In rendering decisions, an arbitrator shall have due regard to the responsibility of Management and shall so construe the Agreement that there would be no interference with such responsibilities except as they may be specifically limited by this Agreement.

4.6 Arbitrability. In the event that a case is appealed to an arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

4.7 Final Decision. The arbitrator's decision shall be final and binding on the Union, its members, the employees or employee involved, and the City. The Union shall discourage any attempt of its members, and shall not encourage or cooperate with any of its members, in any appeal to any Court or Labor Board from a decision of an arbitrator, nor shall the Union or its members by any means attempt to bring about the settlement of any claim or issue. The City or the Union may challenge the award if it was not made in accordance with the arbitrator's jurisdiction and authority under this Agreement.

4.8 Fees and Exchanges. The fees and expenses of the arbitrator shall be shared equally by the City and the Union. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expense of witnesses called by the other.

4.9 No Retro Effect. No decision in any one case shall require a retroactive wage adjustment in any other case.

4.10 Timeliness. Any grievance not advanced to the next step by the Union within the time limits in that step, or if no time limit is specified within seven (7) calendar days, shall be denied. Time limits may be extended by the City and the Union in writing.

4.11 Settlement. All settlements or agreements between the Union and the City shall be in writing. The Union shall be notified in writing of any outcome should the employee choose to have no Union representation.

8. Once authorized to return to duty, the employee must submit to periodic urinalysis as may be determined by the City.
9. The employee shall be subject to the terms of this program for three (3) years after their return to work.
10. The employees must agree in writing that they will be automatically terminated forthwith if a violation of any portion of the Last Chance Agreement occurs at any time during its enforcement term.
11. Employees must be advised that they are not obligated to sign the agreement and be advised they have the right to seek the counsel of their legal and/or labor representative.

G. Chain of Evidence - Storage

1. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of custody.
2. Where a positive result is confirmed, urine specimens shall be maintained in a secured, refrigerated storage area. If a dispute arises, the specimens will be stored until all legal disputes are settled.

H. Drug Test Results

1. All records pertaining to departmental-required drug tests shall remain confidential, and shall not be provided to other employers or agencies without the written permission of the person whose records are sought. However, medical, administrative, and immediate supervisory personnel may have access to relevant portions of the records as necessary to insure the acceptable performance of the Dispatcher's job duties.

I. Substance Abuse Rehabilitation Program

Dispatchers may participate in a substance abuse rehabilitation program, however participation shall not prohibit drug testing under this policy.

J. Procedures for Implementation of the Last Chance Agreement

1. An employee whose drug test has been confirmed positive by the Medical Review Officer during random or reasonable suspicion testing shall be offered a Last Chance Agreement.
2. At the discretion of the City, the Last Chance Agreement may also be offered to any employee whose drug test has been confirmed positive by the Medical Review Officer.
3. Standard letter of conditions for continued employment (Last Chance Agreement) must be signed by an authorized representative of the City and the employee.
4. An employee must attend and successfully complete an authorized rehabilitation program.
5. An employee must sign a form releasing any and all information to Management as may be requested.
6. An employee must pass a medical examination administered by a medical facility designated by the City prior to being allowed to return to duty. The examination shall only screen for drug use and the physical impact of the prior drug usage.
7. An employee may be allowed to use sick time and non-duty disability benefits while undergoing rehabilitation.

ARTICLE 5

AGENCY SHOP

5.1 Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against an employee in regards to such matters.

5.2 To the extent that the laws of the State of Michigan permit, it is agreed that any employee, including probationary employees, covered by this Agreement who is not a member of the Union at the time the Agreement becomes effective, shall be required, as a condition of employment, to either become a member of the Union or pay a service fee to the Union, which shall be equivalent to the Union's monthly membership dues, including special assessments or voluntary contributions, for the duration of this Agreement.

5.3 Any employee who fails to comply with the aforementioned requirements shall be deemed not to be in compliance with the aforementioned condition of employment, and the City shall terminate his employment at the conclusion of a grace period sixty (60) days following notification by the Union that the employee is not in compliance with this Article.

5.4 If any provision of the Article is invalid under Federal law or the laws of the State of Michigan, such provision shall be modified to comply with the requirements of Federal or State law or shall be renegotiated for the purpose of adequate replacement.

ARTICLE 6

DUES DEDUCTION

6.1 The Employer shall deduct from the wages of each Union member in the Bargaining Unit the amount as prescribed by the Union as the Union dues, initiation fees, assessments and for non-Union members a service fee as prescribed by the Union as per MCL 408.477. These deductions shall be made by the Employer automatically for those already in the Union and each time an employee is placed in the Unit or returned from a leave of absence. This will be done according to the above law without the need of authorization by the individual employees as long as the employee is receiving a paycheck from the City.

