ARTICLE 1 - AGREEMENT

1.01

This Agreement is entered into between the County of Wayne, Michigan, (Employer), and the Government Administrators Association and its affiliate Chapter, the Wayne County Professional Nurse Council, Unit 2 (Association).

ARTICLE 2 - PURPOSE AND INTENT

2.01

The purpose of this Agreement is to set forth wages, hours, terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual benefit of the County, in its capacity as an employer, the employees and the Association.

2.02

The parties recognize that the interest of the Community, and the job security of the employees depend on the Employer's success in establishing and the employees' success in rendering services to the public. To achieve this goal, the Employer and the Association encourage friendly and cooperative relations between their respective representatives at all levels and among all employees.

2.03

The parties further recognize that the Employer and the Association are legally and morally obligated to guarantee to all citizens a fair and equal opportunity for employment and to these ends agree that no persons shall be denied employment, or membership in the Association, nor in any way be discriminated against because of sex, age, height, weight, race, color, creed, national origin, political or religious beliefs, disability, marital status, and as otherwise provided by law.

ARTICLE 3 - RECOGNITION

3.01

Pursuant to and in accordance with all applicable provisions of the Public Employment Relations Act (PERA), as amended, the Employer recognizes the Association as the sole and exclusive collective bargaining representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment as defined by the terms of this Agreement for those employees included in the designated bargaining unit.

3.02

The bargaining unit shall consist of all employees of the Employer holding positions in classifications designated as:

Registered Nurse 3	Public Health Nurse 3
Registered Nurse 4	Public Health Nurse 4
Nurse Practitioner	Public Health Nurse Consultant

New classes may be added by agreement between the parties. Bargaining unit positions shall not be retitled for the purpose of removing same from the bargaining unit without prior agreement between the Employer and the Wayne County Professional Nurse Council.

3.03

Part-time, temporary and seasonal employees holding positions in classifications designated in Section 3.02 shall be included in the bargaining unit covered by this Agreement, provided they have been continuously employed for a period of ninety (90) days from the date of last appointment during the term of this Agreement. Temporary and seasonal employees shall not gain regular status nor be eligible for any benefits.

3.04

Entrance provisional County employees, i.e., new hires, in positions listed in Section 3.02 above shall not continuously be employed more than one-hundred eighty (180) days, except through notification to the Association and by mutual agreement between the parties to this Agreement.

3.05

Limited term, temporary and vacation relief employees shall not gain regular status or be eligible for any fringe benefits unless otherwise specifically provided by this Agreement, by virtue of time served in such positions.

ARTICLE 4 - AID TO OTHER ORGANIZATIONS

4.01

The Employer agrees and shall cause its designated representative not to aid, promote, or finance any other labor group or organization which purports to engage in collective bargaining or enter into any agreement with any such group or organization for the purpose of undermining the Association.

4.02

The Association shall not enter into agreements with any other organization against the interest of the Employer.

ARTICLE 5 - ASSOCIATION SECURITY

5.01

Employees covered by this Agreement at the time it becomes effective and who are members of the Association at the time shall be required to continue membership in the Association or pay a monthly service charge for the duration of this Agreement.

5.02

Employees covered by this Agreement who are not members of the Association at the time it becomes effective and who have been employed for a period of thirty (30) days, who do not make application for membership in the Association within thirty (30) days after the effective date of this Agreement, shall, commencing with the first bi-weekly payroll period thereafter and for the duration of this Agreement, pay to the Association a service charge in the amount equal to the regular monthly dues as a contribution toward the administration of this Agreement. The provisions also apply to part-time, temporary and seasonal employees as defined in Section 3.03, provided that said employees shall not be required to comply until completion of ninety (90) days of employment.

5.03

The provisions of this section shall also apply to all employees as defined in Article 3, Section 3.03, provided that said employees shall not be required to comply until completion of ninety (90) days.

5.04

Within ten (10) working days from the date of hire, the Employer shall furnish the Association, and the W.C.P.N.C. with the name, department, classification, and date of hire of each new employee.

5.05

Failure to comply with the provisions of Sections 5.01, 5.02, and 5.03 shall be cause for the termination of the employee.

5.06

No employee shall be terminated under this Article unless the Association has first notified the Labor Relations Director in writing that the employee has elected not to join the Association or pay the service charge, and is not in compliance with the provisions of this Article. Upon receipt of such written notice, the Labor Relations Director shall, within five (5) workdays, notify the employee that unless there is immediate compliance, the employee will be terminated not later than the end of the next pay period.

5.07

The Employer shall not be liable to the Association by reasons of the requirements of this Agreement for the remittance of payment of any sum other than that constituting actual regular dues or fee deductions made from wages earned by employees.

5.08

The Association will protect and save harmless the Employer from any and all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

ARTICLE 6 - PAYMENT OF ASSOCIATION DUES

6.01

During the life of this Agreement, the Employer agrees to deduct Association membership dues, special purpose contributions, and/or any other fees levied in accordance with the Constitution and By-laws of the Association, from the pay of each employee who executes or has executed an "Authorization for Association Deduction" form. Such dues, and/or fees, must be tendered by payroll deduction.

6.02

Deductions shall be made only in accordance with the provisions of said "Authorization for Association Deduction" form. A properly executed copy of such "Authorization for Association Deduction" form for each employee from whom membership dues and/or fees are to be deducted shall be delivered to the Employer before any payroll deductions are made. Any "Authorization for Association

Deduction" forms which are incomplete or in error will be returned promptly to the Association by the Employer.

6.03

Deductions for each calendar month shall be remitted to the Association within fifteen (15) days after the date of deduction, with a listing of employees for whom said deductions were made. The Employer will also provide a listing for the President of the W.C.P.N.C.

