ARTICLE 1

RECOGNITION

- A. In accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Board does hereby recognize the Association as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other terms and conditions of employment for all employees of the Board included in the bargaining unit defined below:

All Bus Mechanic's Helpers, regular full-time bus drivers, and all food service employees, excluding Clerical employees, mechanics, custodians, teachers, supervisors, and guards.

- B. The term "employee" when used hereinafter in the Agreement shall refer to all employees represented by the Association in the bargaining unit as defined above and references to female employees shall include male employees and vice versa.
- C. The Board agrees not to negotiate with or enter into any agreement with any employee organization other than the Association for the duration of the Association's status as the exclusive representative as defined above.
- D. Regular full time employee bus drivers are those employees who are assigned to a regular daily bus route. Food service employees who are regularly employed at least thirty (30) hours per week are considered full time. Food service employees who are regularly employed less than thirty (30) hours per week are considered part time.

ARTICLE 2

AGENCY SHOP

- A. Service Fees

Each bargaining unit member shall, as a condition of employment:

1. On or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association, or

2. Pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedure adopted pursuant to that policy. The Service Fee shall not exceed the amount of Association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each affected bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.

B. Objections Policy

Pursuant to Chicago Teachers Union v. Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the Administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-association bargaining unit members. The remedies set forth in that policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been available of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

C. Dues Deduction

Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of dues, assessments and contributions to the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedures outlined in the Michigan Education Association (MEA) Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Employer shall deduct one-tenth of such dues, assessments and contributions from the regular salary check of the bargaining unit member each month for ten (10) months, beginning September and ending in June of each year.

D. Payroll Deduction

Upon appropriate written authorization from the bargaining unit member, the Employer shall deduct from the wages of any such bargaining unit member and make appropriate remittance for MEA Financial Services programs and annuities, insurance programs not fully Employer-paid, credit union, savings bonds, charitable donations, MEA-PAC/NEA-PAC contributions or any other plans or programs jointly approved by the Union and the Employer.

- E. The Board agrees to remit the amounts mentioned above to the Association on a regular basis.
- F. The Association hereby agrees to indemnify the Board of Education and hold it harmless from any and all claims, liabilities, or judgments including attorney's fees that may arise by reason of action taken by the Board as a result of enforcing the provisions of this Article. The Association has the right to choose the legal counsel.

ARTICLE 3

MANAGEMENT RIGHTS

- A. Except as expressly limited by this Agreement, the Board on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, whether heretofore exercised or not, including, but without limiting the generality of the foregoing, the right:
 - 1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees;

The Board will inform the Association in writing of any changes in existing rules or regulations of the establishment of new rules and regulations before such changes are made effective.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms thereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

ARTICLE 4

EMPLOYEE AND ASSOCIATION RIGHTS

- A. The bargaining unit members shall be entitled to full rights of citizenship and no religious or political activities of any bargaining unit member or lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such bargaining unit member. The private and personal life of any bargaining unit member is not within the appropriate concern or attention of the Employer, unless it adversely affects the Board's ability to conduct its operation.
- B. The Employer agrees that it will in no way discriminate against or between bargaining unit members covered by this Agreement because of their race, creed, religion, color, national origin or ancestry, age, sex, marital status, physical characteristics or handicap, or place of residence.

If any such meeting is held and the supervisor (or other designated administrator) knows in advance of the meeting that he/she will not be supportive of the employee, the employee shall be granted the right to a representative of the Association as provided in 4.C. above. The immediate supervisor (or other designated administrator) will meet with the employee prior to the meeting with the student, parent or other citizen in order to brief the employee and otherwise prepare for the meeting with the student, parent or other citizen.

1. Review
- Each bargaining unit employee shall have the right, upon request, to review the contents of his/her own personnel file that were made part of the file after the date of his/her employment. The employee may have an Association representative accompany him/her in such review. The Board may also have a representative during the review to protect the contents of the personnel file. Other examination of an employee's file shall be limited to supervisory personnel and their agents, except that a non-bargaining unit member Union representative may review such files for contract administration purposes or to provide the employee representation in other Administrative or legal proceedings.

