RE: Food Service Contract

Due to the current economic status of the school district and the fact that the other employee groups of administrators, bus drivers, teachers, secretaries, and teacher assistants will be receiving a 0% increase this year, the administration is offering an extension of the current food service contract with no cost of living increase.

Wages for 09-10 year will be based on the 08-09 wage schedule as already listed in the contract, and therefore only those employees eligible for a step increase will receive any wage increase.

Please submit this to your group and if you accept this offer, please sign below.

THE FOOD SERVICE GROUP AGREES TO A CONTINUATION OF THE  
CURRENT FOOD SERVICE CONTRACT WITH A 0% PAY INCREASE FOR THE  
2009-10 SCHOOL YEAR.