6.04

The Employer shall not be liable to the Association by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees. The Association will defend, indemnify, and save harmless the Employer from any and all claims, demands, suits and other liability by the Employer for the purpose of complying with this Article.

ARTICLE 7 - PAYMENT OF SERVICE CHARGE

7.01

Employees who do not authorize deductions for Association dues shall tender the monthly service charge by signing the "Authorization for Deduction of Service Charge" form.

7.02

Upon notification by the Association to the Employer that the employee has elected not to make application for membership in the Association or sign an "Authorization for Deduction of Service Charge" form, the Employer shall inform the employee of the provisions of the Agreement and the possible consequences of noncompliance.

7.03

Deductions for each calendar month shall be remitted within fifteen (15) days after date of deduction to the Association with a listing of employees for whom said deductions were made. Also, a listing will be sent to the President of the W.C.P.N.C.

7.04

7.05

The Association will defend, indemnify and save harmless the Employer from any and all claims, demands, suits and other liability by reason of action taken or not taken by the Employer for the purpose of complying with this article.

ARTICLE 8 - MANAGEMENT RIGHTS

8.01

The Association recognizes that the Employer retains the sole right and shall have a free hand to manage and operate the various departments in which the employees represented by the Association are employed, including, but not limited to, the sole right to decide the number and assignment of employees; to maintain order and efficiency; to make rules of conduct for employees; to hire, lay off, discipline, discharge, assign, transfer and promote employees; and to determine the starting and quitting time and the number of hours in each day to be worked, subject only to the terms and conditions of this Agreement. The Employer shall have the sole right to administer all matters not specifically included in this Agreement without limitations, implied or otherwise.

ARTICLE 9 - REPRESENTATION

9.01

The Association shall be represented in the Grievance Procedure by Professional Rights and Responsibility Representatives, hereinafter referred to as Area Representatives.

9.02

It is mutually recognized that the principle of proportionate representation is a sound and equitable basis for determining the number of Area Representatives provided by this Agreement.

9.03

The Association shall maintain a current list of Area Representatives for each designated area, and shall furnish the Employer with a copy of same, and a copy will be sent to the appropriate management representative with the name of the representative for the designated area.

9.04

The Employer shall furnish the Association with a corresponding representative list for each designated area.

9.05

Area Representatives during their work hours, without loss of time or pay, may investigate reported grievances within their designated area and present said grievances to the Employer or the appropriate management representative. Before entering upon such Association business, Area Representatives shall give notice to and receive approval from their supervisor or designee. Approval for release from their work assignment for this purpose, for such time as may be necessary, will not be unreasonably withheld. Any alleged abuse by either party shall be a proper subject for a Special Conference as provided by this Agreement.

9.06

The Association as covered by this Agreement shall be entitled to representation by Area Representatives on the following basis:

WAYNE COUNTY HEALTH DEPARTMENT	
Area Representative	2
WAYNE COUNTY JUVENILE DETENTION FACILITY	
Area Representative	1
WAYNE COUNTY SHERIFF'S OFFICE JAIL DIVISIONS	
Area Representative	
Detroit	1
Hamtramck	1

9.07

All Area Representatives shall be full-time regular employees of the bargaining unit within the jurisdiction of the respective work areas. The Employer or appropriate management representative shall be promptly notified of the selection of the Area Representatives as herein provided or of any subsequent replacement.

9.08

The Association may call upon an Area Representative for assistance in processing grievances involving the interpretation or application of this Agreement, or for the purpose of reaching a prompt settlement of group or policy grievances. Before entering upon such Association business, the Area Representative shall give notice to and receive approval from the appropriate management representative and shall thereupon be released from normal work assignments, without loss of pay, except for a stated emergency work situation.

9.09

Area Representatives shall be retained in their work areas for representation purposes during layoffs, regardless of seniority, as long as there is work to be performed within their classification.

There shall be no exchanges or handling of grievances by Area Representatives other than those of their designated area, except by mutual agreement.

9.10

The President of the W.C.P.N.C. Chapter shall report daily to his or her scheduled work assignment, unless prior approval is given by the appropriate management representative. The President of the W.C.P.N.C. Chapter may request and be granted time off without loss of pay to present grievances involving the interpretation or application of this Agreement to the Division of Labor Relations or appropriate management representatives as outlined in the grievance procedure.

9.11

The President of the W.C.P.N.C. Chapter may attend the meetings of County Boards, Commissions, and Committees when matters involving the Association are on the agenda. Prior notice must be given and approval must be obtained by the President before such time off will be approved.

9.12

Whenever the President of the W.C.P.N.C. Chapter is required to perform administrative duties limited to internal Association business or functions, she may be granted time off without compensation, but without loss of such benefits to which she would otherwise be entitled. Requests for such time off without pay may be granted upon prior notice to the appropriate management representative.

9.13

It is understood between the parties that for the purpose of maintaining continuity in representation of Bargaining Unit members, the 1st Vice-President of the W.C.P.N.C. Chapter will serve as the alternate to the W.C.P.N.C. Chapter President. It is further understood that the 1st Vice-President will function in the absence of the President on occasions when the absences exceed continuous periods of one (1) week, or shorter periods when mutually agreed upon.

9.14

The President of the W.C.P.N.C. or designee may participate in the grievance procedure at any level of the grievance procedure. The Council or the department head may request participation of a representative of the Association. The Employer shall not be liable for expenses of the Association representative.

9.15

The W.C.P.N.C. shall have use of available habitable space for conducting Council Activities with the approval of the Employer or designee.

9.16 Bargaining Committee

The Employer will recognize a collective bargaining committee of representatives of Unit 2 covered by this Agreement. The actual number of bargaining committee members shall be fixed by mutual agreement based upon the make up of the bargaining unit; however, in no event shall the number of paid employees exceed two (2).

