AGREEMENT

This Agreement having been ratified by the Lapeer County Board of Commissioners on the 24th day of May, 2007, and with the 40th Circuit Court and the bargaining unit having previously approved this agreement, by and between the Lapeer County Friend of the Court as a Division of the 40th Circuit Court as the Employer, and the County of Lapeer as represented by its Board of Commissioners as the funding unit, and the Teamsters Local #214, affiliated with the International Brotherhood of Teamsters, as are covered hereunder and hereafter referred to as the "Union" of the "Employee(s)".

ARTICLE I

PURPOSE AND INTENT

1. The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer and the Employees.

2. The parties recognize that the essential public service here involved and the interest of the community and the job security of the employees depend upon the Employer's success in establishing and maintaining a proper and uninterrupted service to the community.

3. The parties mutually recognize that the responsibility of both the Employees and the Employer to the public requires that any dispute arising between the Employees and Employer be adjusted and settled in an orderly manner without interruption of such services to the public.

4. To these ends, the Employer and the Union encourage to the fullest degree friendly and cooperative relations between their respective representatives at all levels and among all employees.

5. It is understood by all that they, their and them in this contract will mean the same as any employee.

ARTICLE II

RECOGNITION

1. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this agreement, for the following employees:

All employees of the Friend of the Court and the Domestic Relations Secretary in the Prosecutor's Office (*if moved to General Unit, this position will be removed from this contract*), excluding Friend of the Court, Deputy Friend of the Court, Administrative Secretary, Referee/Attorney and the Assistant Prosecuting Attorney – Family Support.

2. It is agreed that persons employed by the Employer under a temporary basis shall be specifically excluded under the terms of this Agreement.

3. The terms "Employee" and "Employees" when used in this agreement shall refer to and include only those permanent full-time seniority employees who have completed their probationary period as set forth in this Agreement and who are employed by the Employer in the collective bargaining unit described in Section I above.

4. The term "Employer" shall mean the 40th Judicial Circuit and the Friend of the Court for Lapeer County, which is a Division of the 40th Judicial Circuit, and the Lapeer County Board of Commissioners which is included as the funding unit. The definition of the Employer contained in this agreement is for the sole purpose of defining rights and responsibilities under this Agreement and it shall not be binding upon parties hereto for other purposes to the extent that an employer may otherwise be defined under the laws of the State of Michigan.

We also agree to Affirmative Action.

5. It is agreed that temporary employee's conditions of employment are controlled by Court Policies. The findings in the Wolkinson Arbitration Award will not be applicable to any new hires who hold temporary employment with the Court unless the Court changes its policy back to that which was in existence in the 1987 policy booklet. This means that future temporary employees will not have temporary service time count for the purpose of benefits under the contract unless the Court changes its policy back to that contained in the 1987 handbook.

ARTICLE III

AGENCY SHOP

1. Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain or drop their membership in the Union as they see fit. Neither party shall exert any pressure on or discriminate against an employee as regards to such matters.

2. Membership in the Union is separate, apart and distinct from the assumption of their equal obligations to the extent that they receive equal benefits. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Union.

3. In accordance with the policy set forth under paragraph #1 of this Section, all employees in the bargaining unit shall as a condition of continued employment, pay to the Union, the employee's exclusive collective bargaining representative, a service fee equal to the cost of collective bargaining, contract administration and grievance procedure. For present employees, such payments shall commence with the first pay thirty-one (31) days after the effective date or execution hereof, whichever is later, and for probationary employees, with the first pay thirty-one (31) days after the date of employment.

4. If any provision of this Article is invalid under Federal Law or the Laws of the State of Michigan, such provision shall be modified to comply with the requirements of Federal or State Law or shall be renegotiated for the purpose of adequate replacement.

5. The Union will protect and save harmless the Employer from any or all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Employer or its designated agent for the purpose of complying with this Article.

ARTICLE IV

CHECKOFF

1. The Employer will not interfere with, discourage, restrain, nor coerce employees because of membership in the Union or any lawful activities herein. Nor shall the Employer encourage the membership in said Union. This Union hereby agrees that it will not discourage, restrain, nor coerce any employee not belonging to the Union from doing their legally assigned work arising out of the course of their employment with the Employer.

