As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the Association either on or off school premises.

B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General Laws or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided by law.

C. The Association shall have the privilege to use school building facilities for meetings, subject to the same regulations rela-

tive to maintenance charges as apply to other local organizations; provided such meetings shall not interfere with other regular scheduled activities and provided the principal shall designate the location of said meeting within the building. Bulletin board space in lounges and school mail facilities shall be made available to the Association; provided the Board shall have no responsibility in any way for any material in connection with use of school mail facilities.

D. Any compilation not normally required of the School District may be done by the Association and at the expense of the Association.

E. In order to keep the Association informed, an outline copy of the "Superintendent's Report and Recommendations" will be mailed or transmitted to the Association president the Friday before the regular Board meeting.

F. Teachers shall be entitled to full rights of citizenship. Religious or political activities of any teacher, or the lack thereof, shall not be grounds for any discipline or discrimination. AS A CONDITION OF CONTINUED EMPLOYMENT ALL TEACHERS SHALL:

A. Sign and deliver to the Board an assignment authorizing deduction of membership dues and assessments of the Association (including the National and Michigan Education Association) or a Representation Benefit Fee equivalent to the regular dues and assessments of the Association (including the National and Michigan Education Association). Authorizations must be signed within twenty days of termination of prior authorization and deductions will be made beginning on the next regular dues deduction payroll. Deductions for teachers employed after the commencement of the school year shall be appropriately prorated to complete payments by the following June. Such authorizations shall continue in effect unless there is a change in dues and assessments amount or unless subsequent to June 1 and prior to September 1 of any year, such authorization is formally revoked by the teacher in writing and copies thereof are delivered to the Association and the Board. Pursuant to such authorization, the Board shall deduct one-tenth of such Dues or Fees from the second regular salary check of the teacher each month for ten months, beginning in September and ending in June of each year.

B. The procedure in all cases of discharge for violation of this Article shall be as follows:

C. In the event that such an authorization is not signed, the Board, upon receiving a signed statement from the Association's President indicating the teacher has failed to comply with the requirements of this Article shall immediately notify said teacher that his services will be discontinued at the end of the current school year. However, if at the end of the school year the teacher or teachers receiving the termination notice shall then be engaged

in pursuing any legal remedies contesting the discharge under this provision before the Michigan Tenure Commission or a court of competent jurisdiction, such teacher's services shall not be terminated until such time as such teacher or teachers have either obtained a final decision as to the legality of said discharge, or said teacher or teachers have ceased to pursue the legal remedies in said matter by the Michigan Tenure Commission or a court of competent jurisdiction.

D. The Association shall indemnify the Board and hold it harmless from any and all costs and expenses incurred by the Board in connection with this Article without limiting the general obligation of the Association hereunder. The Association agrees to assume the legal defense of any action or proceeding brought against the Board by reason of any action taken or not taken under this Article. If the Association does not defend the Board within the required time limits or settle such action or proceeding the Association shall reimburse the Board, promptly upon demand, for all reasonable legal fees and expenses incurred by the Board in connection with such action or proceeding, and also for any and all damages (including back pay) for which the Board may be adjudged liable in such action or proceeding. If the Association fails to make prompt reimbursement, the Board shall be entitled, in addition to any other legal remedies, to apply such indebtedness of the Association to the Board, until paid in full, all dues, assessments and representation benefit fees collected by the Board on behalf of the Association pursuant to the provisions of this Article.

E. The Association, after consultation with the Board, has the right to decide whether to defend such action or proceeding or whether or not to appeal the decision of any court or other tribunal rendered therein. The Association shall assume all liability for failure to defend any such action or proceeding and shall be liable for all costs of appeal including judgments that may be rendered.

F. The Association has the rights to choose the legal counsel to defend any such action or proceeding.

G. With respect to all sums deducted by the Board pursuant to authorization of the employee, whether for Professional Dues or Representation Benefit Fee, the Board agrees to remit promptly to the Association all monies so deducted.

ARTICLE VI

SPECIAL STUDENT PROGRAM

A. Consideration will be given to reducing class size where these students are placed in a regular classroom.

- B. The Board will endeavor to provide a staff for an adequate program for these special students.

ARTICLE VII

TEACHING CONDITIONS AND CLASS LOAD

A. Inasmuch as the pupil-teacher ratio is an important aspect of an effective educational program and is directly related to the volume of teacher's work, it is agreed that the following limits on class size represent desired objectives. The utilization of facilities and personnel and the future planning of construction and staff recruitment shall be such as to move toward these objectives.

ELEMENTARY - Thirty (30) students average per teacher per building.
INTERMEDIATE-Thirty (30) students average per teacher per building.
HIGH SCHOOL -Thirty (30) students average per teacher per building.