ARTICLE 10 - GRIEVANCE PROCEDURE

10.01

In the event differences should arise between the Employer and the Association during the term of this Agreement as to the interpretation and application of any of its provisions, the parties shall act in good faith to promptly resolve such differences in accordance with the following procedure.

10.02

Whenever an employee believes that any provision of this Agreement has not been properly interpreted or applied, the procedure hereinafter provided shall be followed.

10.03

The grievance procedure contained in this Agreement shall be the exclusive grievance procedure for all members of the bargaining unit.

10.04

The Association shall have the right to commence a grievance at the level of management causing the alleged grievance. Grievances involving disciplinary actions taken against an employee shall be initiated at Step 2 of the grievance procedure. Oral and written reprimands may only be grieved up to Step 3, which will be the final step. However, probationary employees shall not have access to the grievance procedure in matters of discipline or discharge.

In the event a grievance affects two or more employees and/or the Association, the Association may file a policy grievance. Such grievance shall be filed within ten (10) calendar days at Step 3 of the grievance procedure.

All grievances filed by the Association must be signed by the representative, and the employee if possible. Only the representative is required to sign a policy grievance.

Informal Discussion:

The employee, with a representative or a representative acting alone, but on behalf of the employee, shall discuss the complaint with Management's designated Step 1 representative. The aforementioned person shall then attempt to resolve the matter, or shall orally respond to the Representative.

Step 1:

If the grievance or dispute is not satisfactorily settled by discussion, it shall be presented in writing by the Area Representative to the appropriate division head or designated Step 1 representative within fourteen (14) calendar days after the grievance arose. The aggrieved employee and/or the Area Representative shall be given a reasonable time, during work hours, to prepare the written grievance. All written grievances shall specifically describe the nature of the complaint, the date the alleged grievance occurred, the identity of the employee or employees involved and the provisions of this Agreement the Association claims the Employer has abridged or failed to apply.

The designated Step 1 representative may meet and discuss the grievance with the Association Representative. All parties directly involved and witnesses may attend such meeting. Within fourteen (14) calendar days from the receipt of the written grievance, the designated representative shall respond in writing to the Association representative.

Step 2:

If the grievance or dispute is not satisfactorily settled in accordance with Step 1 above, it shall be presented in writing by the Association to the appropriate department head or designated representative within seven (7) calendar days after the Step 1 response is issued. The department head or designated representative may meet and discuss the grievance with the W.C.P.N.C. President or Association Representative or designated representative. Within fourteen (14) calendar days from the receipt of the grievance at Step 2, the department head or designated representative shall respond in writing to the W.C.P.N.C. President.

Step 3:

If a grievance has not been completely resolved as provided above, the Association may submit the grievance to the Labor Relations Division for further review as follows;

A grievance may be submitted in writing, with copies of all previous responses, to the Employer's Labor Relations Division within fourteen (14) calendar days. The Labor Relations Division representative may within fourteen (14) calendar days meet and discuss the grievance with the W.C.P.N.C. President or Association Representative and the department head or designated representative. The Employer's Labor Relations Division shall submit a written disposition of the appeal to the Association Executive within fourteen (14) calendar days.

Failure of the Association to appeal the grievance to the next highest step shall constitute acceptance of the Employer's last response, while failure by the Employer to act upon a grievance within the specified contract time shall permit the Association to appeal immediately to the next step.

Step 4

If a grievance has not been completely resolved at the previous steps, the Association may submit the grievance to arbitration in accordance with the following procedures:

- A. Within thirty (30) calendar days after the execution of the Agreement, the parties shall agree on a panel of four (4) arbitrators using the following procedure:
 1. Each party will provide the names of four arbitrators, for a total of eight arbitrators.
 2. Of these eight arbitrators, the parties will alternately strike names until a panel of four arbitrators remains.
 3. The Employer's representative and the Association's representative will flip a coin to determine who has the first strike. The person who wins the flip will determine who goes first.

4. The panel of four arbitrators will be used throughout the term of the collective bargaining agreement, unless a party decides to replace an arbitrator and a replacement is agreed upon.
 5. The parties may select a new panel if the initially selected panel is not available within a reasonable time to schedule hearings.
- B. Arbitration shall be invoked by written notice from the Association to the Labor Relations Division of its intention to arbitrate. Such notice shall be given within thirty (30) calendar days of receipt of the Step 3 answer.
 - C. The parties shall send letters, or by electronic transmission, contact each of the four (4) arbitrators. The arbitrator with the earliest hearing date will be selected.

The parties may agree on a new panel if the initially selected panel is not available within a reasonable time.

- D. It shall be the responsibility of the Association to initiate the selection process. If an arbitrator is not selected and the arbitration hearing is not scheduled within sixty (60) calendar days from the notice of intention to arbitrate, the grievance will be considered settled based on the last management answer to the grievance.
- E. Each grievance shall be submitted to a separately convened arbitration, except when the Association and the Employer mutually agree to have more than one grievance submitted to the same arbitrator.
- F. The arbitrator shall have no authority to amend, alter or modify this Agreement.
- G. All claims or awards for back wages shall be limited to ten (10) workdays from the written grievance except in cases of improper recall in which case the employee will be made whole. All claims for back wages shall be limited to the amount of wages and other benefits excluding overtime that the employee otherwise would have earned, less any compensation received for employment or unemployment compensation obtained subsequent to removal from the payroll of the Employer. However, in the event that the subject of the grievance involves overtime the above language regarding overtime shall not apply.
- H. The decision of the arbitrator shall be binding upon the parties and affected employees.
- I. The fees and expenses of the arbitrator shall be borne equally by the Employer and the Association. All other expenses shall be borne by the party incurring same.

