#### Teacher Evaluation & Files

##### A. EVALUATION

The Board and Association recognize that evaluation is an important tool for recognizing satisfactory performance, and maintaining and improving the quality of the District's instructional programs.

The evaluation process will utilize the current forms and procedures established in this contract to promote a developmental system of benefit to the teacher's professional growth, and the educational process.

All evaluations shall be based upon valid criteria for evaluating professional performance and growth.

##### B. EVALUATOR

The evaluator(s) shall be an administrator employed by the Board, who possesses educational certification.

By October 1<sup>st</sup> of the school year in which the teacher will be evaluated, the teacher will be informed of who the evaluator(s) will be. Teachers, whose first day of work is after October 1, will be informed within 20 working days after their first day of work.

## C. EVALUATION FREQUENCY

### 1. PROBATIONARY TEACHERS

Probationary teachers shall be formally evaluated each year of probation.

On or before October 1<sup>st</sup>, each probationary teacher to be evaluated that school year shall be provided with a copy of the Teacher Performance Standards (Appendix E). Those probationary employees whose first day of work is after October 1<sup>st</sup> will receive their copy within twenty (20) working days after their first day of work.

Probationary teachers who have completed one (1) year of probationary service shall receive an Individualized Development Plan, IDP, (Appendix H). The IDP shall be developed by the evaluator in consultation with the probationary teacher. The IDP shall be developed after the Summative Evaluation is completed, by October 1 or twenty (20) work days after the teacher's first day of work, WHICHEVER IS LATER. If a probationary teacher's Summative Evaluation is less than satisfactory, the IDP shall be developed before the end of that school year.

Probationary teachers will be observed in a classroom or work site setting at least twice per year, with at least 60 calendar days between the first and last observation. At least one observation will be scheduled in advance by mutual agreement.

A final summative evaluation will be completed by the last day of work prior to Spring Break, but not later than April 1. The evaluator's recommendation regarding contract renewal shall be discussed.

A probationary teacher will be defined as any teacher who has not acquired tenure within the Thornapple Kellogg School system or those teachers who cannot acquire tenure (e.g. social workers) will serve a probationary period of two or four years as any other teacher.

### 2. TENURED TEACHERS

Tenured Teachers who have completed the probationary period shall be formally evaluated once every three (3) years, using the forms and procedures described herein. More frequent evaluations may occur at the request of the evaluator or teacher.

On or before October 1<sup>st</sup>, each tenured teacher to be evaluated that school year shall be provided with a copy of the Teacher Performance Standards (Appendix E).

Tenured teachers will be observed in a classroom or work site setting at least twice during the formal evaluation process. At least one observation

will be scheduled in advance by mutual agreement. A final summative evaluation shall be provided no later than the second Friday in May.

For the purposes of evaluation process, teachers who cannot acquire tenure (e.g. social workers) shall be considered in the tenured category when they have had a probationary period equivalent in length to teachers who have acquired tenure.

#### D. EVALUATION CYCLE

An evaluation cycle shall consist of the following:

1. a pre-observation conference (prior to the first observation);
2. classroom, or work site observation(s) in case of non-classroom teachers;
3. post observation conference;
4. a final summative evaluation and conference.

##### 1. PRE-OBSERVATION CONFERENCE

To begin the evaluation cycle, the evaluator shall hold a pre-observation conference with the teacher, to discuss the expectations in the Teacher Performance Standards and provide a tentative schedule for the evaluation cycle.

##### 2. OBSERVATIONS (Classroom and/or work site)

All monitoring or observations of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher.

Where feasible, it is recommended that observations of a classroom or work site extend for at least thirty (30) consecutive minutes.

If there is any video taping or audio recording with teacher's permission, such as for teacher self-improvement, the tape shall remain the property of the teacher. The use of eavesdropping, closed circuit television, public address or audio system and similar surveillance devices shall be strictly prohibited.

##### 3. POST OBSERVATION CONFERENCE

The administrator who has observed the teacher shall hold a conference with the teacher within fifteen (15) working days of each observation that exceeds 30 minutes. When need for improvement is noted, written suggestions shall be provided to the teacher at this conference. (On the negotiated form – Appendix L). Where written suggestions are provided at the first conference, the evaluator shall also provide feedback to the teacher at their second post observation conference assessing the employee's progress in those areas.

