ARTICLE II. EMPLOYER RIGHTS

Section 1. Employer Rights. The Employer reserves and retains, solely and exclusively, all rights to manage and direct its work force and shall have the sole and exclusive right to manage its departments and divisions in all of its operations and activities. Among the rights of management, included only by way of illustration and not by way of limitation, is: the right to hire; the right to determine all matters pertaining to the services to be furnished and the methods, personnel, procedures, means, equipment, and machines required to provide such service; to determine the nature and number of facilities and departments to be operated and their location; to establish classifications of work and the number of personnel required; to direct and control operations; to discontinue, combine, or reorganize any part or all of its operations; to adopt, modify, change or alter its budget; and in all respects to carry out the ordinary and customary functions of management. The Employer shall also have the right to: promote, assign, transfer, suspend, discipline, demote, discharge, layoff and recall personnel; to establish, amend, supplement or delete work rules and regulations; to make judgments as to ability and skill of employees; to establish and change work schedules; to provide and assign relief personnel; to schedule overtime, to continue and maintain its operations as in the past, or to modify or eliminate same, provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement. The Employer retains the sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

Section 2. Delegations. No policies or procedures covered in this Agreement shall be constructed as delegating to others or as reducing or abridging any authority conferred on the Employer by State Law, or by the Constitution of the State of Michigan or the United States of America.

Section 3. No Strike Clause. The parties mutually recognize that the services performed by the employees covered by this Agreement are services important for the public health, safety and welfare. The Union, therefore, agrees that there shall be no interruption of these services for any cause, whatsoever, by the employees it represents nor shall there be any concentrated failure by them to report for duty nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful, and proper performance of the duties of their employment or picket on the Employer's premises. The Union further agrees that there shall be no strikes, sit-downs, stay-ins, stoppages of work or any acts that interfere in any manner or to any degree with the services of the Ionia County Health Department. Individual employees or groups of employees who instigate, aid, or engage in a work stoppage, slowdown, or strike may be disciplined up to and including discharge at the sole discretion of the Employer.

Section 4. Past Practice. This Agreement embodies all the obligations between the parties evolving from the collective bargaining process and supersedes all prior relationships and/or practices.

Section 5. Retention of Right. The Employer reserves and retains, solely and exclusively, all rights to manage and direct its work forces, except as expressly abridged by the specific provision of this Agreement, including by way of illustration, but not limitation, the determination of policies, operations, assignments, subcontracting, schedules, layoffs, make or amend rules and regulations, hire, promote, demote, transfer, etc. All rights, functions, powers and authority which the Employer has not specifically abridged, delegated, or modified by specific terms of this Agreement are recognized by the Union as being retained by the Employer.

Section 6. Rules and Regulations. The Employer shall have, within its discretion, the right to make, amend, supplement, or delete rules and regulations. However, the Union (Local President) shall receive a copy of any new or modified rule or regulations ten (10) days prior to its effective date, unless conditions warrant necessary and immediate implementation. If there is concern regarding the fairness of the rule change, the Union (Local President) may request a special conference between the Union and the Employer to discuss the reasonableness of the rule. In no case will the rule change or new rule become subject to the grievance procedure.

If the Union does not receive a copy of the new work rule or modification thereof as required above, the same shall not be binding upon the Union, the employee, or the Employer until such notice is provided.

ARTICLE III. UNION SECURITY AND CHECK-OFF

Section 1. Union Security and Check-Off. The Employer agrees to deduct from the salary of each employee in the bargaining unit who voluntarily becomes a member, the Union's dues or representation fee subject to all of the following:

- A. The Union shall obtain from each of its members a completed check-off authorization form, which shall conform, to the respective state and federal laws concerning that subject or any interpretations made thereof.
- B. All check-off authorization forms shall be filed with the Employer who may return any incomplete or incorrectly completed form to the Union's Treasurer and no check-off shall be made until such deficiency is corrected.
- C. All other employees covered under this Agreement who do not voluntarily choose membership in the Union shall have deducted from their wages a percentage of the membership dues which sum may be less than one hundred percent (100%) of said dues and which sum shall accurately represent the amount for said employee due to the Union as their fair share of costs attributable to negotiating the terms of this Agreement, which sum shall not include, by way of example, but not by way of limitation, state, national, or other dues and assessments or other amounts for other Union activities.
- D. The Employer shall check-off only obligations which come due at the time of check-off, and will make check-off deductions only if the employee has enough pay due to cover such obligation, and will not be responsible for refund to the employee if he has duplicated a check-off deduction by direct payment to the Union.
- E. The Employer's remittance will be deemed correct if the Union does not give written notice to the Employer within two (2) calendar weeks after a remittance is sent, of its belief, with reasons stated therefore, that the remittance is incorrect.
- F. Any employee covered by the terms of this Agreement may join or terminate membership in the Union by written notice to the Employer and in the amount owing the Union shall reflect accordingly with the next payment from the employee due the Union.
- G. The Union shall provide at least thirty (30) days written notice to the Employer of the amount of Union dues and/or representation fee to be deducted from the wages of the employees in accordance with this Article. Any change in the amounts determined will also be provided to the Employer at least thirty (30) days prior to its implementation.
- H. The Union agrees to indemnify, defend, and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Union dues and/or representation fees or in reliance on any list, notice, certification, or authorization or requirement furnished under

this Article. The Union assumes full responsibility for the disposition so made, once they have been sent to the Union.

- I. The Union shall exclusively use the following check-off authorization form as herein provided: Form attached to back page of contract.
- J. Employees are required to pay Union dues and/or a representation fee thirty (30) days after the employee is hired as outlined above.
- K. Part-time employees who work ten (10) hours or less per week are only required to pay one-half(½) of the Union's dues or representation fees. This shall not prevent the part-time employee from voluntarily paying full dues.

ARTICLE IV. SPECIAL CONFERENCES

Section 1. Request for Special Conference. Special conferences for important matters may be arranged between the Union and the Employer upon the request of either party. When such request is made, an agenda of the matters to be discussed at the meeting shall be outlined. Special conferences are not to be requested frivolously or for trivial matters. Matters discussed at special conferences shall be restricted to the items listed on the agenda. Special conferences shall not be used for collective bargaining purposes.

Section 2. Wage for Special Conference. Bargaining unit employees who are required to be present shall not lose pay for time lost during these conferences. Bargaining unit members may attend special conferences during work hours only when released by the Employer.

ARTICLE V. REPRESENTATION

Section 1. Local Officers. Employees in the Unit shall be represented by a Local President, Local Vice President, and Local Secretary, respectively. The Local Officers will be members of the bargaining unit and their selection will be determined by the bargaining unit members. The Employer will recognize the Local Officers as representatives of the Union in the administration of provisions of this Agreement and the grievance procedure. The Union will keep the Employer informed, in writing, of the name of the Local Officers for the Units. The Employer shall recognize Officers only if properly notified.

A Local Officer or a Unit employee representative of the Union shall act in a representative capacity for the purpose of processing grievances for the employees in his/her Unit. Only one Local Officer, at a time, shall act in regards to any such matters noted hereunder.

Section 2. Local Officers Time Off With Pay. Reasonable arrangements will be made to allow a Local Officer time off with pay, only one at a time, with prior permission of their supervisor, during their regular working hours for the purpose of investigating grievances and to attend grievance meetings. A Local Officer shall have access to office premises for the purpose of investigation and adjusting any complaints and grievances. The office premises may be used for grievance interviews. A Local Officer shall investigate and present the grievances through the grievance procedure. In the event the Local Officer is absent, an alternate Local Officer may perform his/her functions.

It is understood that the processing of grievances shall not adversely affect the normal operations of the Employer. Notwithstanding any contrary provision, the Employer may require Local Officers to perform the above functions during non-work hours.

A Local Officer may utilize the County's e-mail system to communicate with the Union Attorney or business agent. The utilization of the County's e-mail system shall not be abused and shall be in accordance with County Policy. Notwithstanding the above, the Employer may terminate such use by providing 24-hour notice.

Section 3. Union Bulletin Boards. The Employer will provide a bulletin board where Unit members are assigned which may be used by the Union for posting notices of interest to the membership.