10.05

It is understood that any of the time periods provided herein may be extended by mutual agreement in writing.

10.06

The Employer shall provide the Association with a list of Step 2 and Step 3 representatives and alternates. No changes shall be effective until forty-eight (48) hours after the Association is notified of the new representative.

ARTICLE 11 - DISCIPLINARY PROCEDURE

11.01

Employees shall not be subject to any form of discipline except for just cause. If the Association determines to appeal any disciplinary action it shall file a grievance in accordance with Article 10.

11.02

All incident and other investigatory reports then available shall be included with the disciplinary papers when served, with copies to be furnished to the Association.

11.03

Before any employee shall be required to make any written statement or written reply pertaining to any alleged misconduct on his/her part, the matter shall first be discussed between the employee, the Association representative, and the Supervisor. The employee shall have two (2) working days after such meeting to make the written statement, with a copy to the Association representative if the employee so desires.

11.04

Disciplinary action may be imposed upon an employee for failure to fulfill the employee's job responsibilities or for improper conduct while on the job, or for off the job conduct, which is tied to his or her employment, that tends to bring the Employer into public disrepute.

11.05

When the employing Department determines that a disciplinary matter requires an investigation, a hearing shall be formally opened and then suspended for

investigation. The Association will be notified at the time the case is suspended when the disciplinary hearing shall take place. This notice will allow the Association to do its investigation into the matter before discipline is issued.

11.06

The Association representative shall be present at the time disciplinary action is imposed and shall represent the employee at all levels of disciplinary proceedings. All disciplinary actions shall be subject to the grievance procedure. However, oral and written reprimands may only be grieved up to Step 3, which will be the final step.

11.07

Nothing in this article shall prevent the department from taking immediate and appropriate disciplinary action should it be required by the circumstances, with proper written notice thereof to the Association at the time such immediate action is taken.

11.08

The intent and purpose of the following is to provide for progressive disciplinary action.

1. Oral Reprimand;
2. Written Reprimand;
3. Suspension, or demotion (not to exceed five (5) months); and
4. Termination

11.09

Should it be necessary to reprimand any employee, the reprimand shall be given so as not to cause embarrassment to the employee before other employees or the public.

11.10

The Labor Relations Director or a designated representative may modify a disciplinary action except that the severity of the discipline shall not be increased but may be lessened.

11.11

There shall be one official personnel file. Such file should be maintained at the main Wayne County Personnel Office.

11.12

A notation of oral reprimand by date and subject only, may be placed in the employee's official personnel file.

11.13

When initiating a disciplinary action on a current charge, the Employer shall not take into consideration any prior discipline if the employee has had 24 months of actual service from the date of the prior discipline.

11.14

Upon written request, an employee's official personnel file in the Personnel/Human Resources Department may be reviewed every six (6) months. Such request shall be complied with within five (5) workdays.

11.15

No employee of this bargaining unit shall be subject to disciplinary action for appearing before a State or Federal Grand Jury at which the employee presented testimony under oath and has been sworn to secrecy.

11.16

Employees charged with the commission of any felony or of a misdemeanor involving criminal or moral conduct during work hours or related to the work location or job responsibility, shall have the circumstances unilaterally reviewed by the Employer. After said review, the employee may be suspended, or reassigned to a less sensitive position, without loss of pay or benefits pending the judicial determination of said charge at the trial level.

11.17

Employees convicted of the commission of any felony or a misdemeanor during work hours or related to their work location or job responsibility may be disciplined.

11.18

No employee of this bargaining unit will be subject to disciplinary action for taking part in political activity when not on duty and/or out of uniform.

ARTICLE 12 - SPECIAL CONFERENCES

12.01

Special conferences will be arranged between the Association and the Employer upon the written request of either party. Request for special conferences shall be made at least 24 hours in advance, and the conference shall be held within ten (10) workdays after the request is made. An agenda of the matters to be taken up at the meeting, together with the names of the conferees shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. Such conferences shall, to the extent possible, be held during regular work hours.

Members of the Association shall not lose time or pay for the time spent in such special conferences and no additional compensation will be paid to such employees for time spent in such conference beyond regular work hours. A representative of the Association or an alternate representative may attend the special conferences. Matters of a grievable nature, if not resolved in conference, shall be moved to the appropriate step of the grievance procedure, such step being agreed to in writing by the Conferees.

ARTICLE 13 - STRIKES AND LOCKOUTS

13.01

The Association agrees that it will not call, engage in, participate in or sanction any strike, sympathy strike, stoppage of work, sit down, slow down or any other interference with the conduct of the business of the Employer. The Employer agrees that it shall not lock out its employees.

13.02

The Association agrees that in the event of a strike, stoppage of work, sit down or slow down by other County employees, the members of the Association will work as assigned by the Employer to continue the functions of County government, providing that bargaining unit members are not required to place themselves in physical danger in order to cross a picket line. Where such danger may exist, employees are to contact their immediate supervisor for assistance.

ARTICLE 14 – CIVIL SERVICE RULES

14.01

To the extent they are not in conflict with other provisions of this Agreement, the existing Wayne County Civil Service Rules, as revised to August 27, 1976, are incorporated by reference into this Agreement. No modification, deletion or change shall be effective without prior notification and bargaining with the Association and the mutual agreement of the parties.

ARTICLE 15 - PROBATIONARY EMPLOYEES

15.01

The Association shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment, except no matter concerning the discipline, layoff, or termination of a probationary employee shall be subject to the grievance procedure.

15.02

All newly hired full-time and part-time employees shall serve a probationary period of 1,040 straight-time hours of work during which time they will be considered "probationary employees". Periods of time absent from work shall not be counted toward completion of the probationary period. A probationary period may be extended by mutual agreement of the parties.