#### 4. FINAL SUMMATIVE EVALUATION

The final summative evaluation shall be prepared by the primary evaluator of the teacher.

A final summative evaluation conference shall be held within 15 school days of the last observation but no later than April 1 in the case of a probationary employee, or the second Friday in May in the case of a tenured or non-probationary employee.

A copy of the written evaluation (Appendix F) shall be submitted to the teacher at the time of this conference. A copy would then be signed indicating completion of the conference and returned to the administration. In the event that the teacher feels his/her evaluation was incomplete or unjust, he/she may put his/her objections in writing and have them attached to the evaluation report of the evaluator to be placed in his/her personnel file.

A tenured teacher or non-probationary employee who is rated unsatisfactory overall in the final summative evaluation may request another administrator to provide a second (i.e., additional) evaluation during the following year.

#### E. INDIVIDUALIZED DEVELOPMENT PLAN FOR TENURED/ NONPROBATIONARY EMPLOYEES

If an Individualized Development Plan (IDP) is deemed necessary by the evaluator, or requested by the tenured or nonprobationary employee, the evaluator, with input from the teacher/nonprobationary employee, shall develop an IDP (Appendix G). (The IDP satisfies the Tenure Act IDP requirement for tenured teachers.)

The Plan will:

1. identify the specific area(s) that need improvement;
2. state the measurable or observable area(s) to improve;
3. develop a workable timeline for improvement that includes follow-up dates for observations and other appropriate deadlines;
4. provide strategies, resources, examples of the desired behavior, and assistance available to the employee in making improvements.

#### F. TIMELINES

When either the employee's or evaluator's absence of more than five (5) consecutive working days, due to unforeseen circumstances, affects a contract timeline, the evaluator, in consultation with the Superintendent and Association President, may extend the timeline equal to the number of days absent.

## G. SUBJECT TO GRIEVANCE

It is expressly understood that the content of an evaluation shall not be the subject of a grievance. However, an alleged violation of the evaluation procedure as set forth in this agreement may be grieved.

## H. FILES

Each teacher shall have the right, upon reasonable advance notice, to review his/her personnel file, and may do so in the presence of an Association representative. A teacher will be given the opportunity to file a response to any material in his/her personnel file(s), and the response shall be made a part of the said file(s).

No material may be destroyed or removed from the teacher's file without the presence of the teacher and/or the teacher's representative. The teacher may request the removal of any document. The removal will be done at the discretion of the supervisor in consultation with the Superintendent or designee.

## I. FREEDOM OF INFORMATION ACT (FOIA) REQUEST

If the District receives a FOIA request for a teacher's file, the teacher shall be notified of the request, and shall receive a copy of it. Before the District responds to the request, the teacher and/or Association may review the materials the District believes it must provide in response to the FOIA request. If the teacher indicates that he/she will challenge the intended disclosure, the Board will take the maximum time permitted by the FOIA before it responds. The Board will cooperate where feasible and intends to exempt from disclosure file materials that may be exempted.

## J. GENERAL PROVISIONS

If a teacher is asked to sign any materials, including those that may go into his/her file, such signature shall be understood to indicate his/her awareness of the material, but the signature shall not be interpreted to mean agreement with the content of the material.

Note: An evaluation tool will be negotiated for Itinerant staff and Counselors by December 31, 2010.

