Such changes will be voluntary to the extent possible. Every effort will be made to avoid reassigning probationary elementary school teachers to different grade levels unless the teacher requests such change.

ARTICLE VI

Teaching Conditions

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at the insuring that the energy of the teacher is primarily utilized to this end.

A. Because the pupil-teaching ratio is an important aspect of an effective educational program, the parties agree that class size should not exceed the following maxima:

- | | |
|--|-----------|
| (1) Kindergarten | 25 pupils |
| (2) Elementary School Grades | 30 pupils |
| (3) Special classes for handicapped or mentally retarded | 15 pupils |

B. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools and the Board undertakes to implement all joint decisions thereon made by its representative and the Association. The Board agrees at all times to keep the schools reasonably and properly equipped and maintained.

C. Money for supplies and stamps are to be collected from the students in the office.

D. Under no conditions shall a teacher be required to drive a school bus as part of his regular assignment.

The private and personal life of any teacher is not within the appropriate concern or attention of the Board provided it is in line with the teachers code of ethics.

I. The provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status or membership in or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color, or national origin and to seek to achieve full equality of educational opportunity to all pupils.

ARTICLE VII

Vacancies and Promotions

A. Whenever any vacancy in any professional position or any new professional position in the district shall occur, the Board shall publicize the same by giving written notice of such vacancy to the Association and providing for appropriate posting in every school building. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall have been posed for at least 14 calendar days. The Association's secretary or designated replacement should be notified of such vacancies.

B. Any teacher may apply for such vacancy. In filling such vacancy, the Board agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system of the district, and other relevant factors. An applicant with less service in the system shall not be awarded such position unless his qualifications therefor shall be substantially superior to applicants with greater service. The Board declares its support of a policy of promotions when merited from within its own teaching staff, including promotions to supervisory and executive levels. "Service" in the system, for the purposes of this Agreement, shall mean continuous employment in a school of the district, including substitute service, irrespective of tenure status, but shall exclude all periods when the teacher was on leave of absence for any cause.

ARTICLE VIII

Transfers

A. Since the frequent transfers of teachers from one school to another is disruptive of the educational process and interferes with optimum teacher performance, the parties agree that unrequested transfers of teachers are to be minimized and avoided whenever possible.

B. In the event that transfers of teachers appear to be necessary, lists of available positions in other schools shall be posted in the same manner as provided in Article VII.

C. Any teacher who shall be transferred to a supervisory executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have had under this Agreement prior to such transfer to supervisory or executive status.

ARTICLE IX

Sick Leave

A. At the beginning of each school year each teacher shall be credited with a 10 day sick leave allowance to be used for absences caused by illness or disability of the teacher. The unused portion of such allowance shall accumulate to 110 days.

B. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability, until the end of the current school year and the leave of absence will be renewed each year upon written request by the teacher.

C. A personal business day may be used for any purpose at the discretion of the teacher. The teacher may be asked to explain the reason for any personal leave requested for a school day immediately before or after a holiday, weekend, or vacation period and reasonable restrictions may be imposed on personal leaves on such days.

D. (1) A leave of absence of up to two years may be granted to any teacher, upon written application, for the purpose of engaging in study to an accredited college or university reasonably related to his professional responsibilities, provided said teacher states his intention to return to the school system. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he would have been had he taught in the district during such period.

(2) A military leave of absence shall be granted to any teacher, who shall be inducted or shall enlist for a first tour for military duty in any branch of the armed forces of the United States. A female teacher adopting a child may receive similar leave which shall commence upon entry of an order terminating the rights of the natural parents by the probate court. A teacher returning from leave provided in this paragraph shall be placed on that step of the salary schedule from which she went on leave. She may return the following semester if she so desires. She must inform the superintendent, in writing of her selection as to the time of her returning to teach, before she leaves for her maternity leave. If she does not express her desire of returning in writing or does not return to teach at the beginning of the following school year or three (3) months after the baby is born, whichever is the later time, her application for a contract will be considered as that of a new teacher.