2. The Employer will deduct, upon signed authorization by the requesting employee all dues as stated for the Union, and forward the same to the Union each month. Dues and initiation fees will be authorized, levied and certified in accordance with the Constitution and By-Laws of the Union. Each Union member employee hereby authorizes the Union and the Employer without recourse to rely upon and honor certificates by the Secretary-Treasurer of the local Union regarding amounts to be deducted and the legality of the adopting action specifying such amounts of the Union dues and/or initiation fees. The Employer agrees during the period of this Agreement to provide for check off service without charge to the Union.

3. The Union agrees to indemnify and save the Employer harmless against any and all claims, suits or other forms of liability arising out of its deduction from any employee pay of union dues. The Union assumes full responsibility for the disposition so made once they have been remitted to the Union.

ARTICLE V

REPRESENTATION

1. **Bargaining Committee.** The employees shall be represented by a bargaining committee of three (3) paid members (the Union may retain a fourth member, but would be responsible for the fourth member's wages), who shall be elected in any manner determined by the employees. All members of the bargaining committee shall be seniority employees of the Court. The bargaining committee shall represent the employees in connection with negotiations leading to this collective bargaining agreement and any amendments, modifications, renewals or replacements of this collective bargaining agreement.

2. **Steward.** The Employer recognizes the right of the Union to designate two (2) Stewards and one (1) alternate to the Steward. The authority of the Stewards and the alternate so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:

a. The investigation and presentation of grievances with the designated Employer representative in accordance with the provisions of the grievance procedure.

b. The transaction of such messages and information, which shall originate with and are authorized by the Union or its officers, provided such messages and information:

i. Have been reduced to writing; or

ii. If not reduced to writing, are of a routine nature and do not involve work stoppages, slow-downs, refusal to handle goods, or any other interference with the Court's business.

3. The Steward and alternate have no authority to take strike action, or any other action interrupting the Employer's business. The Employer recognizes these limitations upon the authority of the Steward and alternate, and shall not hold the Union liable for any

unauthorized acts. The Employer in so recognizing such limitations shall have the authority to impose proper discipline, including discharge, in the event the Steward and/or alternate take unauthorized strike action, slow-down or work stoppage or interference with work.

4. The Steward, or their alternate in the Steward's absence, shall, upon request and approval of their supervisor, be permitted to leave their job for the purpose of investigating grievances, and attending meetings with management during working hours. The parties agree if the need for a Steward or the employee(s) involved are from the cashiering or accounting staff, they will not be released during the first half-hour of the work day, unless arrangements are made through the supervisor. The Employer agrees to waive the first half-hour exclusion in the event a meeting is scheduled by the Employer or discipline is imposed by the Employer during the first hour of the workday. If the Steward goes into another department, the Steward must secure permission from the supervisor in such department to meet with any employees in such department. It is agreed that in the event of abuse of this privilege, grievances will be handled only during non-working hours.

5. Authorized representative of the Union shall be granted permission to enter the buildings and work area of the Employer upon reasonable advance notice, for the purpose of adjusting grievances with the appropriate individual, provided there is no interference with work.

6. Special conferences for grievances and other important matters may be arranged between the Steward or their alternate and the Employer upon the request of either party, but not more frequently than once each month, except by mutual consent. Such conferences shall generally take place during work hours, except by mutual consent. Arrangements for such special conferences shall be made in advance and an agenda of the matter to be discussed at the meeting shall be presented at the time the conference is requested.

7. The Employer and the Union shall not discriminate against any employee because of any basis made illegal by applicable law.

ARTICLE VI

RIGHTS AND RESPONSIBILITIES

1. **No Strike.** In no event will the Union cause or authorize or permit its members, or any of them, to cause nor will any member of the bargaining unit take part in any strike, sympathy strike, sit-down, stay-in, slow-down, stoppage, interruption or impeding or work curtailment of or interference with any operation of the Employer during the term of this Agreement or during any period of time while negotiations are in process between the Union and the Employer for the continuance or renewal of this Agreement.

a. In the event any one or more members of the bargaining unit shall fail to observe in any way the responsibilities set forth above, the Union shall immediately instruct the involved employees that their conduct is in violation of this Agreement and that they are subject to disciplinary action by the Employer, up to and including discharge, and instruct all such persons to immediately cease the offending conduct.

b. The Employer shall have the right to discipline any employee who instigates, participates in, gives leadership to, or in any other way violates the responsibilities set forth above, which disciplinary action may include any form of discipline up to and including discharge.

c. In the event of any violations of the responsibilities set forth above, the Employer shall not be required to negotiate on the merits of any dispute which gave rise to such violation.