### Protection of Teachers

- (A) Since the teacher's authority and effectiveness in his/her classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.
- (B) Any case of assault upon a teacher shall be promptly reported to the board or its designated representative. The Board shall provide the teacher with an initial conference with a qualified lawyer who can advise the teacher of his/her rights.
- (C) If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student in the proper performance of his/her duties, the Board will provide a legal counsel and render reasonable assistance to the teacher in his/her defense. Reasonable assistance means the Board will provide an attorney to discuss the facts of the particular situation, but not require the filing of a lawsuit or the presence of an attorney at any proceeding unless the action complained of was within the scope of the Teacher's employment. The Board will also provide any legal defense available under its existing insurance coverages in such circumstances.
- (D) No charge shall be made against a teacher's salary or leave time in case of time lost because of appearances, i.e. court, administrative agencies, involving incidents covered by Sections (B) and (C) of this Article.
- (E) The Board will reimburse teachers for any loss, damage or destruction of clothing or personal property of the teacher, at replacement value or a fair market price, while on duty in the school or on the school premises if the loss is suffered as a normal part of employment and through no negligence of the teacher, provided that the personal property is needed as part of the instructional or school program and has been documented and approved by the building principal. The reimbursement of the teacher will be limited to the amount of the deductible up to \$500.00 if covered by insurance unless there is liability by the district for payment.
- (F) Any complaints by a parent of a student directed toward a teacher shall be promptly called to the teacher's attention. Complaints not brought to the teacher's attention within five (5) teacher work days (business days during the summer) after the complaint is made known to the Board are not admissible for disciplinary action.
- (G) Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be held individually liable by the Board, except in the case of gross negligence or gross neglect of duty, for any damage or loss to a person or property.

- (H) A teacher shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded, warned or disciplined of any infraction of discipline or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher, until such representative of the Association is present. The parties agree that investigatory interviews should be conducted in a reasonably prompt fashion. In the event that the investigatory process could lead to discipline, Administration will inform the member of his/her right to have a representative of the Association present. The teacher shall make every reasonable attempt not to postpone a request for an investigatory interview to obtain representation. In cases where immediate attention is required, the Association will make a representative available; the Board shall provide advance notice to the Association that representation may be needed.
- (I) No teacher shall be disciplined without just cause, however, the discharge of a probationary teacher is not subject to just cause. The Board agrees to follow a policy of progressive discipline which includes verbal warning (documented in an anecdotal file\*), written reprimand, suspension without pay and discharge. The Board reserves the right not to follow progressive discipline for behavior requiring immediate suspension without pay or discharge.

\*The "anecdotal" file does not trigger the exclusionary provisions of Section 2 of the Bullard-Plawecki Employee Right to Know Act, MCL 423.502.

Nonrenewal of probationary teachers will be conducted in accordance with Article 1.

## Article XVII

### Negotiation Procedures

- (A) It is contemplated that matters not specifically covered by this Agreement but of common concern to the parties shall be subject to the professional negotiations between them from time to time during the period of this Agreement upon request by either party to the other. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters. The items to be negotiated shall have approval of both parties before negotiations shall start.
- (B) In the event the salary schedule is re-opened for negotiation, by either party, as provided in Article 17(A) of this Agreement, the parties will promptly negotiate for the purpose of reaching an agreement upon a revised salary schedule.

At least sixty days prior to the expiration of the Agreement, the parties will likewise begin negotiations for a new agreement covering wages, hours, terms, and conditions of employment of teachers employed by the Board.

- (C) In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representative of the other party and each party may select its representatives from within or outside the school district.

It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

- (D) If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation services of the Michigan Employment Relations Commission (MERC) or take any other lawful measures it may deem appropriate.

## Article XVIII

### Professional Grievance Procedure

- (A) Any teacher, group of teachers or the Association believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may file a type-written or word processed grievance, using the form in Appendix I, stating the nature of the grievance and the Article and Section of the Agreement allegedly violated, and the remedy requested, and signed by the teacher, group of teachers or the Association if a solution is not reached after an informal discussion with the principal or immediate supervisor.

The written grievance may be filed with the Board or its representative. The Board hereby designates as its representative for such purpose the principal in each school building and the Superintendent when the particular grievance arises in more than one school building.

The Association appoints a teacher in the Thornapple Kellogg system as its designee or agent to process grievance.

- (B) If a teacher does not file a type-written or word-processed grievance, using the form in Appendix I, with the principal or other designated Board representative within eight (8) working days after the occurrence, then the grievance shall be considered as waived.

A grievance may be filed after this time limitation if both parties agree it was not possible to file said grievance in the above time limitation. A grievance may be filed after this time limitation as long as meetings have occurred to solve the situation. The grievance shall be dropped if the Association does not request another meeting within eight (8) work days. The grievance shall be granted if the Association does make a request and administration fails to meet within eight (8) work days. However, timelines may be extended by mutual agreement.

