PREAMBLE

This Agreement entered into on this 18th day of February, 2008 between the City of Troy (hereinafter referred to as the "Employer" and Michigan Association of Police (MAP) (hereinafter referred to as the "Union").

ARTICLE I.

PURPOSE AND INTENT

1. The general purpose of the agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees, the Union, and the citizens of the City of Troy.

The parties recognize that the interest of the City of Troy and its citizens, and the job security of the employees depend upon the Employer's success in establishing a proper service to the community, and its ability to provide such proper service in an economic and efficient manner.

To these ends, the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE II.

RECOGNITION OF UNION

2. Pursuant to and in accordance with all applicable provisions of Act 336 of the Michigan Public Acts of 1947, as amended, the City of Troy, hereinafter referred to as the Employer, does hereby recognize Michigan Association of Police (MAP), hereinafter referred to as the Union, as the sole and exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and all other conditions of employment of all permanent full-time Office Assistant I's, Office Assistant II's, Account Clerk I's, Account Clerk II's, Records Clerks, Secretaries, Police Service Aides, Police Service Aide or civilian performing Property Officer work, and Animal Control Officers employed by the Employer, excluding all elected officials, the Secretary and Office Assistant classification employees to the City Manager, Secretary classification employees to the Human Resources Director, all other confidential employees as that term is defined by the Michigan Employment Relations Commission, all Administrative Clerks, all regular part-time employees, all temporary employees, all co-op student employees, all employees who are hired and whose compensation is funded under CETA Title VI programs, or persons in similar projects for definite time periods as specified in CETA regulations and all supervisors including the Account/Supervisor. This section is limited strictly to recognition of the Union as a bargaining agent as required by the provisions of Act 336 and shall not be interpreted or expanded in any other manner or for any other purpose. The City retains the right to assign at any time property officer work to sworn police personnel who are excluded from the bargaining unit represented by the Union.

3. Temporary employees, for purposes of this Agreement, shall be defined as those persons employed by the City for a limited duration and who shall not be permitted to work beyond four (4) months continuously in any one position unless the temporary employee is replacing a permanent full-time employee who is on extended sick leave or an approved leave of absence. Temporary employees are not subject to the terms of this Agreement.

The above paragraph does not apply to persons employed by a temporary service agency. Such persons are not 'temporary employees' within the above definition. However, persons employed through a temporary service agency to replace a full-time employee while the position is in the process of being recruited shall not be permitted to work beyond six (6) months continuously in any one position.

4. Part-time employees, for purposes of this Agreement, means persons who work not more than twenty (20) hours per week unless filling in during a vacation period or an approved leave of absence not to exceed four (4) weeks during a calendar year; part-time employees are not subject to the terms of this Agreement. Office Assistant I's and II's in the Parks and Recreation Department are not subject to this section during periods of program registration.

The Employer agrees not to replace regular full-time employees of this bargaining unit who resign, transfer, or are laid-off with part-time employees in a combination of hours equal to 40 or more per week.

5. Co-op student employees, for purposes of this Agreement, means persons employed by the Employer pursuant to an established program between the Employer and a school under which such persons spend time both in the classroom and working for the Employer; co-op student employees are not subject to the terms of this Agreement.
6. It is recognized by the Employer and the Union that supervisors, temporary employees, part-time employees, co-op student employees, and other persons excluded from the bargaining unit also perform work performed by persons within the bargaining unit represented by the Union and that this Agreement does not in any way restrict any such work by such persons who are not in the bargaining unit, provided that the Employer agrees that it will not increase the bargaining unit work being performed by a supervisor so as to result in the layoff of a bargaining unit employee.

ARTICLE III.

AID TO OTHER UNIONS

7. The Employer will not aid, promote, or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the union.

ARTICLE IV.

NON-DISCRIMINATION

8. The parties recognize that the Employer is legally and morally obligated to guarantee to all citizens a fair and equal opportunity for employment and to these ends agree that no person shall be denied employment, nor in any way be discriminated against because of sex except where based on a bona fide occupational qualification, age, race, color, creed, national origin, disability, political or religious beliefs. The Union recognizes its joint responsibility with the Employer in assuring that there shall be no discriminatory conduct as prohibited under this section. In this contract, the specification of the masculine gender implies the feminine, and the specification of the singular implies the plural, and vice-versa. The parties recognize that the Union is legally obligated to guarantee membership in the Union of employees working under this contract without regard to the person's race, age, sex or creed, national origin, disability, political or religious beliefs.

ARTICLE V.

VISITS BY UNION REPRESENTATIVES

9. Provided that at least twenty-four (24) hours notice is given to the Human Resources Director or his Assistant, the Employer agrees that representatives of the Michigan Association of Police (MAP) may visit the Employer's premises for purposes of negotiations, and may visit with the President for purposes of investigation of grievances at any level of the Grievance Procedure, provided that such representatives notify the supervisor of the department when they arrive in the department and conduct their activities so as not to disrupt normal operations.

