A. New employees hired into the bargaining unit shall be considered as probationary employees for the first sixty (60) calendar days of their employment. When an employee finishes the probationary period, he/she shall be entered on the seniority list of the unit and shall rank for seniority from the first date of hire (meaning the first day the employee reported to work). There shall be no seniority among probationary employees.

B. The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in Article 1 of this Agreement, except discharged and disciplined employees for other than Union activity.

C. Seniority shall be defined as the length of continuous service from the last date of hire with the Muskegon Heights School District and shall accumulate from the first day the employee reports to work in a permanent position (except as provided in Article 19, Section A.)

Section 2. Seniority Lists:

A. Seniority shall not be affected by the race, sex, marital status, or dependents of the employee.

B. The seniority list on the date of this Agreement shall show the names and job titles of all employees of the unit entitled to seniority.

C. The Employer will keep the seniority list up to date at all times and will provide the local Union with up-to-date copies at least every six (6) weeks.

D. The Employer shall notify the Union's Chapter Chairperson in writing of any changes in the status of the seniority list within five (5) days thereafter.

Section 3. Loss of Seniority:

An Employee shall lose his/her seniority for the following reasons only:

A. He/she quits or retires.

B. He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.

C. He/she is absent for three (3) consecutive working days without notifying the Employer. In proper cases, exceptions shall be made. After such absence, the Employer will send written notification to the employee at his/her last known address that he/she has lost his/her seniority, and his/her employment has been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.

D. If he/she does not return to work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made.

E. Return from sick leave and leaves of absence will be treated the same as Section 3, C above.

F. He/she is laid off for a period of more than twenty-four (24) months.

G. Settlement with the Employee has been made for total disability or the employee is retired.

ARTICLE 11 - LAYOFF AND RECALL

Section 1. Layoff:

A. The word, "layoff" means a reduction in the work force due to a decrease of work or lack of funds.

B. In the event it becomes necessary for a layoff, the Employer shall meet with the Union representatives at least three (3) weeks prior to the effective date of the layoff. At such meeting the Employer shall submit a list of the locations, classifications and the names of the employees effected, and the job titles. Layoff shall be by seniority within the location effected with probationary employees being laid off first and thereafter employees having seniority shall be laid off in inverse order of their seniority, i.e., the least senior employee on the seniority list being laid off first. Disposition of these cases shall be reviewed at the meeting and if not resolved it shall be subject to Step 4 of the grievance procedure.

C. Employees to be laid off will receive at least seven (7) working days advance notice of the layoff in writing. Upon receipt of the notice of layoff, an employee may within seven (7) working days transfer to a different location and/or job within the School district to replace an employee with the least seniority with comparable hours (or as close as possible) within a classification within the bargaining unit for which they have the present ability and qualifications to perform the work without a training period.

Section 2. Recall Procedure:

When the work force is increased after a layoff, employees shall be recalled according to seniority, i.e., the most-senior employee on layoff being called first including employees who have transferred to avoid layoff. Notice shall be sent to the employee at his/her last known address by registered or certified mail with a copy to the Union's Chapter Chairperson. If an employee fails to notify the Employer within three (3) working days of his/her desire to return to work and fails to return to work within ten (10) working days after receiving notice, he/she shall be considered a quit.

ARTICLE 12 - POSTING AND BIDDING PROCEDURE/TRANSFERS

Section 1. Posting and Bidding:

A. All vacancies, newly-created positions within the bargaining unit and positions which starting and/or quitting time have been altered by more than one-half (1/2) hour shall be posted and copies sent to all stewards within ten (10) working days from the date of the change or opening unless the position is not going to be filled. Job vacancies shall be posted for a period of five (5) working days setting forth the minimum requirements for the position, location and the number of hours for the position in a conspicuous place in each building. Employees interested shall apply in writing on a form provided by the Employer to the Human Resources Director within the five (5) working days' posting period. In making the award of the position, the Employer shall consider the applicant's qualification, work record, experience, ability and seniority. The senior employee applying for the position who meets the minimum requirements shall be granted a thirty (30) working day trial period to determine:

- i. His/her desire to remain on the job.
- ii. His/her ability to perform the job.

Disposition of the position shall be made within five (5) working days after the posting period, provided, however, the transfer may not take place until such time as a replacement has been obtained. In the event the senior applicant is denied the position, reasons for denial shall be given in writing to the applicant. In the event the senior applicant disagrees with the reasons for denial, it shall be proper subject for the grievance procedure.

B. During the thirty (30) days trial period the employee shall have the opportunity to transfer back to his/her former classification. If the employee's performance is unsatisfactory in the new position, notice and reasons shall be submitted to the Union in writing by the Employer with a copy to the employee. The matter may then become a proper subject for the second step of the grievance procedure.

