SECTION I - RECOGNITION

- A. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer recognizes the Union as the sole and exclusive bargaining agent for the purposes of collective bargaining in regard to wages, hours and other terms and conditions of employment, for all full-time and regular part-time secretarial and clerical workers, deputy clerks, deputy magistrates, and probation officer, but excluding all supervisors, as defined in the Act, the probation officer director, the court recorder, elected officials, and confidential employees.
- B. The Employer reserves the right to hire or use the services of persons whose positions are funded in the whole or in part by the State, Federal, and local government, or any of its agencies, to perform bargaining unit work. These government sponsored positions include, but are not limited to, co-op students, JTPA persons, Social Service referrals, Youth Corp., person on diversion, etc. Also, the Employer may use jail inmates to do bargaining unit work. Such persons may be covered by this Agreement unless specifically required otherwise by the funding source.
- C. It is mutually recognized that the Union Bargaining Team for the 81st District Court Workers' and/or the United Steelworkers representative, will represent all employees, covered by this Agreement, for the purposes of the grievance procedure hereinafter defined. In the absence of the Union Steward, an alternate may be appointed.
- D. Upon receiving permission from the Employer, the Union Steward, during working hours, without loss of time or pay, may investigate reported grievances and the Union Steward may present said grievances to the Employer as herein defined.

SECTION II - AID TO OTHER UNIONS

The Employer will not aid, promote, or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

SECTION III - AGENCY SHOP

- A. Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against any employee in regard to such matters.
- B. The Employer agrees to deduct Union dues or Union Representation fees from employee's paychecks to become effective the first payday of the month following the employee's successful completion of ninety (90) days employment, as defined herein. The Union dues or Representation fees shall be sent to the Union's designated officer.
- C. The Employer agrees to deduct from an employee's paycheck the initiation fee of the Union, for those employees joining the Union, which is payable only once when a new hire completes the probation period of employment, as provided herein. This one-time deduction shall be made on the first payday of the month following the employee's successful completion of the probationary period. Upon completion of the probationary period, membership in the Union or compliance with payment of the Representation fee shall be a condition of continued employment. The Union shall notify any employee who has not paid his/her dues or Representative fee by certified mail, with a copy to the Employer. If that employee does not pay the dues or Representation fee within thirty (30) days after that notice is received, the Union shall notify the Employer by certified mail of this omission.
- D. The Union agrees to defend, indemnify and save the Employer harmless against any and all claims, lawsuits or other forms of liability arising out of its deduction from an employee's pay or Union dues or Representation fees and Initiation fee, or in reliance upon any list, notice, certification or authorization furnished under this contract or by the Employer exercising the requirements contained in this Agreement. The Union assumes full responsibility for the disposition of the deductions so made, once they have been sent to the Union.

SECTION IV - CHECK-OFF

- A. Temporary, seasonal, substitute, probationary, and government sponsored employees shall not be required to pay Union dues or a Representation fee, except as otherwise provided in this Agreement. The Employer agrees to deduct from the salary of each individual employee in the bargaining unit either the Union's dues or Representation fee, subject to all of the following conditions.
- B. The Union shall obtain from each of its members a completed Check-Off Authorization Form which shall conform to the respective State and Federal law(s) concerning that subject or any interpretation(s) thereof, and provide such forms to the Employer.
- C. All employees covered under this Agreement who do not voluntarily choose membership in the Union shall have deducted from their wages a Representation fee equal to dues upon receipt by the Employer of a signed written card. Said sums shall accurately represent the amount for said employee due the Union as their fair share of costs attributable to negotiating the terms of this Agreement and servicing the contract.
- D. The Employer shall only check-off obligations which come due at the time of check-off, and will make check-off deductions only if the employee has enough pay to cover such obligation. In the event, payment will be deducted from the next available paycheck. The Employer is not responsible for refund to the employee if he/she has duplicated a check-off deduction by direct payment to the Union.
- E. The Employer's remittance shall be deemed correct if the Union does not give written notice to the Employer within 30 calendar days after a remittance is transmitted of its belief, with reason(s) stated therefor, that the remittance is incorrect.
- F. The Union shall provide at least thirty (30) days written notice to the Employer of the amount of Union dues and/or Representation fees to be deducted from the wages of the employee in accordance with this Article. Any changes in the amounts determined will also be provided to the Employer at least thirty (30) days prior to its implementation. New Check-Off Authorization Forms shall be submitted to Employer in the event that an increase in the Union dues or Representation fee is made.
- G. All Check-Off Authorization Forms shall be filed with the District Judge, who may return any incomplete or incorrectly completed form to the Union's designated Financial Officer, and no check-off shall be made until such deficiency is corrected.