ARTICLE VI.

NEGOTIATION MEETINGS

10. During the term of the contract, if the parties mutually agree to meet during normal working hours, the Employer agrees that it will pay up to four (4) employees representing the Union for straight time hours engaged in such meeting, provided that such employees are regularly scheduled to work during such time.

ARTICLE VII.

UNION SECURITY

11. To the extent that the laws of the State of Michigan permit, it is agreed that:
- A. Employees covered by this Agreement who are not members of the Union at the time it becomes effective and who have been employed for a period of thirty (30) days, who do not make application for membership in the Union within thirty (30) days after the effective date of this Agreement, shall, commencing with the first bi-weekly payroll period thereafter and for the duration of this Agreement, pay to the Union a service charge in an amount equal to the regular monthly dues as a contribution toward the administration of this Agreement.

- B. Employees covered by this Agreement who are not members of the Union at the time it becomes effective and who have been employed for less than thirty (30) days, and employees hired, rehired, or transferred into the bargaining unit after the effective date of this Agreement, or who do not make application for membership in the Union within thirty (30) days after completion of 30 days of service, shall, commencing with the first bi-weekly payroll period thereafter and for the duration of this Agreement, pay to the Union the service charge defined in (a) above.
12. Failure to comply with the provisions of this Article, Section 11 shall be cause for the discharge of the employee.
 13. No employee shall be terminated under this Article except as provided below:
 - A. The Union has first notified the Employer in writing that the employee has elected not to join the Union.
 - B. Within ten (10) working days from the date the Union notifies the Employer that the employee has elected not to join the Union, the Employer shall:
 - (i) Notify the employee of the provisions of this Agreement.
 - (ii) Obtain the employee's response, and
 - (iii) Notify the Union of employee's response.
 14. In the event the employee has neither joined the Union nor signed the "Authorization for Deduction of Service Charge" form after the above, the Union may proceed to request termination of the employee by written notice to the Employer, with a copy to the employee, registered mail, return receipt requested.
 15. Upon receipt of such written notice, the Employer shall within fifteen (15) working days notify the employee that, unless there is immediate compliance, the employee will be terminated not later than the end of the next pay period.
 16. The employee shall then be terminated unless the employee can produce evidence of compliance.

The Union shall protect, indemnify, and save harmless the Employer from any and all claims, demands, suits, and any other forms of liability which arise from action taken by the Employer for the purpose of complying with the language of Article VII of this agreement.
 17. An employee who shall tender the periodic dues or service fee uniformly required as a condition of acquiring or retaining membership shall be deemed to meet the conditions of this section. In no cases shall the service fee exceed the amount of the membership dues.

ARTICLE VIII.

UNION DUES

18. Payment of Check-Off or Direct to Union: Employees may tender the monthly membership dues by signing the Authorization for Check-Off of Dues Form, or may pay the pay the same directly to the Union.

19. Check-Off Forms: During the life of this Agreement in accordance with the terms of the form of Authorization for Check-Off of Dues hereinafter set forth, and to the extent the laws of the State of Michigan permit, the Employer agrees to deduct Union membership dues levied in accordance with the Constitution and By-Laws of the Union from the pay of each employee who executes or has executed the Authorization for Check-Off of Dues Form.
20. Deductions: Deductions shall be made only in accordance with the provisions of this Agreement. The Employer shall have no responsibility for the collection of membership dues, special assessments, or any other deductions not in accordance with this provision.
21. Delivery of Executed Authorization of Check-Off of Dues Form: A properly executed copy of such Authorization for Check-Off of Dues Form for each employee for whom union membership dues are to be deducted hereunder, shall be delivered to the Employer before any payroll deductions are made. Deductions shall be made thereafter only under Authorization for Check-Off of Dues Forms which have been properly executed and are in effect. Any Authorization for Check-Off of Dues Form which is incomplete or in error will be returned to the Union Financial Secretary by the Employer.
22. When Deductions Begin: Check-Off deductions under all properly executed Authorization for Check-Off of Dues Forms shall become effective at the time said form is tendered to the Employer and shall be deducted from the appropriate pay of the month and each month thereafter.
23. Delivery of Additional Check-Off Forms: The Union will provide to the Employer any additional Authorization for Check-Off of Dues Forms under which the Union membership dues are to be deducted.
24. Refunds: In cases where a deduction is made that duplicates a payment that an employee has already made to the Union or where a deduction is not in conformity with the provisions of the Union Constitution and By-Laws, refunds to the employee will be made by the Union.
25. Remittance of Dues to Financial Officer: Deductions for any calendar month shall be remitted to the designated financial officer of the Union by the 25th day of the month in which the deduction is made. The Employer shall furnish the designated financial officer of the Union monthly with a list of those for whom deductions have been made.
26. Disputes Concerning Check-Off: Any dispute between the Union and the Employer which may arise as to whether or not an employee properly executed or properly revoked an Authorization for Check-Off Dues Form, shall be reviewed with the employee by a representative of the Union and a designated representative of the Employer. Should this review not dispose of the matter, the dispute may be referred to the grievance procedure whose decision shall be final and binding on the employee, the Union, and the Employer. Until this matter is disposed of, no further deduction shall be made.
27. Limit of Employer's Liability: The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees. The Union will protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken, for the purpose of complying with Section 24 of this Article.