6.2 The Employer will deduct Union membership dues, initiation fees or service charges, service fees and assessments for the first pay period in the calendar month. If an employee has no pay coming for such pay periods or if such pay period is the first pay of new employee, such deduction shall be withheld from the immediately subsequent pay period.

6.3 The Employer will withhold from the pay of employees in any month, only the deduction incurred while an employee has been in the employ of the Employer and only such amounts becoming due and payable in such month.

6.4 In the event that a refund is due any employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain appropriate refund from the Union.

6.5 All sums deducted by the Employer shall be remitted to the Treasurer of the POAM 27056 Joy Road, Redford, MI 48239-1949, and the Employer shall do so as soon as possible.

6.6 In the event the Union requests that the Employer deduct monies in excess of the amounts deducted as of the date of execution of this Agreement, such request shall be effective only upon written assurance by the requesting party that the additional amounts have been authorized pursuant to and under the Union's Constitution; provided that in the event a new written authorization from the employee is necessary, that such authorization will be secured by the Union and presented to the Employer prior to the deduction of the newly certified amounts.

6.7 The Employer shall not be liable for any remittance or payment of any sums other than those constituting actual deductions made; and if for any reason it fails to make the deduction, the Employer shall deduct the appropriate amount from the employee's next pay in which such deduction is normally deducted after the error has been called to its attention by the employee or the Union.

6.8 Indemnification. The Union shall indemnify and hold harmless the Employer against any and all liability which may arise by reason of the deduction by the Employer of money as Union initiation fees, membership dues or other charges from employee's wages.

5. Concentrations of a drug at or about the following levels shall be considered a positive test result when using the initial immunoassay drug screening test:

Initial Test Level (mg/ml)

Marijuana metabolite .....	100
Cocaine metabolite .....	300
Opiate metabolite .....	300 *
Phencyclidine.....	25
Amphetamines .....	1000
Barbiturates .....	300

\*25mg/ml if immunoassay-specific for free morphine.

Concentrations of a drug at or above the following levels shall be considered a positive test result when performing a confirmatory CG/MS test on a urine specimen that tested positive using a technologically different test than the initial screening method:

Confirmatory Test Level

Marijuana metabolite .....	15 *
Cocaine metabolite .....	150 **
Opiates: Morphine .....	300 +
Codeine .....	300 +
Phencyclidine.....	25
Amphetamines: Amphetamine.....	500
Methamphetamine .....	500
Barbiturates.....	300

\* Delta-9-tetrahydrocannabinol-9-carboxylic acid

\*\* Benzoylcegonine

+ 25 mg/ml if immunoassay-specific for free morphine.

6. The initial and confirmatory test cutoff levels of this order are the same as that of the United States Government which were published in the Federal Register, Volume 54, Number 230, dated December 1, 1989.

7. The laboratory selected to conduct the analysis shall be experienced and capable of assuring quality control, documentation, chain-of-custody, technical expertise, and demonstrated proficiency in urinalysis.

8. Employees having negative drug test results shall receive a memorandum stating that no illegal drugs were found. A copy of the letter will be placed in the employee's personnel file upon their request.

9. Any employee who interferes with the testing process or breaches the confidentiality of test results shall be subject to discipline.

6. The urine sample will be split and stored in case of legal disputes. The samples must be provided at the same time, and marked and placed in identical specimen containers by authorized testing personnel. One sample shall be submitted for immediate drug testing. The other sample shall remain at the facility in frozen storage. This sample shall be made available to the employee or his labor association representative prior to disciplinary action, should the original sample result in a legal dispute. The employee must request same within 72 hours of being notified of a positive and confirmatory test by the Medical Review Officer. All groups of negative samples may be destroyed after seven (7) days.
7. All specimen samples shall be sealed, labeled and initialed by the employee and laboratory technician, and checked against the identity of the employee. Samples shall be stored in a secured and refrigerated atmosphere until testing or delivery to the testing lab representative.
8. Whenever there is a reason to believe that the Dispatcher may have altered or substituted the specimen to be provided, a second specimen shall be obtained within a reasonable period of time. The laboratory personnel will take the appropriate necessary steps to assure the integrity of the second specimen.

F. Drug Testing Methodology

1. The testing or processing phase shall consist of:
  - a. Initial screening test.
  - b. Confirmation test - if the initial screening test is positive.
2. The urine sample is first tested using the initial drug screening procedure. An initial positive test result will not be considered conclusive; rather, it will be classified as "confirmation pending." Notification of test results to the City shall be held until the confirmation test results are obtained and verified by the M.R.O.
3. A specimen testing positive will undergo an additional confirmatory test. The confirmation procedure shall be technologically different and more sensitive than the initial screening test.
4. The drug screening tests selected shall be capable of identifying marijuana, cocaine, and every major drug of abuse including heroin, amphetamines and barbiturates. Personnel utilized for testing will be qualified to collect urine samples, or adequately trained in collection procedures.