SECTION V - MANAGEMENT RIGHTS

- A. Except as in this Agreement otherwise specifically and expressly provides, the Employer, on its own behalf and on behalf of the public it serves, retains the sole and exclusive rights to manage and operate all of its operations and activities. Among the rights of management, included only by way of illustration and not by way of limitation, is the right to hire, to determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment and machines required to provide such service, to determine the size of the work force and to increase and decrease the number of employees retained, to establish classifications of work and the number of personnel required within each such classification, to determine the nature and number of facilities and departments to be operated and their locations, to determine the location of work assignments, to adopt, modify, change or alter its budget, to discontinue, combine or reorganize any or all parts of its operations, to determine the number of supervisors, to direct and control operations to maintain order and efficiency, to continue and maintain its operations as in the past, to study and use improved methods and equipment and outside assistance, either in or out of the Employer's facilities, including subcontracting, and in all respects to carry out the lawful, ordinary and customary functions of the judicial arm of the government. All such rights are vested exclusively in the Employer. Disputes under this subsection shall be subject to the Grievance Procedure established in this Agreement but shall not be subject to Arbitration.
- B. Except as this Agreement otherwise specifically and expressly provides, the Employer shall also have the right to promote, demote, assign, transfer, lay off and recall personnel, to establish reasonable work rules and fix and determine penalties for violations of such rules, to suspend, discipline and discharge employees for just cause, to make judgments as to ability and skill, to determine workload, to establish and change work schedules and hours, and to provide and assign relief personnel provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement, and as such they shall be subject to the Grievance and Arbitration Procedures established herein.
- C. The parties recognize the Constitutional, statutory and inherent powers of the court to manage their affairs, to administer justice and to run the business of the Court. They further recognize the necessity that a Judge be able to maintain confidence in all employees on the staff or closely associated with the Judge.
- D. The Union hereby agrees that the Employer retains the sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

- E. The Employer retains the right to establish reasonable work rules.
- F. Notwithstanding any other provisions in the contract, the Court reserves all statutorily created responsibilities and privileges.

SECTION VI - SPECIAL CONFERENCES AND WORKSHOPS

- A. Special conferences for important matters will be arranged between the Unit President of the Union and the Employer, or its designated representative, upon request of either party and agreement of both parties.
- B. Arrangements for such special conference shall be made in advance, and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing bargaining negotiations nor to, in any way, modify, add to, or detract from the provisions of this Agreement, unless agreed to in writing by duly authorized representatives of both parties.
- C. Meetings, if agreed to be held by the parties, shall be held at a time and place mutually agreeable to the parties. Each party may be represented by not more than three (3) persons, however, employees shall be paid while attending a special conference, but only if held during their normal working hours. This meeting may be attended by a Representative of the International Union.
- D. The Employer may provide the opportunity for employees to attend conferences and workshops available which are related to the operation of the Court. All authorized and documented expenses related to such attendance shall be paid by the Employer.

SECTION VII - GRIEVANCE COMMITTEE MEMBER AND ALTERNATE

- A. Grievance Committee members will be elected by the rules of the Union.
- B. During working hours, not to exceed one (1) hour per day or two (2) hours per week, one (1) Grievance Committee member, without suffering loss of time or pay and in accordance with the terms of this section, may investigate and present grievances to the Employer, upon receiving permission from his/her supervisor. The privilege of the Grievance Committee members leaving their work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of grievances and will not be abused. The supervisor may require the Grievance Committee member to investigate

and/or present such grievance or grievances during other than working hours in the event that the supervisor believes that the workforce cannot be adequately covered during the time the Committee person desires to investigate and/or present the grievance.

SECTION VIII - UNION BARGAINING TEAM

- A. The Union bargaining team will consist of not more than two (2) court employees and an outside representative. The Union will furnish the Employer with a written list of the bargaining team prior to the first bargaining meeting, and update that list as replacements may be made.