C. During the trial period, employees will receive the rate of the job they are performing.

D. Employees required to work in a higher classification shall be paid the rate of the higher classification.

E. The Employer agrees to provide the Union's Chapter Chairperson with a copy of each job posting at the same time they are posted, and further notify him/her in writing of the names of the applicants who bid for the job, and to whom the position was awarded within ten (10) working days after the end of the posting period.

Section 2. Transfers:

A. Transfer of Employees. If an employee is transferred to a position under the Employer not included in the unit, and is thereafter transferred again to a position within the unit, he/she shall have accumulated seniority while working in the position to which he/she was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in this Agreement.

B. The Employer agrees that in any movement of work not covered in Section A. above, he/she will discuss the movement with the Union in order to provide for the protection of the seniority of the employees involved.

ARTICLE 13 - VETERANS

Section 1. Reinstatement of Seniority Employees:

A. Any employee who enters into active service in the armed forces of the United States, upon the termination of such services, shall be offered re-employment in his previous position, or a position of like seniority, status, and pay, unless the circumstances have so changed as to make it impossible or totally unreasonable to do so, in which event he/she will be offered such employment in line with his/her seniority as may be available which he/she is capable of doing at the current rate of pay for such work, provided he/she reports for work within one hundred twenty (120) days of the date of such discharge or one hundred twenty (120) days after hospitalization continuing after discharge.

B. A probationary employee who enters the armed forces and meets the foregoing requirements must complete his/her probationary period, and upon completing it will have seniority equal to the time he/she spent in the armed forces, plus sixty (60) days.

Section 2. Veterans Law:

Except as hereinbefore provided, the re-employment rights of employees and probationary employees will be limited by applicable laws and regulations.

Section 3. Educational Leave of Absence For Veterans:

Employees who are reinstated in accordance with the Universal Military Training Act, as amended, and other applicable laws and regulations, will be granted leaves of absence for a period not to exceed a period equal to their seniority in order to attend School full-time under applicable Federal laws in effect on the date of this Agreement.

ARTICLE 14 - LEAVES OF ABSENCE

Section 1. Unpaid Leave:

A. Leaves of absence for reasonable periods not to exceed one (1) year will be granted upon written application to the Employer on a form provided by the Employer. Within five (5) working days after receipt of the application the Employer shall grant in writing the request for the leave (with a copy to the Union's Chapter Chairperson) without loss of seniority for the following reasons:

- i. Serving in any elected position (public or Union).
- ii. Maternity leave.
- iii. Illness, physical or mental. (Confirmation required by a physician's statement).
- iv. Prolonged illness in the immediate family. (Confirmation required by a physician's statement).
- v. Serving in an appointed position with the Council or International Union.

B. Leaves may be extended beyond one (1) year from reapplication and review of reasonableness by the Employer. Failure to return to work at the expiration of a leave of absence, or the extension of a leave of absence, shall constitute a loss of seniority.

C. Employees shall accumulate seniority only during authorized leaves of absence and will retain but not accumulate any benefits, except in accordance with Article 14, Section 3(C).

D. Employees returning from leave of absence shall be returned to the same position and location they held at the time the leave was granted, provided, however, if an employee requests to return earlier than the date approved to return, such request shall be in writing and the Employer will make every attempt to provide a similar position if available in such cases of request for early return.

Section 2. Leave for Union Business:

A. Members of the Union elected to local Union positions or elected by the Union to do work which takes them from their employment with the Employer shall, at the written request of the Union, receive temporary leaves of absence for periods not to exceed two (2) years or the term of office, whichever may be shorter, and upon their return shall be re-employed at work with accumulated seniority.

B. The Union shall be credited with five (5) days at the beginning of each school year to be used as release time to conduct Union business. These days may be accumulated from

year to year. Employees authorized by the Union will make every effort to submit their request for such leave to the Human Resources Director at least ten (10) working days prior to the leave.

Section 3. Paid Sick Leave:

A. All employees covered by this Agreement shall accumulate one (1) sick leave day for each month the employee is in pay status. For purposes of this Section, a month in pay status shall be defined as any month in which the employee is in pay status for eleven (11) days.

Employees shall be allowed to accumulate unused sick leave days up to a maximum of one hundred eighty (180) days. Employees will be paid at their current rate of pay for sick leave based upon their normal scheduled work day.

Any such employee who has not been absent for more than four (4) days for sick leave, or time without pay (except for Union business leave or for funeral leave as identified in Article 14, Section Four, Subsection C) shall receive a bonus of two (2) sick leave days at the end of the school year, to be added to the employee's sick leave bank. An employee may elect to have the two (2) bonus sick leave days in salary in lieu of banking the two (2) sick leave days.