ARTICLE 7

UNION RIGHTS

7.1 Work for Another Employer. No member of this Unit shall be required to do work for another Employer.

7.2 Elimination of Classification. A classification in this Bargaining Unit shall not be removed from this Bargaining Unit by merely changing the title or by modifying the existing classification specifications.

The employer agrees that it will not replace dispatchers in the Association or require persons other than dispatchers in the Association to perform work which is recognized as bargaining unit work, except in incidental work situations, temporary situations, training or cases of emergencies.

Nothing in this section or elsewhere shall be construed or interpreted in a manner that infringes upon the employer's right to out-source work which is currently recognized as the work of the dispatchers in the association.

7.3 Employer Dominance or Interference. The Employer agrees not to enter into any agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement; or any agreement or contract with the said employees, individually or collectively which in any way affect wages, hours or working conditions of said employees, or any individual employees in the Unit covered by this Agreement. This is not to be construed to include the normal personnel actions such as recruitment or promotion, or classification due to changes in organizational functions.

7.4 Bulletin Boards. The Employer shall provide a bulletin board in the facility where employees are hereunder employed for posting of seniority and vacation lists and notices of official Union activities. All Union notices shall be signed by a Local Union Officer.

7.5 Union Representation. An employee may request and shall be granted Union representation for any interview which may lead to discipline, suspension or discharge.

7.6 Right to Inspect Personnel Files. Employees shall have the right to inspect their personnel files during normal working hours. Employees shall initial all entries placed in their personnel files which are of a disciplinary nature. Said initials shall acknowledge awareness of said entries, not agreement with same.

ARTICLE 8

DISCIPLINE

8.1 Discipline for Just Cause. The Employer shall not discipline any employee without just cause. Discharge must be by proper written notice to the employee and the Union. In all cases of discharge or suspension, the employee may see a Union officer before leaving City property. Discharge and/or suspension and/or demotion may be processed initially at Step 3 of the Grievance Procedure. In cases of discipline in which it is felt that discharge, suspension, demotion may result, the affected employee shall have the right to a predetermination hearing in which he or she will be given an opportunity to present his or her case.

8.2 Clearing Clause. A written reprimand shall only be used against an employee for the following period of time:

- A. One year for incidents or infractions not involving loss of time or wages.
- B. Two (2) years for incidents or infractions involving loss of time or wages. A loss of up to two (2) days wages or time for a forty (40) hour employee.
- C. Three (3) years for incidents or infractions involving a loss of time or wages greater than two (2) days wages or time for a forty (40) hour employee.

8.3 Probationary Employees. New employees while on probation, may be laid off, disciplined, suspended, discharged, dropped or otherwise punished by the Employer without recourse to the grievance procedure.

ARTICLE 9

SENIORITY

9.1 Probationary Period. All new employees in the classification of full-time Emergency Dispatcher shall serve a one (1) year probationary period, which may be extended by mutual agreement of the Union and Employer.

9.2 Lines of Seniority. After an employee successfully completes the probationary period, the employee shall be placed upon the seniority list, gaining seniority from date of hire or date of assignment to the classification of Emergency Dispatcher as follows:

- A. For all employees, the initial date of hire with the City shall establish seniority for the purposes of computing entitlement to economic benefits, i.e., pension service credit, number of vacation days, etc.

4. All Emergency Dispatchers shall be uniformly tested during any unannounced, random testing required by the City. Random testing for all Emergency Dispatchers will not exceed twice in a 365 day period.

- a. The City shall determine the frequency and timing of such tests.
- b. The president of the labor association, or his designee, will receive a list of the employees that have been required to take a drug test after all employees in that particular group have submitted, or have refused to submit, a urine sample to the laboratory testing personnel.

D. Penalty

Violation of any provision of this drug testing order shall be grounds for disciplinary action. Discipline shall be administered as set forth in the Department Rules and Regulations, and may include discharge. Any discipline remains subject to review in accordance with the Collective Bargaining Agreement.

E. Drug Testing Procedures

1. The testing procedures and safeguards provided in this order shall be adhered to by any laboratory personnel administering departmental drug tests.
2. Laboratory personnel authorized to administer departmental drug test shall require positive identification from each Dispatcher to be tested before the employee enters the testing area.
3. In order to prevent a false positive test result, a pre-test interview shall be conducted by testing personnel to ascertain and document the employee's recent use of any prescription or non-prescription drugs, or any indirect exposure to drugs. Divulgence by the employee of medical information during the pre-test interview is voluntary, however, if the test results are positive, it will be mandatory that the employee divulge the necessary medical information to the Medical Review Officer so that the M.R.O. may determine whether the test result is a false positive.
4. The testing area shall be private and secure. Authorized testing personnel shall search the testing area before a Dispatcher enters same, in order to document that the area is free of any foreign substances.
5. Where the employee appears unable or unwilling to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug-test report form. The employee shall be permitted no more than eight (8) hours to give a sample. During that time, the employee shall remain in the testing area, under observation. Reasonable amounts of water may be given to the employee to encourage urination. Failure to submit a sample shall be considered a refusal to submit to a drug test except for good cause as determined by the M.R.O.

