. It is recognized that because of religious conviction or otherwise, some teachers object to joining any organization engaging in collective bargaining. At the same time, it is recognized that the proper negotiating and administration of collective bargaining agreements entail expense which is appropriately shared by all teachers who are beneficiaries of such agreements. To this end, in the event a teacher shall not join in the Association and execute an authorization for dues deduction in accordance with this article, such teacher shall, as a condition of continued employment by the Board, cause to be paid to the Association a sum equivalent to the local and state dues. In the event that such sum shall remain unpaid for a period of sixty days following the commencement of employment of the teacher, the Board agrees that in order to effectuate the purposes of the Public Employment Relations Act and this Agreement, the services of such teacher shall be discontinued. The refusal of the teacher to contribute fairly to the costs of negotiation and administration of this and subsequent agreements is recognized by the parties as reasonable and just cause for termination of employment.

F. Neither section D nor E, immediately preceding, shall become effective until such time as the legality of these sections shall have been established affirmatively by the Supreme Court of the State of Michigan.

Article III

Teachers Rights

A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the State Labor Mediation Board, or a mediator from such public agency.

C. The Association, or any committee thereof, shall have the right to use school buildings and facilities without charge for professional meetings during times when the building is covered by the operating staff. Room clearance shall be made with the principal involved.

The Association shall have use of all equipment at such times and under such procedures as are approved by the principal or superintendent. The Association agrees to reimburse the Board for any damage to equipment entrusted to its use and care.

All reasonable requests for use of office, lounge, and workroom bulletin boards shall be granted to the Association.

School mail service shall be granted to the Association.

The Association agrees to pay the school cost for all materials used for its purposes.

D. The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the district, final budgetary requirements and allocations and other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with information which may be necessary for the Association to process any grievance or complaint.

E. Full rights as a private citizen shall be guaranteed, except that actions in public which are determined to be detrimental to the school district and the children thereof shall not be within the teachers rights.

Article IV

A. The Board, on its own and electors of the school district behalf, retains and reserves without limitation all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:

It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

B. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The Board agrees at all times to keep the schools reasonably and properly equipped and maintained. The Board also agrees that all teachers will be notified when and if their requisitions have been approved and ordered.

C. The Board agrees to provide, whenever practicable, typing and duplicating facilities for teachers wishing to use them. Audio-visual services will be expanded where possible. Teacher will not be required to balance CA 10's.

D. Substitute teachers shall be hired whenever possible to take classes of an absent teacher. If a substitute is not available, a teacher may be required to fill in not more than 2 class periods per week per teacher.

E. The Board shall make available in each school where possible adequate restroom and lavatory facilities exclusively for teacher use and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge. Smoking shall be permitted in prescribed areas in each building.

F. The classroom teacher shall determine whether a student passes or fails a semester. In cases where the welfare of an elementary child is affected by promotion, or lack thereof, promotion or retention shall be the joint responsibility of teacher and principal.

G. No religious or political activity of any teacher carried on outside the confines of the school, or lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.

H. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, sex or marital status or membership in or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color or national origin and to seek to achieve full equality of educational opportunity to all pupils.

I. The Board subscribes to the principle that continued curriculum study is beneficial and necessary. Opportunity for the faculty to engage in such studies with the administration will be provided by the Board.

J. The elementary and junior high shall receive the same number of half days off as the high school for student evaluation and record keeping.

Article VII

Insurance Protection

A. The Board will provide, without cost to the teacher, under a Hired car or non-ownership clause in its Fleet Insurance Policy, Bodily Injury insurance for a total of \$100/300,000 and Property Damage insurance for a total of \$25,000. C. Insurance will be provided by the Board, that covers loss to personal property of a teacher for fire, extended coverage, and vandalism while on school property not to exceed \$500. This does not include loss of money.

D. No provisions of this section shall prevail where it is established that gross negligence, neglect of duty, or assault and battery on the teacher's part is involved. Obligations under this section shall extend only to that portion of any such loss not covered by insurance taken out by the teacher and shall be payable only after the teacher has first exhausted all possibility of collecting for such loss under his own insurance, if any.

Medical Insurance Protection

The Board agrees to furnish all teachers the following insurance protection:

A. The Board shall provide the total cost of a Blue Cross-Blue Shield or M.E.A. Super Med (excluding Optional Benefits) insurance program. For those teachers who do not elect (or who are not eligible for such coverage) one of these programs a program of Optional Benefits under the M.E.A. Super Med policy will be provided in an amount not exceeding the cost of the "self only" portion of the Super Med Benefits. Optional Benefits covered shall be limited to Loss of Time and Additional Life Insurance (self only).