15.03

Probationary employees shall receive an evaluation at two (2) month intervals.

15.04

Probationary employees' service with the Employer may be terminated at any time in the sole discretion of the Department Head and neither the employees so terminated nor the Association shall have recourse to the Grievance Procedure over such termination.

15.05

After an employee has successfully completed the probationary period, an employee shall become a regular full-time or part-time employee and seniority

rights shall be in accordance with this Agreement.

ARTICLE 16 - SENIORITY

16.01

Except for retirement, annual leave and sick leave, the seniority of each bargaining unit member shall be determined by the employee's date of entry into the bargaining unit. Seniority for part-time employees shall be earned for each hour worked. Seniority, as stated in this section, is defined as total continuous service in both Units 1 and 2 of the Wayne County Professional Nurse Council.

16.02

It is understood that seniority herein defined is not intended to reduce in any way benefits granted in Articles of this Agreement.

16.03

In the event two (2) or more employees shall have the same seniority date, their placement on the seniority list shall be determined by comparing the last four (4) digits of each employee's Social Security number. In case of a dispute in seniority, the Employer shall make the determination with a representative of the Association present. The employee with the lower four (4) digit number shall be placed highest on the seniority list. (i.e., 0000)

16.04

An employee shall continue to earn bargaining unit seniority credits without limitation during layoff, suspension, unpaid or paid leave of absence due to illness, disability, military service, Association business, or when receiving workers' compensation benefits.

16.05

Effective with the signing of this Agreement, any bargaining unit employee promoted or transferred to a position outside the bargaining unit shall have his or her bargaining unit seniority frozen as of the date of such transfer or promotion. The Association and the Wayne County Professional Nurse Council shall be notified within ten (10) working days of such transfer or promotion.

16.06

The Employer shall provide a list of bargaining unit employees upon the effective date of this Agreement which will show names, job titles and seniority dates. The Association and the President of the Wayne County Professional Nurse Council shall be furnished up-to-date copies of seniority and salary lists at least every three (3) months. Once the list is delivered to the Council, any suspected errors shall be submitted to Labor Relations within sixty (60) calendar days, Labor Relations shall answer within fourteen (14) calendar days.

16.07

An employee shall lose seniority for the following reasons only:

ARTICLE 28 - INSURANCE PROGRAM

Except where it is in conflict with the express terms of this agreement the *Wayne County Health and Welfare Benefit Plan* is incorporated by reference.

28.01 Medical Insurance

- A. During each open enrollment, qualified employees will be eligible to select a medical plan among the available options listed below:
 - 1. Health Maintenance Organization (HMO) (Table A)
 - 2. Preferred Provider Organization (PPO) (Table B)
 - 3. Traditional Plan (Table C)
 - 4. High Deductible Plan (Table D)
- B. Prescription drug coverage will also be provided for qualified employees enrolled in an available medical plan, subject to graduated co-payments based on the class of drug prescribed in accordance with the *Wayne County Health and Welfare Benefit Plan*. (Table E).
- C. Active Employees will be required to contribute toward the cost of healthcare as an hourly rate for the 2006-07 and 2007-08 plan (fiscal years) based on the following schedule:

HOURLY CONTRIBUTION BASED ON 2080 ANNUAL HOURS	PRE-TAX HOURLY CONTRIBUTION	ESTIMATED AFTER-TAX HOURLY CONTRIBUTION
PPO or HMO Rates (without Rx)	\$ 0.45	\$ 0.32
Traditional Rates (without Rx)	\$ 1.34	\$ 0.94
Prescription Drug Rates	\$ 0.10	\$ 0.07

- D. Hourly contributions for each plan year, after the 2007 – 2008 plan year, will increase or decrease at the same rate at which reported monthly illustrative rates or premiums increase or decrease, not to exceed ten percent (10%) over the previous year's contribution rate for the specified plan.

Contributions shall be made based on a 2080-hour work year and paid out of the first two (2) pays of each month. Employees on any type of leave of

absence who continue to be enrolled in an Employer-sponsored healthcare plan shall be required to make the monthly contribution in order to maintain enrollment in the plan regardless of the number of hours actually paid or type of time used (e.g., regular, annual, sick, etc.). Overtime hours shall not be used to calculate contributions.

- E. Employees who retire from County service who are eligible for post retirement healthcare benefits shall participate in the same healthcare plan options, coverages, co-pays, deductibles, etc. as active employees covered by this, or any subsequent, collective bargaining agreement.
1. Employees retiring under the provisions of this Agreement shall make monthly contributions toward the cost of medical and prescription drug benefits based on the average monthly premiums and/or illustrative rates ("rates") of the medical and prescription drug plans available to retirees. The average monthly rates for the separate medical and prescription drug plan categories shall be calculated by averaging the single-person, two-person and family rates of each available plan resulting in an average monthly plan rate for each available plan. The average monthly plan rates for the PPO and HMO medical plans shall then be further averaged together to reach the standard average monthly medical plan rate.
 2. Retirees enrolling in either the PPO or the HMO plan option shall contribute ten percent (10%) of the standard monthly medical plan rate in addition to ten percent (10%) of the average monthly prescription drug plan rate. Retirees electing to enroll in the Traditional plan option shall contribute an amount equal to retirees enrolled in the PPO or HMO plan option plus the monthly rate difference between the standard average monthly medical plan rate and the average monthly Traditional plan rate.
 3. Retirees with gross income of \$31,000 or less for the previous year will contribute seven and one-half percent (7.5%) of the County's illustrative rate or fifty percent (50%) of the estimated pre-tax hourly contribution rate in the above table, whichever is less.
 4. Retirees' contributions for each plan year after the 2007-08 plan year shall be increased / decreased at the same rate at which reported monthly illustrative rates or premiums increase or decrease, not to exceed ten percent (10%) over the previous plan year's contribution rate for the specified plan.
 5. Contributions toward the cost of retiree healthcare shall continue at the appropriate rate as described above until the first of the month after the retiree is within five (5) years of eligibility for Medicare due to age. The rate in effect at that point in time shall thereafter be the maximum monthly contribution rate for that retiree and shall be assessed until such time as the retiree and all covered dependents have enrolled in Medicare. Contributions toward health care costs shall not be assessed against the retiree during months when all covered members are enrolled in Medicare.