ARTICLE VII

MANAGEMENT RIGHTS

1. The Union recognizes that the management of the operations of the Employer, and its' respective departments, is solely a responsibility of the Employer, and the respective Department Head, and that nothing in this Agreement can restrict, interfere with or abridge any rights, powers, authority, duties or responsibilities conferred upon or vested in the Employer or County, or any of its elected or appointed officials, by the laws and constitution of the State of Michigan or of the United States of America.

a. In addition to all such rights conferred by law, the Employer, and the Department Head, reserve the right to manage its affairs efficiently and economically including, but not by way of limitation, the rights to determine the number and locations of buildings and work areas within buildings, the work to be performed within the bargaining unit, the amount of supervision necessary, the methods of operations, the schedules of work, the right to purchase work, processes or services of others, the selection, procurement, design, engineering and control of tools, equipment and materials, the discontinuance of any services, material or methods of operation, the quantity and quality of service, the right to hire, to suspend or discharge for just cause, to assign, promote or transfer employees, to determine the amount of overtime, if any to be worked, to adjust the work force unilaterally for periods up to thirty (30) days in the event of emergency beyond the control of the Employer, to relieve employees from duty because of lack of work or for other legitimate reasons, to direct the work force, assign work and determine the number of employees assigned to each job classification, to establish, change, combine or discontinue job classifications and prescribe and assign job duties, to adopt, revise and enforce working rules and regulations, subject to express provisions of this Agreement as herein set forth.

b. The Employer retains the right to subcontract bargaining unit work as long as it does not result in the layoff of bargaining unit members.

ARTICLE VIII

DISCHARGE AND DISCIPLINE

1. The Employer and the Union agree that all disciplinary action taken against an employee shall be for only just cause and the primary purpose of disciplinary action is to correct employee behavior or conduct, that the disciplinary action procedure should be progressive in nature, and that selection of discipline in any specific case should be appropriate based on the circumstances of the offense and the employee.

2. The Employer shall not discharge or discipline any employee without just cause, but in respect to discharge, shall give at least one (1) warning notice of the Complaint against such employee to the employee in writing, and a copy of the same to the Union: except that no warning notice need be given to an employee before they are discharged, if the cause of such discharge is insubordination, dishonesty, drunkenness, theft, recklessness or under the influence or in the possession of illegal substances or other grave or cardinal offenses.

a. When discipline is imposed by the employer, no consideration will be given for any prior disciplinary action exceeding twenty-four (24) months in age.

3. The discharged or disciplined employee will be allowed to discuss their discharge or discipline with their Steward, if practicable. Provided, however, that the employee shall be granted a hearing with their immediate supervisor within five (5) working days of their discharge, at their request or at the request of the Steward.

4. Should the discharged or disciplined employee consider the charge to be improper, a Grievance shall be presented in writing through the Steward to the Employer within two (2) regularly scheduled working days of the discharge or discipline or the day of the hearing as provided above. The Employer will review the discharge or discipline and give its answer in writing within five (5) regularly scheduled working days after receiving the Grievance. If the decision is not satisfactory to the Union, the Union may within five (5) days after receiving the answer of the Employer refer the matter directly to Step 3 of the Grievance Procedure.

a. All new rules and regulations for the breach of which an employee may be discharged or disciplined shall be negotiated with the Union before the adoption. Copies of work rules shall be made available to all employees. However, if a dispute arises between the parties, the Union shall have the right to arbitrate the issue in dispute.

b. Notification shall be given to the appropriate Union representative of any disciplinary action taken against any member which may result in any official entries being added to the employee's personnel file. Both employee and the Union representative shall be given a copy of such official entry.