2. Content

Complaints against the bargaining unit member shall be put in writing with names of the complainants, unless restricted by law, administrative action taken, and remedy clearly stated. The bargaining unit member may submit a written notation or reply regarding any material, including complaints, and the same shall be attached to the file copy of the material in question. Complaints shall be removed from the bargaining unit member's file after two calendar years provided there are no further complaints of a similar nature and said complaint was not used as the basis for discipline.

- G. All rules and regulations and all changes in rules and regulations shall be given in writing to the Association with a copy posted and personal copies made available to each employee prior to the implementation date of the respective rule and/or regulation.
- H. The Association may place a lockable filing cabinet in the Bus Garage and/or kitchen area for its exclusive use.

ARTICLE 6

GRIEVANCE PROCEDURE

A. Definitions

1. Grievance. A “grievance” is an alleged violation of this Agreement.
2. Grievant. The “grievant” is the person or persons making the claim and may be an employee, a group of employees, or the Association.
3. Work Days. The term “work days” when used in this Article shall mean Monday, Tuesday, Wednesday, Thursday, and Friday of any week except that no day that is designated as a holiday in this Agreement shall be counted as a work day.

B. Failure to Comply – Time Limits

If the grievant fails to comply with the time limit or the grievance is not appealed to the next step, it shall be considered settled on the basis of the Board’s last written answer to the grievance. If the Board as the responding party fails to comply with any time limit at any step, the grievance shall be allowed to pass to the next step in the grievance procedure. The parties may, however, agree to extend the time limits at any step. In the case of a grievance involving any continuing monetary liability, the Board shall not be obligated for any compensation or back pay for any period more than thirty (30) calendar days prior to the filing date of the grievance.

C. Right of Employee to Have Grievance Adjusted

Nothing contained in this article shall be construed to prevent any individual employee from presenting a grievance, appealing a grievance, or having a grievance adjusted without intervention by the Association; provided that any such adjustment is not inconsistent with the terms of this Agreement, and providing further that the Association has been given an opportunity to be present at such adjustment.

D. Grievance Procedure

1. Step One. The Association shall reduce the grievance to writing together with a proposed solution thereto and shall deliver a copy of the grievance to the immediate supervisor. The grievance shall be filed no later than fifteen (15) work days from the date of the occurrence or the date the grievant reasonably should have known of the occurrence of the alleged violation of the Agreement. The written grievance shall be titled “Statement of Grievance” and will attempt to include all of the following information:
 - a. The name of the grievant or grievants.
 - b. The names of all other persons involved.

- c. The number and title of any and all articles of this Agreement alleged to have been violated, and by appropriate reference the sections and paragraphs of such articles alleged to have been violated.
- d. A full statement of the facts giving rise to the grievance.
- e. The contention of the grievant or grievants as to how the facts indicate violation of this Agreement.
- f. The relief requested.

Within ten (10) work days of the receipt of the grievance, the immediate supervisor shall meet with the Association's designated representative in an effort to resolve the grievance. The grievant, at his/her discretion, may be present at such meeting. Within five (5) work days of the above meeting the immediate supervisor shall deliver a written answer to the grievance to the Association's designated representative either granting or denying it and if it is denied, stating the reasons for denial.

- 2. Step Two. In the event the grievance is not satisfactorily resolved at Step One the Association's designated representative, within five (5) work days of his/her receipt of the answer, or within five (5) work days of the due date of the answer may transmit the grievance in written form together with a proposed solution thereof to the Superintendent. Within ten (10) work days of the receipt of the grievance the Superintendent shall meet with the Association's designated representative in an effort to resolve the grievance. The grievant, at his/her discretion, may be present at such meeting. Within five (5) work days of the above meeting the Superintendent shall deliver a written answer to the grievance to the Association's designated representative either granting or denying it and if it is denied, stating the reasons for denial.
- 3. Step Three. If the grievance is not resolved in Step Two, it may be appealed to the Board by the Association's designated representative within five (5) work days after the receipt of the Step Two answer or within five (5) work days of due date of the written answer in Step Two. Such appeal shall be in writing and delivered to the President or the Secretary of the Board, with a copy to the superintendent, and shall state the reasons for the Appeal and shall be accompanied by copies of the grievance chain (grievance, attachments, answers). The Board, at the next regular meeting following receipt of the grievance by the Secretary of the Board, will consider the grievance and will give its answer in writing within seven (7) work days after the date of such regular meeting.
- 4. Step Four. Arbitration. In the event the answer by the Board is not satisfactory to the Association, then within thirty (30) calendar days following the date of receipt of the Board's answer the Association only, and not an individual employee, may file a demand for arbitration of the dispute to the American Arbitration Association

with a copy of the demand delivered to the Superintendent, all pursuant to the following rules and conditions:

- a. The grievance shall relate solely to the application and interpretation of the terms and conditions of this Agreement.
- b. The Arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of the Agreement and he/she shall have no authority to hear or rule upon any of the following:
 - (1) Any matter involving the Board's discretion in the expenditure of funds for capital outlay;
 - (2) The fixing or establishment of any salary schedule;
 - (3) The termination of or decision not to reemploy any probationary employee; or
 - (4) The evaluation of an employee, unless it is a claim of failure to follow established procedures or the evaluation is being used to justify a disciplinary action or discharge.
- c. The decision of the Arbitrator shall be final and binding.
- d. Upon receiving a list of arbitrators from the American Arbitration Association, the parties shall attempt to agree upon an arbitrator. If no agreement can be reached, he/she shall be selected by the rules of the American Arbitration Association. The parties shall be bound by the rules of the American Arbitration Association.
- e. Only one grievance shall be heard by an arbitrator at any one appointment.
- f. The costs and expenses of the arbitrator shall be shared equally by the parties.
- g. Any grievance not taken to arbitration within the above stated time limits shall be deemed settled based upon the Board's last answer.

E. No Strike Clause

The association, its officers, agents, affiliates, members, and employees agree that there will be no strikes, sitdowns, stoppages of work, slow-downs, picketing, boycott, withholding of services, or any unlawful acts that interfere with the Board's operations. Any violation of the foregoing may be made a subject to disciplinary action, including discharge or suspension, and this provision shall not be by way of limitation on the Board's right to any other remedy under law for such violation.

ARTICLE 7

SENIORITY

- A. One Classification Vice President for each classification shall be granted super-seniority for all purposes of layoff and recall. The Union shall notify, in writing, the identity of the Classification Vice Presidents. The super-seniority shall be limited to bumping the least senior employee working in the classification; provided, that super-seniority shall not apply to field trips nor to work in the summer (between regular school years). The Association hereby agrees to indemnify the Board and hold it harmless from any and all claims, liabilities or judgments, including attorney fees that may arise by reason of action taken by the Board as a result of enforcing the provisions of this section. The Association has the right to choose the legal counsel.
- B. "Seniority" shall mean the length of uninterrupted service with the employer effective with the initial assignment of a regular daily bus route for drivers and the date of hire into the Bargaining Unit for all other employees. No member employed prior to July 1, 1998, shall have their seniority adjusted as a result of this article.
- C. Seniority List. The Board shall prepare and submit to the Association within thirty (30) calendar days of the ratification of this Agreement a Seniority List showing the name, seniority rank by numeral and the day/month/year of the initial assignment of a regular daily bus route for drivers and the date of hire into the Bargaining Unit for all other employees. Biannually, the Board shall keep the seniority list up to date and post it on the bulletin board in the bus garage, each kitchen and one copy of the current list provided to the Association. A separate seniority list will be maintained for each bargaining unit classification.
- D. An employee shall lose his/her seniority for the following reasons:
1. if he quits
 2. if he is discharged and the discharge is not reversed;
 3. if he is absent for two (2) consecutive working days without notifying the Employer. In proper cases, exceptions shall be made. After such absence, the Employer will send notification by certified mail to the employee at his last known address as shown by his employment records that he has lost his seniority, and his employment has been terminated. If the disposition of any such case is not satisfactory, the matter may be referred to the grievance procedure.
 4. if he does not return to work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made.
 5. if he/she retires;
 6. if the employee fails to report to work at the expiration of an authorized leave of absence;