ARTICLE IX.

STRIKES AND LOCKOUTS

28. Under no circumstances will the Union, any of its officers, or employees, cause, authorize, or condone, nor will any member of the bargaining unit cause, authorize, condone, or take part in any picketing, demonstration on the Employer's premises or adjacent thereto, strike, sit-down, stay-in, or slowdown in any building or property of the Employer or any curtailment of work or restriction of work or interference with the operations of the Employer, during the term of this Agreement.
29. In the event of a work stoppage or other curtailment or interference of work, the Employer shall not be required to negotiate on the merits of the dispute which gave rise to the stoppage or curtailment until such has ceased.
30. In the event of a work stoppage, or other curtailment or interference of work, Union officers shall immediately instruct the involved employees in writing that their conduct is in violation of the contract, that they may be discharged, and instruct all such persons to immediately cease the offending conduct.
31. In the event an individual employee or group of employees engage in any of the prohibited activities set forth in Section 28 above, the Employer shall have the right to, at his discretion, discipline or discharge such employee or group of employees. However, it is understood and agreed that if there is a dispute as to whether an employee has engaged in the prohibited activities set forth in Section 28, the employee or employees may process a grievance limited to the issue of whether they engaged in the prohibited activity, starting at the third (3rd) step of the grievance procedure, provided a written grievance is filed with the Human Resources Department within three (3) work days after the date upon which the employee was disciplined or discharged.
32. The Employer agrees that it will not lockout any employee during the term of this Agreement. However, if any employee is unable to work because equipment or facilities are not available due to a strike, work stoppage, slowdown, or other interference by employees of another employer, such inability to work shall not be declared a lockout, or a slowdown, or stoppage of work by the employees or the Union.

ARTICLE X.

MANAGEMENT RIGHTS

33. It is recognized that the management of the Employer, the control of its properties, and the maintenance of order and efficiency is solely a responsibility of the Employer. Other rights and responsibilities belonging solely to the Employer are hereby recognized, prominent among which but by no means wholly inclusive are: the rights to decide the number and location of buildings, work stations and work areas, work to be performed within the unit, maintenance and repair, amount of supervision necessary, machinery and tool equipment, methods, schedules of work, the right to purchase the services of others for economic reasons, together with the selection, procurement, designing, engineering and the control of equipment and materials, and the right to determine which services are to be performed and the number of employees needed to perform such services.

34. It is further recognized that the responsibility of the management of the Employer for the selection and direction of the working forces, including the right to hire, suspend or discharge for just cause, assign, promote or transfer, to determine the amount of overtime to be worked, to relieve employees from duty because of lack of work, the right to establish and maintain reasonable work rules, regulations and personnel policies governing the operation of the various departments, the training necessary and those employees who are to receive said training, is vested exclusively in the Employer, subject only to the seniority rules, grievance procedure and other express provisions of this Agreement as set forth herein.

ARTICLE XI.

REPRESENTATION

35. For the purpose of processing grievances under the Grievance Procedure at the steps provided therein, the Employer will recognize two districts which shall be (1) Police (which includes Police Service Aide, civilian or Police Service Aides performing Property Officer work, and Animal Control Officers covered by this contract), and (2) Clerical (which includes Office Assistant I's, Office Assistant II's, Account Clerk I's, Account Clerk II's, Records Clerks and Secretaries covered by this contract). In the Clerical district, the Employer will recognize two stewards and two alternate stewards. The two Clerical stewards, in order to provide broader representation, will come from two different departments. In the Police district, the Employer will recognize a steward and an alternate steward for each shift on which there are more than two employees covered by this Agreement. Alternate stewards shall function only in the absence of the steward.
36. Stewards and alternate stewards shall be selected in any manner determined by the Union provided that they must work in the district they represent and are employees who have completed their probationary period, and in the Police district they must work on the shift for which they are the representative.
37. The Union agrees that the names of the stewards and alternates shall be given in writing to the Employer within five (5) work days after their election. No person claiming to be a steward or alternate steward will be permitted to act as such until the Employer is advised in writing that the person has become such a representative.
38. No employee, including a steward, alternate steward, or other union representative shall stop his assigned work for any reason related to the investigation or processing of grievances without promptly notifying and obtaining approval from his immediate supervisor. No such person shall leave his assigned job if efficient operations require the employee to continue working. In such event, such person will be able to leave the job during the shift on which the supervisor has been notified.
39. Stewards or alternate stewards who leave their jobs to settle grievances, shall be paid their regular hourly rate while settling or investigating grievances at their appropriate step of the Grievance Procedure. An employee, other than a union representative, presenting a grievance at Step 1 of the Grievance Procedure shall not lose pay for the active time he is involved in such step. If, during the course of such activities, a steward or alternate steward is taken beyond the Employer's premises, the Employer will pay them only for the time spent during regular working hours at meetings conducted with Employer representatives present and held for the purpose of settling or investigating grievances.