c. **Appeal Procedures:** All disciplinary actions shall be subject to the grievance procedure. Grievances involving oral or written reprimands shall be initiated at Step 1 and may be processed through the subsequent steps of Article IX, Grievance Procedures. Should the Union consider the suspension or discharge of an employee to be improper, the Union shall submit a written grievance to the department head or his/her designated representative within ten (10) calendar days of the Union's receipt of the formal notice of the action. The grievance shall be processed in accordance with Step 3 of the Grievance Procedure. Any further appeal of suspension or discharge shall be in accordance with the provisions of Article IX, Grievance Procedures.

d. Should it be necessary to reprimand an employee, management will attempt to administer such reprimand so as not to unduly cause embarrassment to the employee.

e. Once disciplinary action has been taken against an employee by an authorized management representative, such disciplinary action on the particular charge cannot be increased in severity. Any subsequent adjustment of the discipline shall be made only by mutual agreement in settlement of the dispute.

f. Employees who are suspended or discharged have the right to be represented under Federal Law. They also have the right to discuss this suspension and/or discharge with the Union representative which under these terms is normally identified as the Steward. Employees who are suspended for more than five (5) days or who are discharged, have the right to meet with their steward prior to leaving the Employer's property at a location selected by the Employer.

g. **Personnel Procedures:** All employees within the bargaining unit shall have the right to review their personnel records consistent with State Law. (Bullard Act)

ARTICLE IX

GRIEVANCE PROCEDURES

1. Should a difference arise between the Employer and the Union as to the meaning or application of this Agreement, it shall be settled in accordance with the Grievance Procedure as set forth below:

STEP 1: Any employee having a grievance shall first raise the matter with the immediate Supervisor. If not settled at that time, it shall be reduced to writing and signed by the grieved employee. The grievance shall set forth specifically the provisions of the Collective Bargaining Agreement which the employee claims have been violated. Any grievance not submitted within five (5) working days of the occurrence given rise to the grievance shall be considered automatically closed.

STEP 2: The written grievance shall be discussed between the Steward and/or grievant and the immediate supervisor. The immediate supervisor shall give a written decision within five (5) working days of receipt of the written grievance.

STEP 3: In the event the grievance is not settled in Step 2, a meeting shall be held between the Steward, and/or grievant, a representative(s) of the Board of Commissioners, a representative of the Employer, and the immediate supervisor, within fifteen (15) working days after receipt of the written decision in the previous step. Either party may have outside representatives present. The decision of the Employer shall be given in writing within ten (10) working days after the termination of the meeting. *(In cases of suspension or discharge see Article VIII, Section f)*

STEP 4: The Union shall have the right within sixty (60) working days after receipt of the written decision in the previous step to request the matter be submitted to an impartial arbitrator, pursuant to the rules and regulations of the Federal Mediation and Conciliation Service, if the matter is not resolved in Step 3.

2. The decision of such arbitrator shall have no power of authority to change, alter, or amend, add to or subtract from the terms of this Agreement.

3. Costs of the arbitrator shall be shared equally by the County and the Union, although each party shall be liable for the costs of its own witnesses.

4. Any grievance not appealed from a decision in one of the steps of the above procedure to the next step, as prescribed, shall be considered settled, on the basis of the last answer and not subject to further review.

5. Any employee who is reinstated after discharge and/or disciplinary layoff shall be returned to the same work, at the same rate of pay, as may be agreed to by the parties, or as ordered by the arbitrator.

6. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at the regular rate during normal work hours, less any compensation he may have received from any source of employment during the period in question, except income from previously held part-time employment outside of his regular work hours.

7. Should any Employee be substituted for by an employee of lesser seniority, contrary to the seniority provisions of this Agreement, the employee adversely affected shall receive compensation as herein provided.

8. The compensation such employee receives shall be equal to their rate of pay, times the hours lost during such substitutions, provided time loss shall not start sooner than after notification to the Employer that such substitution exists.

9. An agreement reached between the Employer and the Union is binding on all employees affected and cannot be changed by an individual.

10. The Union shall have the right to examine time sheets and other records pertaining to the computation of compensation of any employee whose pay is in dispute or any other relevant records of the employer pertaining to a specific grievance at reasonable times with employee consent.

