In such event, the employee will be required to furnish the Employer with a sworn statement of earnings, during said period, and such earnings shall act as an offset in such claim for back wages. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at their regular rate with the Employer.

ARTICLE XXVI
RETIREMENT

26.1: All full time regular employees shall, upon their date of hire, participate in the St. Clair County Employees Retirement Plan. Specific terms and conditions of retirement not herein defined are subject to the terms and conditions provided by the retirement plan custodians and shall not be subject to nor require separate Union approval.

26.2: The Defined Benefit Pension and the Retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

26.3: The St. Clair County Retirement System provides eligible employees (hired before 01/01/09) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement

plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Participation in the Defined Benefit Plan is mandatory among eligible employees as defined and set forth in 26.1. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Employee and Employer contributions are as follows.

A. The employee shall contribute five percent (5%) of his or her eligible gross bi-weekly wage.

B. Effective January 1, 2008 and every calendar year thereafter the employer shall contribute an actuarially determined amount.

26.4: The St. Clair County Retirement System provides eligible employees with the opportunity to participate in the retiree health care plan by contributing to a Health Care Trust Account. Employee participation in the Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

A. A full time employee who made the election to participate in the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

B. A full time employee subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.

[i] The full time employee shall have eleven (11) or more actual years of service contributions to the Retirement Plan.

[ii] The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.

[iii] The employee with contributions in the Health Care Trust Account shall be entitled to pay the health care premium costs from his or her contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].

[iv] The employee, upon making an application for retirement, must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must participate in the purchase of health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[v] The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

26.5: Contributions to the Retiree Health Care Trust Account shall be calculated annually on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. The employee shall contribute to the Retiree Health Care Trust Account as follows:

A. Employees hired before January 1, 2009 shall contribute as follows:

<u>Effective Date</u>	<u>Employee Contribution</u>

07/01/09	1.0%
01/01/10	1.5%
07/01/10	2.0%
01/01/11	2.5%

26.6: Employees hired before January 1, 2009 with sufficient years of service and age to retire before June 30, 2012 shall be entitled to select the following contribution option:

A. The employee shall contribute five percent (5%) of his or her eligible bi-weekly wage as defined in this article for the duration of this Agreement. The employee's contribution shall be attributed to both pension and health care.

B. The County shall contribute thirteen percent (13%) of the employee's eligible bi-weekly wage for the duration of this Agreement. The County's contribution shall be attributed to both pension and health care.

C. In selecting this option the employee agrees to and shall retire on or before June 30, 2012.

D. In selecting this option the employee must complete and sign a retirement application form designating a retirement date no later than June 30, 2012.

E. The employee that fails to retire or otherwise leave employment no later than June 30, 2012 shall be required to pay an amount equal to the contributions that otherwise would have been made to the Retiree Health Care Trust Account. Contributions due shall be made by payroll deduction and/or in a lump sum at the employee's discretion but shall be paid in full within ninety (90) calendar days after June 30, 2012 or the employee will be subject to pay one percent (1%) daily compounded interest.

26.7: An employee shall have the option to contribute to a 457 Deferred Compensation Plan rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement. Terms and conditions of the 457 Deferred Compensation Plan follow:

A. Effective upon the earliest possible date following ratification of the agreement by the parties, the employee shall be entitled to select one of the following contribution options to be matched by the County.

<u>Employee Contribution</u>	<u>County Contribution</u>
1.0%	0.5%
2.0%	1.0%

4.0%	2.0%
5.0%	2.5%

B. "ALL CONTRIBUTIONS" to the 457 Deferred Compensation Plan shall mean the contributions of the employee and the County. Contributions shall mean all contributions except as otherwise defined.

C. Upon retirement the employee may at his or her discretion use contributions to the 457 Deferred Compensation Plan to purchase retiree health care from the Retirement System provided the employee has a minimum of eleven (11) or more years of contributed service in the Retirement System.

D. An employee must elect or not elect to contribute to the 457 Deferred Compensation Plan upon full time regular employment with the County. The election once executed is irrevocable.

E. An employee shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan with County match at the same time. An employee shall have the option to contribute to a 457 Deferred Compensation Plan account with County match rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan with County match shall not be entitled to retiree health care paid by the Retirement System upon retirement.

F. Employees shall have the right to make additional non-matching contributions to a 457 Deferred Compensation Plan, subject to the IRS limits, pursuant to the terms of the plan. For example, employees who remain in the Defined Benefit Plan and the Retiree Healthcare Trust Fund Account will still be able to contribute to a 457 Deferred Compensation plan from their wages. No match will apply to these contributions.

26.8: A retiring employee subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed sixty-four percent (64%) upon attaining thirty-two actual years of service, including purchased military service time. Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

26.9: A retiring employee subject to the Modified Plan shall be entitled to final average compensation multiplied by years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Annual Multiplier</u>

20 through 24	2.00% - retroactive

25 and above

2.40% - retroactive

Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation. Upon attaining the twentieth (20th) year, the multiplier shall be retroactive to the first year. Employees hired before January 1, 2009 shall be entitled to a multiplier maximum that shall not exceed seventy-five percent (75%).

26.10: An employee shall be eligible upon satisfying one of the following criteria:

- A. The employee has attained the age of fifty-five (55) years and has twenty-five (25) or more years of credited service.
- B. The employee has attained the age of sixty (60) years and has eight (8) years or more years of credited service.
- C. The employee's combined years and months of actual service and age equal eighty (80) years, provided the employee shall also have completed twenty-five (25) years of actual service.

Years of actual service shall mean that period of time employed and contributing to the St. Clair County Employee Retirement Plan and excluding, by way of example, reciprocity through other retirement plans or purchase of military service time.