40. The right of a steward or alternate steward or employee to leave his work during work hours without loss of pay is extended with the understanding that the time will be devoted to the prompt handling of legitimate grievances and will not be abused, and that the steward or alternate steward or employee will continue to work at his assigned job at all times, except when leaving his work to handle grievances as provided in the Grievance Procedure. If a dispute arises as to whether a steward or alternate steward or employee is abusing the right provided herein, the steward, alternate steward, or employee shall return to his assigned job and the matter shall be taken up at Step 3 of the Grievance Procedure.
41. During periods of layoff, Union officers will be retained on jobs that are operating within their classification which they are capable of performing. Union officers shall be deemed to have top seniority for layoff purposes as follows: first President, second Stewards. Stewards shall be retained only by using their seniority as a steward in their own district.
42. A. The Union President or designee will be provided not more than 8 hours total leave with pay to attend the funeral(s) of members of the unit.
- B. One to two union members, upon 15 days notice, not of same department at the same time, allowed up to total of 40 working hours per calendar year paid, to attend a conference(s) with no change in seniority date.

ARTICLE XII.

SPECIAL CONFERENCES

Special conferences for important matters will be arranged between the Chapter President and the employer or its designated representative upon the request of either party. Such meetings shall be between two (2) but not more than three (3) representatives of the Employer and two (2) but not more than three (3) representatives of the Union. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conference shall be confined to those included in the agenda.

ARTICLE XIII.

GRIEVANCE PROCEDURE

43. A grievance is defined as a dispute with respect to an alleged violation of, or with respect to, the interpretation of this Agreement or disciplinary action. To be considered a grievance, such dispute must be processed according to the following procedure:

STEP ONE: When an employee has a grievance, he shall first notify his supervisor and discuss the grievance with him, provided that, upon the employee's request, the employee's steward or alternate steward may take part in such discussion. The discussion provided herein must take place within seven (7) calendar days after the incident or knowledge of the incident which gave rise to such grievance.

STEP TWO: If the grievance is not satisfactorily settled at STEP ONE, the employee may so inform his steward or alternate steward, who shall, if the steward or alternate steward believes the grievance should be processed, reduce the grievance to writing and present it, within fourteen (14) calendar days after the discussion at STEP ONE, on a standard form, in triplicate and

signed by the employee or employees involved, to the Department Head. The written grievance shall identify the section of the contract which the employee believes was violated, contain a specific statement of facts as to what caused the grievance and the remedies sought by the grievant. Within fourteen (14) calendar days after receipt of the grievance, the Department Head shall hold a meeting with the steward to discuss the grievance. The employee and employee's supervisor may be present. The Department Head shall give his answer to this grievance within fourteen (14) calendar days of the meeting by delivering the answer to the President and a copy of the answer to the steward, employee, and supervisor. Should the Department Head not respond, the Union may advance the grievance to the next step within seven (7) calendar days.

STEP THREE: In the event the Department Head's answer does not resolve the grievance, the Union may appeal the grievance in writing to the City Manager (or his designee) within seven (7) calendar days of receipt of the Employer's STEP TWO answer. The City Manager (or his designee) shall schedule a meeting within fourteen (14) calendar days of receipt of the Union's appeal to STEP THREE. Persons who may attend such meeting are the Council Representatives of the Union, the Steward, the Chapter President, the City Manager or his designee, the Department Head or his representative and the employee's supervisor. The City Manager (or his designee) shall give his written answer to the grievance within fourteen (14) calendar days after such meeting.

STEP FOUR: In the event the City Manager's answer does not resolve the grievance, the Union may submit such grievance to arbitration by filing a notice of intent to arbitrate with the City within fourteen (14) calendar days of receipt of the City Manager's answer or within fourteen (14) calendar days of the expiration of the City Manager's time limit, and a request for arbitration with the American Arbitration Association within 30 calendar days of receipt of the City Manager's answer (or failure to answer). The grievance and arbitration procedure provided herein shall be the Union's and the employee's exclusive recourse for disputes arising under the terms of this Agreement; the employees covered by this Agreement shall have no recourse to any City Civil Service, City Personnel Boards, or City Commissions.