- (C) Within five (5) working days of receipt of the grievance the designated representative of the Board shall meet with a representative of the Association in an effort to resolve the grievance. The designated representative of the Board shall render a decision within five (5) working days. Affected teachers may or may not be present at such meeting.

If the grievant does not agree with the principal's decision, the teacher or Association must submit the type-written grievance in writing to the Superintendent within five (5) working days. The Superintendent shall schedule a meeting with the grievant and/or Association and shall render a decision within ten (10) working days of receipt of the grievance. If the grievance is submitted directly to the Superintendent, the same time lines shall apply.

- (D) If the decision of the Superintendent is not satisfactory to the Association, a grievance, limited to alleged violations, misinterpretations or misapplication of provision of this Agreement, may be submitted to arbitration within thirty (30) working days after receipt of the Superintendent's decision, before an impartial arbitrator, he/she shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing.

Following the submission of the demand to arbitrate, either party may request mediation of the grievance through the Michigan Employment Relations Commission.

Neither party shall be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed.

The authority of the arbitrator is subject to the following provisions:

1. The arbitrator shall have no power to alter, modify, add to, or subtract, from the provisions of this Agreement.
2. His/her authority shall be limited to deciding whether a specific Article and Section of this Agreement has been violated and shall be subject to, in all cases, the right, responsibilities, and authority of the parties under the Michigan School Code or any other laws.
3. The arbitrator shall not usurp the function of the Kent County Education Association or the Board of Education, in the proper exercise of the judgment and discretion under law and this Agreement.
4. The arbitrator shall have no power to interpret state or federal law.
5. Grievances involving demotion or discharge of a tenured teacher shall be arbitrable only on the following conditions:
  - a. The teacher does not file a claim of appeal of Board action pursuant to the Michigan Teachers' Tenure Act, as amended;

- b. Within twenty (20) days after receiving notice of Board action, Teacher files with the Board a written election to submit the matter to final and binding arbitration rather than proceed with an appeal to the Tenure Commission;
  - c. No arbitration hearing shall be held until after the teacher's time for invoking rights under the Tenure Act has expired without such rights being invoked. Following a timely written election, such a grievance may be processed pursuant to the expedited arbitration rules of AAA at the request of either the employee or the Board.
  - d. This procedure is not intended to be and should not be construed as a waiver of teacher's rights under the Tenure Act. It is only intended to give a teacher an opportunity to elect an alternate, but not an additional, method to contest certain Board actions. Consequently, if at any time a teacher elects to exercise rights under the Tenure Act, grounds for grievance and an arbitrator's jurisdiction no longer exists.
6. Grievances involving EEO claims shall be arbitrable only if the employee signs a written election to submit such claims to final and binding arbitration. The written election shall be in a form acceptable to the Board and shall include a knowing and voluntary waiver of rights to pursue such claims in state and federal court and in any other forum (e.g., MDCR, OCR, EEOC). The written election must be filed within thirty (30) days after receipt of the Superintendent's decision. Following a timely written election, such a grievance may be processed pursuant to the expedited arbitration rules of AAA at the request of either the employee or the Board.

The decision of the arbitrator, if within the scope of this authority as above set forth, shall be final and binding and both parties agree that judgment thereon may be entered in any court of competent jurisdiction.

- (E) If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated. The matter, penalty and remedy for a wrongful penalty shall be left to the full discretion of the arbitrator.
- (F) Each party shall pay its own cost for attorneys fees and witnesses. All costs of the arbitrator shall be paid by the losing party. In case of a compromise decision, the arbitrator shall indicate a fair distribution of costs.
- (G) For administrative convenience, the Board may cause complaints which may be the subject of grievances under this Article, first to be presented to a department head, assistant principal or other school employee, for informal processing, in an effort to reduce the number of formal grievances handled under the professional grievance procedure herein established.

The parties shall mutually work out procedures for such informal processing upon request, but exhaustion of such informal procedures shall not be required as a condition precedent to invoking the grievance procedure, nor shall the participation of department heads, assistant principals or other employees in such informal procedures be deemed to be supervisory or executive function.