B. Sick leave may be used by an employee for attending doctor and dentist appointments. Sick leave for doctor's and dentist's appointments will be granted on an hourly basis. Deductions will be recorded in hours only. Sick leave may also be used in the event an employee is absent due to the illness in the immediate family (defined as spouse or child). In the event of an extended illness, a doctor's excuse may be necessary.

C. An employee while on paid sick leave will be deemed to be on continued employment for the purpose of all benefits referred to in this Agreement. The Employer agrees to notify the employee that his/her sick leave is depleted by registered mail (with a copy to the Union's Chapter Chairperson). To retain seniority the employee shall be required to comply with Article 14, Section 1.

D. In the event of an employee's death, fifty (50%) percent of the employee's accrued but unused sick leave pay shall be paid to the employee's beneficiaries. The sick leave pay-off shall be based upon the employee's current rate of pay. The employee shall be responsible for identifying their beneficiaries on forms to be provided by the employer.

Section 4. Funeral Leave:

A. An employee shall be allowed up to five (5) working days as funeral leave not to be deducted from sick leave for a death in the immediate family. Immediate family is defined as follows: mother, father, wife, husband, brother, sister, son, daughter, mother-in-law, father-in-law, daughter-in-law, son-in-law, grandparents, grandchildren or a member of the employee's household.

B. An employee shall be allowed one (1) working day as a funeral leave day with pay, not to be deducted from sick leave, for a death of a sister-in-law, brother-in-law, aunt, uncle, first cousin, niece, nephew.

C. Paid funeral leave days as above defined shall not extend beyond the end of the day following the day of the funeral.

D. To be eligible for paid funeral leave the employee must attend the funeral.

E. If additional time is needed for travel, etc., the employee may be granted up to three (3) additional days of either vacation, personal or unpaid leave.

Section 5. On-the-Job Injury:

Employees will be eligible for workers' compensation benefits according to State statute. The Employer agrees that any employee eligible for workers' compensation benefits shall receive an amount to be deducted from his or her accumulated sick leave benefits sufficient to make up the difference between workers' compensation benefits received and his/her regular income until such sick leave is exhausted or the employee returns to work.

Section 6. Jury Duty:

The Employer shall make up the difference between jury duty pay and the employee's full pay if the employee is required to serve as a juror or subpoenaed as a witness on behalf of the Employer.

Section 7. Family and Medical Leave Act Application:

A. The Employer shall abide by the provisions of the Federal Family and Medical Leave Act of 1993 for eligible employees as defined in the Act.

B. To the extent that the Act allows either the Employer or the Employee to substitute any accrued annual leave, and accrued paid sick leave for any of the leave provisions under the Act, nothing in this Agreement shall be construed to preclude such right of substitution.

C. To the extent that the leave provisions under Article 15 "Vacations" and Article 14 "Leave of Absence" provide for leave time for purposes also provided by the Act, such leave time up to twelve (12) work weeks in any twelve (12) month period shall be credited toward the leave time allowed by the Act.

D. For purposes of any leave provided for by the Act which is also provided for in this Agreement, those provisions of the Act relating to notice, medical certification and restoration of work will apply to the leave.

Section 8. Educational Leaves:

Educational leaves of absence for reasons other than specifically provided for elsewhere in this Agreement, but not for the purpose of seeking, or securing work elsewhere may be granted by the Employer, upon written application. The Employer will not refuse a request without just cause. Therefore, such leaves may be initially granted for not more than one (1) year. Such leaves may be extended for like causes with the approval of the Employer. The employee agrees during such leave, to keep the Employer informed of any change in his/her status or condition. Other than the accumulation of seniority during such approved leave, no other fringe benefits shall accrue to the employee. Assuming the employee has met the conditions of this Section, they shall, following the completion of such leave, return to their own classification in which they were working at the time the leave was taken. If, because of credits obtained during their educational leave, such employee meets the minimum qualifications for another classification, he/she may apply; therefore and will be given due consideration by the Employer, based upon its need in that classification at the time, his/her qualifications and work record.

ARTICLE 15 - VACATION

D. Employees will be paid their current rate of pay for vacation based upon their normal scheduled work days.

E. If an employee is laid off or leaves the school employment he/she will receive any unused vacation credit including that accrued in the current year. A recalled employee who received credit at the time of layoff will have such credit deducted from his/her vacation.

F. The Employer will pay to all employees an amount equal to their accrued but unused vacation pay. Vacation pay will be paid at their current rate of pay on the first full pay period of December, but no later than December 15th of each year.