44. The selection of an impartial arbitrator shall be in accordance with the applicable rules of the American Arbitration Association. The cost of the arbitration shall be shared equally by the Union and the Employer. The arbitrator shall have authority only to apply and interpret the express terms of this contract and shall have no authority to render a decision contrary to, or inconsistent with, the express terms of this Agreement, or which modifies or in any way varies the express terms of this contract, change any wage or salary scale, grant a right or relief which applies to any time period prior to the execution of this Agreement, or to in any way subtract from or alter the express terms of this Agreement. Grievances shall be arbitrated separately, unless otherwise mutually agreed in writing. The arbitrator's decision shall be delivered in writing to the Employer and the Union as soon as possible after close of the arbitration hearing. If made in accordance with his jurisdiction and authority under this Agreement, the arbitrator's decision shall be final and binding on the Employer, on the employee or employees, and on the Union.
45. The Employer and Union shall pay their own cost for the attendance of representatives and witnesses at an arbitration proceeding. Arbitrations, whenever possible, shall be conducted on the premises of the Employer. However, the grievant and the City employee who is the Union representative shall not lose wages or benefits and will be paid by the City if conducted during normal working hours and on City premises.

46. The time limits specified in the grievance procedure are of the essence. If the Union or employee fails to act within the time limits set forth in any step of the grievance procedure, the grievance shall be considered settled on the basis of the Employer's last answer. Any grievance not answered by the Employer within the time limits established in the grievance procedure may be advanced to the next step by the Union by written appeal within the proper time limit after the Employer's answer was due. The Employer and Union may extend the time limits established in the grievance procedure by executing a written extension.
47. Grievances processed to arbitration may be withdrawn only on mutual agreement of the Employer and the Union.
48. The retroactive effect of any claim shall be limited to 60 calendar days prior to the date of the written presentation of a grievance at STEP TWO of the grievance procedure. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his regular rate, less any unemployment or other compensation he may have received from any source of employment during the period in question.
49. In accordance with 423.211 of Act 336, individual employees within the bargaining unit, and whether or not they are members of the Union, shall retain the right to present grievances individually to the Employer. The Union shall be notified of the grievance and provided an opportunity to be present. Grievances filed by individuals on the same contract violations may be combined into one grievance upon mutual consent of the parties.
50. An agreement reached in the Grievance Procedure between the Employer and the Union, including a steward or alternate steward, is binding on the Employer, the Union, and the employees and cannot be changed by an individual.

ARTICLE XIV.

DISCIPLINE

51. All discipline shall be for just cause. In all disciplinary action, as well as upon the discharge or suspension of any employee, the Employer agrees within twenty-four (24) hours, unless otherwise impossible, to notify in writing the employee and the steward in the district in which the disciplined, discharged, or suspended employee worked. If the steward cannot be reached, the following order shall be followed: 1) alternate Steward, 2) Chapter President. In the case of discharge or suspension, a copy shall also be furnished to the President and the MAP staff representative.
52. A discharged or suspended employee will be allowed to discuss his discharge or suspension with his steward or alternate steward and the Employer will make available an area where he may do so before he is required to leave the property of the Employer. Upon request, the Department Head or his designated representative will discuss the discharge or suspension with the employee and his Union representative in an attempt to resolve the dispute.
53. Should the discharged or suspended employee consider the discharge or suspension to be improper, the employee shall file a grievance in writing at STEP THREE of the Grievance Procedure within three (3) regularly scheduled working days of the discharge or suspension. Thereafter, the grievance shall proceed as provided in the Grievance Procedure.

54. The Employer shall, upon written request of the employee, remove records of discipline from an employee's personnel file which are over three (3) years old providing the employee has corrected the matter in question, and has received no other discipline within a three year period after receipt of the discipline. However, records of discipline more severe than a written reprimand shall be retained permanently in the employee's personnel file.
55. An employee may review his Department or Personnel file in the Human Resources Department no more than three one-hour periods during normal working hours without loss of pay per calendar year provided that the employee gives their supervisor twenty-four (24) hours notice of the request to review such files; the employee may not remove any material contained in such file. An employee may comment in writing about any adverse material in his personnel file and such comment shall be included in the file.

ARTICLE XV.