ARTICLE XII

Teacher Evaluation

A. Each teacher shall have the right upon request to review the contents of his own personal file. A representative of the Association may be requested to accompany the teacher in such review.

B. A teacher shall at all times be entitled to have present a representative of the Association when he is being reprimanded, warned or disciplined for any infraction of discipline or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present.

C. No teacher shall be disciplined, reprimanded, reduced in rank of compensation or deprived of any professional advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, including adverse evaluation of teacher performance or violation of professional ethics asserted by the Board or any agent or representative thereof shall be subject to the professional grievance negotiations procedure hereinafter set forth.

D. All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher. The use of eavesdropping, closed circuit television, public address or audio system, and similar surveillance devices shall be strictly prohibited.

E. (1) The performance of all teachers shall be evaluated in writing. Probationary teachers shall be evaluated at least three times during the school year; tenure teachers shall be evaluated at least once yearly.

(2) Evaluations shall be conducted by the teacher's building principal, or superintendent, or their assistants.

(4) A copy of the written evaluation will be submitted to the teacher, in triplicate, at the time of such personal interview or within three days thereafter, two copies are to be signed and returned to the administrator, the other is to be retained by the teacher. Should a teacher feel that his evaluation was incomplete or unjust, he may put his objections in writing and have them attached to the evaluation report to be placed in his personal file.

F. A "Teaching Coach" shall be assigned by the building principal to every probationary teacher upon entrance of the teacher into the system. The "Teaching Coach", insofar as possible, shall be a tenure teacher with a minimum of five (5) years teaching experience and shall be engaged in teaching within the same grade, building or discipline as the probationary teacher. It shall be the duty of the teaching coach to assist and counsel the probationary teacher in acclimating to the teaching profession and the school system.

H. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely

upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline or the Code of Ethics of the Education Profession shall be reported to the offending teacher and to the Association within three (3) school days of alleged breach. The Association will use its best efforts to correct breaches of professional behavior by any teacher.

ARTICLE XIII

Protection of Teachers

A. Since the teacher's authority and effectiveness in his classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. The Board further recognizes that the teacher may not fairly be expected to assume the role of warden or custodian for the emotionally disturbed students nor to be charged with responsibility for psychotherapy. Whenever it appears that a particular pupil requires the attention of special counsellors, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil.

B. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.

C. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher, unless he shall be judged guilty by a court of competent jurisdiction.

D. The Board will reimburse teachers for any undue loss, damage, or destruction of clothing or personal property of the teacher while on duty in the school or on the school premises. If a teacher is injured while in the line of duty, free medical, surgical or hospital care will be furnished by the Board at a designated hospital.

E. Any complaints by a parent of a student directed toward a teacher shall be promptly called to the teachers attention if deemed serious and would be placed in the teachers personal file or used for reprimanding the teacher.

F. Within three (3) school days of a notice received by a teacher of alleged breach of conduct, that will be placed in his file, he shall have the opportunity to file a rebuttal to such alleged breach of conduct.

G. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of gross negligence or gross neglect of duty, for any damage or loss to person or property.

ARTICLE XIV

Negotiation Procedures

A. It is contemplated that matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of this Agreement upon request by either party to the other. The parties undertake to co-operate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.

B. No later than March 15th, the parties shall initiate negotiation for the purpose of entering into a successor agreement for the forthcoming year.

C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiation or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

D. If the parties fail to reach an agreement in any such negotiations, either may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures it may deem appropriate, including the imposition by the Association of professional sanctions to discourage teachers from working in the absence of contract.

ARTICLE XV

Professional Grievance Procedure

A. A "grievance" is a claim based upon a teacher's, group of teachers' or the Crawford AuSable Education Association's belief that there has been a violation, misinterpretation or mis-application of any provision on this Agreement or any existing rule, order or regulation of the Board specifically establishing a procedure for redress relating to wages, hours, terms, or conditions of employment. The "grievance" procedure shall not apply to any matter which is prescribed by law, or state regulations or over which the Board is without power to act. No dispute over the modification of this contract shall be made the subject of a grievance. A grievance may be filed by an aggrieved teacher, or by the Association. If a teacher, or the Association, does not file a grievance in writing with the principal or other designated board representative within five (5) school days after the occurrence, then the grievance shall be considered as waived.