- (H) It is understood that the time limits are maximum and can be extended with the written mutual consent of both parties. Both parties should be encouraged to process a grievance as rapidly as possible and within the limits and procedures as set forth herein.

## Article XIX

### Lay-Off Procedure

- (A) Seniority, shall be the defined as the length of continuous service with the Thornapple Kellogg Schools, and shall apply for lay-off as hereinafter used.

A leave of absence granted pursuant to the contract shall not constitute an interruption in continuous service.

Credit given for outside teaching experience in school districts shall not be considered for the purpose of accumulating seniority.

A teacher's seniority date shall be his/her last date-of-hire and seniority shall accrue with the first day of work.

Days worked in any extra-curricular activity shall neither accrue seniority nor establish a date-of-hire.

A teacher, who works less than full-time, but on regular basis, shall accrue seniority as if he/she were employed full-time.

Teachers with the same date-of-hire will determine their seniority by the last four digits in his/her social security number. The highest number will be the first date of hire. The date-of-hire will be determined by the date of the first day of work.

In the event a teacher is promoted into an administrative position and later returns to the unit, the teacher will be given seniority credit for time spent in both the teaching and administrative capacities. Those administrators originally hired in an administrative capacity who have not served time in the bargaining unit, will not be given credit for seniority purposes for the time spent prior to originally accessing the bargaining unit.

- (B) The term, certification, is defined as approved by the Michigan Department of Education.
- (C) Qualified shall be defined as (1) having a major in a particular subject to be taught; or (2) having a minor or evidence of current involvement in the subject.

These conditions may be accomplished any time previous to the beginning of the school year.

- (D) Sections A and B above shall apply to K-6 teachers, and Sections A, B, C shall apply to 7-12 teachers when a necessity exists for reducing the staff.
- (E) The Board and a representative of the Association shall prepare a teacher seniority list based on the last date of hire with certification and qualifications noted and transmit a copy of the same to the Association on or before November 1. Within ten school days the list will be verified by the Association prior to its final approval.
- (F) The parties hereto, realizing the education, curriculum and staff to a large degree depend upon the economic resources available to the Board as provided by the public and the State of Michigan and in accordance with this realization understand that in some instances it may be economically necessary to reduce the educational program, curriculum and staff when funds are not available, or student membership count drops, hereby agree as follows:
  - 1. It is hereby specifically recognized that it is within the sole discretion of the Board of Education to reduce the educational program and curriculum when the foregoing circumstances warrant such reduction.
  - 2. The following provisions shall apply if there is a necessary reduction in personnel; and the order of the reduction shall be:
    - a. Temporary employees.
    - b. Probationary teachers according to certification and qualification.
    - c. Tenure teachers, first according to seniority and second according to certification and qualification as defined in A, B, C, and D above.
- (G) The Association shall have the right to review the layoff list prior to, but no later than June 1st, notification of the individual teachers to be laid-off. In the event of a dispute concerning the layoff list, the Association shall have the right to file a written grievance thereon within not more than seventy-two (72) hours after the termination of the meeting requesting review of the list.

Individual teachers affected by the layoff list will be notified by certified return receipt mail by June 20th.
- (H) For the purpose of layoff, due to lack of funds, teachers will receive at least 20 days advanced notice.
- (I) Teachers shall be recalled in inverse order of reduction for vacancies and/or new positions opening for which they are certified.

The recall list shall be maintained by the Board for a period not to exceed three (3) years. Thereafter, a teacher shall lose the right to recall.

- (J) Any employee who collects unemployment compensation benefits for the period between the end of a school year and the commencement of school for the subsequent school year shall have 75% of such unemployment compensation deducted in the subsequent year. The deduction will take place provided that the employee has not suffered loss of pay for the subsequent school year. The deduction will be on a pro rata basis, spread over the pay periods of the subsequent year.

