Attention: Staff Representative
Council #7, AFSCME, AFL-CIO

Dear Sir:

With respect to the section concerning Union Security of the present Agreement between the parties

as indicated on Page 6, it is agreed that all employees covered by the Collective Bargaining Agreement effective July 1, 1967 between Eastern Michigan University and the American Federation of State, County & Municipal Employees (AFL-CIO), Local 1666, Council 7, who may have strong personal conviction which would preclude them from becoming a member of any labor organization, will not be caused to become a member of Local Union 1666, AFSCME, as a condition of employment. It is further agreed that the University or any of its Staff will not in any way try to influence a present or future employee in a decision on this matter.

Any employee of any bargaining unit represented by Local 1666, AFSCME, who does not meet the requirements of the section concerning Union Security of the Agreement must fill out a form provided by the University which sets forth the employee's personal convictions. A copy of this form to be sent to the Secretary-Treasurer of Council #7, AFSCME. In the event of a dispute over this matter, it will be treated in accordance with the provisions of the section concerning the grievance procedure starting at the 3rd step.

Very truly yours,

G. Hawks
Director of Personnel

Acceptance of Union

UNION DUES AND INITIATION FEES

Employees may tender the initiation fee uniformly required as a condition of acquiring membership in the Union and monthly membership dues by signing

the Payroll Deduction Authorization Form, or may pay the same directly to the Union.

(a) CHECK-OFF FORM

During the life of this Agreement and in accordance with the terms of the Authorization form and to the extent the laws of the State of Michigan permit, the Employer agrees to deduct the Union membership dues levied in accordance with the Constitution and By-Laws of the Union from the pay of each employee who executes or has executed the Authorization Form.

Employees may have their initiation fees and monthly membership dues deducted from their earnings by signing the Authorization Form, or they may pay dues directly to the Union. Employees on Check-Off may have the Check-Off cancelled as provided in the Agreement and pay dues directly to the Union; however, they must remain members of the Union for the duration of the Agreement.

(b) DEDUCTIONS

Deductions shall be made only in accordance with the provisions of said Authorization Form, together with the provisions of this Agreement. The Employer shall have no responsibility for the collection of initiation fees, membership dues, special assessments, or any other deductions not in accordance with this provision.

(c) DELIVERY OF EXECUTED AUTHORIZATION OF CHECK-OFF FORM

A properly executed copy of such Authorization Form for each employee for whom the Union membership dues are to be deducted hereunder shall be delivered to the Employer before any payroll deductions shall be made. Deductions shall be made thereafter only under the Authorization Forms which have been properly executed and are in effect. Any Authorization Form which is incomplete or in

error will be returned to the Council No. 7 Secretary-Treasurer by the Employer.

(d) WHEN DEDUCTIONS BEGIN

Check-Off deductions under all properly executed Authorization Forms shall become effective at the time the application is tendered to the Employer and shall be deducted from the Second (2nd) pay following the week it is submitted, and weekly thereafter.

(e) REFUNDS

In cases where a deduction is made that duplicates a payment that an employee already has made to the Union, or where a deduction is not in conformity with the provisions of the Union Constitution or By-Laws, refunds to the employee will be made by Council No. 7.

(f) REMITTANCE OF DUES TO SECRETARY-TREASURER

Deductions for any calendar month shall be remitted to the designated Secretary-Treasurer of Council No. 7 as soon as possible after the first pay of that month. The Employer shall furnish the designated financial officer of Council No. 7, monthly, with a list of those for whom the Union has submitted signed Authorization Forms, but for whom no deductions have been made.

(g) TERMINATION OF CHECK-OFF

An employee shall cease to be subject to Check-Off deductions beginning with the second (2nd) week following the week in which he is no longer a member of the bargaining unit. The Council No. 7 will be notified by the Employer of the names of such employees following the end of each month in which the termination took place.