7. if the employee is laid off for a period equal to the length of his/her seniority or eighteen (18) months, whichever is greater.
- E. No seniority shall be granted for that portion of a continuous sick leave in excess of 180 workdays. No leave of absence shall be considered as an interruption of service for the purpose of Section B. above. Any period of time for which seniority is not granted shall be recorded on the Seniority List and the employee's date of hire on the Seniority List shall be adjusted to that later date that would represent the period of time lost.
 - F. In the event that two or more bus drivers have equal seniority, they shall be assigned seniority ranking in order of the dates each first drove a bus for the district either as a substitute or as a regular driver (with the earliest date being considered most senior.). For all other employees and bus drivers if the foregoing does not break a seniority tie, a random selection procedure that is mutually agreeable between the Board and the Association shall be used to break the seniority tie. The results shall be recorded on the Seniority List.
 - G. Classifications
For purposes of this Agreement, all bargaining unit members shall be placed in one of the following classifications.
 1. Transportation
Job: Bus Driver
Job: Mechanic's Helper
 2. Food Service
Job: Food Service Employee
Job: Head Cook

ARTICLE 8

LAYOFF & RECALL

- H. "Layoff" shall mean a reduction in the work force.
- I. Seniority shall apply to layoff and recall as follows:
 1. When a reduction in force occurs, employees with the least district seniority within the classification will be the first to be laid off.
 2. The Board shall, except when in its discretion the laid off employee will be unable to report to work on time, call laid-off employees (who have made written application to be called for substitute work) for available work prior to calling substitutes or others. If a laid-off employee accepts such an assignment, he/she shall receive his/her regular rate of pay but not be entitled to any other benefits unless the assignment exceeds ten (10) consecutive work days. The return of a laid-off employee to work on a substitute basis shall not be considered a recall

from layoff and does not constitute a break in the layoff for the purpose of Article 7, Section D.7.

3. When the work force is increased after a layoff, employees will be recalled in the order of most seniority within the classification first. Notice of recall shall be sent to the employee at his last known address by registered or certified mail. Notice shall be given by the employee of his intent to return to work within seven (7) calendar days of date of mailing. If an employee fails to report to work within ten (10) calendar days from date of mailing of notice of recall he shall be considered a quit.

ARTICLE 9 TRANSPORTATION ASSIGNMENTS

A. Definitions

1. A "route" shall mean the planned travel of a bus for the purpose of picking up students at their home and delivering them to school or for the purpose of picking up students at school and delivering them home or a combination of both purposes.
2. A "run" shall mean two or more routes that are scheduled to be driven by the same driver in a consecutive manner. There are morning runs and afternoon runs.
3. A "regular run" shall mean any run scheduled on a regular basis.
4. A "combined run" shall mean the morning run or route and the afternoon run or route involving the same basic group of students and is one run for assignment purposes.
5. An employee's "assignment" shall be considered to include all the combined run, run(s) and route(s) assigned to the respective employee.
6. A "permanent vacancy" means any new or previously filled combined run, run or route which the Board intends to fill. Each combined run, run and route shall be considered as a separate "permanent vacancy" for the purpose posting.
7. A "temporary vacancy" shall mean any combined run, run or route that the assigned employee is not able to perform as a result of being on suspension, leave, or otherwise absent from work and any combined run, run or route that the assigned employee is not able to perform as a result of being granted some other temporary vacancy.
8. A "shuttle" shall mean the travel of a bus within the boundaries of the school district.