5. Any Dispatcher having a reasonable basis to believe that another Dispatcher is illegally using or is in possession of any controlled substance shall immediately report the facts and circumstances to his supervisor.
6. Discipline of Emergency Dispatchers for any violation of this Drug Testing Policy shall be in accordance with the due process rights provided in the Department's Rules and Regulations, Policies and Procedures, and the Collective Bargaining Agreement. The employee may be immediately relieved of duty pending a departmental investigation at the discretion of the City, when one of the following occurs:
  - a. A refusal to participate.
  - b. Probable cause.
  - c. The Medical Review Officer determines that a Dispatcher's drug test was positive.

**B. Probationary Employee Drug Testing**

All probationary Dispatchers shall be required, as a condition of employment, to participate in any unannounced drug tests scheduled for the probationary period. The frequency and timing of such tests shall be determined by the City. Probationary Dispatchers may be tested prior to completion of the probationary period. A probationary employee shall not be eligible for coverage under the last chance rehabilitation provision set forth in this order, except at the discretion of the City.

**C. Emergency Dispatcher Drug Testing**

Emergency Dispatchers will be required to take drug tests as a condition of continued employment in order to ascertain prohibited drug use, as provided below:

1. The supervisor may order a Dispatcher to take a drug test upon document probable cause that the employee is or has been using drugs. A summary of the facts supporting the order shall be made available to the employee prior to the actual test.
2. Upon reasonable suspicion, the Department may request, through an authorized representative of the employee's labor association, that a Dispatcher submit to a voluntary drug test. Submission to a voluntary drug test hereunder shall be subject to the frequency limitation found in Article IV, Section C, Subsection 4 herein. Any employee voluntarily submitting to a drug test who tests positive as a consequence of said test, shall be eligible to invoke the last chance rehabilitation provision set forth in this order. Any employee who refuses to submit to a request for a voluntary drug test shall not be disciplined as a consequence of such refusal, but shall not be eligible for coverage under the last chance rehabilitation provision set forth in this policy for a period of three (3) years.
3. A drug test may be administered as part of any promotional physical examination required by the City.

- B. Seniority for such purposes as layoff, recall, shift selection, vacation period selection, leave days, promotions, etc., shall be computed from the date the employee was assigned to the classification of full-time Emergency Dispatcher.

9.3 Seniority List. The Employer shall post a seniority list every six (6) months.

9.4 Loss of Seniority. Employees shall lose seniority only for the following reasons:

- A. Discharge.
- B. Voluntary resignation.
- C. Layoff for a period of over two (2) years.
- D. Absent for three (3) or more consecutive working days without notifying employer.
- E. After being recalled from layoff and not reporting within seven (7) days.
- F. After a disability period specified in Article 24.
- G. At sole discretion of the Employer "D" and "E" above may be waived.

ARTICLE 10

LEAVE OF ABSENCE

10.1 Leave of Absence. The Employer may grant, in its sole discretion, leaves of absence for up to six (6) months without pay or other benefits excepting seniority. This section of the Agreement shall not be subject to the grievance procedure on behalf of any employee who feels aggrieved.

10.2 Union Leave of Absence. The Employer shall give reasonable time off up to thirty (30) days without discrimination or loss of seniority rights or other benefits, without pay to employees designated by the Union to attend a labor convention, seminar or school, provided seventy-two (72) hours written notice is given to the Employer by the Union, specifying length of time off for Union activities. Due consideration shall be given to the number of employees affected in order that there shall be no disruption of the Employer's operations due to lack of available employees.

ARTICLE 11

NO STRIKE - NO LOCKOUT

11.1 The Union agrees that all employees in the Bargaining Unit and agents of the Union shall be prohibited from engaging or encouraging others to engage in any strike, work stoppage, deliberate slow-down or interference of any operation of the City during the term of this Agreement.

11.2 The Union agrees it will take prompt affirmative action to prevent or stop unauthorized strikes, work stoppages, slow-downs of work, or work interference of any kind by notifying the employees that it disavows these acts. The Union further agrees that the City shall have the right to discipline (including discharge) any or all employees who violate this Article.