(h) DISPUTES CONCERNING CHECK-OFF

Any dispute between the Union and the Employer

which may arise as to whether or not an employee properly executed or properly revoked an Authorization Form, shall be reviewed with the employee by a representative of the Local Union and the designated representative of the Employer. Should this review not dispose of the matter, the dispute may be referred to the Appeal Board whose decision shall be final and binding on the employee, the Union and the Employer. Until the matter is disposed of, no further deductions shall be made.

(i) LIMIT OF EMPLOYER'S LIABILITY

The Employer shall not be liable to the Union by reason of the requirement of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

(j) LIST OF MEMBERS PAYING DUES DIRECTLY

The Local Union will furnish the Employer within fifteen (15) days after the effective date of this Agreement the names of all members covered by this Agreement that are paying dues directly to the Local Union. Thereafter the Union will furnish the Employer a monthly list of any changes.

(k) DISPUTES CONCERNING MEMBERSHIP

Any dispute arising as to an employee's membership in the Union shall be reviewed by the designated representative of the Employer and a representative of the Local Union, and if not resolved, may be decided at the Appeal Board step of the grievance procedure. However, the employee may be retained at work while the dispute is being resolved.

(l) It shall be the duty of the Employer to notify the Union within ten (10) days of any hired, rehired, reinstated or transferred employee into the bargaining unit.

REPRESENTATION

Number of Representation Districts

The number of representation districts in the unit shall be the agreed upon number. The Employer and the Union may redistrict the unit from time to time by agreement.

The Employer will, in return, through its Personnel Office keep the Union advised as to its representatives.

GRIEVANCE PROCEDURE

Presenting a Grievance

I. Any employee having a grievance in connection with his employment shall present it to the employer as follows:

(a) An Employee, After he informs his supervisor of a grievance and does not get a satisfactory answer, may refer it to the steward of his district, and the grievance shall be handled in the following steps:

STEP 1. The steward may investigate the grievance and if he believes it has merit he shall discuss the grievance with the employee's immediate supervisor on his shift. In the absence of a supervisor on his shift, the steward may refer the grievance to the appropriate day shift steward who may discuss the matter with his supervisor.

STEP 2. If the grievance is not resolved at Step 1, the steward may refer the grievance to the Chief Steward who may reduce the grievance to writing on forms provided by the Employer and present it to the person designated by the Employer as Step 2 representative. A meeting will be arranged between the Chief Steward, District Steward and the representatives designated by the Employer to discuss the grievance. The Employer will then answer the grievance in writing.

STEP 3. If the Step 2 answer is not satisfactory, the grievance may be referred to the Local President or his representative in his absence who may submit his appeal on an agenda to the Employer's Step 3 representative. A meeting between no more than three representatives of the Local Union and the Step 3 representative (s) designated by the Employer will be arranged to discuss the grievance or griev-

ances appearing on the agenda within five (5) calendar days from the date the agenda is received by the Employer or his designated representative.

(b) The Union agrees that when the designated representative of the Employer referred to in the grievance procedure deems it necessary to involve a higher level official of the Employer, at the request of the representative of the Employer, four (4) additional days for time of answer will be granted.

Time Limits

1. The grievance must be presented in writing by the Chief Steward within thirty (30) calendar days after its occurrence in order to be a proper matter for the grievance procedure, provided however, back pay shall not be payable for more than twenty (20) calendar days prior to filing of the grievance.

2. Any grievance not appealed from an answer at the first or second step of the grievance procedure to the next step of the grievance procedure within five (5) working days after such answer shall be considered settled on the basis of the last answer and not subject to further review.

3. The Employer will answer in writing any grievance presented to it in writing by the Union unless the time is extended by mutual agreement:

(a) By the Step 2 representative within four (4) working days from the date of the meeting at which the grievance was discussed.

(b) By the Step 3 representative of the Employer within four (4) working days from the date of the meeting at which the grievance was discussed.