SECTION IX - GRIEVANCE PROCEDURE

- A. "Grievance" as used in this Agreement is a complaint or dispute which involves an interpretation of the application of, or non-compliance with the collective bargaining agreement. "Any claims not conforming to the provisions of this definition shall be automatically defined as not constituting a valid grievance."
- B. All grievances, disputes or complaints arising under and during the term of this Agreement shall be settled in accordance with the procedure herein provided. Every effort shall be made to adjust controversies and disagreements in an amicable manner between the Employer and the Union.
- C. The exclusive method for resolving all grievances arising out of this Agreement shall be as follows:

Step 1. The Union shall present the grievance in writing to the employee's supervisor or the Employer's designated representative within seven (7) working days after the occurrence of the circumstances giving rise to the grievance, or seven (7) working days from the date when the employee should reasonably have known of the occurrence. The grievance shall meet the definition of a "grievance" as set forth above. The supervisor, or Employer's designated representative, shall have ten (10) working days to answer in writing, with a copy of the answer being provided to the appropriate Grievance Committee person.

Step 2. If the grievance is not satisfactorily resolved in Step 1, the Union may appeal the grievance to the District Judge, or his designee, by filing the written appeal within seven (7) working days of receipt of the Step 1 answer. The Judge, or his designee, the employee and the Grievance Committee person shall meet within ten (10) working days following the receipt of the appeal. Either party may have non-employee representatives present if desired. Such outside representation shall be limited to the Union's attorney

and/or business representative, and the Employer's labor consultant. The Judge, or his designated representative, shall then answer the grievance in writing within ten (10) working days following this meeting. A copy of the answer shall be given to the Grievance Committee person.

Step 3. If the grievance is not resolved in Step 2, the Union may appeal the grievance to Arbitration by notifying the supervisor and District Judge of the desire to arbitrate within ten (10) working days following receipt of the Step 2 answer. If the parties cannot agree upon an arbitrator, they shall select one through the Federal Mediation and Conciliation Service (FMCS) according to its rules. The decision of the arbitrator shall be final and binding upon all parties. The fees and expenses of the arbitrator and FMCS shall be shared equally by the parties, except that each party shall be responsible for any costs associated with producing its own witnesses, witness testimony, their representative and legal counsel.

- D. With respect to the processing disposition or settlement of any grievance initiated under this Agreement, and with respect to any court action claiming or alleging a violation of this Agreement, the Union shall be the sole and exclusive representative of the employee or employees covered by this Agreement. The disposition or settlement, by and between the Employer and the Union, or any grievance or other matter, shall constitute a full and complete settlement thereof and shall be final and binding upon the Union and its members, the employee or employees involved, and the Employer.

The satisfactory settlement of all grievances shall be reduced to writing and shall be written on or attached to each copy of the written grievance and signed by the representative involved. Unless otherwise expressly stated, all such settlements shall be without precedence for any future grievances.

- E. The Arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. His powers shall be limited to deciding whether the Employer has violated the expressed Articles and Sections of this Agreement, it being understood that any matters not specifically set forth herein remain within the reserved rights of the Employer. The Arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter or modify this Agreement in any respect. Also, the Arbitrator shall not have the power to rule any claim arising under an insurance policy or retirement claim or dispute, or to issue a ruling modifying any matter covered by a statute or ordinance. If the issue of arbitrability is raised, the Arbitrator shall only determine the merits of the grievance if arbitrability is affirmatively decided. Any award of the Arbitrator for a continuing

violation of this Agreement shall not be retroactive prior to the time the grievance was submitted in writing. The Arbitrator shall have no power to establish wage scales or change any wage. The Arbitrator's decision, when made in accordance with his jurisdiction and authority established by this Agreement, shall be final and binding upon the Union, the employee or employees involved, and the County.

Any award of back wages by the Arbitrator shall not be retroactive any earlier than ten (10) days prior to the time the grievance was first submitted in writing. Further, no claim for back wages under this Agreement shall exceed the amount of straight time earnings the employee would have otherwise earned by working for the Employer, less any and all compensation, including unemployment compensation, that the employee has received, or reasonably could have received, from any other source.

- F. When remedies are available for any complaint and/or grievance of an employee through an administrative or statutory scheme or procedure, such as but not limited to, a Veteran's Preference hearing, Civil Rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the grievance procedure provided for in this contract and subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable, and any relief granted shall be forfeited.

SECTION X - NO STRIKE CLAUSE

The Union shall not cause or permit its members to cause nor shall any member of the Union take part in any sit-downs, stay-in, slow-down, curtailment of work, concerted use of paid or unpaid work time, restriction of work, or interference with the operations of the Employer. The Union shall not cause nor permit its members to cause nor shall any member of the Union engage in any strike or restriction of work or picketing or refusal to perform work because of a labor dispute between the Employer and any other labor organization whether or not the other labor organization establishes a picket line.