SENIORITY

56. Each employee shall have seniority which shall be an employee's continuous service since the first date he actually started work in the bargaining unit and the district. Date of start in classification shall be used to determine placement of employee in case of layoff. Such seniority shall apply for all purposes under this Agreement, unless otherwise expressly provided; such seniority shall not be applicable for purposes of pension benefits, which benefits shall be based on credited service as defined in the Employee's Retirement System, Chapter 10 of the Troy City Code, nor for fringe benefits which shall be determined by the service date (seniority date less unpaid leaves of absence).

Notwithstanding the provisions of Article XXVI, Unpaid Leave of Absence, employees who are absent from work on extended leave will continue to accrue paid leave time. However, in the event the method of accrual of paid leave time during an extended absence changes for the classified employee group, it will be changed in the same manner for this bargaining unit.

57. Seniority lists shall be kept separately for the following districts:

- | | |
|-------------|---|
| District A) | Clerical District (Office Assistant I and Office Assistant II, Account Clerk I and Account Clerk II, Records Clerk and Secretary classifications) |
| District B) | Police District (Police Service Aide and Animal Control Officer classifications) |

When employees transfer from one district to another, the employee shall have their seniority frozen in the district which they left. The employee shall begin accruing seniority in the new district from the first day worked in said district. Employees transferring from one district to another shall not lose service date credit.

An employee who returns to his original seniority district shall hold his original seniority date in that district.

Within thirty (30) calendar days after the execution of this Agreement, the Employer will post two seniority lists showing the employee's classification date and date of employment, and provide such lists to the Chapter President and Treasurer. Any employee shall have five (5) work days to file a grievance if he disagrees as to his classification or amount of seniority. If an employee does not grieve, his classification and amount of seniority shall be as it appears on such lists. The Employer shall update such seniority lists every three (3) months and post such updated lists. Any employee shall have five (5) work days to file a grievance with respect to any additions or changes shown on such updated lists. If an employee does not grieve, his classification and amount of seniority shall be as it appears on such lists.

58. In the event that two or more employees start work on the same date and have the same seniority, the employee with the highest test scores shall have the higher seniority. Seniority list prior to 8/1/80 will not be changed. Except for Police Service Aides, a new employee shall be regarded as a probationary employee for six months from the date he actually starts work, at which time his name shall be placed on the seniority list with his amount of seniority. A Police Service Aide shall be regarded as a probationary employee for a period of one (1) year from the date of hire, less time spent in a training academy to which he has been sent by the City, at which time his name shall be placed on the seniority list with his amount of seniority. During an employee's probationary period, the Employer retains the right to discharge the employee without regard to any other provision of this Agreement. The discharge or termination of any employee during the probationary period shall not be subject to the Grievance Procedure. There shall be no seniority among probationary employees.
59. Except as specifically provided in Section 58, the Union shall represent probationary employees for the purpose of collective bargaining and in respect to rates of pay, wages, hours of employment, and other conditions of employment.
60. If an employee is granted another position or promoted to a position under the Employer not included in the bargaining unit, he shall have six (6) calendar months to determine if he wants to remain in such position. After such six-month period, the employee may return to a bargaining unit position only at the discretion of the Employer, who retains the right to terminate such employee without any recourse under this Agreement. If, after such six months, the Employer elects to permit such employee to return to the bargaining unit, he shall be returned to his former classification, provided he has sufficient seniority.

The Lockup Sergeant or a Communications Supervisor may remove an employee from an eligibility list who is unable to demonstrate their proficiency. The opinion of the third physician shall be binding on the City and the employee relative to the supplemental payments of this Article. The City will pay the cost for the examination of the third physician.

It is further understood that the denial of supplemental benefits does not affect the receipt of Worker's Compensation benefits.

An employee who is injured on the job shall receive the following benefits:

- A. The employee shall utilize any accrued leave time he may have accumulated for the initial five (5) work days following the date of injury if he is unable to work during such five work days due to the on-the-job injury; if the employee receives worker's compensation benefits attributable to such five work day period, the employee shall pay such amount to the Employer and the Employer will credit such employee with five (5) leave days.

Effective January 1, 1985, the City shall pay 80% of the employee's daily rate (excluding overtime and shift premium) for each day during the first week of the job incurred disability which is not covered by Worker's Compensation benefits. An employee shall be limited to a total of five (5) days per calendar year under this language. Any disability claims in excess of the five (5) day limit shall be covered by the language of the first paragraph of part (a) of Section 116.

- B. If the employee is unable to return to work upon conclusion of such five (5) work days, the employee shall, if otherwise eligible, receive worker's compensation benefits as provided by law and the employee shall utilize accrued sick leave or any other accrued paid leave or credit so as to receive the difference between such worker's compensation benefit and approximately eighty percent (80%) of the employee's base wage, excluding premium for the next twenty-five (25) calendar days.
- C. If the employee is unable to return to work upon completion of such twenty-five (25) calendar days, the employee shall, if otherwise eligible, receive worker's compensation as provided by law and a short-term insurance benefit equal to the difference between such worker's compensation benefit and approximately eighty percent (80%) of the employee's base wage, excluding any premium less any offsets permitted under the insurance contract between the Employer and the insurance carrier for an additional fifty-two (52) weeks; in order to be eligible for such short-term insurance benefit, an employee must supplement such short-term disability insurance benefits by using four (4) hours per pay period of holiday pay, accrued sick leave credit, vacation credit, or floating holidays.