11.3 The City agrees that it will not lock out any employee during the term of this Agreement. If any employee is unable to work because equipment or facilities are not available to him/her, such inability to work shall not be deemed a lockout under the provisions of this section; and the employee will suffer no loss of wages or benefits unless formally laid off because of such inability to work. These lockout provisions shall not apply in the event of a strike.

ARTICLE 12

EQUIPMENT, ACCIDENTS AND REPORTS

12.1 Any employee involved in any on-the-job accident shall immediately report said accident and any physical injury sustained. An employee, before starting his next shift, shall make out an accident report if requested by the Employer and shall turn in all available names and addresses of witnesses to any accidents. Failure to comply with this provision may subject such employee to disciplinary action by the Employer.

12.2 It is the duty of the employee and he shall immediately, or at the end of his shift, report all vehicle and equipment defects. If requested by the Employer, such report shall be made in writing.

12.3 The Employer shall consider the personal safety of the employees in establishing operational procedures.

12.4 A Safety Committee shall be composed of Union and Employer representatives who will meet, when necessary, for the purpose of discussing safety and promulgating safety regulations with the understanding that the Employer has the ultimate responsibility and shall make the final determination on all matters of safety and safety rules.

E. Probable Cause - That amount of facts and circumstances within the knowledge of a Supervisor or the Administration, which are sufficient to warrant a prudent person to believe it is more probable than not that an employee is or has been using drugs while on or off duty.

F. Probationary Employee - For the purpose of this policy only, a probationary employee shall be considered to be any person who is conditionally employed with the City as a recently hired Emergency Dispatcher.

G. Medical Review Officer (M.R.O.) - The Medical Review Officer is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The M.R.O. will be a licensed physician with knowledge of substance abuse disorders. The M.R.O. shall have appropriate medical training to interpret and evaluate an employee's test results in conjunction with his or her medical history and any other relevant biomedical information.

H. Last Chance Agreement - A standard letter of conditions for continued employment that is offered by the City, or the right to same is invoked by an employee under certain conditions outlined in this order, after it has been determined that the employee has violated this order.

IV. PROCEDURES/RULES

A. General Rules

The following rules shall apply to all Dispatchers while on and off duty:

1. No Dispatcher shall illegally possess any controlled substance.
2. No Dispatcher shall ingest any controlled or prescribed substance except under the direction of a licensed medical practitioner.
  - a. Dispatchers shall notify their immediate supervisor when required to use prescription medicine that may influence their job performance. The employee shall submit one of the following:
    - (1) Note from the prescribing doctor.
    - (2) Copy of the prescription.
    - (3) Show of the bottle label to his immediate supervisor.
  - b. Supervisors shall document this information and retain the memorandum for at least 30 days.
3. No Dispatcher shall ingest any prescribed or over-the-counter medication in amounts beyond the recommended dosage.
4. Any Dispatcher who unintentionally ingests or is made to ingest a controlled substance shall immediately report the incident to his supervisor so that appropriate medical steps may be taken to ensure the Dispatcher's health and safety.

DRUG TESTING POLICY

I. PURPOSE

The purpose of this order is to provide all Emergency Dispatchers with notice of the provisions of the Communications Division Drug Testing Program.

II. POLICY

It is the policy of this department that the critical mission of dispatching Emergency Services personnel justifies maintenance of a drug-free work environment through the use of a reasonable employee Drug Testing Program.

The Emergency Services profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that Emergency Dispatchers are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair Dispatchers' physical and mental health and, thus, job performance.

When Emergency Dispatchers participate in illegal drug use and drug activity, the integrity of the Emergency Services profession and public confidence in that integrity is destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the Communications Division and to preserve public trust and confidence in a fit and drug free Emergency Services profession, this division will implement a Drug Testing Program to detect prohibited drug use by employees on August 7, 1991.

III. DEFINITIONS

- A. Emergency Dispatchers - Those employees who have been hired to perform the various duties of communicating with the City's emergency operations personnel.
- B. Supervisors - Those assigned to a position having day-to-day responsibility for supervising subordinates or who are responsible for commanding a work element.
- C. Drug Test - The compulsory or voluntary production and submission of urine, in accordance with departmental procedures, by an employee, for chemical analysis to detect prohibited drug usage.
- D. Reasonable Suspicion - That quantity of proof or evidence that is more than a hunch but less than probable cause. Reasonable suspicion must be based on specific, objective facts and any rationally derived inferences from those facts about the conduct of an employee. These facts or inferences would lead the reasonable person to suspect that the employee is or has been using drugs while on or off duty.

12.5 When an employee is required by a supervisor to work under a condition which the employee regards as a violation of a safety rule, the employee shall have the right to protest; and if ordered by the supervisor to perform the work involved, the employee shall perform the work under protest and shall have the right to refer the matter to the Safety Committee for consideration and recommendation. However, no employee shall be required to work on any equipment or job that has already been written up as unsafe before it is checked and released by the supervisor.