B. The Board will compute insurance premiums needed to provide insurance coverage for each employee from October 1 to September 30 and deduct from each employee's first 20 pay checks the amount in excess of money provided in Item A above (if any) needed to provide coverage elected by the employee.

Article IX

Leaves of Absence

A. Any teacher whose personal illness extends beyond the period compensated under Article XI shall be granted a leave of absence without pay for such time as is necessary for complete recovery from such illness. Upon return from leave, a teacher shall be assigned to the same position, if available, or a substantially equivalent position.

B. Leaves of absence with pay chargeable against the teacher's allowance shall be granted for the following reasons:

1. A maximum of five days per school year for a critical illness in the immediate family. The Board has the right to verify such illness by contacting the physician or hospital.

1. A maximum of five days per school year for a death in the immediate family upon approval of a Board representative.
2. Absence when a teacher is called for jury service. (Pay computed minus jury compensation.) In all cases under this subsection the teacher must request excuse from such duty and have such request denied.

The regular salary increment occurring during such period shall be allowed in all items under Section D.

He must teach in the system for at least three years upon his return or pay to the school board a fractional part of the pay he received while on sabbatical leave according to the number of years of service after the leave. C. Each teacher shall be entitled to an accumulation up to 72 days for the unused portion of each year's leave which shall be available in future years, retroactive as of 1963-64.

D. Each teacher shall have the right to loan unused leave days to another teacher who has exhausted his own allotment of available leave days.

Article XII

Terminal Leave

The Board recognizes the principle of promotion from within the school system and will consider any qualified and interested applicant. The Applicant will be notified of any action taken by the Board.

C. Notification of any vacancy shall be made known to the Association.

Article XIV

Grievance Procedures

A. Definitions

1. A "grievance" shall mean a claim by a teacher, or a group of teachers based upon an event, condition or circumstance under which a teacher works, allegedly caused by a violation, misinterpretation, or inequitable application of any provision of this agreement.
2. The "aggrieved person" is the person or persons making the claim.
3. The term "teacher" includes any individual or group who is a member of the bargaining unit covered by this contract.

4. A "party of interest" is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
5. The term "days" shall mean calendar days.

B. Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any teacher with a grievance to discuss the matter informally with any appropriate member of the administration or proceeding independently as described in Section E of these procedures.

C. Structure

1. There shall be one or more Association Representatives (Building Representatives) for each school building to be selected in a manner determined by the Association.
2. The Association shall establish a Professional Rights and Responsibilities Committee, which shall be broadly representative and which shall serve as the Association grievance committee. In the event that any Association Representative or any member of the PR&R Committee is a party in interest to any grievance, he shall disqualify himself and a substitute shall be named by the Association.
3. The building principal shall be the administrative representative when the particular grievance arises in that building.
4. The Board hereby designates the superintendent as its representative when the grievance arises in more than one school building.

D. Procedure

The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits may be extended by mutual consent.

If the grievance is filed on or after June 1, the time limits shall be reduced in order to affect a solution prior to the end of the school year or as soon thereafter as is practicable.

1. Level One

A teacher with a grievance shall discuss it with his immediate supervisor or principal: individually, together with his Association Representative or through the Association Representative.

2. Level Two

- a. In the event the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five days after presentation of the grievance, he may file the grievance in writing with the Association's PR&R Committee. The Association Representative will assist in writing the grievance.
- b. Within five days of receipt of the grievance the PR&R Committee shall decide whether or not there is a legitimate grievance. If the committee decides that there is a legitimate grievance, it shall immediately process the claim with the superintendent of schools. If the committee decides that no grievance exists and so notified the claimant, the teacher may continue to process his claim without Association support. Within ten days from receipt of the grievance by the superintendent, he shall render a decision as to the solution.

3. Level Three

In the event the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten days from date of receipt of grievance by the superintendent, he may refer the grievance through the PR&R Committee to the Board of Education's Review Committee. This committee shall be composed solely of members of the Board of Education. Within ten days from receipt of the written referral by the Board, its Review Committee shall meet with the Association's PR&R Committee chairman and the Association's Negotiation Team for the purpose of arriving at a mutually satisfactory solution to the grievance problem. A decision shall be rendered within ten days.