The Union shall have the exclusive right to the use of its assigned bulletin board. In the event a dispute arises concerning the appropriateness of material posted on the Union bulletin board, the President of the Union will be advised by the Employer of the nature of the dispute and the notices or bulletins will be removed from the bulletin board.

Section 4. Notice to Union. A copy of all notices required by this Agreement to be sent to the Union shall be sent to:

- A. The Union Local President (the Union shall provide the name and address of each Local President), and
- B. Jeffrey S. Donahue, Esq.
White, Schneider, Young & Chiodini, P.C.
2300 Jolly Oak Road
Okemos, MI 48864

ARTICLE VI. NEGOTIATIONS

Section 1. Representatives. In any negotiations described in this Article, neither party or the other bargaining unit shall have any control over the selection of the negotiations representatives

of the other party. It is recognized that no final Agreement between the parties may be executed without ratification of the Employer and by a majority of the membership of the bargaining unit, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

Section 2. Bargaining Committee. The bargaining committee of the Union will include not more than two (2) bargaining unit members from the Professional Unit and not more than two (2) bargaining unit members from the Clerical-Technical Unit if negotiations take place separately. In the event that negotiations take place with both units at the same time, there shall only be one (1) employee for each unit present. Each Unit shall have one (1) alternate bargaining unit member employed by the Employer. It may also include non-employee representative(s) of the Public Employee Representative Association. The Union will furnish the Employer with a written list of the bargaining committee prior to the first bargaining meeting and substitute changes thereto, if necessary. Each party reserves the right to have separate negotiations for each unit.

ARTICLE VII. ELECTION OF REMEDIES

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the Grievance Procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

ARTICLE VIII. PROBATIONARY PERIOD

All employees shall be considered probationary employees until the employee has successfully completed two-thousand (2000) hours of work (provided, however, that if an employee is absent from work during this period due to a layoff or leave of absence of any kind, including personal leave, his/her probationary period may be extended by the Employer for a period equal to the duration of such absence). The employer may extend the probationary period by four hundred (400) hours provided both the employee and the Union are notified.

During the probationary period, the employee may be terminated without recourse to or without regard to this Agreement and shall not be entitled to the benefits of the grievance procedure as it relates to discipline and/or discharge. The probationary employee can be terminated for any reason or for no reason.

For those employees who have completed the above provision, they shall not have a new probation period once the agreement is signed by both parties.

ARTICLE IX. GRIEVANCE PROCEDURE

Section 1. Grievance Procedure. The term "Grievance" as used in this Agreement is defined as an alleged violation of a specific term or condition of this Agreement. Any grievance filed shall be in writing and refer to the specific provision(s) alleged to have been violated and it shall adequately set forth the facts pertaining to the alleged violation and the remedy desired. All grievances shall be commenced within five (5) working days after the grievance has become known, or should have been known by the employee. Any grievance not conforming to these provisions shall be automatically defined as not constituting a valid grievance. If the Employer or the Union requests that the aggrieved employee be present at any step or steps of the grievance procedure to participate in the discussion, he/she will be required to do so. Bargaining unit employees are employed at-will for discipline, except discharge which shall be for just cause.

Any employee having a grievance shall present it as follows, except that step 1 may be omitted should the Step 1 supervisor not have the authority to grant the adjustment requested.

Step 1: The employee shall submit a written grievance as noted above. A conference between the aggrieved employee and/or steward with the supervisor shall be held within five (5) working days of the submission of the grievance. The supervisor shall give his/her answer within five (5) working days of the conference. The supervisor does not have the authority to modify this Agreement and the supervisor's response shall not act as a precedent.

Step 2: If not satisfied with the supervisor's answer, or if no answer is received within the time limit, it shall be the responsibility of the aggrieved employee to deliver the written grievance to the Administrative Health Officer or his/her designee within five (5) working days from the date a Step 1 answer is received or the Step 1 answer was due with a copy to the County Administrator. The Administrative Health Officer shall return his/her written answer within five (5) work days. If Step 1 is omitted, the employee shall present the written grievance within five (5) working days of the occurrence giving rise to the grievance as noted above.