## Article XX

- (B) No polygraph or lie detector device shall be required in any investigation of any teacher.
- (C) The Association shall be duly advised by the Board of fiscal, budgetary and tax programs affecting the district and the Association shall, whenever feasible, have the opportunity in advance to consult with the Board with respect thereto prior to general publication.
- (D) This Agreement shall supersede any rules, regulation or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- (E) Copies of the Agreement shall be printed at the expense of the Board and presented to all teachers now employed or hereafter employed by the Board.
- (F) If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- (I) This Agreement constitutes the sole and entire existing Agreement between the parties and supersedes all prior practices that are inconsistent with this Agreement, whether oral or written, and expresses all obligations of, and restrictions imposed upon, the Board and the Association. This Agreement is subject to amendment, alteration or additions, only by a subsequent written agreement between, and executed by, the Board and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.
- (J) Each building shall schedule Parent/Teacher Conferences for a total of 18 hours for the school year.

## Article XXI

### Agency Shop and Payroll Deductions

- A. All teachers shall, as a condition of employment, (1) on or before thirty (30) days from the first day of active employment or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of Association dues collected from Association members. The Teacher may authorize payroll deduction for such fee. In the event that the Teacher shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association, after meeting with the employee. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each Teacher. Moneys so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.
- B. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the Administrative Procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in that Policy shall be exclusive and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
- C. Any Teacher who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of dues, assessments and contributions to the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedure outlined in the MEA Constitution, Bylaws and Administration Procedures. Payroll deductions shall be

made in equal amounts, as nearly as may be, from the paychecks of each teacher.

- D. Eligible employees may make contributions to the District's 403(b) tax-sheltered annuity plan by payroll deduction to be invested with an authorized investment provider in accordance with the Letter of Agreement (Appendix M) entered into between the District and the Association. As stated in the Letter of Agreement, MEAFS will be one of the investment providers, and the District will withdraw from the Consortium if MEAFS is removed from the list.
- E. Due to certain requirements established in court decisions, the parties acknowledge that the amount of the Service Fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation Service Fee by non-members shall be activated no earlier than thirty (30) days following the Association's notification to non-members of the Service Fee for that given school year.
- F. In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
  - 1. The Board gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
  - 2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
  - 3. The Association shall have complete authority to compromise and settle all claims which it defends under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this article. If this indemnification provision is determined to be unenforceable, the Board's obligation to make involuntary wage deductions shall cease, and the parties shall meet to negotiate the impact of such determination.

## Article XXII

### Job Sharing

- (A) Job sharing is defined as a teacher initiated employment arrangement where two (2) currently employed teachers, through a job share proposal, have agreed to share one (1) full-time position in a manner which meets the educational

objectives of the school and the district and has the approval of the Principal and the Superintendent or designee.

- (B) Two teachers desiring to share a teaching position shall make written application by March 1, on the form attached as Appendix J, to the Building Principal and the Superintendent or designee. Such application shall include a written proposal regarding hours of work, methods of communications, job duties, meetings, in-service, conferences, and the division of responsibilities and shall be reviewed by the Building Principal. The Superintendent shall meet with the applicants to discuss their proposal and thereafter make his/her decision granting or denying the application in writing within twenty (20) school days of the meeting. Job share assignments are at the discretion of the Superintendent and as such, are not subject to the grievance procedure.
- (C) Job sharing partnerships will be limited to no more than two partnerships in each building.
- (D) As defined by the Master Agreement, no job share shall be permitted if the arrangement will in any way adversely affect the seniority, layoff or recall rights of another bargaining unit member, including those on layoff. In such situations, the adversely affected teacher(s) and the association may, in writing, elect to waive his/her seniority rights for that specific situation. Failure of said teacher(s) or the association to waive such rights shall nullify the proposed job share and shall in no way result in adverse effect upon the refusing teacher.
- (E) All parent contact sessions, such as open houses and parent/teacher conferences must be attended by both teachers, or as assigned by the principal.
- (F) For the continuity of instruction, if a teacher has a planned absence, the other job share participant is expected to fulfill the responsibility, if possible. When this occurs, the teacher will be paid, at the highest rate of sub pay. In the event of an unscheduled absence, the other teacher will be called first to substitute and is expected to assume this responsibility, if possible.
- (G) A leave of absence without pay shall not be available to one (1) teacher unless (1) the other teacher agrees to assume the position full-time, or, (2) an acceptable alternative is available, or, (3) the employee is disabled.
- (H) Teachers will share the budget, capital outlay, furniture, etc. that would normally be assigned to one teacher.
- (I) Teachers will be paid at the rate of 50% of a full-time contract at the appropriate step and will advance one step on the salary schedule for every year of job sharing.
- (J) When the job sharing arrangement is terminated, the partner who formerly held the position retains the same. The other partner shall be assigned according to the seniority and other applicable provisions of the collective bargaining agreement.