ARTICLE 13

LAYOFF AND RECALL

13.1 Layoffs.

- A. In the event there is a reduction in personnel, layoffs will be by Bargaining Unit seniority within the affected department.
- B. The Employer will notify the Union, in writing, fifteen (15) days prior to the anticipated date of any layoffs within the Bargaining Unit.
- C. However, before any regular, full-time employees are laid off, the following is the order in which employees are to be laid off first:
  - 1. Temporary part-time employees performing Emergency Dispatch work.
  - 2. Temporary full-time employees performing Emergency Dispatch work.
  - 3. Probationary employees performing Emergency Dispatch work.
- D. Employees to be laid off may exercise their Bargaining Unit seniority for bumping purposes as follows:
  - 1. Employees faced with layoff who have greater Bargaining Unit seniority than the least senior employee within the same classification must first bump the least senior employee in the same classification within the Bargaining Unit.
  - 2. If bumping is not possible, as outlined in "1" above, employees faced with layoffs who have greater Bargaining Unit seniority may bump the least senior employee within the Emergency Dispatch classification within the Bargaining Unit with the same or lower

maximum salary provided they meet the minimum qualifications and can perform the work.

- 3. Employees bumping into another classification as outlined in "2" above shall serve a thirty (30) day trial period. If the employee is unsuccessful with this bump, the employee may bump only one (1) more time. If this bump is unsuccessful, the employee will be laid off subject to recall rights. Employees who are unsuccessful in exercising their bumping privileges will be laid off from their original classification.

13.2 **Recall.**

- A. When recalling employees following a layoff or reduction to their former Bargaining Unit classification and department, the employee with the most Bargaining Unit seniority who is qualified shall be the first to be recalled.
- B. When recalling laid off employees or employees who have successfully exercised their bumping rights, the Human Resources Director will notify the employees by certified mail sent to the employee's last known address.
- C. Each employee who is recalled shall report to the Human Resources Director in person or by certified mail within five (5) working days after being notified whether or not he/she intends to return to work for the City. If an employee fails to notify the Human Resources Director, as specifically stated herein, the employee shall be considered as having voluntarily quit.

Bargaining Unit employees having recall rights shall have first preference to return to their former classification before other employees are promoted or hired.

Bargaining Unit employees having exercised bumping previously shall continue to accrue Bargaining Unit seniority in their regular classification and not in the classification into which they have bumped unless such transfer becomes permanent.

MILITARY SERVICE

14.1 Any employee on the seniority list inducted into military, naval, marine or air service under the provisions of any Federal Selective Service Training Statute, and amendments thereto, or any similar act in time of National Emergency, shall upon termination of such service, be re-employed in line with his seniority, at the then current rate for such work, provided he has not been dishonorably discharged from such service with the United States Government and is physically able to do work available, and further provided he reports for work within ninety (90) days of the date he is discharged from such service with the United States Government.

14.2 Employees inducted into the Armed Services of the United States, under the provisions of the Selective Service Act, shall be entitled to a leave of absence, without pay, for a period of service required by such original induction. Upon their honorable discharge, and if physically fit to perform the duties of the position which they held prior to entering the military service, such employees shall be reinstated to their former positions or one comparable with it, providing that they make formal application for reinstatement within ninety (90) days after the date of military service discharge. Military service, as above defined, shall be credited to a reinstated employee's length of city service.

ARTICLE 45

DURATION

45.1 This agreement shall be in full force and effect from July 1, 2007 to and including June 30, 2012 and shall continue in full force and effect from year to year thereafter unless written notice of desire to cancel or terminate the Agreement is served by either party upon the other, at least sixty (60) days prior to the date of expiration.

45.2 It is further provided that where no such cancellation or termination notice is served and the parties desire to continue said agreement, either party may serve upon the other notice, at least sixty (60) days prior to July 1, 2012 or any period of any subsequent contract year, advising that such party desires to continue this agreement, but also desires to revise or change terms or conditions of such agreement.

45.3 Should either party to this agreement serve such notice upon the other party, a joint conference of the Employer and the Union shall commence not later than forty-five (45) days before the expiration date or amendment date of this agreement.

21.3 Bonds. Should the Employer require any employee to give bond, cash bond shall not be compulsory and any premium shall be paid by the Employer.

21.4 Action Against the Other Party. In further consideration of the mutual promises contained herein, the parties hereto expressly agree that neither party shall bring or cause to be brought any legal or administrative action against the other until the dispute, claim, grievance or complaint shall have been brought to the attention of the party against whom it shall be made.