Step 3: If not satisfied with the Administrative Health Officer's answer, the Union may appeal the decision to a Committee established by the Board to hear grievances. The request for the appeal to the Committee must be made in writing within five (5) working days after receipt of the Step 2 answer is received. The request shall be addressed to the Chairperson of the Board with a copy to the Administrative Health Officer and the County Administrator. The Committee shall hear the appeal within twenty (20) work days after a request is received. The employee

and/or Union representative may present witnesses and evidence. Likewise, the Administrative Health Officer or his/her designee may also present witnesses and evidence. The answer of the Committee shall be given ten (10) work days after the hearing is closed. The decision of the Committee shall be final and binding on the parties, with no right to appeal, except for the exceptions noted in Step 4 below. If the Union decides to proceed to arbitration on the limited matters as permitted under the contract, the Union shall use Step 4.

Step 4: If the grievance is not resolved at Step 3, the Union shall present a written demand for arbitration within thirty (30) calendar days after the answer at Step 3 to the Chairperson of the Board and County Administrator with a copy to the Administrative Health Officer and to the American Arbitration Association (AAA) for the selection of an arbitrator in accordance with AAA procedures or the parties may mutually agree in writing on the selection of an arbitrator. Notwithstanding any contrary provision in this contract, the only matters which may be submitted to arbitration are on grievances pertaining to the interpretation of the "economic provisions" of this contract resulting in loss of pay or economic benefits or termination of employment. Any discipline which did not result in termination, such as letters of reprimand, suspensions, etc., cannot be submitted to arbitration and are not considered to be "economic provisions." If discipline resulting in termination arose from an incident involving controlled substances, illegal drugs, and/or alcohol, failure to submit to drug testing, or conviction of a crime other than a simple misdemeanor, the Arbitrator's jurisdiction is limited to questions of fact and not the appropriateness of the penalty. The rules of the AAA shall apply unless specifically modified herein.

- A. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The Arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter, or modify this Agreement in any respect.
- B. The arbitrator shall give full recognition to the doctrine of residual rights and the Employer's exercise of any of its rights not limited by the express provisions of this Agreement. By accepting a case from the parties, the arbitrator acknowledges its limitations of authority, and agrees not to decide an issue, which is outside of its jurisdiction under this Agreement. Any award of the arbitrator for a continuing violation shall not be retroactive prior to the time the grievance was first submitted in writing. The arbitrator's fees shall be split between the Union and the Employer.

Section 2. Failure to Follow Time Limits. The failure of either party to follow the time limits herein shall result in the following:

- A. If the Employer does not respond to the grievance within the time limitations set forth, the grievance shall be advanced to the next step.

- B. In the event the Union or employee does not follow the time limits required herein, the grievance shall be considered irrevocable withdrawn and denied.

Section 3. Extension of Time Limits. Days shall refer to Monday through Friday, excluding holidays. Time periods set forth in this grievance procedure shall be strictly adhered to unless extended by mutual written agreement of the parties.

ARTICLE X. SENIORITY

Section 1. Definition of Seniority. Seniority is defined as the length of continuous full-time service within the bargaining unit since the employee's most recent date of hire, excluding unpaid leaves of absence of more than thirty (30) consecutive days. Part-time employees seniority, for layoff purposes, shall be the total length of employee's service based on hours worked. If two (2) or more employees are hired on the same date, seniority ranking shall be determined by drawing names from a hat. The application of seniority shall be limited to the preferences and benefits specifically recited in this Agreement. The Employer may layoff part-time and/or full-time employees by seniority within a classification.

Section 2. Loss of Seniority. An employee shall lose his/her status as an employee and his/her seniority if:

- A. He/she resigns or quits.
- B. He/she retires.
- C. He/she is discharged and not reinstated.
- D. He/she is convicted or pleads guilty or nolo contendere to a felony, or a misdemeanor, if the misdemeanor results in jail time. Nothing shall preclude the Employer from taking disciplinary measures for other misdemeanors.
- E. He/she has been on layoff for a period of time equal to his seniority at the time of his/her layoff or twenty-four (24) months, whichever is lesser.
- F. He/she is absent from work, including the failure to return to work at the expiration of a leave of absence, vacation, or disciplinary layoff, for two (2) consecutive working days without notifying the Employer, except when the failure to notify and work is due to circumstances beyond the control of the employee and accepted by the Employer.
- G. If he/she makes an intentionally false statement on his/her employment application or other Employer document.