ARTICLE X

SENIORITY

1. **Definition of Seniority.** Seniority, as that term is used in the Agreement, is defined as an employee's continuous service with the Employer, actually spent on the active payroll, or on approved leave as a full-time regular employee as established by this Agreement, from the employee's last date of hire as a full-time regular employee, and all rights and privileges accruing to the employees on the basis of seniority are set forth herein. Certain rights and privileges are accorded to regular part-time employees as defined by this Agreement on the basis of service and are set forth herein.

2. **Acquiring Seniority.** An employee subject to this Agreement who has completed their probationary period as of the effective date of this Agreement shall have their name entered upon the seniority list for their job classification in their department as of their last date of hire.

a. New employees shall be considered as probationary employees for the first ninety (90) days worked after their employment. The ninety (90) days worked must be accumulated within not more than one hundred eighty (180) calendar days. When an employee finishes his probationary period by accumulating ninety (90) days of work within not more than one hundred eighty (180) calendar days, they shall be entered upon the seniority list for their job classification in their department and shall rank for seniority from the date ninety (90) working days prior to the date they satisfactorily completed their probationary period. Employees who have not completed their probationary period as of the effective date of this agreement, shall be given credit for actual days worked prior to the effective date of this Agreement for the purpose of determining the employee's probationary period. There shall be no seniority for probationary employees.

b. A probationary employee may be laid off, terminated, transferred, or reclassified without regard to any provisions of this Agreement and without recourse to the Grievance Procedures.

c. Temporary employees and part-time employees shall not acquire seniority.

i. As used in the Agreement, a temporary employee is an employee who is hired for a specified period of time, not to exceed six (6) months in any one calendar year.

ii. As used in this Agreement, a part-time employee is scheduled to work twenty (20) or less hours in a work week.

d. Regular part-time employees shall acquire seniority for purposes of layoff and recall only, except as elsewhere set forth in this Agreement, from the date of hire until the semi-annual posting of seniority lists pursuant to the following schedule. For the purposes of computation, one hundred seventy-three (173) hours shall constitute one month. The employee shall receive 1/12 of a years service for each one hundred seventy-three (173) hours worked. Fractional months of service earned shall be rounded off to the nearest full month.

i. As used in this Agreement, a regular part-time employee is an employee who is scheduled to work more than twenty (20) hours but less than forty (40) hours in a work week.

3. **Seniority lists.** Any employee subject to this Agreement who has completed their probationary period shall have their name entered upon (1) the Employer-wide seniority list and (2) the seniority list of their job classification, in each case as of their last date of hire. The County shall prepare a seniority list for each job classification, listing all employees having seniority in a job classification within a department in the order of their seniority, as of their last date of hire or date of permanent entry into the job classification, whichever is later. For

purposes of controlling all applications of seniority within a job classification, each employee shall have seniority only in their permanent job classification.

a. A copy of such seniority lists shall be given to the Steward of the Union, and, unless the Union objects in writing to any listing in such seniority lists within ten (10) calendar days of the receipt of such seniority lists, they shall be deemed correct and the Employer may rely upon such seniority lists for all purposes. Every six (6) months following the preparation of the original seniority lists, the County shall prepare and give to the Steward of the Union, revised seniority lists setting forth any changes from the previous seniority lists and such revised seniority lists shall be deemed correct unless the Union objects in writing to any listings on such revised lists within ten (10) calendar days after receipt thereof and the Employer may rely upon such lists for all purposes.

b. In the event more than one employee within a job classification in a department starts to work on the same day, their respective standing on the classification seniority list shall be determined in accordance with their Employer seniority date. When two or more employees have the same Court seniority, the last four digits of their social security number in descending order shall control.

4. **Termination of Seniority.** An employee shall have all seniority rights and their employment terminated if:

- a. They quit.
- b. They retire or are retired under any retirement plan.
- c. They are discharged for just cause.
- d. They are absent for three (3) consecutive work days without notifying their designated Department Head, unless they are physically unable to give notice or have someone give such notice on their behalf.
- e. They are absent for three (3) consecutive work days without a reason satisfactory to their Department Head for such absence.

f. They falsify a material fact on their application for employment or give a false reason to obtain a leave of absence.

g. They fail to report for work upon termination of any leave of absence without a bona fide excuse acceptable to their Department Head.

h. They fail to report to work after being notified to report to work unless they have a bona fide excuse acceptable to their Department Head.

i. They are laid off for a period of twelve (12) consecutive months.

j. They are on medical leave of absence for a period of more than two (2) years.

k. They work for another employer while on any leave of absence, unless such employment is mutually agreed to in advance by their Department Head.