21.5 Uniforms. A complete set of initial uniforms will be purchased by the City. A complete set of uniforms is defined as 5 short sleeve shirts with patches, 5 long sleeve shirts with patches, 5 skirts or pants, 1 sweater, 1 jacket, 1 name bar, 1 tie and 1 tie clasp, and 1 belt. After the initial set of uniforms are purchased for existing and new employees, the City will provide a uniform maintenance and cleaning allowance to each employee of Eight Hundred (\$800) Dollars payable in June each year for the previous twelve (12) month period. A prorated allowance will be paid to an employee if he or she is working or on full paid leave for fifteen (15) days in the month, payment not to exceed twelve (12) months. New hires will not receive their uniform allowance or be required to wear a uniform for the first twelve (12) months. The City will also provide a silver badge to each Emergency Dispatcher upon completion of probation.

21.6 Restitution. Should an employee be required to make restitution to the Employer as a result of an unintentional or accidental overpayment of wages or benefits, the City may deduct the amount of the overpayment from the employee's wages for repayment. Such overpayment shall be taken out over an agreed upon period of time. Such repayment schedule shall be at least as long as the amount of time that the overpayment took place. Under no circumstances shall interest or finance charges be levied against the employee.

21.7 The parties agree that compliance with the Michigan Handicapper's Act and the Americans With Disabilities Act shall take precedence over any provision of this Agreement.

21.8 The terms and conditions of all insurance policies are herein included by reference, and the Employer makes and presents no assurances beyond those terms and conditions.

21.9 Subrogation. Where the injury or occupational disease for which compensation is payable under the provisions of the contract was caused under circumstances creating a legal liability in some person other than a natural person in the same employ or the Employer to pay damages in respect thereof, the acceptance of benefits or the taking of proceedings to enforce payments shall not act as an election of remedies, but such injured employee or his dependents or their personal representative may also proceed to enforce the liability of such third party, for damages in accordance with the provisions of this section. If the injured employee or his dependents or personal representative does not commence such action within one (1) year after the occurrence of the personal injury or occupational disease, then the Employer or its

Worker's Compensation insurance carrier or other insurance carrier may, within the period of time for the commencement of actions prescribed by statute, enforce the liability of such other person in the name of that person.

Not less than thirty (30) days before commencement of suit by any party under this section, such party shall notify, by registered mail at their last known address, the injured employee or, in the event of his death, his known dependents or personal representative or his known next of kin and his Employer. Any party in interest shall have a right to join in said suit.

Prior to the entry of judgment, either the Employer or his insurance carrier or the employee or his personal representative may settle their claims as their interest shall appear and may execute releases therefore.

Such settlement and release by the employee shall not be a bar to action by the Employer or its compensation insurance carrier to proceed against said third party for any interest or claim it might have.

In the event the injured employee or his dependents or personal representative shall settle their claim for injury or death, or commence proceedings thereon against the third party before the payment of benefits, such recovery or commencement of proceedings shall not act as an election of remedies, and any monies so recovered shall be applied as herein provided.

In an action to enforce the liability of a third party, the plaintiff may recover any amount that the employee, his dependents or personal representative would be entitled to recover in an action in tort. Any recovery against the third party for damages resulting from personal injuries or death only, after deducting expenses of recovery, shall first reimburse the Employer or its insurance carrier for any amounts paid or payable under the provisions of this Article, to the date of recovery, and the balance shall be forthwith paid to the employee, his dependents or his personal representative and shall be treated as an advance payment by the Employer of any future payments of benefits.

Expenses of recovery shall be the reasonable expenditures, including attorney fees, incurred in effecting such recovery. Attorney fees, unless otherwise agreed upon, shall be divided among the attorneys for the plaintiff as directed by the Court. The expense of recovery above-mentioned shall be apportioned by the Court between the parties as their interest appear at the time of said recovery.

21.10 The oral board for entry level Emergency Dispatchers will consist of three members: one of who shall be a member of the POAM Emergency Dispatchers Unit.

21.11 All bargaining unit members shall be eligible to participate in the City's Flexible Spending Program including medical expense and dependent care reimbursement accounts. Reimbursement to employees shall be made on a monthly basis.

ARTICLE 42

DRUG TEST

42.1 Parties have agreed to a drug testing policy as attached and referred to as Appendix B.

ARTICLE 43

SAVINGS CLAUSE

43.1 In the event that any provision of this agreement shall at any time be declared invalid by any Court of competent jurisdiction, the decision shall not invalidate the entire agreement, it being the express intention of the parties that all other provisions shall remain in full force and effect.

43.2 In the event that any provision of this agreement is held invalid, as set forth above, the parties shall enter into negotiations for the purpose of arriving at a mutually satisfactory replacement for the provision held invalid.

ARTICLE 44

WAIVER CLAUSE

44.1 The parties acknowledge that during the negotiations, which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived to by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the Employer and the Union, for the life of this agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this agreement and with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time they negotiated or signed this agreement.