B. If at any time it is found that a specified limit is exceeded by more than ten (10%) percent, then the involved principal, the involved teacher, an Association representative, and the Superintendent's representative shall meet to plan means for relieving the situation. Agreed to changes will be put into effect before the limit is exceeded by twenty (20%) percent. However, no regular elementary (K-6) classroom shall exceed thirty seven (37) students per teacher.

C. EXCEPTIONS: In traditional large group activities (e.g. band, choir, physical education); or experimental classes such as modular flexible scheduling the specified limit above may be exceeded to provide for large group instruction.

The Board recognizes that appropriate texts, library reference facilities, maps, and globes, athletic equipment, current periodicals, standard texts and questionnaires, and similar materials are tools of the teaching profession. The parties will confer regularly through the Steering Committee for the purpose of improving the selection and use of educational tools. The Board agrees at all times to keep the schools appropriately equipped and maintained.

G. No teacher shall be required to drive a school bus nor supervise students during the lunch period, nor be assigned to bus duty, except to chaperone students on a field trip.

H. The Board shall attempt to make available in each school teacher lunchroom and lavatory facilities and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge in which smoking shall be permitted, provided that this room may be used as both faculty lunchroom and faculty lounge.

I. A telephone for conference calls, so situated as to permit such calls to be made in private, will be made available to teachers in each school building. Long distance calls must be approved by the building principal.

J. The Board agrees to post signs at parking lots indicating areas designated for teacher use upon request of an Association representative.

K. Hazardous conditions such as improperly installed fire doors and equipment without approved safety guards should be brought to the immediate attention of the principal. If these conditions are not corrected, the teacher may refer the matter to the Grievance Committee.

ARTICLE VIII

DEPARTMENT CHAIRMAN

A. Any department of three or more teachers may have the best qualified person as determined by the principal designated as the department chairman. Department Chairman shall administer the department budget, supervise inventories, replacement of equipment, and approve all requisitions and invoices, recommend changes in curriculum, evaluate and recommend instructional materials and guide new teachers in the department. The department chairman shall be responsible for keeping the principal informed by periodical reports of department meetings. Final decision in these matters shall rest with the principal.

B. The subject matter of this article shall be referred to the Steering Committee referred to in Article XXIX.

ARTICLE IX

PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS

A. No new teacher shall be issued a probationary contract by the Board for a regular assignment who does not have a bachelor's degree from an accredited college or university, except for the Elementary Intern Program teacher.

B. No substitute teacher shall be employed by the Board for more than ninety (90) days per school year who possesses less than one hundred twenty (120) semester hours.

C. Since pupils are entitled to be taught by teachers who are working within their area of competence, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificate or their major or minor field of study and the Association shall be so notified in each instance.

D. All teachers shall be given written notice of their tentative grade and/or subject assignment for the forthcoming year no later

than the preceding first day of June. In the event that changes in such assignments are proposed, all teachers affected shall be notified promptly in writing by their principal. Such changes will be voluntary to the extent possible. Every effort will be made to avoid reassigning probationary elementary teachers to different grade levels unless the teacher requests such change.

E. Paid extra duty assignments will be made upon the recommendation of the building principal to the Superintendent. Such assignments will be made to personnel involved no later than June 1. The teacher shall return a signed copy of the supplementary contract within fourteen (14) days or said contract is null and void and it shall be construed that the teacher has resigned that position. Any paid extra duty assignments enumerated in Appendixes B1 and B2 shall not be obligatory but shall be with consent of the teacher. Preference in making such assignments will be given to qualified tenure teachers regularly employed in the district. Appropriate Supplementary Contracts shall be issued.

F. The status of probationary teachers will be guided by Act No. 4 of the Public Acts of extra-session of 1937, as amended.

G. School nurses will be given written notice of whether or not they are to be re-employed not later than June 1.

ARTICLE X

VACANCIES, PROMOTIONS, AND TRANSFERS

A. The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Requests by a teacher for transfer to a different class, building or position shall be made in writing, one copy of which shall be filed with the Superintendent. Such requests shall be renewed once each year to assure active consideration by the Board.

B. Whenever any vacancy in any professional position in the school system shall occur, the Board shall publicize the same by giving notice of such vacancy to the Association and posting a notice in each building.

C. Any teacher may apply for any such newly created position, vacancy or promotional opportunity. The application shall be in writing and shall be filed with the Superintendent's Office within ten (10) days after the list has been forwarded as provided in Section B. above. In filling such positions the Board agrees to give due weight to the professional background and attainments of all applicants. The Board's basic consideration in filling vacancies, new positions and making promotions will be in the best interest of the school system. Consistent with this basic consideration, the Board will follow a policy of filling new positions and making promotions from within its own teaching staff when this applicant is the most qualified.

D. Since the frequent transfer of teachers from one school to another is disruptive of the educational process and interferes with optimum teaching performance, the parties agree that unrequested transfers of teachers are to be minimized.

E. Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have had under this Agreement prior to such transfer to supervisory or executive status.

ARTICLE XI

However, the combined payments received shall not exceed the teacher's accumulated sick days at the time of the claim. The Board's maximum liability under this section shall be the salary amount of the teacher's accumulated sick days at the time of the claim.

C. In case of three (3) or more days illness, the Board may request the teacher to have the attending physician verify the illness of the teacher. In the case of prolonged illness, the Board may request verification from a physician designated by the Board.

ARTICLE XII

A. A maximum of three (3) personal business days (non-cumulative) will be allowed annually without loss of pay, chargeable against sick days, for business and family obligations that cannot be met outside the regular school day. Personal business days may be used for such things as court appearances, attending graduation exercises of children and attending funerals of relatives, providing that arrangements are made with the school principal five (5) days in advance of the anticipated absence. A. The parties seek to educate young people in the democratic traditions, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of the respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere in which academic freedom for teacher and student is encouraged.

B. Freedom of individual conscience, association and expression will be encouraged and fairness in procedures will be observed both to safeguard the legitimate interests of the schools and to exhibit by appropriate examples the basic objectives of a democratic society.

In the event that the teacher feels his evaluation was incomplete or unjust, he may put his objections in writing and have them attached to the evaluation report to be placed in his personnel file. All evaluations shall be based upon valid criteria for evaluating professional growth as jointly determined by the Board and the Association.

E. No later than March 15 of each probationary year the final written evaluation report will be furnished to the Superintendent covering each probationary teacher. A copy shall be furnished to the teacher. F. Each teacher shall have the right upon request to review the contents of his own personal file. A representative of the Association may, at the teacher's request, accompany the teacher in this review. No material may be placed therein without allowing the teacher an opportunity to file a response thereto, and said response shall become a part of said file.

ARTICLE XVII

PROFESSIONAL BEHAVIOR

A. Teachers are expected to comply with rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement.

B. The Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior. The Association shall deal with ethical problems in accordance with the terms of such Code of Ethics of the Education Profession.

The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline of the Code of Ethics of the Education Profession shall be promptly reported to the offending teacher and to the Association. The Association will use its best efforts to correct breaches of professional behavior by any teacher and, in appropriate cases, may institute proceedings against the offending teacher. D. A tenure teacher shall at all times be entitled to have present a representative of the Association when he is being reprimanded, warned or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present.

ARTICLE XVIII

PROFESSIONAL IMPROVEMENT

A. The parties support the principle of continuing training of teachers, participation by teachers in professional organizations in the areas of their specialization, leaves for work on advanced degrees or special studies and participating in community educational projects.

B. The Board agrees, if prior approval is granted by the Superintendent, to provide upon application the necessary funds for teachers who desire to attend select professional conferences and Michigan Department of Education Curriculum Committee meetings. Travel, meals, lodging, and registration fees shall be deemed appropriate expenses of the Board, as well as the cost of the substitute teacher needed to relieve the participant. A teacher attending such conferences and meetings shall be granted sufficient leave time to attend without loss of compensation.

ARTICLE XIX

MAINTENANCE OF STANDARDS

A. The duties of any teacher or the responsibilities of any position in the bargaining unit will not be substantially altered or increased without prior negotiation with the Association.

ARTICLE XX

REDUCTIONS IN PERSONNEL AND ANNEXATIONS AND CONSOLIDATIONS OF DISTRICTS

A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be merged or combined.

B. Should unforeseen changes in student population or other conditions make a reduction necessary in the number of teachers employed by the Board, the Board will retain those teachers with the longest service in the school district having permanent teaching certification and qualified to teach at the level assigned. Longer service will be the ruling factor in reduction of staff

providing they have permanent certification and are qualified to teach at the level assigned. The Association and Board will further use their best efforts to assist all teachers terminated for lack of work to secure employment in adjacent school districts upon terms and conditions as nearly comparable as possible. Nothing herein shall relieve the Board from fulfilling the terms of any contract with a teacher.

ARTICLE XXI

CONTINUITY OF OPERATIONS

A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees that it will not, during the period of this Agreement, directly or indirectly, engage in or assist in any strike, as defined by Section 1 of the Public Employment Relations Act.

B. There shall be a procedure for publicly notifying teachers and students of schools closing. The Superintendent with counsel of local government agencies and the bus supervisor, will be responsible to determine such closing.

C. Nothing in this Article shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by act of God. When all schools are closed to students due to adverse or inclement weather, teachers shall not be required to remain or to report for duty. In the event it is necessary to close a building or buildings down for whatever other cause than the reasons cited in this paragraph, the teacher may be assigned to other duties while the building(s) is/are closed.

L. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

M. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given the opportunity to be present at each meeting with the aggrieved teacher after Level One.