The Union agrees it will take prompt affirmative action to prevent or stop strikes, work stoppages, slow-downs or work, picketing or work interference of any kind by notifying the employees that it disavows these acts. The Union further agrees that it disavows these acts. The Union further agrees that the Employer shall have the right to discipline (including discharge) any or all employees who violate this section, provided that the discipline may be the subject of a grievance under the Grievance Procedure. In addition, the Employer shall have the right to obtain injunctive relief in any court of competent jurisdiction in addition to any other remedies it may have.

The Employer in consideration of the Union and employees observance of the above agrees not to lockout employees. This provision shall not apply in the event of any violation of the No Strike Clause set forth above.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of the collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each one thoroughly and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter.

SECTION XI- COMPUTATION OF BACK WAGES

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his regular rate and in any event, the County shall not be required to pay back wages prior to ten (10) days prior to the date the written grievance was filed.

SECTION XII- SENIORITY

- A. For the purpose of seniority, the location of where the employee works (Standish or Tawas City), will not be a factor.
- B. New employees hired into the bargaining shall be considered probation employees for the first six (6) months of their employment unless this period is extended by the Employer. This extension, if made, shall be made or granted with a written explanation to the Union and the employee, and shall not last more than ninety (90) days. Upon completion of their probationary period, employees shall attain seniority status and their names shall be entered on the seniority list with their seniority dating from the date of hire.

“Seniority” as described in paragraph C. shall be clarified to mean “90 calendar days of their employment” except for permanent part-time employees who shall be probationary employees for the six (6) months from hiring into the bargaining unit (and with similar 90-day extension option to the employer).

- C. The Union may represent probation employees for the purpose of collective bargaining in respect to the rates of pay, wages, hours of employment and other conditions of employment, except for discharge, dismissal or lay-off of probationary employees for other than Union activity.

- D. Substitutes may be hired to replace employees on sick leave or leave of absence. Employees shall not accumulate seniority while working on a substitute basis, except as provided below. This position need not be posted. Temporary employees may be hired for up to six months to meet increased workload needs.
- E. Should a full-time substitute become a full-time permanent employee without a break in service, the period served on a substitute basis shall be pro-rated based upon one (1) year seniority credit for each 2080 hours worked as a substitute. The employee's seniority and all benefits under this Agreement shall be based upon the employee's new seniority date.
- F. An employee shall lose his/her seniority under the following circumstances:
 - 1. If he/she resigns.
 - 2. If he/she is discharged and such discharge is not reversed through the grievance procedure.
 - 3. If he/she fails to return to work within five (5) working days after being called from a layoff as set forth in the recall procedure.
 - 4. If he/she is laid off for a continuous period in excess of two (2) years.
 - 5. If he/she retires.
- G. The Employer will furnish to the Union an up-to-date seniority list upon request. Such list shall include the names of the bargaining unit employees, their job titles and seniority dates.

SECTION XIII - LAYOFF AND RECALL

- A. The Union shall be notified in advance of any anticipated layoff to allow time to work closely with the employer, and a special conference may be called.
- B. If it is necessary to reduce the work force, the following procedure will be followed:
 - 1. Whenever possible employees being laid off shall be given at least fourteen (14) calendar days notice of layoff. In cases of emergency no less than seven (7) calendar days notice of layoff shall be given. The Employer shall furnish a copy of such notice to the Union immediately.
 - 2. Temporary and substitute employees shall be laid off first.