5. **Permanent Transfers.** *(see Article XLIV Vacancies)*

6. **Temporary Transfers.** *(see Article XLIV Vacancies)*

7. In the event the temporary job vacancy exceeds forty-five (45) working days. *(see Article XLIV Vacancies).*

8. An employee temporarily transferred shall acquire no seniority in the job classification or department to which they are temporarily transferred, and upon completion of the temporary transfer, the employee so transferred shall return to the job classification and department where they hold seniority.

9. **Temporary Transfer Pay.** *(see Article XLIV Vacancies)*

10. **Transfer Out of Unit.** *(see Article XLIV Vacancies)*

11. **Emergency Seniority Adjustment.** In the event of an emergency beyond the control of the Employer, such as an act of God, flood, fire, storm, civil disturbance, power failure, labor disputes, or other like events, the Employer shall have the right to make temporary adjustments of the work force for a period not to exceed five (5) work days without regard to seniority. If such conditions exceed five (5) work days, the work force shall be adjusted

according to the layoff procedure as described in this article unless the Employer and Union agree otherwise.

a. It is mutually understood that in emergency situations, it may be immediately impractical to apply seniority to the assignment of personnel or to assign personnel with strict regard for classification. However, the Employer agrees to move (without undue delay) to call in or otherwise assign the appropriate employee of the proper classification in accordance with the provisions of this agreement.

b. The Employer reserves the right to assign personnel within the scope and concept of their classification.

c. An emergency condition is defined as an unforeseen condition that arises beyond the control of the Employer that needs immediate attention.

12. **Reduced Work Week.** In lieu of layoffs or permanent reduction, the Employer may request a meeting with the Union for the purpose of negotiating reduced work schedules in order to curtail layoffs or permanent reductions. An Agreement to institute reduced work schedules shall not prevent the Employer from subsequently making layoffs or permanent reductions if in the Employer's discretion such layoffs and reductions are required.

13. **Emergency Permanent Transfers.** *(see Article XLIV Vacancies)*

14. While seniority in this bargaining unit does not include continuous service with the County or another Court within the County, for the purpose of computation of benefits to include vacation, sick time, longevity, retirement and personal time, continuous service time with Lapeer County or any of the Lapeer County Courts which is contiguous to employee's seniority with the Friend of the Court, will be utilized for the computation of all benefits under this Collective Bargaining Agreement.

ARTICLE XI

LAYOFF & RECALL

1. **Layoff and Recall:** When it is necessary to make a reduction of the number of employees in a job classification in a department, the following procedure shall be used in making such reduction:

a. Temporary employees, part-time employees, and regular part time employees in the affected job classification within the affected department shall be laid off first, in any order, provided, however, that temporary employees or part-time employees or regular part-time employees may be continued on the job if there are no seniority employees who would otherwise be laid off who have the required qualifications and ability to perform the work being performed by temporary or part-time employees.

b. Probationary employees in the affected job classification within the affected department shall be laid off next in any order.

c. If additional layoffs are required, seniority employees shall be laid off in reverse order of their seniority within the affected job classification within the affected department.

d. Laid off employees who can meet the minimum qualifications will be eligible to bid on a vacant position for up to two (2) years or the Employee's seniority whichever is less. Job classification seniority is defined as the employee's length of service in their current job classification, and, in addition the employee's length of service in job classifications of equal or higher pay rate within the bargaining unit. Such removed employee shall be entitled to exercise their bargaining unit seniority and be assigned to another job classification of equal or lower pay rate, provided the Employer determines such employee is capable of performing the work in such other job classification. Should an employee or employees be displaced by the procedure outlined in this section, it shall be the employees with the least job classification

seniority. Such employee(s) shall be entitled to exercise bargaining unit seniority as set forth herein.