- a. A "shuttle run" shall mean a shuttle which does not conflict with any regular run time, with a guarantee of not less than one (1) hour pay at the basic rate.
 - b. A "merger shuttle run" shall mean shuttles that conflict with regular run times. They will be assigned according to the dictates of operating efficiency and seniority. Any driving time beyond the regular run time shall be compensated at the basic rate of pay.
9. A "field trip" shall mean the travel of a school bus to transport pupils to and/or from the school district and a destination outside of the boundaries of the school district.
 10. "Driver availability" in reference to shuttles shall mean that the driver has no other conflicting assignment, either permanent or temporary.
- B. At the beginning of the school year, the Board shall make up the bus routes, runs, combined runs and shall determine which bus will be assigned to them. To accomplish the purpose of having the same driver assigned to the same basic route and group of students for the afternoon run as the morning run, the Board in its discretion shall establish as many combined runs as are feasible and efficient. The Board in its discretion may change the buses, bus stops, routes, runs, and combined runs as often and in any manner as it may decide is in the best interest of the school district. The following shall apply to determining which run is assigned to which employee:
1. Except as provided in the determination of combined runs, runs and/or routes shall not be tied together for the purpose of determining assignments.
 2. When possible at the start of each year, assignment selection procedures will be conducted at least one week prior to the first student day and two weeks prior to summer. Each tentatively proposed combined run, run and route shall be posted in the bus garage lounge at least one week prior to the selection meeting. The posting shall include detailed information for each combined run, run and route. Selection of assignments shall be in descending order starting with the most senior employee. The Union steward or a representative shall be in attendance. Employees on sick leave and/or other leaves of absence or not certified to drive shall not be allowed to use their seniority to select a combined run, run(s) or route(s) at this time or in Section C below until such time as the employee is available for full time work. If the employee is able to return to work on a full time basis on or before the first Monday in October, he/she shall be assigned to the last available combined run, run(s) or route(s). The selection process shall not be interrupted for absent employees. Employees absent on selection day with no notice to the office or their steward shall be eligible for the last available route up until the first student day of school. Once assignments are made, (at the start of each year) there shall be no changes of assignment until after the first Monday in October. The only exception would be if a combined run, run or route is totally eliminated during this time.

A driver is expected to fulfill their obligation for all combined run, run(s) and route(s) the driver accepts. If for any reason a driver cannot fulfill his/her obligation he/she shall forfeit that combined run, run(s) or route(s) and that combined run, run(s) or route(s) shall be posted. The above shall not apply in cases of excused absence. In the event a combined run, run(s) or route(s) is posted, the employee that forfeited such combined run, run(s) shall be prohibited from signing any like posting for ninety (90) days.

On conference or inservice days, the High School, Middle School, Elementary and Kindergarten combined run, run(s) or route(s) shall be driven by the regular driver. On those days other routes such as vocational, CBI or ESU routes that conflict shall be offered to any available full-time employee and then, if necessary, to substitutes.

C. Changes to Routes

After the first Monday in October:

1. An employee who has a combined run, run or route that is changed by fifteen (15) minutes or more per day in pay may bump onto a like combined run, run or route held by an employee with less seniority.
2. Any combined run, run or route that is increased permanently by fifteen (15) minutes or more per day shall be posted within twenty-four (24) hours and awarded within five (5) working days.
3. Any employee that was on sick leave and/or other leave of absence at the start of the year who is now able to work on a full time basis may exercise his/her seniority on whichever combined run, run(s) or route(s) his/her seniority will allow him/her to take.
4. An employee losing work because of the elimination of a combined run, run(s) or route(s) or because of bumping shall have the right to bump onto any like combined run, run or route held by an employee with less seniority.
5. It is the responsibility of any employee on sick leave on bump day to notify his/her steward or the office staff of his/her intent.
6. The bumping process shall not be interrupted for absent employees. Except as noted in 5 above, employees absent on Bump Day will be eligible to pick from whatever assignment(s) remains.

D. Permanent Vacancies

When a permanent vacancy that the Board does not eliminate occurs during the school year, it shall be posted for three (3) working days on the Bulletin Board in the bus garage. The most senior employee that signs the posting shall be granted the vacancy. A trial period of two (2) workdays shall be granted at the option of the employee. In the event an employee opts to return to his/her prior assignment during the trial period, the employee

shall be prohibited from signing any permanent vacancy posting for ninety (90) calendar days.