- D. An employee in the classification of Sergeant, Lieutenant, Corrections Officer, Communications Officer, Deputy or Detective shall be eligible for early retirement with twenty-five (25) or more years of continuous full time employment in these classifications or any combination thereof.

- A. An employee is not required to withdraw his or her contributions upon termination of employment.

B. Contributions left in the plan are deferred until such time as when the former employee shall be entitled to a retirement pension.

C. The employee that leaves his or her contributions in the Retiree Health Care Plan Trust Account shall only be entitled to health care coverage in conjunction with receiving a pension.

D. The employee that withdraws his or her contributions shall terminate all right to receive retiree health care coverage from the plan at no premium cost to the retiree.

E. The employee that leaves his or her contributions in the Retiree Health Care Trust Account but who has insufficient actual years of services to qualify for coverage shall be entitled to purchase coverage when meeting all the conditions stipulated in this article.

26.13: An employee disabled in conjunction with and as a result of their employment with the Sheriff Department shall be eligible for disability pension. Be it provided to be eligible for disability pension the employee must have completed ten (10) years of service. The health care premium costs shall be borne by the retirement plan. Disability pension compensation shall be provided at fifty percent (50%) of the normal compensation at the time of disability. Disability pension shall be offset by social security and/or worker's compensation.

26.14: An employee who suffers a non-duty related permanent total disability shall be entitled to a pension provided the employee has at least ten (10) years of service. The spouse and/or plan defined dependents of an employee whose death is due to a non-duty related disability shall be entitled to a pension if vested in the plan. Employees who were hired on or before March 24, 1992 of this contract shall be eligible for health care, the cost of which shall be borne by the plan. Employees hired after March 24, 1992 shall be ineligible for health care except as may be provided by applicable law such as C.O.B.R.A.

26.16: The County shall notify the Union no less than thirty (30) calendar days in advance of any proposal to change retiree health care affecting a member or former member of the bargaining unit. The County agrees to meet with the Union to discuss the proposed changes. The Union may request to bargain the proposed changes to the extent that it may impact former bargaining unit members who retired during the term of the collective bargaining agreement in affect at the time of the proposed changes. The Union shall have no standing or authority to bargain changes that affect a former

member who retired prior to the collective bargaining agreement in affect at the time of the proposed change.

26.17: Full time employees hired on or after January 1, 2009 shall not be eligible for a Defined Benefit Plan; instead, these employees shall be entitled to a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the employee decides to withdraw upon termination from employment; the employee chooses how to direct his or her investment. The employee should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.

The employee may contribute up to a maximum of 8% of total wages through payroll deduction each pay period. Wages is defined as W-2 compensation less fringe benefits, bonuses, overtime, off schedule payments and longevity, etc.

The County will match the employee contribution dollar for dollar up to a maximum of 8% of total wages. The County match is subject to forfeiture by the employee based on a 5 year graded vesting schedule:

<u>Years of Service</u>	<u>Vesting Amount</u>
1 year of service	20%
2 years of service	40%
3 years of service	60%
4 years of service	80%
5 years of service	100%

For example: if an employee participating in the Defined Contribution Plan terminates employment with two (2) years of service, the employee would receive 40% of the County match. The remaining 60% would be forfeited and used to reduce future County match obligations to other participants.

Retirement age: Age 65 or the age at which Participants have the right to retire and receive, under the basic defined benefit pension plan of the employer, immediate retirement benefits without actuarial or similar reduction because of retirement before some later specified age.

Proof required status shall mean the employee must provide a statement from their attending physician indicating the nature of the illness in order to be eligible for sick day pay. The employee shall be on proof required status for ninety

(90) calendar days. The employee who fails to provide appropriate medical verification shall not only be denied sick day compensation, but shall be subject to discipline.

33.6: Sick days may be taken in place of normally scheduled work days, excluding holidays.

33.7: An employee shall be eligible for salary continuation when an illness or injury extends beyond twenty (20) consecutive work days. 33.10: Commencing the one hundred and eighty-first (181st) calendar day salary continuation shall be provided by an insurance carrier of the County's choice or by the County at the County's discretion. At such time the disabled employee shall not be eligible for fringe benefits. Be it provided, however, that the disabled employee shall be entitled to obtain group health insurance through the County in accordance with the following safeguards and conditions.

- B. The disabled employee shall be entitled to six (6) months of health care coverage provided the employee pays fifty percent (50%) of the premium costs.

33.11: Nothing shall prohibit the County from offering the employee a redemption in lieu of salary continuation. Be it provided, however, that the employee shall have sole responsibility to accept or reject a redemptive offer.

33.12: The employee shall be eligible to supplement disability compensation with vacation or sick days on a ratio of one (1) vacation or sick day to three (3) days of absence in order to remain at full normal gross salary.

33.14: An employee on an approved disability leave using sick days, salary continuation

or disability insurance shall be subject to all the provisions of Article XX - Leave of Absence.

33.15: The employee must promptly notify their supervisor of their absence or be subject to discipline.

37 to 48	40%
49 or 60	50%
61 to 72	60%
73 or more	70%

For purposes of payoff due to retirement or termination of employment for any reason, accrued sick days shall be calculated to reflect eight (8) hour days.

33.17: An employee who has two hundred and forty (240) bank sick hours on December 31st will be eligible for a sick time non-usage bonus. To receive the bonus of \$500.00, which is payable in the second pay period of January, the employee shall not have used more than three (3) sick days in the calendar year running from January 1st through December 31st. Any employee who exceeds three sick days in the calendar year shall not receive the bonus.