Withdrawal of Cases

4. A grievance may be withdrawn without prejudice and, if so withdrawn, shall not be considered in connection with any future grievance provided, however, after a case has been referred to the Appeal Board the case may not be withdrawn by either party except by mutual consent. Where one or more grievances involved a similar issue, those grievances may be held pending the disposition of the appeal of a representative case which shall control the result of all such cases.

BOARD OF APPEAL

II. (a) If the representatives of the Employer and the Union representatives do not dispose of the matter in Step 3 and the Union believes that the matter should be carried further, it shall then refer the matter to the Council representative. The representative of the Council and/or the International Union will review the matter and, if they wish to carry the matter further, they will within fifteen (15) working days of the Employer's answer, refer the matter to the Appeal Board. On written request of the Union, the time for referral to the Appeal Board shall be extended for an additional five (5) working days.

(b) If the Council and/or the International Union refers the matter to the Appeal Board, it shall prepare a record which shall consist of the original written grievance prepared by the steward and the written answers to the grievance and such other written records as there may be in connection with the matter, and forward the same to the Employer's

designated representative together with a notice that his answer with respect to that grievance is not satisfactory to the Union. The matter may then be submitted to the Appeal Board for final disposition. The Appeal Board shall meet within two weeks of the submission, or such further time as is mutually agreed, and shall dispose of the matter.

Membership of the Appeal Board

(a) The Appeal Board shall consist of two representatives of the Employer and two representatives of the Council and/or International Union and, when necessary, an arbitrator.

(b) In the event that they are unable to settle a matter, it shall be determined by decision of the arbitrator selected by the parties or in the event they cannot agree upon an arbitrator within five (5) days, the arbitrator shall be selected in accordance with the rules of the American Arbitration Association. The fees and approved expenses of an arbitrator will be paid by the parties equally. Each party shall be responsible for compensating its own representatives and witnesses.

(c) Grievances within the meaning of the grievance procedure and of this arbitration clause shall consist only of disputes about the interpretation or application of the clauses of this agreement and about alleged violations of this agreement. The arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this agreement, nor shall he substitute his discretion for that of the Employer or the Union where such discretion has been retained by the Employer or the Union, nor shall he exercise any responsibility or function of the Employer or the Union.

(d) After a case has been referred to the Appeal Board, the case may not be withdrawn by either party except by mutual consent.

(e) FINALITY OF DECISIONS

There shall be no appeal from the Appeal Board's decision. Each such decision shall be final and binding upon the Union and its members, the Employee or Employees involved, and the Employer. The Union will discourage any attempt of its members and will not encourage or cooperate with any of its members in any appeal to the Court or Labor Board from a decision of any Appeal Board.

DISCHARGE OR DISCIPLINE

(a) NOTICE OF DISCHARGE OR DISCIPLINE

The Employer agrees promptly upon the discharge or disciplinary suspension of any employee to notify in writing the steward in the district of the discharge or suspension.

(b) A discharged or suspended employee will be allowed to discuss his discharge or suspension with the steward of the district and the Employer will make available an area where he may do so before he is required to leave the property of the Employer. Upon request, a representative of the Employer will meet with the discharged or suspended employee and his steward before he leaves the property.

(c) APPEAL OF DISCHARGE OR DISCIPLINE

Should the discharged or suspended employee consider the discharge or suspension to be improper, a complaint shall be presented in writing through the Local President or his representative in his absence to the Director of Personnel within two (2) regularly scheduled working days of the discharge or discipline, and shall be answered within three (3) regulary scheduled working days after

receiving the complaint. If the decision is not satisfactory to the Union, the matter may be referred to the grievance procedure, commencing at Step 3.

(d) USE OF PAST RECORD

On imposing any discipline on a current charge, the Employer will not take into account prior minor infractions of which the Employer had knowledge that occurred more than one year previously; nor prior major infractions such as fighting, drinking while on duty or any type of immoral act that occurred more than three years' previously.

