Said letter shall identify the name of the arbitrator as selected by the procedure set forth below. If the Michigan Nurses Association fails to request arbitration within the time limit, the grievance shall be deemed not eligible to go to arbitration.

C. SELECTION OF THE ARBITRATOR:

1. Within thirty (30) days of the receipt of the written demand for arbitration, the Union shall notify one of the arbitrators from the permanent roster of arbitrators who are listed in a Letter of Understanding which is attached to this Agreement. Selection shall be made on a rotation basis with the arbitrator listed first as the one who will hear the first case. The next arbitrator on the list will hear the second case and so on until each arbitrator shall have heard a case. Once the list has been exhausted, the Parties will go back to the beginning of the list and start the selection process over with the first name on the list.
2. The Parties recognize that, through no fault of either, an arbitrator may not be available for an extended period of time, to hear a case (extended period of time shall mean three (3) months or longer). The Parties may then move to the next arbitrator listed.
3. Upon mutual written agreement of the Parties, an arbitrator may hear more than one case.
4. Any arbitrator on the list may be removed from the list unilaterally by either Party during the life of the Agreement by written notice to the other Party and to the arbitrator. Upon receipt of written notice, no further cases will be assigned to that arbitrator, but the arbitrator will hear and decide any cases already assigned to him/her. Within thirty (30) days after receipt of such notice the Parties shall meet and mutually agree upon another arbitrator to replace the arbitrator removed. The newly-selected arbitrator will be placed on the list in the numbered position of the arbitrator he/she replaces. An arbitrator may remove himself/herself from the list at any time.
5. If all arbitrators listed in the attached Letter of Understanding are made unavailable according to the provisions of this Section C, the American Arbitration Association procedure shall be followed by the Parties. Likewise, if the Parties mutually agree, in a particular case, not to use the list of arbitrators, they may agree in writing to use the American Arbitration Association selection procedure.
6. The Parties shall submit to the Arbitrator all documents and facts regarding the grievance. No additional facts, not known to the other Party shall be presented or accepted at the hearing, except as such facts or information may be made available to the other Party prior to the Arbitration hearing.

D. AUTHORITY OF THE ARBITRATOR:

1. The Arbitrator selected shall have only the functions set forth herein. The scope and extent of the jurisdiction of the Arbitrator shall only extend and be limited to those grievances arising out of and pertaining to the respective rights of the Parties within the four corners of this Agreement, and pertaining to the interpretation thereof. The Arbitrator shall be without power or authority to make any decision contrary to, or inconsistent with or modifying or varying in any way, the terms of this Agreement or of applicable laws or rules or regulations having the force and effect of law.
2. The fees and expenses of the Arbitrator shall be shared by the Parties equally.

3. To the extent that the laws of the State of Michigan permit, it is agreed that any Arbitrator's decision shall be final and binding on the Association and its members, the employee or employees involved, and the Employer, and that there shall be no appeal from any such decision unless such decision shall extend beyond the limits of the powers and jurisdiction herein conferred upon such Arbitrator.
4. The PR & R Committee Representative and grievant involved with a grievance that requires arbitration, will be compensated for normally scheduled working hours that are required in connection with the actual arbitration procedure.
5. Each Party will be responsible for compensation to witness(es) as required by the respective Party.

E. GENERAL CONDITIONS:

1. Withdrawal Of Grievances: A grievance may be withdrawn and if so withdrawn, all financial liability shall be cancelled. In the event that the Employer shall fail to supply the Union with its answer in writing to the particular Step within the specified time limits, the Union may appeal the grievance to the next Step with the time limit for exercising said appeal, commencing with the expiration date of the Employer's period for answer.
4. Nothing contained herein shall be deemed to abrogate or limit the rights guaranteed by existing statutes.

6. All references to days as they pertain to the Grievance Procedure shall mean "working days". They do not include Saturdays, Sundays and designated holidays.