- F. Qualified employees may select only one health care plan option. Selection and enrollment of a qualified employee and his or her eligible dependents in an available health plan will remain the responsibility of the employee.
- G. Healthcare coverage for eligible dependents will be in accordance with the terms and conditions outlined in the *Wayne County Health and Welfare Benefit Plan*. However, the cost for dependent children between the ages of 19 and 24 who are not full-time enrolled students will be \$75 per month.
- H. Spouses who are eligible for primary medical coverage through another employer shall not be eligible for primary coverage through Wayne County.
- I. All employees who are newly hired, rehired, re-employed or reinstated must participate in the plan of the County's choice for at least one year. Participation will begin the first of the month following the effective date of active service and will continue without election until completion of one year in the mandatory plan.
- J. In the event Federal legislation which provides health care coverage for employees covered by this Agreement is enacted into law during the term of this Agreement, the parties agree to renegotiate the provisions of this section as needed upon request.

28.02 Healthcare Benefit Opt-Out Program

At the Employer's option, a Healthcare Benefit Opt-Out Program may be offered in accordance with the terms and conditions outlined in the *Wayne County Health and Welfare Benefit Plan*.

Benefits will be restored every two (2) years on October 1 of each odd numbered year.

Once participation in this program is elected, the enrollment shall be maintained for a minimum of two (2) years. After the two (2) year period, the employee may elect another vision/optical program.

28.05 Vision Benefits Option

1. During open enrollment, instead of participating in the Optical Program, full-time active employees have the option of selecting vision insurance coverage for themselves and their eligible dependents.
2. Vision exams will be covered under the employee's medical plan once every twenty-four months.
3. Frames, lenses or contact lenses will be covered once every twenty-four months under a vision benefit plan at the levels provided in Table F.

The Employer also reserves the right to change a provider or benefits administrator with 60-days notice to employees.

28.08 Life Insurance

The Employer shall pay the full premium for \$25,000 of group life insurance for each full-time permanent employee within the bargaining unit.

Supplemental life insurance is available under a group plan at the option of the employee.

Full-time employees for purposes of this article, shall mean an employee who is hired to perform at least thirty-two (32) hours of work per week.

28.10 Workers' Compensation

Workers' Compensation benefits shall be paid in accordance with the qualification period established by state law as set forth in the Michigan Workers' Disability Compensation Act ("WDCA"). The Workers' Disability Compensation Act currently provides a mandatory seven (7) day waiting period before compensation payments commence. To minimize financial loss during this time period, an employee shall be permitted to draw upon accumulated sick and annual leave respectively, if available. If sufficient sick and annual leave does not exist, the employee must request a leave of absence without pay.

28.11

When workers' compensation payments commence, unused sick and annual leave may be used (at the employee's option) to supplement compensation payments. Under no circumstances shall the combined income sources exceed one hundred percent (100%) of the employee's weekly after tax wages.

28.12

If an employee has used sick and annual leave during the period of workers' compensation disability, sick and annual leave will be restored only after reimbursement is made to the County for full dollar value of time used. The County's liability will not exceed the statutory rate prescribed by the Michigan Department of Labor & Economic Growth - Workers' Compensation Agency.

28.13

Employees on workers' compensation shall receive medical, optical, life, and dental insurance benefits pursuant to this collective bargaining agreement for no more than eighteen (18) months of continuous disability.

28.14

Employees receiving workers' compensation for up to eighteen (18) months shall earn annual leave at 50% and sick leave at 75%.

28.15

All claims established prior to July 30, 1984 shall be processed in the previously established manner with all previous entitlements.

28.16

If an employee receives an economic benefit from the Employer's automobile insurance carrier as a result of the employee being injured during the course of his or her employment, said payment shall offset the employee's statutory workers' compensation benefits on a dollar-for-dollar basis.

The combined statutory workers' compensation benefit and the economic benefits from the Employer's automobile insurance carrier shall equal one hundred percent (100%) of the employee's net pay and no more.

28.17

Where an employee is found to be ineligible for or overpaid workers' compensation benefits, the Employer may recover those benefits through payroll deduction upon the employee's return to work or by offsetting any other pay or benefits in equal amount.

28.18 Long Term Disability Income Benefit Plan

Members of the bargaining unit shall be covered by a long-term disability income protection plan, which pays a member 60% of the regular base wage rate up to a maximum of \$2,200 per month. Employees covered by the Long Term Disability Income Benefit Plan who are also in the Cash Plan Sick Leave Program qualify for benefits after thirty (30) calendar days of a non-work related illness or disability, or the use of all sick time, vacation and holiday time, whichever occurs last. Once approved for long-term disability benefits, an employee may elect to utilize accumulated annual leave or personal business leave. The employee shall receive benefits under the terms and conditions of the *County of Wayne, Michigan, Long Term Disability Income Benefit Plan* as may be amended. All others qualify for benefits after 60 calendar days of illness or disability or the use of all sick leave, annual leave and holiday time, whichever occurs last.

28.19

If an employee is disabled and the disability / injury is non-work related, then the employee is qualified to collect long-term disability benefits, provided the employee has filed his or her claim for long-term disability benefits in accordance with the terms of the *Long-Term Disability Income Benefit Plan* and the employee can establish a medical disability as defined by the *Long-Term Disability Income Benefit Plan*.