- H. If he/she has been on leave of absence including personal leave but excluding FMLA time, for a period of one (1) year or a period equal to the length of his/her seniority at the time such personal leave commenced, whichever is less.
- I. He/she fails to maintain licensure, certification, or registration necessary for the position, unless the loss of licensure, certification, or registration is due to an error made by the licensing authority. The employee shall have the burden of showing the error was made by the licensing authority.

Section 3. Seniority List. The Employer shall furnish to the Union on an annual basis a seniority list of employees in the bargaining unit consisting of names, addresses, classifications, dates of employment, pay rates, and total hours compensated.

Section 4. Seniority Upon Return To Unit. Any former employee with seniority returning from a County position outside of his/her former bargaining unit shall receive credit for all past seniority at the time he/she returns but only if he/she returns within six months.

Section 5. Effective Date of Seniority. Employees who have successfully completed thirty (30) days of employment shall be entered on the seniority list and shall rank for seniority from the most recent date of hire.

Section 6. Transfer of Seniority. Employees who transfer into the bargaining unit from any other Union bargaining unit with the Employer, in the Health Department only, shall retain, for purposes of layoff, vacation accrual, personal leave accrual, longevity, and leaves of absence, any seniority gained while in that previous bargaining unit.

ARTICLE XI. JOB POSTING

Section 1. Job Posting. Prior to filling a vacancy within the bargaining unit, it shall be posted for five (5) working days. Employees interested shall apply in writing within the Employer designated posting period. The Employer reserves the right to select the person who it believes the best qualified for the position from either within or outside the bargaining unit.

ARTICLE XII. LAYOFF AND RECALL

Section 1. Terms of Layoff and Recall. Seniority shall prevail in the layoff and recalling of employees within the affected classification and may be full-time or part-time or a combination thereof in the affected classification, provided that the senior employee(s) retained presently have the necessary experience, qualification, skill and ability to perform the remaining work, as

determined by the Employer. Layoff is defined as a reduction in the work force. Layoff shall be determined by the Employer.

Section 2. Notice of Layoff or Recall. In the event of a layoff, an employee so laid off shall be given five (5) days notice of layoff by mail or in person with a copy to the Union. In the event of a recall, five (5) days notice mailed or delivered to his/her last known address shall be made. If he/she fails to report for work within five (5) days following notification of recall mailed or delivered to his/her last known address or if he/she fails to inform the Employer within two (2) working days following delivery of notification of recall that he/she intends to return to work for the employer, he/she shall lose all seniority rights and right to recall under this Agreement. It is the responsibility of the employee to keep the Employer informed of his/her last known address.

Section 3. Time Period for Recall List. An employee who is laid off shall have his/her name remain on the recall list for a period of twenty-four (24) months or for a period of time equal to his/her seniority at the time of the layoff, whichever is lesser.

Section 4. Payment of Earned Time. Employees who are laid off for thirty (30) days or more shall be paid any earned, but unused vacation at such time they are laid off.

ARTICLE XIII. HOURS OF WORK

Section 1. Scheduling the Work Week. Employees shall be scheduled to work at the discretion of the Employer. The work schedule shall be posted five (5) calendar days in advance. All schedules are subject to change based on the needs of the Department as determined by the Employer.

Employees covered hereby may change a scheduled day off after the schedule has been posted by mutual agreement of the Employer and any other employees affected. However, such change shall not create an overtime situation.

Section 2. Work Week Definition. The normal work week for full-time employees shall be 37 ½ hours.

Section 3. Breaks. Each full-time employee shall normally be allowed a one (1) hour unpaid break for lunch. The specific lunch break shall be scheduled as to not interfere with the normal work of the agency. Rest breaks are generally allowed twice a day, with one in the first four (4) hours of the workday. Each rest break is not to exceed fifteen (15) minutes and will be scheduled as to not interfere with the normal work of the agency. Lunch breaks and rest breaks do not accumulate, if not taken.