To be eligible for long-term insurance benefits for work-related

injuries, an employee must have three (3) years service date at the enrollment date following such three years. To be eligible for such long-term insurance, an employee shall supplement the insurance benefit he receives provided herein by using four (4) hours per pay period of holiday credits, accrued sick leave credits, vacation credits, or floating holidays.

117. The terms and conditions for eligibility and receipt of such short term and long term disability insurance coverage shall terminate on the earliest date on which an employee either terminates (on a voluntary or involuntary basis), is no longer deemed on the payroll as defined in Section 92, Vacation, or is laid off. It is the right to include therein a clause or rider which prevents the duplicate payment for coverage in cases where both the employee, his spouse, or his dependent, are eligible for such coverage.
118. Eligibility and qualification for insurance benefits are as provided in the contract between the Employer and the insurance carrier, copies of which contracts will be provided to the Union; the Employer shall have no liability except to pay the premiums to obtain the insurance coverage as provided in such contracts.

ARTICLE XXIX.

119. The Employer will provide short-term disability insurance for employees who have completed one full day of employment. Such short-term disability insurance policy shall cover disabilities resulting from non-work related sickness and accident, provided that such policy shall not cover other disabilities excluded from coverage under the insurance contract between the Employer and the insurance carrier.

Such policy shall provide that an employee shall receive approximately sixty percent (60%) of his regular base salary excluding any premium pay, less any offsets permitted under the insurance contract between the Employer and the insurance carrier; if an employee is eligible as provided in the insurance policy for such benefits, he shall commence receiving benefits under such policy commencing on the 31st calendar day following the date on which the employee was first absent from work due to such sickness or disability and shall be paid for a maximum of fifty-two (52) weeks or until such time as he receives long-term disability benefits, whichever shall first occur.

An employee shall be covered by such insurance policy commencing with the day following the first complete full day of employment; such insurance coverage shall terminate on the earliest date on which an employee either terminates his employment (on a voluntary or involuntary basis), is no longer deemed on the payroll, as defined in section 92, Vacation, or is placed on layoff. An employee's short-term insurance benefit shall be enhanced each pay period by a supplement of up to eight (8) hours of holiday pay, accrued sick leave credits, vacation credits, or floating holidays provided the employee has the listed time available.

ARTICLE XXX.

LONG-TERM DISABILITY INSURANCE - NON-WORK
RELATED SICKNESS OR DISABILITY

122. The Employer will provide a long-term disability insurance policy for an employee who has three (3) or more years of service, effective with the enrollment date following completion of such three years, which shall provide a benefit for non-work related long-term disabilities equal to fifty percent (50%) of an employee's base salary, less any premium and less any offsets permitted under the insurance contract between the Employer and the insurance carrier.
123. If an employee is eligible as provided in the insurance contract between the Employer and the insurance carrier for such long-term disability benefit, such benefit shall commence with the day following expiration of any short-term disability benefits received provided in Article XXIX and shall be paid for up to five (5) years or until the employee either dies, reaches age 65, or returns to work, whichever first occurs, or is otherwise eligible for benefits as defined in the insurance contract between the Employer and the insurance carrier.
124. The terms and conditions for eligibility and receipt of such long-term disability benefits shall be governed by the insurance contract between the Employer and the insurance carrier.
125. Such insurance coverage shall terminate on the earliest date on which an employee either terminates (on a voluntary or involuntary basis), is no longer deemed on the payroll (as defined in Section 92, Vacation), or is laid off. However, such coverage shall not exceed a period of five (5) years. An employee's long-term insurance benefit shall be enhanced each pay period by a supplement of up to eight (8) hours of holiday pay, accrued sick leave credits, vacation credits, or floating holidays provided the employee has the listed time available. This insurance, together with the leave time supplement and a supplement from the City, will provide approximately 70% of the employee's gross salary.

The City shall furnish each employee a complete copy of the retirement system pension plan and any changes from time to time to the Union and employees. For the period of this contract, the employee's contribution will be 1.5% of gross pay. Subject to the employee's meeting the requirements of years of service currently provided in Chapter 10 of the City Code, entitled Employees Retirement System, for employees retiring after 7/1/2000, the pension computation factor will be 2.5% from age 50-62, 2.25% after age 62.