SENIORITY

Seniority Defined

Seniority shall be on a unit and occupational wide basis in accordance with the employee's last date of hire.

Probationary Employees

(a) New employees shall be considered as probationary employees for the first ninety (90) calendar days of employment. When an employee finishes the probationary period, he shall be entered on the seniority list of the unit and shall have seniority within his occupation from his date of hire. There shall be no seniority among probationary employees.

(b) The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment; but a probationary employee may be discharged or disciplined for any reason deemed proper by the Employer without recourse to the grievance procedure.

Layoffs

(a) When there is a decrease in the work force, the following procedure shall be followed: Probationary employees will be laid off on a unit wide basis provided the seniority employees can do the available work.

(b) Seniority employees will be laid off according to seniority in their occupations provided the greater seniority employees are able to perform the available work.

(c) In proper cases exceptions may be made by mutual agreement.

(d) Employees to be laid off for an indefinite period of time (not including regular scheduled closed downs based upon the University calendar) will have at least seven (7) calendar days notice of layoff. The Local Union Secretary will receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.

Recall Procedure

(a) When the working force is increased after a layoff, employees will be recalled according to seniority, provided the greater seniority employees are able to perform the available work. However, the Employer shall not be required to promote an employee at time of recall unless he has previously performed the higher rated job and is able to do the work.

(b) Any employee who is re-employed from a seniority list in the same unit or division that he

was laid off from shall be restored his seniority including that which he otherwise would have acquired during the period of his layoff.

(c) Notice of recall shall be sent to the employee at his last known address by registered or certified mail. If an employee fails to report for work within five (5) working days from the date of delivery of notice of recall he shall be considered a quit. Extension may be granted by the Employer in proper cases.

Transfers

(a) TRANSFER OF EMPLOYEES

If an employee with seniority is transferred from one seniority occupational group to another seniority occupational group he will, after four weeks, be given seniority in the new unit equivalent to that which he had accrued in the unit from which he is transferred at which time all of his seniority in his former unit shall be cancelled.

(b) If an employee is transferred to a position under the Employer not included in the unit and is thereafter transferred again to a position within the unit, he shall have accumulated seniority while working in the position to which he was transferred. This shall also be applied to employees who were transferred to a position under the Employer not included in the unit prior to certification of the Union.

(c) For the purpose of determination of any benefits affected by length of service provided for in this Agreement, employees shall have seniority from last date of hire.

(d) If and when a department which has been operated at one location is divided so as to work

at or out of two or more locations for a period of more than seven (7) days employees whose jobs are affected will be given the choice of department location on the basis of occupational seniority.

(e) The Employer agrees that in any permanent movement of work not covered in TRANSFERS (a), (b), and (d), he will discuss the movements with the Union in order to provide for the protection of the seniority of the employees involved.

Promotions

(a) The Employer will make promotions within each unit available on a seniority basis to its employees who are able to perform the job under consideration.

(b) Job vacancies will be posted for a period of five (5) working days in a conspicuous place in the work areas of the unit. The Employer may temporarily fill the job vacancy during such posting.

(c) The Employer will not be obligated to consider a request for promotion from an employee who has not submitted his request for promotion to the Employer on or before the fifth working day the job is posted.

(d) If it should become necessary in making a promotion to bypass an employee's seniority, reasons for denial shall be given in writing to such employee with a copy to the Steward of the District.

(e) At any time during the first four (4) weeks after promotion, the employee may revert back to his former classification either because (a) he does not have the ability to perform the job or (b) he does not want the job. If the employee is unsatisfactory in the new occupation, he shall be transferred back

to his former occupation and reasons shall be submitted to the employee in writing by the Employer with a copy to the Steward of the District. The matter may then become a proper subject for the grievance procedure.

(f) During the period he is performing the work, an employee will receive the rate of the job he is performing.