E. Temporary Vacancies

1. Vacancies Of More Than 5 Working Days

- a. When the Board has been notified by an employee that a temporary vacancy will exceed five (5) work days, the Board shall post the combined run, run(s) or route(s) comprising the vacancy within one (1) work day of the notification.
- b. The posting will break up the assignment of the absent employee into all the separate runs so employees can pick and choose among the combined run, run(s) and route(s) that make up the assignment that is vacant.
- c. The posting shall be for a twenty-four (24) hour duration except that when an employee applies for a vacant combined run, run(s) or route(s) and there is no senior employee without conflicting combined run, run(s) or route(s), the combined run, run(s) or route(s) may be awarded before the end of the twenty-four (24) hour posting period.
- d. The most senior employee applying (whether laid off or working) for each combined run, run or route who does not have a conflict with his/her current regular assignment will be awarded the vacant combined run, run or route. NOTE:
 - (1) You can't give up any part of your regular assignment in order to get one or more of these temporary vacancies.
 - (2) Unless there is an emergency or some unusual circumstances, a "conflict" means overlapping clock times, i.e. the end of one combined run, run or route is after the start of another combined run, run or route.
 - (3) The employee awarded a vacant combined run, run(s) or route(s) has it for the duration of the temporary vacancy, not just part of it.

2. Vacancies Of 5 Days Or Less

- a. (In other words, temporary vacancies other than those above. The vacancies talked about below include the daily vacancies, vacancies of 1, 2, 3, 4 and 5 days, vacancies of an unknown duration and also the 5 day posting period for permanent vacancies.)
- b. Temporary vacancies will be offered to those who have expressed an interest by signing the sub list. In other words, these short, day-to-day vacancies are not posted.

- c. The combined run, run(s) or route(s) will be offered in the order of seniority to those employees without a conflicting regular combined run, run(s) or route(s) that have expressed an interest in temporary vacancies.
- d. You can't give up any part of your regular assignment in order to get one or more of these temporary vacancies (5 days or less).
- e. Unless there is an emergency or some unusual circumstances, a "conflict" means overlapping clock times, i.e. the end of one combined run, run or route is after the start of another combined run, run or route.
- f. In cases of an emergency (i.e. when the Board has less than three (3) hours advance notice) the Board shall be allowed to fill the vacancy without following the above procedure.

F. Changes/Cancellations of Temporary Noon Routes

- 1. The Transportation Office must call the driver assigned to a temporary vocational/noon route(s) on the daily basis by 10:00 a.m. if there has been any type of time change in the driver's temporary assigned route(s) within the day.
- 2. If a temporary vocational/noon route is cancelled more than two (2) hours prior to the beginning of the bus route, the senior driver will exercise their right to bump onto any temporary route, on the daily basis, held by an employee with less seniority. If all available temporary routes are of equal time the senior driver will bump the least senior driver. The Transportation Office will make every attempt to make contact with the affected less senior driver, the less senior driver will not be paid. If a temporary vocational/noon route is canceled or changed within two (2) hours or less notice, no bumping will occur and the driver will be paid for the route(s) at the scheduled amount.

G. Summer Routes

Summer routes will be bid according to the Route Selection Procedure defined in Section B.2. above. The opportunity to job share may be permitted with the approval of the Superintendent or designee. An employee may bid on 100%, 60%/40% or 50% of the route.

H. Shuttles And Field Trips

1. Shuttle/Merger Shuttle Runs

a. Posting:

Except in the case of an emergency, shuttle/merger shuttle runs are to be posted for a period of least five (5) workdays. Each driver who qualifies may sign his/her name for the posted run.

b. Assignment:

- (1) Except in emergencies shuttle/merger shuttle runs will be assigned as outlined in Section H.2.b. of this agreement.
- (2) Shuttle runs shall not conflict with any portion of a regular run and shall be assigned to the most senior driver signing the posting.

Operating efficiency is defined as: A merger shuttle run that originates at a particular school and can be assigned to the most senior driver including transfer drivers that is there at departure time or return/drop time resulting in the least amount of overtime.

2. Field Trips

a. Posting. Except in cases of emergency, all Field Trips are to be posted for a period of at least five (5) workdays. The posting shall state the approximate time duration of the Field Trip, including tournaments and similar events. Each driver who qualifies and is interested in performing the field trip, with time duration in consideration, may sign his/her name for the particular Field Trip during the posting period. Summer Field Trips: Two (2) weeks to at least one (1) week prior to the end of the school year, a sign-up sheet shall be posted and available for the drivers to sign to show interest in performing field trips.