**MEMORANDUM OF UNDERSTANDING
REGARDING
DEFERRED RETIREMENT OPTION PLAN
FOR MEMBERS OF MICHIGAN NURSES ASSOCIATION
REPRESENTING PUBLIC HEALTH NURSES - UNIT I**

- A. Background: The Michigan Nurses Association, PHN-Unit I is a labor organization representing some employees of Macomb County. The union has bargained with the Macomb County Board of Commissioners and entered into a labor agreement whose term commenced January 1, 2005 and ends December 31, 2007. As part of the labor negotiations, the parties agreed to create a deferred retirement option plan for members of the Michigan Nurses Association, PHN-Unit I. Therefore, (Expressly contingent upon ratification by the Full Board of Commissioners on December 15, 2005), effective January 1, 2006, an employee of Macomb County who is a member of the Michigan Nurses Association, PHN-Unit I, may voluntarily elect to participate in the deferred retirement option plan, hereinafter "DROP", upon obtaining the minimum age and service requirements for a normal service retirement. Upon commencement of DROP participation, the employee's DROP benefit shall be the dollar amount of the employee's monthly pension benefit computed by using the contractual guidelines and formula that are in effect on the date that the employee first participates in the DROP plan. During participation in the DROP, the employee will continue to enjoy full employment status and receive all future promotions and wage increases. Any fringe benefits paid to members of the Michigan Nurses Association, PHN-Unit I shall continue to be received by them, except for those specifically eliminated or modified by this agreement or the labor agreement.

The employee's DROP benefit will be credited monthly to the individual employee's DROP account, which will be established within the defined benefit plan of the Macomb County Employees Retirement System. The employee's DROP account will be maintained and managed by the Macomb County Employees Retirement System. Upon termination of employment, the retiree shall begin to receive payments from his/her individual DROP account as described hereinafter. The DROP payments are in addition to any and all other contractual retirement benefits. The employee is solely responsible for analyzing the tax consequences of participation in the DROP.

- B. Eligibility: (Expressly contingent upon ratification by the Full Board of Commissioners on December 15, 2005), effective January 1, 2006, as set forth in paragraph A, any current employee who is a member of the Macomb County Employees' Retirement System and the Michigan Nurses Association, PHN-Unit I bargaining group may voluntarily elect to participate in the DROP at any time after attaining the minimum age and service requirements for a normal service retirement.
- C. Participation: The maximum period for participation in the DROP is five (5) years (the "Participation Period"). There is no minimum time period for participation.
- D. DROP Payment: Upon termination of employment, the retiree shall receive the monthly retirement benefit previously credited to his/her DROP account. Failure to terminate employment at the expiration of the DROP Participation Period shall result in forfeiture of the employee's monthly pension benefit otherwise payable to the DROP account until termination of employment. Interest on the DROP account will continue to accrue during such a forfeiture, except as provided in Subsection J.

- E. Election to Participate: Participation in the DROP program is irrevocable once an employee begins participation. An employee who wishes to participate in the DROP shall complete and sign such application form or forms as shall be required by the Macomb County Board of Commissioners. Such application shall be reviewed by the Human Resources Department within a reasonable time period and make a determination as to the member's eligibility for participation in the DROP. On the date upon which the member's participation in the DROP shall be effective, he/she shall be considered to be a DROP participant and shall cease to be an active member of the Macomb County Employees Retirement System. The amount of credited service, multiplier and final average compensation shall be fixed as of the employee's DROP date. When an employee's Final Average Compensation is calculated, any retroactive wages provided shall be counted as if the retroactive wages were paid to the employee when the wages were earned, not when they were received by the employee. Increases or decreases in compensation during DROP participation will not be factored into retirement benefits of active or former DROP participants. DROP participants accrue no service time credit for retirement purposes pursuant to the Macomb County Employees Retirement System.

Upon execution of this agreement by the Michigan Nurses Association, PHN-Unit I and the County of Macomb, employees who are represented by the Michigan Nurses Association, PHN-Unit I and who qualify for DROP participation may file the appropriate application forms with an effective DROP date no sooner than (Expressly contingent upon ratification by the Full Board of Commissioners on December 15, 2005) January 1, 2006.

- F. DROP Benefit: The employee's DROP benefit shall be the regular monthly retirement benefit to which the employee would have been entitled if he/she had actually retired on the DROP date, less the annuity withdrawal reduction as set forth in Subsection G, if applicable. The employee's DROP benefit shall be credited monthly to the employee's individual DROP account. At the time an employee elects to participate in the DROP, his/her choice of a straight life retirement allowance or an optional form of retirement allowance as set forth in the Macomb County Employee Retirement Ordinance shall be irrevocable.
- G. Annuity Withdrawal: An employee who elects to participate in the DROP may elect the Annuity Withdrawal option provided by the retirement ordinance at the time of electing DROP participation. Such election shall be made commensurate with the employee's DROP election, but not thereafter. Such annuity withdrawal will be utilized to compute the actuarial reduction of the member's DROP benefit, as well as the member's monthly retirement benefit from the Macomb County Employees Retirement System, after termination of employment.