(g) If an employee is temporarily (i.e., on a day-to-day basis and for less than ten working days assigned to another job), he shall continue to receive the rate of pay of his regular classification. After ten working days in the temporary job assignment, the employee will receive the hire-in rate of the job or his regular rate whichever is higher.

Loss of Seniority

An employee shall lose his seniority for the following reasons:

(a) He quits.

(b) He is discharged and the discharge is not reversed through the grievance procedure.

(c) He retires or receives a pension under the Pension Plan of this Agreement. If he receives a pension for permanent total disability and is re-employed, his seniority including that which he otherwise would have acquired during the period of his disability shall be restored.

(d) He is absent from his job for three consecutive working days without notifying the Employer. In proper cases, exceptions may be made by the Employer. After such absence, the Employer shall send written notification to the employee at his last-

known address that he has lost his seniority, and his employment has been terminated.

(e) If he does not return to work within five (5) working days when recalled from layoff. In proper cases, exceptions shall be made; provided, however, an employee who cannot return to work at the time of recall from layoff shall promptly notify the Employer.

(f) Failure to return to work within the time limits of a leave of absence or an extended leave of absence.

(g) Any dispute concerning this section will be subject to the grievance procedure.

Shift Preference

Shift preference will be granted on a basis of seniority within the occupations as openings occur. The transfer to the desired shift will be effective within two (2) weeks following the end of the current pay period within which a written request is made, provided the employee can do the work and his replacement is available. Transfers may be postponed for one additional period not exceeding two weeks when required for training of new employees.

Seniority of Stewards

Notwithstanding their position on the seniority list, Stewards shall in the event of a layoff of any type be continued at work as long as there is a job in their district which they can perform and shall be recalled to work in the event of a layoff on the first open job in their district which they can perform.

Seniority of Officers

Notwithstanding their position on the seniority list, the President, Vice President, Financial Secretary, Recording Secretary, and Chief Stewards of the Local Union, (if they are employees of the Employer), shall in the event of a layoff only be continued to work at all times when one or more employees in one or more districts within their bargaining unit are at work, provided they can perform any of the work available.

LEAVES OF ABSENCE

Personal Leave

Leaves of absence up to three (3) months (without pay) may be granted in cases of exceptional need for those employees who have acquired seniority under this Agreement. Leaves may be granted for valid personal reasons but not for the purpose of obtaining employment elsewhere. Leaves of absences for like causes may be extended by the employer for additional periods not exceeding three (3) months, but the total leave time shall not exceed one (1) year. Seniority shall accumulate during such leaves. An employee unable to work because of sickness or injury will be placed on leave of absence under this paragraph after exhausting all rights to paid sick leave. The Employer may require a statement from the employee's doctor if such leave extends for more than five (5) days.

Sick Leave

Section 1: All employees are entitled to sick leave benefits on the basis of one working day for each completed month of service or major fraction thereof, up to a maximum of 200 days, provided that at no time shall the accumulation for any one calendar year exceed twelve (12) days, or the total accumulation exceed two hundred (200). Sick leave credit in excess of the normal ten (10) days may be earned by ten-month employees on the following basis:

1. one additional day for summer session of at least two weeks;
2. two additional days for a summer session of at least six (6) weeks. The provision of a "major fraction of a month" is waived for the purpose and this credit may be earned for months already credited during the ten-month academic year.

Section 2: Part-time employees holding regular part-time jobs are entitled to sick leave benefits in proportion to the time worked. Employees working either full or part-time on temporary jobs are not entitled to sick leave benefits.

Section 3: Working day, for purposes of this section, shall be interpreted to mean any day of the week, provided such day is a scheduled working day for the employee. A work week shall be interpreted to mean any five days of a regular week.

Section 4: Employees shall be eligible for sick leave in accordance with the provisions of this Article after completion of their probationary period.