Section 4. No Guarantee of Hours. Any definition of an employee's normal work week and work day stated in this Agreement shall not constitute a guarantee by the Employer of any number of hours per work day or per work week.

Section 5. Overtime Definition. All work performed in excess of forty (40) hours per work week shall constitute overtime work and shall be paid at the rate of time and one-half (1 ½) of the employee's regular rate of pay. The definition of work shall not include paid vacation time off, holidays, and earned personal leave that is taken and paid to the employee. Prior approval of overtime is required by the Employer.

Section 6. Recall to Duty. In the event an employee is required to report for duty during scheduled time off, but not as an extension of a regularly scheduled shift, he/she shall receive a minimum of two (2) hours pay.

Section 7. Compensatory Time. Compensatory time may be authorized by the Employer in lieu of paid overtime. Compensatory time in lieu of overtime shall accumulate at 1 ½ hours for each hour of overtime worked. Compensatory time off may be taken upon mutual agreement of the employee and the Employer.

Section 8. Notification of Absence. An employee who is unable to report to work on time or for all or part of regularly scheduled hours is required to notify the department head or his/her designee of the intended absence. Notice by the employee must occur no later than fifteen (15) minutes before the start of the regularly scheduled work period.

A call to a co-worker is not considered acceptable notice of intended absence unless the department head has previously provided notice to employees that such employee has been designated to take such calls.

It is the responsibility of the employee to accurately record absences on the designated official time records.

The Employer and fellow employees depend upon all employees' regular and prompt attendance. If for any reason, excused or unexcused, an employee is repeatedly unavailable for work as scheduled, which includes mandatory overtime, disciplinary action including termination may be taken at the Employer's discretion.

ARTICLE XIV. LEAVES OF ABSENCE

Section 1. Unpaid Personal Leave. A regular full-time employee who has completed six (6) months of employment may request an unpaid personal leave of absence for a period not to exceed one hundred eighty (180) days in any one calendar year. All requests must be in writing,

must give reason for the request, must give the expected duration of the leave and must be approved by the Administrative Health Officer.

When a leave of absence is granted for more than sixty (60) calendar days for any reason, except FMLA, the Employer does not guarantee that the employee will be reinstated in their former position or the same grade and step level when he/she is ready to return to work. That decision will be at the discretion of the Administrative Health Officer.

Employees retain and continue to accumulate seniority while on approved leaves of absence. Leaves of absence are without pay and benefits, unless required by law or specifically provided for under this contract. Leaves of absence are not to be used for the purpose of obtaining or working at other employment. An employee who gives a false reason for a leave of absence is subject to discipline, up to and including discharge. An employee who is on an unpaid leave of absence, who accepts other employment without prior consent of the Administrative Health Officer, shall be deemed to have resigned his/her County employment.

Section 2. Insurance During Leave of Absence. An employee on medical or personal leave of absence may continue his/her medical insurance coverage for up to one hundred eighty (180) days by paying to the County by the 10th day of each month the amount of the monthly premium for such insurance, except as otherwise required by the FMLA.

Section 3. Funeral Leave. Regular full-time employees will be granted a leave of absence with pay for up to three (3) normally scheduled consecutive working days following the date of death of a member of their immediate family, in order to arrange for and/or attend the funeral. "Immediate family" is defined as spouse, child, brother, sister, parents, parents of spouse, grandparents or grandchild.

Section 4. Workers' Compensation Leave. An employee disabled due to a work-related injury which is compensable under the Michigan Workers' Disability Compensation Act shall be entitled to receive the applicable workers' compensation benefits required by law. Medical insurance shall continue to be paid by the Employer for the first ninety (90) days of workers' compensation leave after which time the employee may continue the medical insurance by paying for the same.

Section 5. Jury Duty. The Employer shall pay a full-time employee called for jury duty the regular straight time rate which he/she would have earned less an amount equal to the payment received for jury service. The employee must return to work and work any hours out of the scheduled workday when not actually on jury duty. In order to receive payment, an employee MUST give the Employer at least two (2) days prior notice to the date of jury duty, furnish satisfactory evidence of reporting for jury duty on the day(s) for which payment is claimed, and must furnish a copy of payments received for jury duty. The maximum payment obligation under this Section is twenty (20) calendar days per calendar year.