3. Seniority employees serving trial periods in the classification being reduced shall be laid off in order of their date of entry into the classification and shall be reduced to their permanent classification, seniority permitting, employees who "bump" other employees as set forth below, will be paid the rate of pay established for the new job taken by the employee.
4. Seniority employees who have completed the trial period for the classification being reduced, shall be laid off in order of their Court seniority and may elect to displace lower seniority employees in the same classification in another section of the Court, provided however, that a greater seniority employee shall not displace a lesser seniority employee from a position unless he/she is able to perform the work of that position.
5. Seniority employees who have completed the trial period for the classification which is being reduced and which is part of a promotional series as hereinafter provided may, if laid off, elect to displace lower seniority employees. Employee shall not displace a lesser seniority employee from a position unless he/she is able to perform the work of that position.
6. An employee who cannot be placed in another position in his classification or in his classification series in accordance with the above procedure may elect to displace a lower seniority employee in an equal or lower paying classification in his own department, or if none, in another department, provided, however, that a greater seniority employee shall not displace a lesser seniority employee from a position unless he/she is able to perform the work of that position. It shall be presumed that an employee who passes his/her probationary period in another classification is able to perform the work of that classification. An employee may displace a lower seniority employee in a higher paying classification if the bumping employee has previously performed work in a higher classification and is able to perform the work of the higher classification without a trial period.
7. Employees who are laid off from their permanent classification in accordance with the above procedure shall have their names listed on a re-employment list for that classification in order of their seniority.
8. Employees who desire to "bump" other employees as set forth above rather than take a layoff, must notify the Employer within twenty-eight (28) hours of the notification of layoff, of their desire to bump in lieu of layoff.

- C. Recall: Recall rights for an employee shall expire if he/she is laid off for a continuous period equal to his length of seniority.
- D. When an increase in force occurs and there are employees on layoff, the following rules shall apply:
1. A notice of all job openings will be sent to laid off employees and the Union.
 2. Insofar as possible, employees will be returned to the department where they were working prior to layoff.
 3. Employees whose names appear on the re-employment list for the classification being increased shall be re-appointed to that classification according to seniority.
 4. Laid off employees who are not recalled after the completion of the above procedure may elect to accept employment in a vacant position in a lower classification of the series to which their classification belongs.
 5. Recall will be written certified notice, return receipt requested, to the employee's last known address on file with the Court and shall require that the employee report for work within five (5) days after the date of delivery or proof of non-delivery. Failure to respond within the aforementioned time will be considered as voluntary resignation. It shall be the employee's responsibility to notify the employer of any change of address.
 6. No laid off employee shall be required to take a temporary position if he/she has obtained interim employment elsewhere, except as provided in subparagraph 7. below. Should the temporary position become permanent, the employee shall be notified again and be given first preference to that position.
 7. Should an employee have accepted interim employment elsewhere during his layoff and should said employee respond as required in Paragraph 5. above, he/she shall be allowed to give his/her interim employer a two (2) week notice of resignation before returning to the Court employment. Notice shall be given to the interim employer on the next regular business day.
 8. In instances where employees do not report for work within the required time limit, the next employee in seniority may be recalled. If such next employee has resigned from other employment to accept a position in lieu of an employee who failed

to report for work within the required time limit, he/she shall not thereafter be displaced by such greater seniority employee.

9. Independent of any recall rights as defined by this section, laid off employees shall have promotional rights as defined in the terms of this Agreement.
10. Any dispute between the Union and the Employer shall be subject to immediate negotiation at a special conference, and are proper subject for the grievance procedure as set forth in this Agreement.

SECTION XIV - PROMOTIONS AND TRANSFERS

- A. All vacancies, transfers and promotions shall be filled, when deemed necessary, by the Employer.
- B. Any full-time, or regular part-time employee who wished to be considered for said vacancy, transfer, or promotion shall notify the Employer before the end of the posting period, as provided below.
- C. Notices of vacancies, transfer openings and promotions occurring in the bargaining unit will be posted by the Employer for a period of five (5) days.
- D. When filling any vacancy, transfer or promotion the Employer shall take into consideration seniority, past job performance, ability to perform the new job functions, and/or adaptability. In the event two (2) or more employees are equally qualified in the judgment of the Employer, then the employee with the greatest amount of seniority shall be given preference. In the event the Employer selects no employee, the Employer will hire from outside the bargaining unit.
- E. Any seniority employee taking a transfer within the bargaining unit, or filling a new vacancy within the bargaining unit, shall be allowed a thirty (30) day trial period to determine whether he/she wishes to remain in said position. Further, this thirty (30) day trial period shall serve as a probation period to determine whether or not he/she can satisfactorily perform the new job.
- F. Any seniority employee taking a promotion shall be allowed a ninety (90) day trial/probation period to determine the employee's ability to perform the job, and his/her desire to remain in said position. An employee promoted to Deputy Magistrate shall be allowed six a (6) month trial/probation period.

