ARTICLE 2
MANAGEMENT RIGHTS

Section 1. Management Prerogatives.

Unless specifically limited by provisions elsewhere in this Agreement, nothing in this Agreement shall restrict the Employer in the exercise of its function of management under which it shall have among others the right to hire new employees and to direct the working force, to discipline, suspend, discharge for cause, transfer or lay off employees, require employees to observe reasonable departmental rules and regulations, to decide the services to be provided the public, schedules of work, work standards, and the procedures by which such work is to be performed. The exercise of the foregoing rights and responsibilities shall be limited by other provisions of this Agreement as well as by the Constitution and the laws of the State of Michigan and the Constitution of the United States.

ARTICLE 3
UNION SECURITY AND DUES DEDUCTION

Section 1.

Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain or discontinue their membership in the Union as they see fit. Neither the Employer nor the Union shall exert any pressure upon or discriminate against any employee with regard to such matters. The Union further agrees not to solicit Union Membership and not to conduct activities, except as otherwise provided for by the terms in this Agreement, during working hours of the employees or in any manner that may interfere with employees engaged in work.

Section 2.

The Employer agrees, during the period of this Agreement to provide this check-off service without charge to the Union. In all cases of alleged disability, the Employer retains the right to verify said certificate(s) and may refer the employee to a physician of its choice whenever it deems necessary at the Employer's expense. Placement and performance in a light duty job will not entitle the employee to additional pay beyond the compensation as allowed in Section 2 of this Article. It is understood that the purpose of placement into a light duty job is not to provide for additional compensation, but rather, encourage all employees to return to work as soon as possible.

All employees assigned to a light duty job will report to the work site as directed, take directions as given by the job site supervisor, and perform duties as instructed.

The Police Officers Association Of Michigan, Unit I (Non-312), hereby agrees that individuals who may not be employees of the Saginaw County Sheriff Department, or members of their bargaining unit, may be assigned to light duty jobs within their departments. Further, the Union agrees and understands that these assignments shall not be permanent assignments.

Section 2. DRUG TESTING

A. POLICY

It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of reasonable employee drug testing programs.

The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair a law enforcement employees physical and mental health and, thus, job performance.

Where law enforcement employees participate in all forms of substance abuse and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this department will implement a drug testing program to detect prohibited drug use by sworn employees commencing July 1, 1995.

5. Probable Cause - That amount of facts and circumstances within the knowledge of a supervisor or the administration which are sufficient to warrant a prudent person to believe it is more probable than not that an employee is or has been using drugs while on or off duty in such a manner as to impair his or her ability to perform their required duties.

Amphetamines	1000

These cutoff levels are subject to change by the Department of Health and Human Services as advances in technology or other considerations warrant identification of these substances at other concentrations. If these cutoff levels change in the future, the matter will be discussed with the labor associations prior to any amendment of this general order.
7. The laboratory selected to conduct the analysis shall be experienced and capable of assuring quality control, documentation, chain-of-custody, technical expertise and demonstrated proficiency in urinalysis.

Section 3. Psychological Testing

It is acknowledged that law enforcement work is stressful and at certain times very emotional. Personnel are required at all times to exhibit keen minds that are stable, focused and in control. Consequently, there could be times that an employee could under the abnormal stress of the job suffer from irrational or unstable behavior. Therefore, the parties to this policy agree to abide by these provisions designed to protect the health and welfare of the employee, as well as safeguard the department from allegations of inappropriate behavior by an employee.

The testing of employees may occur in the event of the following:

1. Any on or off duty officer involved shooting incident.
2. Any on or off duty officer involved accidents resulting in serious or fatal injuries
3. After any incident in which an officer has been exposed to undue trauma or stressful assignments.

4. At the request of the Sheriff when probable cause exists that an employee has or is exhibiting abnormal behavior that maybe caused by unusual stress, mental illness or other medical related problems.

Testing of the employee will be discussed with the employee prior to the test to ascertain information that may warrant a reconsideration of the test.

Testing will consist of two phases in most instances unless testing is specifically needed in test areas and is requested by a physician.

1. Emotional Stability - Testing to determine the mental health and state of the employee.
2. Personality Factor Analysis - Testing to determine an individual fitness to act in the Law Enforcement Profession.

Testing will be done at the Expense of the County and by the Physician or agency chosen by the County. An employee retains the right to a second opinion by a physician of his/her choice at the employee's expense. In the event that the second physician disagrees with the first physical, a third physician selected by the Saginaw County Medical Society will be retained and the fees for same will be split between the parties.

Test results will be kept confidential and will be kept by the attending Physician. The results may be used to place an employee on medical leave pending further testing or treatment.

An employee determined unable to serve as result of this testing will be placed on the disability program.