Lump sum payments for unused sick leave, provided under Section 106, and for accumulated vacation leave credits, as provided in Section 98, shall be excluded from the computation of Final Average Compensation (FAC) for all employees.

Members of this Union shall, upon retirement, be offered the opportunity to select a "pop-up provision" which will allow the employee who selects either Option A or Option B, as provided in Section 6.3 of Chapter 10, to return to the straight life pension amount in the event that the employee's designated beneficiary predeceases the employee. The cost of the pop-up provision will be borne by the employee.

"Final Average Compensation" means the average of the annual compensation paid member during the period of any three (3) calendar years of his/her service, producing the highest average contained within the ten (10) calendar years, or parts of calendar years, immediately preceding termination of his/her last employment with the City.

3. Conversion: Employees hired before 12/21/98 will be given a window period from the date of ratification of the Agreement by both parties until August 3, 1999 during which they may opt out of the DB plan and elect participation in the DC plan. The employer may, at its discretion, choose to open a window period again at a later date. Once an employee elects to participate in the DC plan, the decision is irrevocable; the employee cannot revert back to the DB plan.

Employees electing to participate in the DC plan shall have the actuarially-determined value of their DB plan rolled over into the DC plan, and shall be immediately vested.

4. Participants in the defined contribution plan shall also participate in a disability plan equivalent to the defined benefit disability plan as set forth in the retirement ordinance. The City's liability for the disability benefit shall be offset (1) by an amount which may be payable pursuant to the workers' compensation act, if applicable, and (2) by the lifetime annuity value of the employee's 401 (a) defined contribution retirement account, determined as of the effective date of the employee's disability-related separation from service. Defined contributions shall include all contributions and income accumulated in the plan account whether derived by the contributions made by the employee or employer, including any amounts transferred into the plan. While the employee is receiving disability benefits or is receiving worker's compensation the City shall contribute the employer rate as contained in subsection 1 above of the disabled employee's taxable wage for deposit in the defined contribution plan for the employee's benefit.
 5. Participants in the defined contribution plan shall also be covered in the event of death including non-duty death with a benefit equivalent to the defined benefit plan as set forth in the retirement ordinance. The City's liability for a death benefit shall be offset (1) by an amount which may be payable pursuant to the workers' compensation act, if applicable, and (2) by the lifetime annuity value of the employee's 401 (a) defined contribution retirement, determined as of the effective date of the employee's death.

A retiree may pay, at his/her own option and expense, the difference between a two-person and family rate. A retiree may elect, at

his/her expense, family continuation coverage for eligible children between the ages of 19 and 25 years.

Retirees who are eligible for retiree health insurance coverage will have available to them BCBS PPO, HAP, Blue Care Network or health insurance plans made available by the City. Retirees must apply for Medicare when eligible at which time the Medicare becomes the primary coverage and City of Troy insurance becomes the secondary coverage.

Effective upon ratification, all employees, in order to be eligible for a non-duty disability pension, must be totally and permanently incapacitated for full-time work by reason of personal injury or disease and in receipt of disability benefits from Social Security or have received a favorable determination letter with a current effective date for the commencement of disability benefits under Social Security.

The person who applies for such vacancy, including persons outside of the bargaining unit, who may be offered the opportunity to apply, with the best qualifications as established by the Employer may be awarded the job. However, an employee who meets the basic requirements as posted, does take the test(s), and obtains a final score that places him number three or better on the list shall be offered the position. The employee will be paid at the first step in the new classification that provides an increase of not less than \$500 but not over last step and thereafter be paid on the basis of the salary scheduled for such classification. If at any time during the first 180 calendar days, as defined above, the Employer determines that the employee is not fully qualified or is not performing the job, the employee shall be returned to his or her former job. Any person transferred or hired to fill such disqualified employee's bid for the permanent vacancy shall be transferred back to his former job. TERMINATION

152. This Agreement supersedes and cancels all previous agreements, verbal or written, or based on an alleged past or City practice, between the Employer, the Union or employees, and constitutes the entire agreement between the parties. Any amendment or agreement supplemented hereto shall not be binding upon either party unless executed in writing by the parties herein.
153. This Agreement shall remain in full force and effect until June 30, 2010 and thereafter for successive periods of one year unless either party shall, on or before the sixtieth (60th) day prior to expiration, serve written notice on the other party of a desire to terminate, modify, alter, renegotiate, change, or amend this Agreement. A notice of desire to modify, alter, amend, renegotiate, or change or any combination thereof, shall have the effect of terminating the entire Agreement (on the expiration date) in the same manner as a notice of desire to terminate unless before that date all subjects of amendment proposed by either party have been disposed of by agreement of withdrawal by the party proposing the amendment.

IN WITNESS WHEREOF, the parties hereto have, by their duly authorized representatives, signed and sealed this Agreement on this 18th day of February, 2008