The oral interview panel shall be comprised of three persons, one of whom shall not be an employee of the City. The oral interview portion of the final grade shall be an average of all examiners' scores. A representative of the Police Officers Association of Michigan (POAM) may, at the option of the Union, attend, as an observer, the oral interviews.

No individual examination scores shall be released until all phases of the examination process have been completed.

40.5 Eligibility Lists. The eligibility list shall be comprised of those deemed qualified by virtue of the examination process. Those applicants who achieve an accumulated total score of 70% or greater shall be ranked in order of their scores, beginning with the highest at the top. The list shall remain effect for two years from the date of list certification.

In the event that an Emergency Dispatcher on the eligibility list for promotion either declines that promotion or returns to his or her previous position, that employee shall be removed from the eligibility list. The employee so removed shall be returned to his/her former classification and position within the bargaining unit and may re-apply and re-test when subsequent eligibility lists are to be established.

40.6 Probationary Period. The successful employee shall be given a probationary period of 120 days to qualify on the job. The department will assist the employee wherever possible. In the event the employee cannot qualify or they voluntarily decide to withdraw from the new position, the employee shall be returned to their former classification and position within the bargaining unit. All bargaining unit seniority rights shall be retained.

40.7 All costs, fees, and expenses to maintain and administer the promotional system shall be borne by the City. No applicant shall be required to pay a fee for any examination required under the promotional system.

ARTICLE 41

LONGEVITY

41.1 Bargaining Unit members shall receive a longevity payment for the first pay period following the employee's anniversary for those eligible as of July 1, in that fiscal year, according to the following schedule:

5 years or more	\$1,100
10 years or more	\$1,600
15 years or more	\$2,100
20 years or more	\$2,800
25 years or more	\$3,200

ARTICLE 22

VACATION TIME

22.1 Employees shall be entitled to vacation time with pay under the following schedules:

- A. Employees who have completed one (1) year of continuous service shall be granted eighty (80) hours vacation without loss of pay.
- B. Employees who have completed five (5) years to nine (9) years of continuous service shall be granted one hundred twenty (120) hours vacation upon completion of each year without loss of pay.
- C. Employees who have completed ten (10) to nineteen (19) years of continuous service shall be granted one hundred sixty (160) hours vacation upon completion of each year without loss of pay.
- D. Employees who have completed twenty (20) to twenty-four (24) years of continuous service shall be granted one hundred eighty (180) hours vacation upon completion of each year without loss of pay.
- E. Employees who have completed twenty-five (25) years or more of continuous service shall be granted two hundred (200) hours vacation upon completion of each year without loss of pay.
- F. Employees who lost time due to on-the-job disability under Worker's Compensation up to a maximum of one (1) year shall receive their vacation as though the time was worked.
- G. Vacation days can only be accumulated in the amount not to exceed two hundred forty (240) hours, except that employees will have the following year to use the vacation credited for the year just earned. Accrual will be based on anniversary date for each employee. For example: An employee who was hired on September 1, 2000, had the 240 hour maximum accumulation. On September 1, 2006, this employee would be credited an additional 120 hours vacation (this would represent completion of sixth year). This employee would then have until his/her next anniversary date to use or lose the 120 hours.

Vacation earned during one (1) year would be credited and used during the next year. Vacation time may not be taken in the same year based upon monthly accrual except in emergencies as approved by the City Manager.

- H. In the case of retirement, resignation in good standing, or death of an employee, her or his estate will be paid for all vacation hours which have accumulated to their credit, plus a pro-rata share of vacation earned during any month of the year of retirement, resignation in good standing or death. An employee is deemed to have completed a full month if separation occurs after the 15th of any month.
- I. Vacation, compensatory, and personal time shall be considered equal. Leave requests can be submitted year round. Leave time must be approved by the supervisor. Leave can be taken on a per day or hourly increments if approved by the supervisor. When a shift is down to minimum staffing levels at least one person shall be allowed time off even if it requires overtime as long as the request is submitted at least 48 hours in advance. A member cannot cancel his/her vacation time within 72 hours of taking such time if overtime has been previously assigned.
- J. If requested time off is before the next shift change, it shall be approved or disapproved within three (3) days of submission. If requested time off is after the next shift change, it shall be approved or disapproved within seven (7) days after shift selection has been completed by date of submission.

Leave time will be approved on a first come, first served basis by submission date, not hour. Unit seniority shall prevail in the event that two or more dispatchers submit requests on the same day, for the same leave time with the understanding that Shift Leaders will make their selections before Emergency Dispatchers. No leave request shall be considered for approval by the supervisor more than six (6) months prior to the date of the leave. (Example: No request for December 25 will be considered for approval prior to June 25. A request submitted on May 25 would be considered as if submitted on June 25.)

In case of illness, said employees can use their vacation if needed, after all sick time benefits are exhausted.