b. Assignment of Field Trips/Shuttles

Except in cases of emergency, field trips and all shuttles for the next work week will be assigned once a week on Thursday, thirty (30) minutes before the start of the p.m. runs. Drivers must be present at the time of assignment to accept and be granted a field trip/shuttle. Drivers absent on the assignment day due to illness, routing, or tripping, only, must confirm their availability for field trips to the office by Twelve (12:00) Noon or will be placed ineligible. Drivers present during the assignment period will be paid at the basic hourly rate. Field Trips will be assigned from the longest time duration to the shortest duration. Assignments for field trips during extended school breaks (i.e., Christmas recess, Spring break) will be assigned to the eligible driver(s) at the trip meeting preceding the extended break. Accumulated trip marks will be listed on the back of the trip meeting sign-in sheet. Drivers will verify the number of trip marks and sign the sheet indicating their presence at the meeting and their concurrence with their trip mark count. Drivers must sign in to receive pay for the

meeting. Drivers arriving late will not be allowed to select trips unless the delay was job-related.

If the week ends before Thursday, the trip meeting will be held on the last work day of the week.

c. Field Trip Cancellations.

- (1) If a field trip/shuttle is cancelled within one (1) hour before the time of departure, the driver has the option of:
 - (a) Receiving two (2) hours' pay, performing his/her normal runs if possible and receive a "trip mark;" or
 - (b) Receiving one (1) hour of pay, performing his/her normal runs and not receive a "trip mark."
 - (c) Cancellation compensation shall not exceed the posted trip time.
- (2) In the event of a trip cancellation while a trip is in progress, the driver will be paid for time driven and perform his/her normal runs if possible. The trip may be driven by the same driver (at their option) at the rescheduled date, if rescheduling for a later date is accomplished within seventy-two (72) hours. If this requires turning in a conflicting trip, there will be no trip mark penalty.

3. General Provisions

- a. The decision as to which employee shall be granted the Field Trip will be based on the information and data known at the time the posting is removed. Changes after posting has been removed will be conveyed to the employees prior to the Assignment Day, when time allows by reposting or placing a notice by the time clock.
- b. The field trip will be granted in the order of: first the employee with the least number of "trip" marks during the school year, secondly, the employee with the most seniority, resulting in the least amount of overtime.
- c. In determining the hours that a field trip would cause, the Board shall consider the number of hours an employee is scheduled to work that week, minus route hours while performing the field trip.
- d. The number of field trips each employee has performed during the school year (July 01-June 30th) is recorded by "trip marks." An employee will receive a "trip mark" for any field trip. A "trip mark" is accrued after a trip is completed. No "trip mark" will accrue due to the following circumstances: first, a trip resulting in a partial trip, (meaning no driver is

available and management transports one end of the trip resulting with the employee performing one end (half) of the trip granted to him/her), secondly, trip cancellation as described above.

- e. Refusal of a field trip after the assignment has been granted and accepted will result in a "trip mark." A driver on jury duty (documented) will not be penalized for turning in a trip when they are scheduled to serve on a jury. The trip is then assigned to the next eligible driver signing the posting. Next eligible driver is a driver who did not refuse the trip when it was originally offered and, if all drivers are in overtime, the driver with the least amount of overtime currently. Example: when trip was originally given out, all drivers who said yes were in overtime. Driver with least overtime got trip. Driver later turned trip in. Drivers who originally said yes will re-compute current overtime and trip goes to driver with least overtime.
- f. No bumping will be exercised between drivers in regards to field trips.
- g. Trips where the bus does not stay, both ends, must be completed by the same driver and all conflicting routes must be given up.
- h. Employee on layoff shall be eligible for trips as if actively working.
- i. If no employee signs the posting for the field trip and no substitute is available, the board may assign the trip to the least senior employee available. Availability in this instance shall be determined by the Board.

 - (1) Sign for a field trip.

The temporary vacancies shall be awarded in order of seniority. The sublist will be utilized for these temporary vacancies when a bargaining unit member is available without a conflict.

I. Summer Field Trips

1. Two (2) weeks to at least one (1) week prior to the end of the school year, a sign-up sheet shall be posted and available for the drivers to sign to show interest in performing field trips.

The calls will be made on Wednesday starting at 9:00 a.m. and cover the trips for a one-week period. Drivers will provide the office with one (1) phone number where they may be reached.