- (K) The Board and teacher reserve the right to terminate a job sharing situation by giving notice on or before March 1, to be effective at the end of the school year.
- (L) While it may not be possible for the school to assure that all special classes will be scheduled in an equitable manner, every reasonable attempt to do so will be made.
- (M) Fringe benefits are as described in the collective bargaining agreement for part-time employees (Article 14, Section F).

APPENDIX A  
SALARY SCHEDULE

(A) 2010-11 .50% on base, pay steps and .65% off schedule lump sum payment to be paid in December.

(B) Longevity pay

1. Longevity pay shall be paid at the start of the teacher's 15th year of continuous service in this school system and thereafter. Additional longevity pay shall be paid in the 20th and 25th years of continuous service in this school system and thereafter. Although approved unpaid leaves will not be construed as a break in continuous service, longevity credit will not be earned during such periods. Except as set forth in Article 19 (I Paragraph 2), a layoff will not constitute a break in continuous service and longevity credit will not be earned during such periods. Longevity pay is based on Step 1 of the BA salary schedule and is already factored into the published salary schedule. The longevity pay shall be as follows:

Step	BA/BS	BA/BS+18	MA/MS	MA/MS+30
15	6%	6%	8%	8%
20	6%	6%	8%	8%
25	6%	6%	8%	8%

2. Teachers who were hired before November 1 shall be entitled to longevity pay at the beginning of their 15<sup>th</sup> year of continuous service.
3. Following the completion of 14 years of continuous service, teachers, who were hired after November 1, but before the second semester begins, shall receive longevity pay beginning the second semester of the school year immediately following his/her date of hire. Following the completion of 14 full years of continuous service, teachers, who were hired after the second semester will be eligible for longevity pay at the beginning of the next school year.
4. If a teacher has accumulated more than 150 sick days they will be entitled to additional longevity pay. This longevity pay is paid to the teacher for saving the district money by saving sick days during his/her tenure in the district. The longevity pay shall be as follows:

Sick Days	Longevity Pay
150-174	\$6,500
175-199	\$7,250
200-224	\$8,250
225 - 249	\$9,250
250+	\$10,250

(C) The following fundamental principles shall be applied to the salary schedule:

1. This schedule is intended to cover all teachers as defined in Article I (Recognition).
2. The amount of training for teaching will divide teachers into groups.
  - a. Qualified teachers with a bachelors degree.
  - b. Qualified teachers with a masters degree
  - c. Qualified teachers with additional graduate credits and advanced degrees.
3. The amount of experience in the teaching field will determine the steps along the scale from a minimum to a maximum salary.
  - a. Experience in the Thornapple Kellogg School system will count at its full value.
  - b. All teachers shall be given up to and including 2 years credit for years of outside teaching experience in any school district in the State of Michigan or other teaching experience in a school district accredited by a recognized accrediting agency. Additional years may be given at the discretion of the Board. Other experience up to 3 years may be given in related fields as mutually agreed by the Board and teacher's Association.

Teachers employed during periods of layoff will be given full credit for teaching experience and professional training in placement on the salary schedule.

4. The amount of service expected to be rendered to the Thornapple Kellogg School system will mean additional consideration in some cases.

Additional consideration will be given those teachers that perform their regular teaching duties beyond the normal school calendar year. If the duties are an extension of the normal school calendar year, these people will be paid in proportion to the time that they are required to be on the job. This does not include regular summer programs.

(D) Additional considerations beyond the basic salary schedule:

1. The Board has adopted a payroll resolution authorizing teachers to purchase service credit or repay retirement contributions previously withdrawn on a tax deferred basis in accordance with IRS and MPSERS rules. Interested teachers should contact the Business Office for details.
2. Early Retirement – Any employee may receive early retirement under the following conditions:
  - a. Must notify the Board of their intentions with a letter of resignation by May 1 of the school year preceding retirement.