Section 4: All employees will continue to accrue one day per month sick leave credit as long as they are on the payroll even though they are absent

from duty because of illness or injury. Employees on leave of absence without pay will not receive any sick leave credit during such leave.

Section 5: When an employee who has been separated from one of the Universities returns, his previous unused sick leave allowance shall be placed to his credit.

Section 6: All employees may use their sick leave credit in any month of the year in which they are scheduled to be on the payroll, but only for the number of working days in such month for which they are scheduled to receive remuneration.

Section 7: All absences of employees due to illness or injury will be debited against the employee's record regardless of whether or not his department absorbs the work or the institution provides a substitute. An employee will be considered absent if he fails to appear for his regularly scheduled duties for one-half day because of illness or injury and his sick leave credit will be debited for one-half day. This applied to the illness or injury of individual employees only. Absences chargeable to sick leave for any other reason will be considered on the basis of merit by the administration.

Section 8: If an employee elects to use his sick leave while off duty because of a compensable accident or injury (one covered by Workmen's Compensation) and receive his full salary, the monetary value of the accrued sick leave will be computed at the date of injury and the same may be utilized only to the extent of the monetary difference between his full-time salary and his compensation benefits for each pay period.

Section 9: Each employee, upon returning to work after any absence which is chargeable to sick leave

benefits, may be required to file with the Personnel Office either a physician's statement or a sworn affidavit that the claim of absence for any of the reasons stated above is bona fide. Until such statement is filed, if requested, all absences will be considered as lost time and the employee's pay will be reduced accordingly.

Section 10: Whenever an employee has used up all of his sick leave credit, he will be removed from the payroll until he reports back to duty.

Section 11: An employee who separates from school service for retirement purposes in accordance with the provisions of the Michigan School Employees Retirement Fund shall be paid for 50% of his unused sick leave as of the effective date of the separation. Such payments are to be made at the employee's current rate of pay.

Section 12: In case of the death of an employee, payment of 50% of the unused sick leave shall be made to the beneficiary or estate. Such payments will be made at his regular rate of pay.

Section 13: Sick leave utilized by an employee for illness or injury of a member of the immediate family shall be based on the merit of the case and limited by the following provisions:

The rest period of employees other than bus drivers shall be scheduled at the middle of each one-half shift whenever this is feasible. The rest periods of bus drivers shall be taken as trip schedule permits. Employees who for any reason are scheduled to work for more than one hour beyond their regular quitting time into the next shift shall receive a fifteen (15) minute rest period before they start to work such overtime. In addition, they shall be granted a fifteen (15)

4. the right to hire, schedule, promote, demote, transfer, release and lay off employees; and the right to suspend, discipline and discharge employees for cause and otherwise to maintain an orderly, effective and efficient operation.

None of the above rights or functions of the employer shall be exercised in a manner inconsistent with the terms of this Agreement nor shall any of these rights or functions be used to detract from rights expressly and clearly given to the Union by the terms of this Agreement.

STRIKES AND LOCKOUTS

It is agreed that on the part of the Union there shall during the term of this Agreement be no strike, stoppage of work or slowdown, and on the part of the Employer no lockout.

In the case of any strike, slowdown or other suspension of work not authorized by the Union, its officers or agents, and not called in compliance

with the terms and provisions of this Agreement, the Employer agrees that such violation of this Agreement shall not cause the Union, its officers, or agents, to be liable for damages; provided, that the Union complies fully with the following:

1. The Union's obligation to take action shall commence immediately upon receipt of notice from the Employer that a violation has occurred.
2. Immediately upon receipt of such notice the responsible Union representative shall immediately talk with those employees responsible for or participating in such violation, stating to them that:
 - (a) Their action is in violation of the Agreement, subjecting them to discharge or discipline.

 - (c) The Union has not authorized the strike, slowdown, or suspension of work and does not approve or condone it.
 - (d) The Union instructs the men to immediately return to their respective jobs, submitted any grievances they may have to the grievance procedure provided for in the Agreement.