B. The grievant may invoke the formal grievance procedure on the form set forth in annexed Schedule C, signed by the grievant and a representative of the Association, which form shall be available for the Association representative in each building. A copy of the grievance form shall be delivered to the principal or supervisor. If the grievance involves more than one school building, it may be filed with the superintendent or a representative designated by him.

C. Within three (3) school days or three (3) calendar weeks or whichever may occur first of receipt of the grievance, the principal or supervisor shall meet with the Association grievance committee in an effort to resolve the grievance. The principal or supervisor shall indicate his disposition of the grievance in writing within three (3) days of such meeting, and shall furnish a copy thereof to the Association.

D. If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within three (3) school days of such meeting (or six school days from the date of filing, whichever, shall be later) the grievance shall be transmitted to the superintendent. Within five (5) school days the superintendent or his designee shall meet with the Associations Grievance Committee on the grievance and shall indicate his disposition of the grievance in writing within three school days of such meeting, and shall furnish a copy thereof to the Association.

E. If the Association is not satisfied with the disposition of the grievance by the superintendent or his designee, or if no disposition has been made within three (3) school days of such meeting (or six (6) school days from the date of filing, whichever shall be later), the grievance shall be transmitted to the Board by filing a written copy thereof with the Secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, may hold a hearing on the grievance, review such grievance in executive session, or give such other consideration as it shall be made no later than seven days thereafter. A copy of such disposition shall be furnished to the Association.

F. If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration within seven (7) days before an impartial arbitrator. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. His authority shall be limited to deciding whether a specific article or section of this Agreement has been violated and shall be subject to, in all cases, the rights, responsibilities, and authority of the parties under the Michigan General Schools Laws or any other national, state, county, district or local laws. The arbitrator shall not usurp the function of the board of education or the proper exercise of its judgment and discretion under law and this Agreement. Both parties agree to be bound by the award of the arbitrator, if within the scope of his authority as set forth above, and agree that judgment thereon may be entered in any court of competent jurisdiction.

G. The fees and expenses of the arbitrator shall be equally by the parties.

H. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him.

I. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. The failure of an aggrieved person to proceed from one step of the Grievance Procedure to the next step, within the time limits set forth shall be deemed to be acceptance of the decision previously rendered and shall constitute a waive of any future appeal concerning the particular grievance. The failure of the administration to communicate its decision to the teacher within the specific time limit shall permit the teacher to proceed to the next step in the Grievance Procedure. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

J. If an individual teacher has a personal complaint which he desires to discuss with a supervisor, he is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

K. Notwithstanding the expiration of this Agreement, any claim or grievance arising there under may be processed through the grievance procedure until resolution.

ARTICLE XVI

Miscellaneous Provisions

A. No polygraph or lie detector device shall be used in any investigation of any teacher or pupil unless requested by the individual.

B. The Association shall be duly advised by the Board of fiscal, budgetary and tax programs affecting the district and the Association shall, whenever feasible, have the opportunity in advance to consult with the Board with respect thereto prior to general publication.

C. The Association shall deal with ethical problems arising under the Code of Ethics of the Education Profession in accordance with the terms thereof and the Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior.

D. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

E. Copies of this Agreement shall be printed at the expense of the Board and presented to all teachers now employed or hereafter employed by the Board.

F. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

G. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.

H. Certification: All teachers must meet state requirements. Teachers will not be hired with substandard certification, if properly certified people are available. A non-degree teacher must get six (6) hours of credit every year or they will not be offered contracts. No new teacher shall be employed by the Board of Education as a regular teaching assignment who does not have a bachelor's degree from an accredited college or university if satisfactory candidates are available.