Should extenuating circumstances arise in the lives of those teachers eligible for retirement, such as, personal illness, illness in immediate family members or other reason that would cause the teacher to seek retirement, this notification date will not prevent them from gaining compensation under this Section. Exceptions not mentioned will be considered by mutual agreement of both parties.

- b. This clause would be limited to those employees who are eligible for retirement under the Michigan Public School Employees Retirement System. Payment will be made on presentation of proof from the State Retirement Office.
  - c. Employees would receive stipends as follows:

10 years service with Thornapple Kellogg \$1,250.00  
15 years service with Thornapple Kellogg \$1,750.00  
20 years service with Thornapple Kellogg \$2,500.00  
25 years service with Thornapple Kellogg \$3,500.00  
30 years service with Thornapple Kellogg \$5,000.00

### EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

#### Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent who is (a) a member of a regular component of the Armed Forces and is deployed or has been notified of a deployment to a foreign country, or (b) a member of a reserve component of the Armed Forces and is deployed or has been notified of a deployment to a foreign country under a call or order to active duty may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintroduction briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member or a veteran of the Armed Forces, including a member of the National Guard or Reserves, and who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties, for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. If the servicemember is a veteran, he/she must have been a member of the Armed Forces at any time during the 5 years preceding the treatment, recuperation or therapy.

#### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

#### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

#### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

#### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

#### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

#### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

**FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.**

**And the**

**Thornapple Kellogg Educational Support Personnel Association**

Re: West Michigan Benefits Consortium Section 403(b) Tax-Sheltered Annuity Base Plan Document and KISD Section 403(b) Adoption Agreement.

NOW COMES the Thornapple Kellogg Public Schools ("District") and the Thornapple Kellogg Education Association and the Thornapple Kellogg Educational Support Personnel Association ("Associations"), and said parties do hereby agree to the following:

1. That for a number of years, the District has established and maintained a tax sheltered deferred retirement program. Recently, the Internal Revenue Service has issued significantly new regulations impacting such programs. These new regulations take effect January 1, 2009.
2. In response to the promulgation of these IRS regulations, over 260 public school districts, 25 intermediate school districts and other public education employers formed a Consortium which is now known as the Michigan Retirement Investment Consortium. That Consortium undertook a Request for Proposal process and selected TSA Consulting Group as the third party administrator for the Consortium.
3. The District and the Association recognize the importance of each employee pursuing an active retirement savings program and providing sound investment alternatives to assist them in achieving their retirement savings goals. All bargaining unit members are eligible to participate in the Plan.
4. The Plan Document shall allow employees the ability to make changes in their investment portfolio. Provisions for emergency or hardship withdrawals will be included within the Plan. Employees shall also be permitted to take loans from their investment as permitted in the Plan Document. Timely and regular notice of administration rule(s) changes, modifications, important dates, mandated changes, and any legal limitations placed on the plan and/or its administration shall be communicated to the participants and the Associations. Any changes to the adoption agreement shall require a 60-day advance notice to the Association.
5. Any monies taken under a salary reduction agreement shall be remitted to the appropriate approved vendor under the Plan as soon as administratively feasible and in no event later than the time limits imposed under the Plan Document and the Internal Revenue Code.
6. The Board agrees that any such TPA services as may be required to administer 403(b) products, shall be at no direct cost to the bargaining unit member.

7. The Plan Document shall include a list of investment providers. MEA Financial Services will continue to be on the approved list of investment providers. If, at any time, MEA Financial Services is removed from the list of investment providers, the District will withdraw from the Consortium as soon as possible.

8. The Wildcard vendors as mutually agreed to by the District and the Associations shall be; GLP & Associates, Fidelity Group, AXA Equitable, Ameriprise Financial, and Twentieth Century. All vendors listed must sign an Information Sharing/Service Agreement with the MRIC by January 1, 2009 or they will be dropped from the list. The Parties agree that there shall be no change to these named vendors without the mutual consent of the association.

9. The District and the Association agree to conduct ongoing review and assessment of the performance of the Consortium and the providers made available under the Consortium with the goal of maintaining a quality 403(b) program.