- (1) Notices of Union recreational and social events
- (2) Notices of Union elections
- (3) Notices of results of Union elections
- (4) Notices of Union meetings, conferences, conventions, institutes, etc.

The Union shall have the exclusive right to the use of these bulletin boards. In the event a dispute arises concerning the appropriateness of material posted on the Union Bulletin Boards, the President of the Local Union will be advised by the Personnel Office of the nature of the dispute and the notices or bulletins in question will be removed from the bulletin boards until the dispute is resolved.

Manual Tasks by Supervisors or Foremen

It is mutually agreed that foremen and supervisory employees shall not normally perform work in any job classification of a bargaining unit; however, it is understood that occasionally management personnel are required to perform manual tasks.

Additionally, it is understood that, in emergency situations when regular employees are not immediately available, supervisory employees may be required to perform work within specific job classifications. The same thing is true when operational difficulties are encountered or in the testing of materials. Likewise, instruction or training of employees may well include demonstrating proper methods of accomplishing the tasks assigned and no dispute shall occur.

Work Opportunities for Food Service Employees

- (1) During school vacation periods which are not

a part of the regular work schedule of Food Service Employees, the Employer will assign work in the Food Service Department on the basis of seniority provided the senior employee is able to perform the work required. The employee shall continue to receive his established rate of pay.

(2) When it is necessary to schedule employees for work on a regular shift in the Food Service Department outside of the employee's regular work days (because of illness, absenteeism and similar causes), regular and substitute employees will be scheduled when available prior to calling in student help. The Employer will continue to use student help on a part-time basis.

(3) Food Service Employees not scheduled to work in the Food Service Department during school vacation periods will be given available opportunities to work temporarily in custodial and housekeeping jobs consistent with the present policy of the Employer with respect to use of student workers. Food Service Employees assigned to such work who have not previously performed such work will receive the minimum rate of the job to which they are assigned. Employees who performed such work for less than six weeks during a preceding summer (1965 or subsequent) will receive one increment more than the minimum rate. Employees who performed such work for not less than six weeks during two or more preceding summers starting with the year 1965, will receive two increments more than the minimum rate.

Equalization of Overtime

Scheduled overtime hours shall be divided as equally as possible among employees in the same classifications in their District. An up-to-date list

showing overtime hours will be posted in a prominent place in each District before the 15th of each month.

Whenever scheduled overtime is required, the person with the least number of overtime hours in that classification within their District will be called first and so on down the list in an attempt to equalize the overtime hours. Employees in other classifications may be called if there is a shortage of employees in the classification needed. In such cases they would be called on the basis of least hours of overtime in their classification provided they are capable of doing the work.

For the purpose of this clause, time not worked because the employee was unavailable, or did not choose to work, will be charged the average number of overtime hours of the employees working during that overtime period.

If an employee is not called for overtime work in accord with the clause he shall be given the next scheduled overtime available.

Excess overtime hours will be carried over each year and is subject to review at the end of each period.

Employees that have changed classifications will be charged with the highest number of overtime hours that exist in the new classification in that district on the day he was reclassified.

Policy Changes

In the event the Employer shall propose to change any existing policy, affecting employees in the Unit, not covered by this Agreement, which is evidenced by a written memorandum, the Employer will first notify the Union and will discuss the matter before any change is made.

An employee with seniority who serves on Jury Duty will be paid the difference between his pay for Jury Duty and his regular pay. An employee is expected to report for regular University duty when temporarily excused from attendance at court.

Medical Dispute

In the event of a dispute involving any employee's physical ability to perform his job on his return to work at the University from a lay-off or leave of absence of any kind and the employee is not satisfied with the determination of the designated physician of the Employer, he may submit a report from a medical doctor of his own choosing and at his own expense. If the dispute still exists, at the request of the employee the designated physician of the Employer and the employee's doctor shall agree upon a third doctor to submit a report to the University and the employee, and the decision of such third party will be binding on both parties. The expense of the third party shall be shared equally by the University and the employee.