If an employee is disabled and the disability / injury is determined to be work related, then the employee may be qualified to collect workers' compensation benefits provided the employee has filed his or her claim in accordance with the terms of the Michigan Workers' Disability Compensation Act and is eligible to receive benefits in accordance with the Michigan Workers' Compensation laws.

If an employee is disabled and the causation of the disability / injury is in dispute or is undetermined, the employee may pursue both a workers' compensation claim in accordance with the terms of the Workers' Disability compensation Act and the Michigan workers' compensation laws and a claim for long term disability benefits in accordance with the terms of the County's *Long Term Disability Income Benefit Plan*.

A claim made for long term disability benefits in accordance with the terms of the *Long Term Disability Income Benefit Plan* in a case where causation is undetermined or in dispute will not be denied solely on the basis that the employee has filed a claim for workers' compensation benefits for the same disability or injury. The employee may receive long-term disability benefits if he or she can establish disability in accordance with the terms of the County's *Long Term Disability Income Benefit Plan*, pending the outcome of a workers' compensation adjudication or settlement.

28.20

Payment of worker's compensation benefits precludes payment of long-term disability. If long-term disability payments have been made subsequent to favorable adjudication or settlement of the employee's workers compensation claim, the County shall deduct the dollar amount received, by the employee in long-term disability benefits, on a dollar for dollar basis, against the statutory workers' compensation benefits payment to the employee. Employees receiving long-term disability must cooperate in efforts to receive treatment and / or rehabilitation for continued benefits under the plan. Failure to comply may result in termination of benefits.

28.21

Medical, optical, life and dental insurance benefits will continue while on long term disability for up to eighteen (18) months or less of continuous disability.

28.22

The Long-Term Disability Income Program will be totally funded by the County.

28.23

An employee must apply for benefits within fourteen (14) days of the disabling

event or as soon as reasonably possible thereafter. Failure to make application for benefits as prescribed above may be cause for limitation or denial of benefit payment.

Other terms and conditions regarding eligibility for and the application of long-term disability benefits shall be as described in the *Long Term Disability Income Benefit Plan* as amended and restated as of December 1, 1996, which is incorporated by reference.

28.24 Other Insurance

Employees may purchase additional long or short-term disability insurance separate from long-term disability benefits provided by the County. The employee's additional disability insurance benefits shall not be coordinated with benefits from the County's plan, provided the employee does not receive in excess of one hundred percent (100%) of his or her base wages. The additional disability insurance policy will only supplement the employee's income above the maximum benefit level provided under the County's plan, but will not exceed one hundred percent (100%) of his or her base wages.

- E. For routine medical or dental appointments, upon prior approval.

30.08

30.09

The employee may be required by the designated management representative, within reason, to produce evidence in the form of valid medical documentation of the reason for the absence during the time for which sick leave is requested. The collected specimen shall be deposited by the collection site person into a storage container. The cover will then be secured and sealed with a tamper proof tape by the collection site person and witnessed by the employee being tested. After the specimen has been provided to site personnel, the employee being tested shall be allowed to wash his or her hands. The label will be signed by the site person (and if so desired, by the employee), with date and time noted, and secured to the container. The storage container should then be placed into a plastic bag along with a "chain of custody record" with appropriate entry and the plastic bag will be sealed with plastic evidence tape.
4. The sealed plastic bag containing the specimen storage container will be placed in a locked refrigerator utilized only for storage of specimens to be tested. A log book shall be kept of anyone who enters the refrigerator.

C. Laboratory Procedure:

1. An employee of the testing laboratory shall remove the sealed plastic bag from the refrigerator at the collection facility, verify the integrity of the bag and transport sealed plastic bag to the testing laboratory, where the date, time, name, and signature of the receiving person is entered on the chain of custody record. Laboratories must comply with applicable provisions of any Federal and State licensing requirements. Accredited laboratories must have the facility and capability, on site, of performing screening and confirmation tests for each drug or metabolite for which service is offered and requested.
2. The testing laboratory shall maintain a chain of custody record of any individual handling or testing an employee's specimen.
3. Lab Tests
 - a. The initial screening test will be of the RIA and/or EMIT type. If a positive result is obtained a confirmation test will then be conducted.
 - b. A confirmation or follow-up test will be of the Gas Chromatography/Mass Spectrometry method and shall be conducted by the same laboratory which performed the initial

screening. The laboratory shall be required to specify the metabolites tested for, the cut-off levels and the testing procedure used in each drug classification.

- c. In determining whether a test result is positive, the laboratory shall use the following cut-off levels:

	Initial Test Level	Confirmatory Test Level
1. Amphetamines	1000 ng/ml	500 ng/ml
2. Barbiturates	300 ng/ml	200 ng/ml
3. Cocaine Metabolite	300 ng/ml	150 ng/ml
4. Marijuana Metabolite	100 ng/ml	15 ng/ml
5. Opiates	300 ng/ml	300 ng/ml
6. Phencyclidine (PCP)	25 ng/ml	25 ng/ml

4. On completion of all testing:

- a. A signed, dated, timed and contemporaneously written report from the laboratory must be submitted to the collection site within one week of the test. Upon request, the report shall be made available to the employee immediately after its receipt by the Employer.
- b. Negative specimens will be discarded. The chain of custody record, and all other reports pertaining to the test will be kept by the testing laboratory for two (2) years.
- c. If the test is positive, the employee may request, and shall be furnished, the information available regarding:
1. the type of tests conducted;
 2. the results of the test; and
 3. the cut-off level of the methodology employed.

The employee may either request that the remainder of the specimen be retested by the testing laboratory or that the remainder of the specimen be sent to another independent testing facility (following the same chain of custody and cut-off levels outlined in this policy) for retesting.