4. Level Four

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within ten (10) school days after he has first met with the Board Committee, he may, within five (5) school days after a decision by the Board or fifteen (15) school days after he has first met with the Board Committee, whichever is sooner, request in writing the Chairman of the PR&R Committee to submit his grievance to arbitration. If the PR&R Committee determines that the grievance is meritorious and that it alleges a violation of a specific article and section of this Agreement and that submitting it to arbitration is in the best interests of the Birch Run school system, it may by written notice to the Board submit the grievance to arbitration within fifteen (15) school days after receipt of a request by the aggrieved person. Grievances which do not allege a violation of a specific article and section of this Agreement may be processed through Level Three, but will not be arbitrable.
- b. Within ten (10) school days after such written notice of submission to arbitration, the Board Committee and the PR&R Committee will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator so selected will confer with representatives of the Board and the PR&R Committee and hold hearings promptly and will issue his decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited

by law or which is violative of the terms of this Agreement. Arbitration of grievances arising from the language of this Agreement or an alleged breach thereof will be final and binding.

- d. The arbitrator shall have no power to alter, modify or add to or subtract from the provisions of this Agreement. His authority shall be limited to deciding whether a specific article and section of this Agreement has been violated. The decision of the arbitrator, if within the scope of this authority as set forth above, shall be final and binding.
- e. The costs for the services of the arbitrator, including per diem expenses if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Board and the Association.

E. Rights to Representation

Any party of interest may be represented at all meetings and hearings at any level of the grievance procedure by another teacher or another person. Provided, however, that any teacher may in no event be represented by an officer, agent, or other representative of any organization other than the Association. Provided further, when a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance processing.

F. Miscellaneous

- 1. A grievance may be withdrawn at any level without prejudice or record. However, if, in the judgment of the Association Representative or the PR&R Committee, the grievance affects a group of teachers, the PR&R Committee may process the Grievance at the appropriate level.
- 2. The grievance discussed and the decision rendered at Level One will be placed in writing upon request of either party. Decisions rendered at all other levels shall be in writing and shall promptly be transmitted to all parties of interest.
- 3. No reprisals of any kind shall be taken by or against any party of interest of any participant in the grievance procedure by reason of such participation.

4. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.
5. Forms for filing and processing grievances shall be designed by the superintendent and the PR&R Committee, shall be prepared by the superintendent, and shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.
6. Access shall be made available to all parties, places and records for all information necessary to the determination and processing of the grievance.
7. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him.

Article XIV-A

No Strike

The Association and the Board recognize that strikes and other forms of work stoppages by Employees are contrary to law and public policy. The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school system. The Association therefore agrees that its officers, representatives and members shall not authorize, instigate, cause, aid, encourage, ratify, or condone, nor shall any member take part in any strike, slow-down, or stoppage of work, boycott, picketing or other interruption of activities in the school system. Failure or refusal on the part of any employee to comply with this Article shall be cause for severe penalty to be decided by a joint committee consisting of three members of the Board of Education and three members of the Executive Board of the Association. A second violation may be cause for immediate dismissal.

Article XV

Professional Compensation

A. The basic salaries of teachers covered by this Agreement are set forth in Schedule B which is attached to and incorporated in this Agreement.

B. All teachers newly employed shall be given credit on the Salary Schedule set forth in Schedule B for five years of outside teaching experience in any school district in the State of Michigan and other teaching experience for which credit is allowed; provided: that the Board may grant credit for additional years of experience in special cases. In no case shall the additional grant exceed actual experience. Teachers in the Taymouth Elementary, Toddish, Fosters, Becker, Burt and McIntosh schools of Taymouth Township who were employed in such schools as of June, 1966, and who continued such employment in the reorganized Birch Run Area School District will be given full credit for continuous Taymouth Township prior service on the Salary Schedule. Provided that: such teachers must hold a Bachelor's Degree and a Provisional, Permanent or Life Certificate.

C. The holder of a State Elementary or Secondary 30-hour Continuing Certificate shall be placed on Master's Salary Schedule.

D. The Board agrees that upon completion of the Education Specialist degree by any member of the Birch Run Area Schools faculty, it will immediately negotiate with the Birch Run Education Association a salary schedule for the position.

E. After a degree teacher has served in the school district for fifteen years or has acquired this status due to reorganization or annexation, he will receive a longevity payment of \$352.50. Thereafter for each additional five years of service he will receive an additional longevity payment of \$352.50. The total number of such increments shall be four (4).