2. Recalls from layoffs by job classification within a department shall be in reverse order of layoff, provided the employee being recalled is capable of performing the work required.

a. Recalls from layoff shall be made by written notice sent by certified mail to the employee's last address of record in the Administration office. All employees are required to notify their Department Head and the Administration office of their proper post office address or change of address shown upon its records for all purposes.

b. Each employee who is recalled from lay-off shall report in person or by certified mail to the Employer within five (5) work days after being notified of recall, whether or not they intend to return to work for the Employer, and if they state that they will return to work for the Employer, they shall report to work on the date specified by the Employer, which shall not be less than five (5) calendar days after the date of notification of recall. If an employee fails to notify the Employer of their decision, within the aforesaid five (5) day period, or notifies the Employer that they will not return to work for the Employer, or having agreed to return to work for the Employer, fails to report on the date specified, they shall be considered as having voluntarily quit, and the next employee in order of reverse layoff seniority having the necessary ability shall be recalled to work.

3. In the event of pending layoffs, the Employer and the Union will meet at least ten (10) days prior to such action.

4. The Steward shall be given the names in order of layoff or recall whenever employees are laid off or recalled to work. The Union will also be notified by means of a mailed copy.

5. Laid off employees will have recall rights for up to two (2) years or the employees seniority, whichever is less.

ARTICLE XII

3. Time and one-half (1½) the employee's regular straight time hourly rate shall be paid for all hours worked over forty (40) hours in any one work week or in excess of eight (8) hours in any day. However, said compensatory time must be taken in the payroll period during which the overtime hours were incurred, unless mutually extended by the Employer and the Union.

Such employee will be paid at the rate of 100% of their regular pay for all hours worked on that day. If conditions result in the Employer suspending work and ordering the employees off the property prior to the commencement of normal working hours, all employees scheduled to work will receive their regular rate of pay for that day. If after the commencement of work the Employer suspends work and orders the employees off the property, only those employees who have reported to work and have been affected by this action will receive their regular rate of pay for the regular hours they could not work that day due to being ordered off the property.

ARTICLE XLIV

VACANCIES

1. **Permanent Transfers.** Whenever a vacancy occurs in any job classification in any department covered by this Agreement, the vacancy shall be filled in accordance with the following procedures:

Definition: A transfer is an action taken by the employer. Filling a vacancy is an action taken by employees who are qualified. Transfers can be voluntary or involuntary, but are technically different than the filling of a vacancy.

a. The Employer will post a notice of any vacancy to be filled for five (5) working days on the bulletin board at the Lapeer County Complex Courthouse/County Complex, as provided for by this Agreement, setting forth the title of the job classification, the department in which it is located, the rate of pay, and a brief description of the required duties.

b. All employees in any lower-paying job classification of this agreement shall be eligible to submit a bid in writing requesting consideration for a permanent transfer to the job classification and department where the posted vacancy exists. Bids shall be considered first from those who work in the bargaining unit where the posted vacancy exists, but, if the Employer determines there is no qualified bidder in that bargaining unit, bids may then be considered from the general public.

i. All employees who meet the minimum qualifications shall be eligible to fill the vacancy, as outlined in current job description, the Employer retains the right to determine the most qualified based upon documented evidence.

c. Employees who have submitted timely bids to fill the posted vacancy shall be considered in the order specified in the paragraph above. In order to be awarded a permanent transfer an employee must possess at the time of the award, suitable

qualifications and ability to perform the work required by the Employer for the posted job classification. If two or more employees possess such qualifications and abilities, the permanent transfer shall be awarded to the employee determined by the Employer to have the better qualifications and abilities. Notice of the successful bidder, if any, shall be posted within ten (10) working days after the bidding closes at the Lapeer County Courthouse/County Complex.

i. Employees in the same bargaining unit shall be given preference.

d. An employee awarded a permanent transfer to a new job classification pursuant to the provisions of this section may be required to remain in their old job up to thirty (30) work days or longer by mutual consent until a proper replacement can be obtained. An employee awarded a new job classification shall have a training period not to exceed thirty (30) work days to qualify for such new job classification. By mutual agreement of the Union and the Employer, this thirty (30) day period may be extended. The Employer may disqualify an employee prior to such thirty (30) day period where lack of ability to qualify is clear to the Employer. An employee may also request to be returned to his former position prior to the completion of the thirty (30) day period without loss of seniority rights. An employee who fails to qualify shall be returned to his former job classification and department without loss of seniority rights.