If the subsequent test is positive, the cost would be borne by the requesting employee. If, however, the subsequent test is negative, the County shall bear the cost of the second, independent test. The remaining preserved specimen will be frozen and properly secured in a long-term locked storage area for a period of two (2) years. The chain of custody record, and all other reports pertaining to the test, will be kept by the testing laboratory for two (2) years. The chain of custody records will upon request be provided to employees testing positive.

D. Choice of Collection Facility and Testing Laboratory:

In the event the Employer wishes to change the collection facility or testing laboratory, the procedures utilized in any subsequent collection facility or testing laboratory shall be as specified elsewhere in this agreement. Any such facility or laboratory shall be licensed by the State or Federal Government. The Association will be informed and shall be given the opportunity to inspect any new facility or laboratory.

48.04 CONSEQUENCES OF VIOLATING THE COUNTY DRUG POLICIES

Disciplinary action will be initiated against any employee found to be in violation of County drug policies. The severity of the action chosen will depend on the specific offense, the employee's work record, length of service and any available pertinent evidence.

The disciplinary action imposed shall be suspension, demotion, reassignment or a combination of such action, or discharge. In general, where use, possession, sale or distribution of certain drugs would be a basis for a felony charge, the employee will be discharged. If the drug(s) involved could result in a misdemeanor charge, discipline less than discharge may be imposed for the first offense. If discipline less than discharge is imposed, mandatory periodic retesting will also be required.

48.05. Confidentiality

All records pertaining to the initiation and administration of this program shall be treated as strictly confidential by the employees of the Department of Personnel/Human Resources. All others must have the written permission of the employee. Copies shall be made available to the employee.

48.06 Grievance Procedure

Any disputes concerning the interpretation or application of this policy shall be subject to the grievance procedure. Grievances shall be initiated at the Labor Relations step within the grievance procedure as indicated in this Agreement.

MEMORANDUM OF AGREEMENT #1

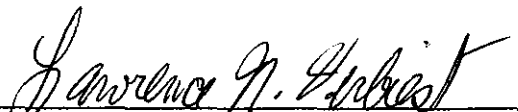

RE: AGENCY FEE PROCEDURES

The parties recognize that a union wishing to collect agency shop service fees must adopt constitutionally adequate procedures. In accordance with the requirements of Chicago Teachers Union v Hudson, 475 US 292 (1986), the GAA must adopt and utilize procedures which provide nonmembers with: (1) an adequate explanation of the basis for the GAA's service fee including disclosure of all major categories of expenses; (2) a reasonably prompt opportunity to object to the fee before an impartial decision maker; and (3) escrow the amounts reasonably in dispute while the challenges are pending and provide for advance reduction of fees for expense categories unrelated to negotiations or contract administration and clearly expended for ideological purposes.

To that end, prior to the enforcement of the required payroll deduction of agency shop service fees for any nonmember challenging the GAA's service fee, the GAA agrees to provide the County with a copy of the GAA's current service fee collection procedures and to certify to the County in writing that the GAA has complied with all requirements of those procedures in connection with the bargaining unit members whose fees are at issue, prior to the County making the required payroll deductions.

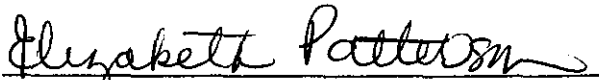

If the procedure is altered or amended the Association agrees to serve the County with a copy and to meet and confer with the County regarding any concerns raised. The Association will certify to the County in writing that the GAA has complied with all requirements of the above referenced procedures prior to the County making the required payroll deductions.

MEMORANDUM OF AGREEMENT #2
Between
THE COUNTY OF WAYNE, MICHIGAN
And
THE WAYNE COUNTY PROFESSIONAL NURSE COUNCIL, UNIT 2

RE: 2008-2011 CBA – 10% EMPLOYEE WAGE / BENEFIT CONCESSIONS

Due to the extraordinary fiscal challenges currently facing the County of Wayne (County), it is necessary that the County obtain wage and/or benefit concessions from its employees in an amount equivalent to ten percent (10%) of each employee's base wage rate. This Memorandum of Agreement (Memorandum) is intended to outline the terms and conditions of such concessions in conjunction with the parties' agreement on a new collective bargaining agreement for the period of October 1, 2008 through September 30, 2011. Accordingly, the parties agree to the following:

1. Effective October 1, 2009, through September 30, 2011, all employees in the bargaining units will incur a ten percent (10%) reduction in his or her current base wage rate facilitated by the following:
 - A. Employees who are members of Unit 1 who are assigned a 24-hour/7-day operation schedule, will have a ten percent (10%) reduction in their annual base wage rate.
 - B. Employees who are members of Unit 1 who are not assigned a 24-hour/7-day operation schedule and employees who are members of Unit 2 will have two (2) furlough days per calendar month (or one (1) day per pay period for total of 24 furlough days per year).
2. Scheduling of furlough days will be determined by the Employer based on operational need. Should an employee be called-in to work on a scheduled furlough day, another furlough day will be selected by the Employer.
3. The 10% concessionary terms and conditions that are the subject of this Memorandum will continue for employees in the bargaining unit through the term of the 2008-2011 collective bargaining agreement (September 30, 2011).
4. Employees subject to the concessions contained in this agreement will be held harmless for purposes of accumulation of annual and sick leave and base rate computation of applicable average final compensation (AFC) under the parties' collective bargaining agreement.
5. If any of the terms agreed upon by the parties under this Memorandum to facilitate the 10% concessions is claimed or determined to be inconsistent with applicable law with respect to any individual employee, or the total amount does not actually equal 10% of the employee's current wage rate,

then such concessions will be realized through option 1(A) of this Memorandum.