Section 6. Military Leave. Military leave will be granted to employees who are members of the reserves of the U.S. Armed Forces and the National Guard when they are required to fulfill training obligations. If the employee's military pay is lower than the employee's regular rate of pay with the County, the employee will receive the difference between the regular rate of pay with the County and the compensation received from the government for such period, but this will apply for a maximum of two weeks in any year.

Section 7. Educational Leave Without Pay. A full-time employee who has completed one (1) year of employment may be granted a leave of absence to pursue further education in a job-related course of instruction for a period up to one year, at the discretion of the Board of Commissioners or its designee. A request for such leave of absence must be in writing, and the request must be approved by the Board or its designee before the leave begins. No benefits shall accrue or continue when on such leave.

ARTICLE XV. HOLIDAYS

Section 1. Conditions for Holiday Pay. Employees eligible for holiday pay are subject to the following conditions:

- B. Holiday work scheduling is to be determined by the Administrative Health Officer or his/her designee.
- C. The employee must not be suspended for disciplinary reasons the day of, before, or after a holiday.
- D. The employee must not be on a layoff or a leave of absence.
- E. An employee who is scheduled to work on a holiday but fails to report to work, unless otherwise excused, shall not be entitled to holiday pay and may be subject to discipline, including possible discharge.

ARTICLE XVI. CAPTIONS

The captions used in each article or section of this Agreement are for identification purposes only and are not a substantive part of the Agreement.

ARTICLE XVII. NEW CLASSIFICATIONS

Whenever the Employer establishes a new classification within the collective bargaining unit, the Union shall be notified of the rate of pay assigned to the classification. The Union shall have ten (10) calendar days from receipt of such notification to object to the assigned rate. If no objection is filed with the Employer within this period of time, the rate shall be deemed permanent. Should the Union timely object to the rate of pay assigned to a new classification, representatives of the Employer and the Union shall meet within forty-five (45) calendar days to negotiate any changes which might be required. If the parties are unable to agree on the rate after MERC mediation, the Employer may implement its last best offer.

ARTICLE XVIII. POLICIES

Section 1. Resignation. Should an employee decide to leave employment, a minimum of two (2) weeks prior notice, in writing, must be given to the Administrative Health Officer. Failure to provide two (2) weeks prior notice will result in loss of accrued vacation time and/or personal leave payout unless waived by the Administrative Health Officer.

Section 2. Outside Employment. While outside or supplemental employment is discouraged, employees may engage in outside or supplemental employment in accordance with the following limitations. In no case shall outside or supplemental employment conflict with, or impair an employee's responsibilities to the Employer.

The following guidelines shall be applicable to all employees engaged in outside or supplemental employment.

The Employer shall not be liable, either directly or indirectly, for any activities performed during outside or supplemental employment.

Section 3. Address Changes. An employee shall notify the Employer in writing of any change in name, address or telephone number promptly and, in any event, within five (5) days after such a change has been made. The Employer reserves the right to require any employee to submit to a search or a blood and/or urinalysis examination for the purpose of detecting the employee's use of unauthorized prescriptive drugs, illegal drugs, controlled substances, and/or alcohol in the following circumstances:

Any bargaining unit member requested to submit to a drug or alcohol test in accordance with this section shall comply and while doing so shall be in paid status. Failure to comply or failing of the test may be cause for discipline, up to and including termination.

All costs for such test shall be borne by the Employer.

ARTICLE XIX. STANDARDS FOR PERSONAL CONDUCT

All employees are expected to adhere to the following rules of conduct as well as the rules and policies previously mentioned. The list is not intended to be an all-inclusive list of rules of conduct expected of employees. Further, the list may be added to, modified or supplemented by the County Board of Commissioners or your department head. The purpose of the work rules is to set forth some guidelines for conduct, the violation of which will result in disciplinary action, including possible discharge. Other types of behavior can subject an employee to disciplinary action including discharge. Further, all employees serve at the will and pleasure of the Employer, excepting discharge which shall be for just cause.