i. If more than one employee is qualified, seniority shall be the considering factor.

e. An employee who successfully bids for and is awarded a permanent transfer to a new job classification outside their department shall not be entitled to bid for any other job classification for a period of twelve (12) months. (Exceptions to this rule may be made by mutual agreement between the Employer and the Union).

f. The successful employee would be given training and orientation by a qualified employee in the new position for thirty (30) days. If the employee is not

successful during the training period, they shall be allowed to return to their former classification and department.

g. In the event no qualified bidders are available in the opinion of the Employer, through the bidding procedure established by this section, the Employer may fill the posted vacancy by hiring a new employee.

h. Employees shall not be permitted to maintain their name on more than one job classification seniority list at any one time, except for the thirty (30) day period set forth in this article.

i. In the event an employee successfully bids and is awarded a permanent transfer to a new job classification, they shall be placed on the bottom of the seniority list for the job classification in the department to which they are permanently transferred and given a date-of-entry seniority date for lay-off and recall purposes, and their name shall be removed from the seniority list of their former job classification. The new job classification in the department to which they have been permanently transferred shall thereupon become his permanent job classification seniority only in that job classification and department.

j. Employees who successfully bid for, and are awarded a permanent transfer to a higher paying job classification, will be placed in the first step of the new level that affords a pay increase.

k. An employee who elects to be demoted to a lower classification shall be placed in the step of the new classification that is closest but does not exceed the current rate of the vacated classification.

2. **Temporary Transfers.** In the event there is a temporary job vacancy resulting from vacations, leaves of absence, temporary work increases, etc., the Employer may fill such temporary job vacancy without following the procedure set forth above for a period not to exceed forty-five (45) working days, or such longer time as may be mutually agreed upon by the

Employer and the Union. The employer may hire temporary employees for the duration of an approved leave of absence without pay.

3. In the event the temporary job vacancy exceeds forty-five (45) working days and the time for the temporary transfer is not extended by mutual agreement between the Employer and the Union, the temporary job vacancy shall be filled for the balance of the temporary absence by following the job bidding procedure set forth above. Such postings shall be marked as temporary vacancies only, so that the bidding employees may know of the temporary nature of the vacancy. Vacancies created by a successful bid under this subsection may be filled in accordance with the temporary transfer provisions of this contract.

4. An employee temporarily transferred shall acquire no seniority in the job classification or bargaining unit to which they are temporarily transferred, and upon completion of the temporary transfer, the employee so transferred shall return to the job classification and bargaining unit where they hold seniority.

5. **Temporary Transfer Pay.** An employee temporarily transferred by specific assignment by the County to a higher grade job shall receive the rate of pay for the job classification to which they are temporarily assigned after working in said job classification for a period of forty (40) cumulative, but not successive hours. They will receive the next pay step higher in the job classification to which they are transferred than the pay step they receive in the job classification from which they are transferred. If the transfer is not to a higher classified job, they shall continue to receive the pay for their own job classification during the temporary transfer.

6. **Transfer Out of Unit.** Any employee who is transferred out of the bargaining unit covered by this Agreement, but who continues as an employee of the County, shall retain their seniority within their job classification in their bargaining unit in the event they are returned by the Employer to the bargaining unit covered by this Agreement, provided, however, such employee shall not accumulate seniority while they are out of the bargaining Unit.

7. **Emergency Permanent Transfers.** In the event conditions arise during the term of this Agreement which result in a major reduction in the number of employees in a department or departments due to revenues, assumption of duties by another governmental body or agency, or similar unanticipated reasons, the Employer and the Union shall meet and review the respective work qualifications of the affected employees, including prior experience with another employer, in a good faith effort to determine whether or not such affected employees can be transferred to another bargaining unit and replace employees with less unit-wide seniority without adversely affecting the County's operations. Any such transfer shall take into consideration the probable effect upon efficiency of operations, the respective qualifications and abilities of the employees involved and the ability of the transferred employee to perform the available work with normal supervision and instruction.