Student Workers

Student workers shall not be considered employees for purposes of this agreement.

Vacation

Section 1: Vacations with pay are based on an employee's months of continuous service and shall

accrue in accordance with the following schedule:

- (a) one day per month, for the first twelve (12) months of continuous service.
- (b) one and one-fourth days per month for the thirteenth (13th) month through the ninety-sixth (96th) month of continuous service.
- (c) one and one-half days per month for continuous service for the 97th month and for any month of continuous service thereafter.

Such an employee, however, may be permitted to use his accrued credits prior to completion of 12 months of continuous service. In such cases, he shall sign a form provided by the Employer stating that if his employment shall be terminated prior to the completion of 12 months of continuous service, he shall reimburse the Employer for vacation pay received and shall authorize the Employer to deduct that amount of money from his final pay check. If an employee is terminated after having completed 12 months of continuous service, he shall be entitled to receive all vacation rights accrued to the date of his termination.

Section 4: The vacation pay of an employee (including regular part-time employees) will be based on the number of hours he regularly works and will be computed on the basis of the rate of pay he is earning, excluding any shift premiums, at the time he takes his vacation.

Section 5: Vacation pay will be paid to the employee at the time he takes his vacation and on the regular pay day.

Section 6: All vacation shall be taken at the convenience of the Employer and must have the approval of the employee's supervisor. Unless approved in writing by the personnel office, vacations must be taken on consecutive weeks and a vacation should not be taken for less than a week at a time. The vacation period shall commence on July 1 of each year and end on the following June 30 of each year. Vacation leaves cannot be accumulated. Any vacation rights accrued as of June 30 of each year must be taken during the immediately following vacation period and any employee who fails to take his vacation within that period shall forfeit all rights to such vacation time with the following exceptions:

1. If an employee is unable to take his vacation during the appropriate vacation period because the Employer's work needs prevent it, he may be allowed to work and be paid his accrued vacation pay in lieu of taking time off for a vacation.
2. If it is to the mutual convenience of the Employer and the employee, any employee with more than 12 months of continuous service may take part or all of the vacation time he has earned at any time during the year in which it is accruing.

Section 7: Vacation schedules shall be set up by

The Employer shall have the sole right to determine whether the day before or after Christmas and New Year's shall be observed as the holiday.

Section 2: Any of the above holidays which falls on a Sunday shall be celebrated on the following Monday; holidays which fall on a Saturday shall be celebrated on Friday before the holiday or Monday after the holiday, whichever the Employer shall select as being the least disruptive of services. In such cases, the day worked shall not be considered the holiday for those working.

Section 3: To be eligible for holiday pay, an employee must work the last scheduled work day before and the next scheduled work day after the day of the observance of the holiday, unless he has an excused absence, or is on vacation leave; provided, that employees not on the payroll for the week in which the holiday is observed shall not receive compensation for that holiday.

Section 4: Time and one-half the regular straight time rate will be paid for all time worked on a designated holiday in addition to holiday pay.

Section 5: Regular part-time employees shall receive holiday pay based on the number of hours they would be regularly scheduled to work on the day on which the holiday is observed.

Special Agreement on Sick Leave
Article, Section 11

February 16, 1972

It has become apparent to the University that a typographical error was made in the University's contract proposal when it was agreed to move part of the Personal Sick Leave article of the 1968 contract (page 26) "An employee unable to work because of sickness or injury will be placed on leave of absence..... after exhausting all rights to paid sick leave. The Employer may require a statement from the employee's doctor if such leave extends for more than five (5) days", to section 11 of the Sick Leave article, page 27 of the 1970 contract.

Therefore, in the interest of both parties, the Union and the University have agreed that the University may require a statement from the employee's doctor if such a leave, as described in Section 11, extends for more than five days.