The annuity withdrawal amount (accumulated contributions) will be disbursed from the Macomb County Employees Retirement System at the time of DROP election. All withdrawal provisions and options under the Retirement Ordinance, which are available to Retirement System members shall be available to the employee participating in the DROP at such time that he/she elects to participate in the DROP.

- H. DROP Accounts: For each employee participating in the DROP, an individual DROP account will be created in which shall be accumulated the DROP benefits, as well as interest on said DROP benefits. All individual DROP accounts shall be maintained for the benefit of each employee participating in the DROP and will be managed by the Retirement System in the same manner as the primary retirement fund. DROP interest for each employee who participates in the DROP shall be at a fixed rate of 3.5% per annum, calculated in the same manner as the interest in the employee savings accounts in the Macomb County Employees Retirement System.
- I. Contributions: The employee's contributions to the Macomb County Employees Retirement System shall cease as of the date that the employee begins participation in the DROP.

J. Distribution of DROP Funds: Within 45 days of termination of employment, the employee participating in the DROP must choose one, or a non-inconsistent combination of, the following distribution methods to receive payment(s) from his/her individual DROP account:

- 1) A lump sum distribution to the employee; AND/OR
- 2) A lump sum direct rollover to another qualified plan to the extent allowed by federal law and in accordance with any procedures established by the Macomb County Board of Commissioners or the Retirement System for such rollovers.

Failure to elect one of the above options and receive such distribution within 60 days of termination of employment shall result in the termination of any interest paid on said account.

All benefit payments under the Plan shall be made as soon as practicable after entitlement thereto, but in no event later than April 1 following the later of:

- 1) The calendar year in which the primary member attains age 70½ , or
- 2) The calendar year in which the employment is terminated.

If the accumulated balance in any former employee's account is more than \$1,000 but less than \$5,000 (or such other amount as provided in the Internal Revenue Code, particularly Section 411(a)(11)(A)), then the Retirement System, in its sole discretion, shall have the option of distributing the former employee's entire account, in the form of a lump sum, to an individual retirement plan.

K. Death During DROP Participation: If an employee participating in the DROP dies either: (1) before full retirement, that is before termination of employment with the County, or (2) during full retirement (that is, after termination of employment with the County but before the DROP account balance has been fully paid), the employee's designated beneficiary(ies) shall receive the remaining balance in the employee's DROP account in the manner in which they elect from the previously mentioned distribution methods (Subsection J). If there is no such beneficiary, the account balance shall be paid in a lump sum to the estate of the employee. Benefits payable from the Macomb County Employees Retirement System shall be determined as though the employee participating in the DROP had separated from service on the day prior to the employee's date of death.

L. Disability During DROP Participation: In the event an employee participating in the DROP becomes totally and permanently disabled from further service in the employment of Macomb County, the employee's participation in the DROP shall cease, and the employee shall receive such benefits as if the employee had retired and terminated employment during the participation period.

M. Internal Revenue Code Compliance: The DROP is intended to operate in accordance with Section 415 and other applicable laws and regulations contained within the Internal Revenue Code of the United States. Any provision of the DROP, or portion thereof, that is in conflict with an applicable provision of the Internal Revenue Code of the United States is hereby null and void and of no force and effect.

N. Other Provisions: The Macomb County Employees Retirement System is a defined benefit plan. Should that plan be modified to include a defined contribution plan, this DROP account established is only part of a defined benefit plan. It is intended that this DROP be a "forward" DROP only and contains no DROP "back" provision, which would allow members to retire retroactively.

O. Annual Leave, Sick Leave and Other Fringe Benefits: The collective bargaining agreement may provide for the crediting of both annual leave and sick leave banks for inclusion in determining an employee's final average compensation for purposes of computing retirement benefits.

At the effective date of an employee's participation in the DROP plan, an employee's annual and sick leave bank shall be "credited" and/or paid as provided for in the collective bargaining agreement or the Macomb County Employees Retirement Ordinance.

After the effective date of an employee's participation in the DROP, the employee's annual leave and sick leave shall be determined as set forth in the collective bargaining agreement between the Michigan Nurses Association, PHN-Unit I and the County of Macomb.

P. Voting Rights and Retirement Commission Members: At the time an employee elects to participate in the DROP, he/she shall no longer be eligible to vote in any retirement elections nor shall said person be eligible to hold office pursuant to Section 4(e) of the Macomb County Employees Retirement Ordinance as an elected employee member.