- G. At any time during this trial period the employee may on his/her own volition, request in writing to be relieved of the new classification and be returned to his former classification and former rate of pay without loss of seniority. At any time during the trial period, if the Employer determines that the employee is unsatisfactorily in the new classification, the Employer shall have the right to return the employee to the former classification from which he/she had been promoted without loss of seniority. Any employee who decides not to take the transfer or promotion, or who fails the probationary period, shall be returned to the position held immediately prior to the transfer or promotion without any loss in benefits, wages or seniority.
- H. Employees of Iosco County and Arenac County not covered by this Agreement, who are promoted or transferred into the bargaining unit covered by this Agreement, shall retain their anniversary date for purposes of vacation and longevity determination under this Agreement. In no event shall such benefits exceed those allowable under this Agreement.

SECTION XV - VETERANS AND MILITARY SERVICE

- A. The Employer shall adhere to all mandatory State and Federal laws dealing with military leave of absence.
- B. All non-probationary employees covered by this Agreement who have reserve status in the Armed Forces of the United States or membership in the Michigan National Guard, and who are called to participate in training sessions, shall be permitted leave for this purpose. The employee shall furnish to the Employer, in writing, a statement of the total amount of government base pay wage received for this service during the period. If such government wage does not equal the employee's usual salary, the employee shall be paid the difference by the Employer for a period not to exceed ten (10) working days in any one (1) calendar year. The employee shall notify the Employer as soon as possible when called upon to report for such training.
- C. Any employee who enters into active service in the armed forces of the United States while in the service of the Employer shall be granted a leave of absence for the period of his/her military service in accordance with the Veteran's Preference Act.

SECTION XVI - LEAVES OF ABSENCE

- A. Employees may be eligible for leaves of absence without pay or benefits after their probationary period is completed, but no sooner than completion of two (2) full years of service or employment.

- B. Any request for a leave of absence shall be submitted in writing by the employee to the Judge. The request shall state the reason for the leave of absence and the length of time of same.
- C. Any request for a leave of absence shall be answered in writing within ten (10) working days. Copies of all leave requests and answers shall be provided to the Local Union President.
- D. Leaves of absence for a limited period not to exceed one (1) year may be granted by the Employer for any reasonable purpose, and such leaves may be extended or renewed by the Employer for any reasonable period. Upon expiration of a regularly approved leave without pay, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, or within a reasonable time after notice of return to duty, shall be cause for discharge. Leave without pay shall be granted only when it will not result in undue prejudice to the interest of the Court beyond any benefits to be realized. Application for leave to travel or study, calculated to equip the employee to render more efficient service to the Court, may be deemed to involve such compensating benefits to be measured against the loss or prejudice to the interests of the Court involved in keeping open the position or filling it temporarily until the return of the employee. No leave shall be granted primarily in the interests of the employee except in the case of one who has shown by his or her record of service or by other evidence to be of more than average value to the Court and whose service it is desirable to retain even at some sacrifice. In any event, the determination of whether to grant a leave of absence shall be solely within the discretion of the Judge.
- E. Employees on a leave of absence will not accrue fringe benefits, including, but not limited to, vacation, sick leave, health insurance, holidays, and retirement, or seniority, for the duration of the leave. Employees wishing to continue health insurance during an unpaid leave may do so by paying the premiums to the Employer.

Employees shall not accept employment while on leaves of absence unless agreed to by the Employer. Acceptance of the employment of working for another employer without prior approval while on leave of absence may result in immediate termination of employment.

SECTION XVII - PHYSICAL AND MENTAL EXAMINATION

The Employer may, in its discretion, require that employees submit to physical and mental tests and examinations by Employer-appointed doctors when such tests and examinations are considered to be of value to the Employer in maintaining a capable work force, employees health and safety, etc., provided, however, that Employer will pay the costs of such tests and examinations.

SECTION XVIII - MATERNITY LEAVE

for good reason, has found this option is no longer agreeable or feasible, may submit to the Judge a written request to return to the regular schedule. The Judge will have ten (10) days to consider this request and respond to the employee. If after the completion of the trial period, an employee has chosen this option and the Judge has found that this option is no longer agreeable and feasible for the Court, he may cancel this option with an employee for good cause in the view of the Court. Under this circumstance, the Judge will provide the employee fourteen (14) days notice before it is necessary for that employee to return to the regular schedule.

The extra hours per day will be added on at the discretion and agreement of each employee and the Judge.

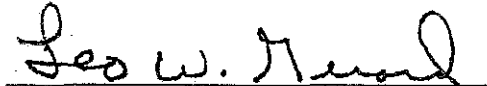

This option is available to full-time employees subject to approval by the Judge. Each employee interested in this option must submit a written request to the Judge to adopt this option.
